A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF THE STORM KING TO NO END! NOW, THE BATTLE TO SAVE THE WORLD FROM THE STORM KING WAS ON!

Lincoln, Tempest Shadow, Zipp Storm, Lightning Dust, Lena Mack, Nico, and I and all of us went after The Storm King, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, mint green, moderate rose and dark orchid, ocean blue and green, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus,

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Tempest Shadow, Zipp Storm, Lightning Dust, and Lena Mack did the same by firing colored, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and staff and massive greatswords, and Lincoln, Tempest Shadow, Zipp Storm, Lightning Dust, Lena Mack, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making The Storm King even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit The Storm King, and we found ourselves in Heaven.

Lincoln formed a massive golden yellow energy ball with golden yellow wolf fire, darkness, moonlight, and ice and condensed it to the size of his body and he fired it at The Storm King and it hit him and sent him flying into the skies and it exploded with incredible power and it Blasted him big time.

Me: I got the perfect form of torture for you Storm King!

Nico, Eli and Varie grabbed numerous barrels of kerosene and fuel and drenched him all over!

Me: FIRE is the new storm!

I took my flare gun and pointed it at him.

Me: Feel the heat!

I fired a flare and ignited him and he bursted into INTENSE FLAMES AND SCREAMED IN POWERFUL AGONY!

Suddenly, the bell of judgement rang in his ears meaning his time was finally up! Then, the spirits of all those he'd hurt appeared and grabbed her.

Spirits: Guilty!

The spirits found him guilty, and then, the kanji Black Abyss 黒深淵 appeared on her forehead, and he was being consumed by the black flames of The Black Abyss and he began to fade away: The Storm King was finally being erased by The Black Abyss!

Tempest Shadow: It's finally over, The Storm King is finally gone.

Twilight Sparkle: That's one of the irredeemable enemies of Equestria finally taken care of.

Nico: You said it.

Me: That monster deserved it. So, Lincoln, who's the next Abyss Actor Gene-Slammer and Avatar we're meeting on your rescue tomorrow?

Suddenly, we saw a wave of darkness appear before us, and a theater stage appeared out of nowhere and a miniature version of Abyss Actor - The Producer appeared as the spotlight shined on it.

Lincoln: I know just the person whom we're meeting tomorrow for my rescue: Lilith Balthazar, Gene-Slammer and Avatar of Abyss Actor - The Producer.

Selene Arcangela: I knew that was her, and you guys are going to love meeting her, Lilith Balthazar, Gene-Slammer and Avatar of Abyss Actor - The Producer, is Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Lilith Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Lilith Balthazar really hates Killjoy Huggins with a blazing passion, and she also knew how to bring down the actions of that stupid jerk, and all it took was one planned out performance from Michelle, and not only was Killjoy Huggins done for, but he always winds up getting a nasty atomic wedgie along with a severe thrashing in front of an audience of imps, fiends, and demons she summons and they all laugh at him and he runs out of the auditorium humiliated to the extreme and into the hands of the police and he winds up getting sent to jail again.

Nico: That bastard, serves him right.

King Kai: (Telepathically) Lincoln, can you hear me?

Lincoln: I hear you, King Kai, what's wrong? Did Killjoy Huggins escape from Hell?

That got King Kai's attention.

King Kai: (Telepathically) I was about to tell you about that, but how did...? (Realizes something) Wait a minute, so that time you killed Killjoy Huggins, you...!

Lincoln: Yep, I sent him to Hell, and I should've told you guys this, but I knew that Kaara Koaki Meiru wasn't my only Guardian Angels who got murdered by Killjoy Huggins. That day when I trashed him and killed him, I sent him to Hell but I swore that when I get Lorelai Symphonia Arendelle back from the dead, I was going to kill him, this time for good, and send him straight to The Black Abyss. When tomorrow comes, we're going to The Sensei Air Real and I'm gonna make that miserable killjoy pay for murdering her right in front of my eyes and leaving me with a nasty case of PTSD on that day years ago!

WE GASPED!

Me: Oh shit!

Nico: Damn, he really pissed Lincoln off now!

Eli: Tomorrow, blood's going to rain down on The Sensei Air Realm!

Ray threw Lagoras into Grangon.

SMASH!

They were both smashed down and sent to the M.O.E.

Ocellus: That did it!

Ray: What do you guys wanna do now?

We came back.

Me: WHEW! That was awesome!

Nergal: Looks like Giga Basark just bit the dust.

Raven Branwen: And so has Storm King.

Chemistro (to the Kaijudo team): You guys helped too.

Ray Chase: We sure did.

Me: We owe you guys big time for it.

Kaito Touma (to Ray): See you in 7 days.

Ray: We'll be waiting. Want to take a group picture before we go?

Kaito Touma: Sure.

Dr. Polaris: Don't leave us out!

Bonz: But who should take it?

I formed a shadow clone and took a picture.

Nico: Great job everyone! Rainbow Dash you must be really proud of Lightning Dust and Zipp.

Rainbow Dash: You bet I am!

Me: Yep. How about we celebrate with some pizza?

Nergal: That we can do!

Nico: That was clever using Kerosene and fire like that.

Me: Thank Firefly for all the fire weapons.

Nico: Yep.

Lightning Dust: (To the viewers) This was an awesome mission and adventure for all of us!

Me: It sure was!

We later went and had some awesome pizza and We returned home, and we helped Kaito and his team settle in. Then, as the sun set and night fell on the city, Zipp Storm and the rest of Lincoln's harem were heading to bed after an awesome mission and party to celebrate the end of Zipp Storm's big day mission and after finally getting rid of The Storm King.

Zipp Storm: That was a really awesome mission!

Girl Jordan: You said it, plus, we finally got rid of The Storm King forever.

Tempest Shadow: After what that monster had done, he deserved to die.

?: Glad you enjoyed the show.

Suddenly, Lincoln's harem entered into Lincoln's room, and they saw Lincoln lying on his super extra-extra-extra-extra large bed fit for his expanding harem and he was only in a pair of large red underwear, and when they all saw Lincoln, his harem had massive atomic red blushes on their faces, hearts in their eyes, and their noses were really gushing upon seeing their hotter, sexier hulking wolf hunk of a future husband.

Lincoln: (Seductive Voice) Like what you see, ladies?

Lincoln's Harem: (In Heaven) Oh yeah.

Lincoln made clones of himself and they walked up to his harem and they wrapped their abnormally massive and powerful muscular arms around their waists, which took them by surprise and brought an atomic red blush to their faces as their chests pressed against the massive pecs of Lincoln and his clones and their stomachs pressed against their twelve-pack abs, which'd brought an atomic red blush to the faces of Lincoln and his clones, and they shared a deep passionate and romantic kiss as the girls placed their hands on the massive pecs of Lincoln and his clones.

Zipp Storm: (In Heaven) Uh oh, I can tell you're an even more happier mood after getting rid of The Storm King, and you're in for a wild night with us.

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and we felt Lincoln gain another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force.

Then, Lincoln suddenly grabbed and lifted Zipp Storm and Tempest Shadow in both arms with sudden ease and placed her on the bed with him on top of her, but she also saw his eyes turn from deep sapphire blue to deep blood red: the effects of The Mark of The Incubi have taken hold of him.

Lincoln: (Seductive Voice) You guessed it. Alright, ladies, hope you're all ready for one...wild...night.

The rest of Lincoln's harem went inside Lincoln's room and Lincoln used one of his eleven massive and long brown wolf tails to push the door shut and the barrier activated, but it also turned a deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

We later went to sleep.

Next is Rarity's day to shine and we're going to battle Emperor Yodon and make that monster pay for his crimes!

See you all next time.

Jewels VS Yodonheim

This is a sequel of Rarity's Big Day chapter

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had an interesting dream: apparently, his dream took him to the west of Gotham Royal York, and as he was flying, he saw something in the sky: it was the Kirin, Azure Dragon, Vermillion Bird, White Tiger, and Black Tortoise, the five symbols in Chinese Myth, and five girls came out of those symbols. Lincoln woke up, but so did his kids and harem.

Lily the Mermaid: Linky, what is it?

Lincoln: We've got some special guests arriving in the morning.

Lincoln told his harem about everything he saw.

Selene Arcangela: Oh man, what you saw, there's no doubt in my mind it's them, The Xiaolin Beast Monks.

Lincoln: That's for sure. We'll be meeting them tomorrow, and the monks are in for a huge surprise along with everyone else.

Girl Jordan: Same with us.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I should tell you: last night, my dream took me to the west of Gotham Royal York, and as I was flying, I saw something in the sky: it was the Kirin, Azure

Dragon, Vermillion Bird, White Tiger, and Black Tortoise, the five symbols in Chinese Myth, and then, I saw five girls came out of those symbols.

Me: Really? Whoa!

Nico: Who are they?

Lincoln: They are The Xiaolin Beast Monks.

WE GASPED!

Raimundo: We hadn't seen them in a long time.

Clay: Same here.

Me: Wait, you guys also know them?

Kimiko: We do. The Xiaolin Beast Monks are Lincoln's Guardian Angels from Japan and classmates in Gym, and they are much like The Xiaolin Dragons, but with Chinese Mythical Beasts, and they are known as The Xiaolin Beast Monks, and Lincoln's also part of this group, he's known as The Xiaolin Golden Dragon of Light and Darkness.

Raimundo: They protected Lincoln from his enemies, and that also included Dark Chase Young. They even once took on every last one of Lincoln's enemies and won, and they also trained Lincoln in the ways of the Xiaolin, and he became known as The Xiaolin Golden Dragon of Light and Darkness, but they also knew Lincoln also has mastered the other elemental powers as well along with the powers of the Chinese Mythical Beasts.

Omi: To show thanks, Lincoln made The Xiaolin Beast Monks bikinis based on their elements and the Chinese mythical beasts, and they then kissed Lincoln on the lips. As a result, Lincoln promised that when he comes of age, he will marry The Xiaolin Beast Monks along with the rest of his harem, and they hate all of Lincoln's enemies with a blazing passion.

Eli: Wait, what the?!

Lincoln: Yep, that's right, I'm also part of that group as well, and I've also been a Xiaolin Beast Monk for years.

Me: That's so awesome!

Nico: Then, that means, you've also fought against The Heylin before!

Jack Spicer: Including me. Now, I remember all too well.

Nico: I figured that'd be the case, and are they also?!

Lincoln: Yep, like me, they're super pissed off at Dark Chase Young being responsible for my family's misfortune 400 years ago in 1621 and are out for revenge.

Sly Cooper: Figures.

Suddenly, The Kirin, Azure Dragon, Vermillion Bird, White Tiger, and Black Tortoise, the five symbols in Chinese Myth appeared, and then, five girls came out of those symbols.

Lincoln: (GASPS) Tammy Meadows, The Ragnaraika Stag Sovereign Gene-Slammer and Xiaolin Kirin of Earth, Carly Katherine, The Aromalilith Magnolia Gene-Slammer and Xiaolin Azure Dragon of The Storms, Kyoko Tohomiko, The Raizeol Duodrive Gene-Slammer and Xiaolin Vermilion Bird of Fire, Anita Kaboom, The Superdreadnought Rail Cannon Juggernaut Liebe Gene-Slammer and Xiaolin White Tiger of Metal, and Rita Kastle, The Poseidra Abyss, The Atlantean Dragon Deity Gene-Slammer and Xiaolin Black Tortoise of Nature.

Me: Whoa! Awesome! (Recognizes their last names) Wait, their last names, are they?!

Kimiko: Yep, you guessed it, Tammy Meadows is Tori Meadows' twin sister, but with blue and pink hair with green clothing, Carly Katherine is Cathy Katherine's twin sister, but with purple hair and blue clothing, Kyoko Tohomiko is my twin sister, but with pink hair and red clothing, Anita Kaboom is Anna Kaboom's twin sister, but with red and yellow hair and orange clothing, and Rita Kastle is Rio Kastle's twin sister, but with indigo hair and pink clothing.

Eli: SAY WHAT?! Four of them are the sisters of Yuma's friends and Kyoko is your twin sister?! Wow! So, does that mean...?

Tammy Meadows: Yep, in addition to being Xiaolin Beast Monks, Carly, Anita, Rita, and I are also duelists as well.

Kyoko Tohomiko: That's right, and I've checked in with Dad and he's doing okay, sis. No trouble's been brewing.

Kimiko: Thank goodness.

Suddenly, Lincoln pinned Tammy Meadows, Carly Katherine, Kyoko Tohomiko, Anita Kaboom, and Rita Kastleto the ground, the other clones pinned the other four to the ground, and they kissed them deeply on the lips which they returned, then, with his massive muscular arms still wrapped around their waists, Lincoln leaned his head down to the right sides of their trapezius, and he slowly bit them one by one and fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from their right trapezius and the marks sealed up and Lincoln kissed the spot where he bit them, and five Elemental Thunderbird Necklaces of Eternal Love appeared on their necks with colored gems on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with five white and gold-accented Elemental Thunderbird Choker of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Then, he helped them up.

Tammy Meadows: Well, I got to say that was one way of saying it's good to see you again.

Lily: That's one of his ways of conveying that message.

Lincoln: Lily.

But, then, we saw a serious look in Lincoln's eyes.

Tammy Meadows: Whoa, what's with the deathly serious look on your face?

Nico: The other day when we had our usual battles, we met Lorelai Symphonia Arendelle, Gene-Slammer of Lorelai, the Symphonic Arsenal, and Lola explained about what happened to her and that she was murdered in front of Lincoln's eyes by Killjoy Huggins and he slashed and stabbed her in front of him and he got a really nasty case of PTSD as a result.

The Xiaolin Beast Monks gasped in horror.

Rita Kastle: Oh shit!

Carly Katherine: (GROWLS) I haven't forgotten about that day! Damn that Killjoy Huggins!

Kyoko Tohomiko: What he did and to Kaara was absolutely horrific!

Lincoln: I know, I haven't forgotten what that piece of crap did, and I despise him for it. It's true that I sent him to Hell when he came back from The Black Gates after I went after him to avenge Kaara's death, but I swore that when I got Lorelai Symphonia Arendelle back from the dead, I was going to kill him, this time for good, and send him straight to The Black Abyss, and now, I'm gonna make that miserable killjoy pay for murdering Lorelai right in front of my eyes and leaving me with a nasty case of PTSD on that day years ago!

We knew that blood was about to rain down!

Luna: Oh no, this is gonna be gruesome!

Lori: But, this literally has been a long time coming. I think it's time we made sure Killjoy Huggins is permanently removed for good.

Lincoln: We're gonna get payback on him for Lorelai's murder all those years ago, and I'm going to make absolutely sure that good-for-nothing monster pays for what he's done in trying to destroy me and making everyone's lives miserable, and for murdering Kaara and Lorelai.

Suddenly, The Air Symbol on Crash Bandicoot's True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Justice started glowing.

Whirlwind: Ooh, The Air Symbol's glowing.

Crash Bandicoot: Yep.

Me: Hey, what's up?

Crash Bandicoot: J.D., everyone, listen up, after breakfast, we're going to The Sensei Air Realm to find The Sword of The Air Skylanders.

Nico: Awesome.

Suddenly, a vision orb appeared in Crash Bandicoot's hand, and wouldn't you know it, we saw that Killjoy Huggins is there.

Lincoln: And there's that piece of shit, Killjoy Huggins.

Sly Cooper: Now, you're about to get payback for what he did, and send him on his way to The Black Abyss for good.

Lincoln: But, before that, I'm going to do a special rant on Killjoy Huggins, and it's one far worse than the Sebastian Style rants and Evil Sasuke rants combined.

Sheila: Oh, now this we got to hear, and I hope it's just as brutal as your Mean Sister Rants.

WE GASPED!

Nico: Ooh, now this should really be good.

Lincoln: It will be, Nico, now let's finish breakfast and head out to The Sensei Air Realm and hunt down Killjoy Huggins.

Me: First let me do this.

I went to the computer and sent a threatening message to Goha City.

* * *

On a screen on Goha Corps, my eyes appeared.

Me: Attention Goha Corps. This is Phoenix Infinity. You will lower your defenses and forces and turn control of the city over to the people for their laws and rules under our protection. If you do not comply in the next 8 hours, will be forced to destroy more police and military buildings. You have until 5:00 PM to meet our demands.

It clicked off.

Yuo: We will not listen to this stranger.

They were shocked.

* * *

I got up.

Nico: You know they aren't going to listen to you.

Me: That's what I'm hoping they will do.

Rarity was sleeping.

Rarity: [mumbling in sleep] Oh... Are those sweet... carrot... pancakes I smell? [gasp] Mmm, how divine, num num num num. The aroma... spiced warm apple cider. [sniff] Ahh, and, the smell of... Cinnamon Belgian Waffles...

Rarity woke up and saw Mega Diancie staring at her.

Mega Diancie: Good morning Rarity.

Rarity: Oh good morning Mega Diancie darling.

Mega Diancie: Time for breakfast.

Rarity: Oh wonderful!

She went and got dressed and went down to the table and we were having cinnamon belgian waffles and spiced apple cider.

We then finished our breakfast, and we set out to The Sensei Air Realm, so Rainbow Dash can remove The Sword of The Air Skylanders and there, we hunt down and end Killjoy Huggins and send him to The Black Abyss.

Me: Wow! The Air Sensei Realm.

Camie: It's amazing.

Qin: Yeah! Look at how high up we are up in the sky.

Nico: No kidding.

Laney: This is perfect for training the Wonderbolts here.

Rainbow Dash: It sure is! This would be an awesome training spot for them.

Lola: I agree there.

Nico: I'll say! Search Man, I want to thank you, Earthrock Trilobyte and your teams for coming.

Search Man: No problem Nico. This is gonna be awesome and fun.

Hunter: It sure will be cool!

Me: It sure will.

Colleen: (British Accent) I'm ready to kick me some fun love.

Me: Me too.

Blitz: (Arnold Schwarzenegger Accent) We are going to have a good time together ja.

Me: We sure are.

Colleen: Oh I'm sorry I don't believe we met. I'm Colleen.

Me: Colleen that's enough.

Nico: Hunter, remember when we met you guys a few years ago?

Hunter: I sure do. We met you guys during the Ridonculous Race on the Comoros Islands.

Exile: (Russian Accent) Boy that was amazing comrades!

Me: Yeah it was! We really kicked some butt.

Horsea: Those were good times

Nico: They sure were.

Qin: Yeah no kidding.

Lola: That was so awesome.

Nico: It sure was.

Hunter: You got that right.

Lola: Yeah!

Shag: (Babbles)

Me: Shag said that he agrees with it.

Nico: Yeah.

Rainbow Dash: Boy yesterday was so awesome!

Me: You must be proud of your legacy and Lightning Dust and Lena, R.D.

Rainbow Dash: You bet I am J.D.! That was so awesome!

Nico: Can't believe the Storm King returned.

Me: Me too. But look on the bright side, That's One of Equestria's big bad enemies destroyed.

Camie: That is true.

Me: Yeah.

Lola: Yeah that is for sure.

Kaito Touma: Too true. But I'm glad that he is gone.

Me: Me too. How do you like it at the estate Kaito?

Kaito Touma: It's amazing! And the view is amazing.

Lightning Dust: It sure is. Also my akuma was shocking!

Me: I know! Electrifying!

May: I got electrocuted big time!

Manaphy: Ouch.

Qin: That was shocking!

Xenia: Yikes.

Nico: And his pet robot is destroyed.

Me: Thank goodness.

Lola: Yeah.

Me: We doused him in kerosene and I lit him on fire with a flare gun I got from Firefly.

Qin: That was awesome.

Nico: You should be proud of yourself, Lena.

Lena Mack: I sure am. It was fun.

Lola: We all had fun.

Camie: Yep.

Lincoln: Okay, guys, we're in for one bloody battle, we're here in The Sensei Air Realm in The Skylands, and we're here to get The Sword of The Air Skylanders for Rainbow Dash, but just as we found out yesterday and today, we're going after Killjoy Huggins and we're going to kill him to get payback for the murder of Lorelai Symphonia Arendelle.

The rest of the team's with us.

Nico: Finally, we're going to make sure Killjoy Huggins gets The Black Abyss forever.

Me: After everything that pile of garbage has done to Lincoln and his family along with his Guardian Angels, he deserves to die and be forgotten forever.

Superintendent Chen: We're all wanting to tear him to pieces for what he's done.

Laney: After everything that he did to us, he deserves to die.

Lynn: We're gonna crack open his skull and spill his brains out!

Lori: He turned us into monsters and we almost killed our own brother, this is unforgivable, he's going to die for this.

Lola: We'll do a lot worse to that toupee-wearing clod.

Luna: Provided you let our bro deal the fatal blow that ends that jerk.

Me: Yep. And now we have a chance to destroy one of the very jerks that plagued Lincoln's life.

Camie: You got that right. I can't believe that Dark Chase Young made him like that before.

Qin: I know!

Xenia: Yeah!

Lola: And he turned me and some of my sisters into HORRIBLE monsters hellbent on killing Lincoln!

Laney: That is awful!

Varie: Yeah!

Me: It's just absolutely incomprehensible that all this happened to Lincoln because of Dark Chase Young. Who spread his evil essense to Lori, Luan, Lynn, Lisa and Lola and Huggins and others.

Camie: Yeah horrible!

Lana: I agree there!

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio has sent some hired thugs to kill us.

Lincoln: Sergio, why you little...!

Nico: Sergio again?

Lincoln: Yep, he's sent his hired thugs after us.

Me: I thought they...!

Sly Cooper: Afraid not, the thugs were completely stupid and they forgot that Sergio was going to backstab them, and they went back to being his hired thugs.

Nico: Unbelievable. Well, when we run into Killjoy Huggins, we'll run into Sergio's thugs and another of your cousins, Sly.

Ed Cowart: Right.

Lori: That bird is literally getting on our nerves.

Ronnie Anne: Now, you know what Bobby and the rest of us had to deal with from Sergio.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian

Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Killjoy Huggins) (GROWLS) There you are, you bastard. I just spotted Killjoy Huggins, he's 20 yards away, but he's coming right at me.

Nico: Let's get The Sword of The Air Skylanders and tear that son of a bitch apart.

We took off into the air to help Rainbow Dash get The Sword of The Air Skylanders and send Killjoy Huggins along with Sergio's thugs to The Black Abyss.

We were flying in the air, and we saw our target: The Sword of The Air Skylanders, it's a blue sword with the symbol of The Air Skylanders embedded in the crossguard and a blade with reflecting skies on it.

Lincoln: There it is.

We landed, and Rainbow Dash removed The Sword of The Air Skylanders from its pedestal, and a sky blue light shot out of the sword and it landed, and what stood in its place was a girl with sky blue hair, sky blue eyes, massive angel wings with skies reflecting off them, sky blue clothes, she has the Air Skylander symbol on her forehead, right arm, and aqua blue skirt, an Air Elemental Necklace and an Air Elemental Sword with the symbol of The Air Skylanders embedded in the crossguard and a blade with reflecting skies on it.

Lincoln: (GASPS) Sirocco Rainbow, Avatar of The Air Skylanders.

Crash Bandicoot: The Air Master of The Avatars of The Skylander Elements and Governor of Air, I knew that was her.

Me: Awesome! Care to introduce us?

Anna Anyanova: Sure. This is Sirocco Rainbow, Avatar of The Air Skylanders, she's Lincoln's Guardian Angels from The Air Sensei Realm and she's the Avatar and Embodiment of all the Water Skylanders and a master of wind, lightning, rainbows. and storms and a deadly force of the weather. She's the Air Master of The

Avatars of The Skylander Elements, they are the masters of each of the 10 Elements of The Skylanders and they defend all of Skylands and the universe from the evils that threaten Skylands. She came to Royal Woods long ago, and she taught Lincoln how to use the powers of wind, lightning, rainbows, and storms, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful wind greatsword and necklace, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a vengeance and vowed to blow them all away with the fury of a million tornadoes.

Crash Bandicoot: I've seen her use the powers of wind, lightning, rainbows, and storms, and her powers were stronger than Lori's and she'd used Lori's own powers against her.

Lori: Don't remind me, Crash, you were on your butt laughing your head off when Sirocco blew me all over the place.

Lincoln: Anyways, we better get going and get after Killjoy Huggins, so I can blow his head right off!

Eli: Right.

Sirocco Rainbow: You mean we're going to...!

Lincoln: Yep, we're getting payback for the murder of Lorelai Symphonia Arendelle.

Sirocco Rainbow: Oh man.

Anna Anyanova: You and the others didn't know this, but that bastard was murdered Lorelai right in front of Lincoln's eyes and left him with a nasty case of PTSD even nastier than the one left on him by that bitch Fifi Dufus.

Pyrus Sunset: I knew Killjoy Huggins was a jerk, but this...!

Lorelai Symphonia Arendelle: And it wasn't just me Killjoy Huggins murdered right in front of Linky.

Kaara Koaki Meiru: Lorelai's right, I was also Killjoy Huggins' victim when he murdered me in front of Linky.

Eman Reynolds: I hated that monster for everything that he is.

Sabrina Lorelai: Same here.

Selene Arcangela: For him to murder two of our fellow Guardian Angels like that and right in front of Lincoln just to make him suffer, he was on the top of our list of those to kill for a very long time, and now, this time, we're going to make sure he dies here and now, and he will never ever come back.

Lincoln: Let's get going. (Deep Sapphire Blue Eyes turn Red) Get ready, you stupid killjoy, we're coming for you, and I'm gonna make you choke your own blood!

Suddenly, we saw blood raining down from the skies, and we saw Lincoln's energy aura flare up to the extreme as he suddenly started growing even stronger!

Me: Oh...shit!

Nico: Oh crap, it's raining blood! Literally!

Selene Emperyous: Oh crap, I was hoping not to see that again: The Bloody Rain of Vengeance, this is a very powerful ability that Lincoln has, when his anger is let out, it causes blood to rain down and it not only makes him grow even stronger than ever, but it also hurts the person who's become the focus of his anger.

Brittney: This happens to be another of the many vampiric abilities Lincoln has, he can cause blood to rain down to not only make himself stronger, but also, to hurt those who dare to piss him off.

Lincoln: Let's go. Killjoy Huggins, your time is finally up, you son of a bitch.

Linka heard a Pokemon cry

Linka (CP): (Russian Accent) Look here.

We saw a Pidgey!

Me: Cool a Pidgey.

Pidgey: This is an amazing place.

Me: It sure is.

Linka: Are you hungry?

She gave it food.

Pidgey: Thank you.

She ate it.

Linka: Want to come with us?

Pidgey: I would be honored.

Nico: Nice!

Lola: Uh guys? LOOK!

We saw a HUGE FIGURE and it was a GIGANTAMAX MOLTRES!

Me: WHOA! Gigantamax Moltres!?

Qin: WOW!

Nico: How'd that get here?!

Me: I don't know! But seeing a Gigantamax Moltres is amazing!

Camie: It sure is! I guess Dark Gale made Gigantamax Legendary Pokemon too.

Ember (Elemental): Maybe. But let me see.

She used telepathy and gasped!

Ember (Elemental): That's my sister Elaine Ember!

We gasped!

Me: WHOA! We better go help her!

We flew up to her!

Ember (Elemental): Elaine it's me! Ember! Can you hear me?

All she did was use hyper flame and fired a massive blast of fire and we absorbed it and got stronger!

Nico: That's hot!

Me: It sure is!

Ember: But this will be good!

We fired waves of water and fire and blasted her.

Me: YEAH!

I snapped my fingers and she reverted back and had red hair, red eyes and had fire angel wings and had Gigantamax Moltres on her forehead and had a Vivisteria Flower as her cutie mark on her arm.

We wrapped her in a blanket and brought her over.

Me: That was awesome.

Nico: Yeah. But she's not a fire elemental like you Ember?

Ember: I know. She taught herself how to change into a human and has fire powers as a result.

Me: Wow! And her cutie mark is the Vivisteria Flower.

Ember: Yeah and that is her favorite flower.

Lola: That is pretty.

Kurumu: Wow she learned how to adapt among humans like we do at Yokai Academy.

Me: That is amazing. Are there any elementals at Yokai Academy?

Mizore: We never asked around. Because we're not allowed to know what species they are.

Me: Well that's okay. I'm sure there are. We just got to know where to look.

She woke up.

Elaine Ember: (Groans)

Ember (Elemental): Elaine? Are you okay?

Elaine Ember: Ember? (GASP) Ember!

She hugged her!

Elaine Ember: It's awesome to see you. But where am I?

Me: You're in the Air Sensei Realm in Skylands.

Rainbow Dash: It's the element I govern as the Princess of the Air Skylanders.

Me: You were turned into a Gigantamax Moltres by Dark Gale.

Elaine Ember: (GASP) I remember.

She was in a red suit and was injected and in a massive burst of intense fire she turned into GIGANTAMAX MOLTRES! And she incinerated everything in the lair and flew out.

FLASHBACK ENDS

Elaine Ember: It was awful.

Me: I know but we destroyed all of Dark Gale.

Elaine Ember: Good.

Nico: Your role in Sonya's team?

Elaine Ember: Well I'm actually the Fire and Inferno Elemental of the team and I use intense fire to burn our enemies.

Me: Infernal.

Elaine Ember: Yeah. Outside the team I would go to Element City to help with my family around the store.

Me: Your family's store is amazing.

Maria: It sure is. And we get a great laugh out of Wade boiling from your family's food.

WE LAUGHED!

Elaine Ember: (LAUGHS) Yeah my family's food always does that to Water Elementals.

Camie: Yeah that makes us laugh.

Wade Ripple: Yeah that always does.

He ate a burning food and then swallowed and it boiled him. He screamed and then steam came out of him.

WE LAUGHED!

Wade coughed steam.

Me: See?

Elaine Ember: Yeah that is funny.

Horsea: Can I try some of said food?

Maria: (LAUGHS) Horsea I don't think you would want to. You would burn yourself.

Horsea: Yeah you're right.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her amazing new orange and black clothe and they gave her a Vivisteria flower for her hair.

Elaine Ember: Wow I look amazing.

Nico: Yeah.

Elaine Ember: I have the power to form fire weapons.

Me: Awesome.

Nico: Cool!

Elaine Ember: I also help Ember with her hidden talent.

Me: Making glass art? We saw that in the movie and it's really an amazing gift.

Elaine Ember: It sure is.

Me: Yep.

Poliwag: Is the food really that hot?

Me: It's flaming brimstone. No offense Ember. But the food for Fire Elementals is not for human consumption.

Ember (Elemental): None taken but yes you're right on that. And it's not for Pokemon or Digimon too.

Poliwag: I see your point.

Me: Lets go find and destroy Killjoy Huggins.

We then took off to find and destroy Killjoy Huggins and send him and Sergio's thugs to The Black Abyss.

We were flying in the air, and there we saw our main target: Killjoy Huggins, and he's completely out of his fucking mind and out to kill Lincoln again!

Killjoy Huggins: (GROWLS) That goddamn Lincoln Loud! He's ruined all of my plans to destroy him! When I get my hands on that sword, I will finally kill him, his family, and everyone he loves!

?: WHY DON'T YOU JUST SHUT UP ALREADY, YOU TOUPEE-WEARING ASSHOLE!

Suddenly, the spirits of The Loud Family and Lincoln's Guardian Angels appeared out of nowhere and they attacked Killjoy Huggins with unbelievable fury, and then, the spirits converged, and then, a massive tornado of energy erupted and a Thunderbird Screech and Phoenix Cry was heard, and as it faded, we all appeared.

Killjoy Huggins: So, you've finally shown up! (ENRAGED SCREAM) NOW, I CAN FINALLY KILL YOU AND EVERYONE THAT YOU LOVE FOR WHAT YOU DID TO ME!

But, that made Lincoln angry and he punched Killjoy Huggins so hard in the stomach with his left fist, he sent that stupid killjoy down to the floor as he held his stomach in pain and he barfed up blood.

Lincoln: Not another word, you stupid moron.

Suddenly, The Blood Rain of Vengeance began hurting Killjoy Huggins as he screamed in pain as the blood drops began burning his skin like acid.

Nico: Holy shit! Not only did Lincoln punch him hard in the stomach, but The Blood Rain of Vengeance also began burning his skin like acid!

Me: Brutal!

Then, Lorelai Symphonia Arendelle punched him in the face.

Killjoy Huggins: WHAT?! NO! IMPOSSIBLE, I KILLED YOU!

Lorelai Symphonia Arendelle: Yes, you did, but now, I'm back from the dead.

Kaara Koaki Meiru: And I couldn't forget that you murdered me long ago, but what you did murdering Lorelai long ago and right in front of him, you gave him a nasty case of PTSD, and all because you just couldn't keep your stupid unreasonable hatred in check and you just wanted him to suffer and die!

Me: You really are the worst, you pathetic excuse for a human being! No, scratch that, you're not a human being, you're a disgusting pile of garbage and all you ever cared about was trying to make Lincoln suffer and die!

Lori: Not only that, but you turned me, Lynn, Lola, Lisa, and Luan into outright monsters when you forced Dark Chase Young's potion down our throats! That's something we can't ever forgive, and we're gonna make you pay for this!

Killjoy Huggins: I WILL DESTROY ALL OF YOU!

Lincoln: That's not happening ever again, you've always been nothing more than a monster to me and hated me that much for no goddamn reason other than you're just a pathetic fun-wrecking old bastard, and you're also a monster created by my family's hated enemy: the one responsible for our misfortune 400 years ago! Now, I'm going to make you pay for what you did in making me suffer! (Sensed Sergio's thugs) And it appears we have some uninvited guests.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings and they forced out Sergio's hired thugs and they're screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Whoa, what the?!

Selene Arcangela: Lincoln exposed them in the blink of an eye with that attack, incredible.

Kali Timestream: Just like when Our Lord takes control, that attack happens before you can blink your eyes.

Sergio Thug: Damn it! The boss isn't going to like this!

Lincoln: I wouldn't worry, you won't be able to report back to your boss. Nor will the rest of your boss' hired thugs.

Sergio Thug: We'll see about that.

WHOOGH!

A figure swooped in a swiped all their loot!

Sergio Thug: NO OUR LOOT!

?: (Russian Accent) That is now our loot!

We saw another member of the International Clan of the Coopers!

Lincoln: Anna Kolesnichenko Cooper! Wow!

Me: Care to introduce us?

Anna Anyanova: Sure. This is Anna Kolesnichenko Cooper, The Storm of The Kamchatka Rain of The International Clan of The Coopers, she's Lincoln's Guardian Angel from Russia in a tiny village in the volcanic regions of The Kamchatka Penninsula and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from Russia and she helped him on lots of dangerous jobs. She's a very powerful and skilled master of lightning and volcano powers, and she's known as The Storm of The Kamchatka Rain, because she causes intense rainstorms and lightning storms and steals from corrupt nobleman, dictators and more unseen and unnoticed. Not even the trained soldiers of Russia can see her. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The

Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Anna came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of lightning and volcanoes and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Anna Kolesnichenko Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Me: WHOA! Russia's Member of the International Clan of Coopers. AWesome!

Anna Kolesnichenko Cooper: That's right Comrade J.D. It's a pleasure.

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss, and when Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: NO! NO! (GROWLS) This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Eli: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Nico: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us, and as he snapped his fingers, orbs of fire appeared surrounding Sergio, and then...!

SLY COOPER SENT THE ORBS AT SERGIO WITH ONE SWING

OF HIS CANE, AND THEY EXPLODED WITH INCREDIBLE POWER AS THEY HIT THAT STUPID BIRD, AND WHEN IT WAS DONE, SERGIO WAS AN ABSOLUTE WRECK!

Sergio: (Groans) Ouch!

We were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT BEAK WITH HOT PEPPERS AND HOT SAUCE! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

Lincoln, Red Savarin, Robin Hood, Skippy the Bush Kangaroo, Von Lycaon, and Rayman went after Killjoy Huggins, and they fired extremely powerful blasts of rainbow, green, purple and red, red and yellow, red, white and black, white, golden yellow, and blue energy, elemental forces, mythological animals, and mythical beasts, and they exploded with incredible power as they hit him, and they slashed and punched at him with their massive greatswords and gauntlets and greaves leaving scars on him.

Roxy Drake: Whoa, that was brutal.

Suddenly, Killjoy Huggins screamed in pure rage, and then, we saw him transform into a leopard and he roared in anger at us!

Me: Dark Chase Young's presence! I knew it!

Nico: When the Dark Sides start to experience pure rage, they transform into the beast forms that their creator gave them! How fucking twisted of him!

Lincoln: A leopard never changes his spots as they say, and it's perfect for a bastard like him.

The leopard Killjoy Huggins ran at Lincoln and tried to maul him, but he used Fluttershy's Stare on him, but it only made him even angrier, and he dodged a claw swipe from the killjoy and countered with a few claw slashes of his own and they were really brutal and painful.

Pidgey charged at him and blasted him with wind.

Eli then gave Killjoy Huggins a MASSIVE AND DEADLY WEDGIE!

HOING!

Lynn then farted in his face!

We were amazed by Rainbow Dash's transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was really gushing out blood. But, when Killjoy Huggins saw it, he went mad and was about to attack her, but Rainbow Dash fired a massive barrage of rainbow, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, rainbows, magic, winds, rainbow super lightning, Alicorns, phoenixes, and angels that hit Killjoy Huggins and sent him flying into a wall, he got back out, and he was really enraged!

Then, Lincoln fired a rainbow light blast that stripped Killjoy Huggins of his beast form and returned him to normal, and that really pissed him off!

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with

Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Rainbow Dash, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sunset Shimmer, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength.

Killjoy Huggins: YOU! I'LL FUCKING KILL EVERYONE YOU LOVE, YOU WHITE-HAIRED LOSER! AND YOU WILL SUFFER AND DIE!

Suddenly, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and eleven sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Killjoy Huggins, and we found ourselves in Heaven.

Huggins, this is where your madness finally ends here and now.

Then, Lincoln's massive white angel wings and eleven sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Killjoy Huggins.

You piece of crap, you're despicable!

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into Killjoy Huggins' stomach, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, DIE AND GO TO HELL, YOU FUCKING BASTARD!

Lincoln, Nico, and I did one final powerful energy slash that hit Killjoy Huggins hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Killjoy Huggins was on his last legs and he was really really mangled.

Killjoy Huggins: You...! YOU...! I'LL FUCKING KILL YOU, LINCOLN LOUD! IF I DIE HERE, YOU AND EVERY LAST FUCKER WITH YOU ARE GOING DOWN WITH ME TO HELL!

Killjoy Huggins ran at Lincoln with a knife, but then, Lincoln disarmed Killjoy Huggins of his knife with his massive greatsword, and then...!

SHEEN!

LINCOLN RAN KILLJOY HUGGINS THROUGH HIS CHEST WITH HIS MASSIVE GREATSWORD!

Me: GO TO HELL! AND TAKE YOUR FUCKING FRIENDS WITH YOU!

Then, Lincoln removed his massive greatsword from Killjoy Huggins' chest and a massive pool of blood formed as it poured out of his chest. But, then, Killjoy Huggins screamed in agonizing pain as rainbow lights burst out of his body, and finally, he exploded in a massive rainbow fire tornado and he was sent to The Black Abyss forever!

GOOD FUCKING RIDDANCE, KILLJOY HUGGINS!

Lynn: AND HE'S OUT!

We cheered as we holstered our weapons and we powered down, and Rainbow Dash's new body, clothes, weapons, jewelry, Third Eye, longer sky blue horn and longer rainbow tail, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large rainbow planets orbiting around her legs, twenty-five smaller rainbow planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized rainbow planets orbiting around her wrists and ankles, and massive sky blue angel wings and eleven sets of large sky blue angel wings underneath her massive sky blue angel wings are permanent.

Nico: And that's Air down.

Me: And Tech, Earth, Life, Light, Dark, and Undead left to go.

Lincoln stood looking at the charred ashes of Killjoy Huggins as they were blown away in the winds.

Lincoln: It's finally over..., at last!

Lincoln finally let out tears of happiness: the PTSD he suffered because of Killjoy Huggins murdering Lorelai Symphonia Arendelle and Kaara Koaki Meiru along with what he did turning Lori, Lynn, Lola, Lisa, and Luan into monsters at the hand of Dark Chase Young and the constant times that killjoy had made his life Hell was finally put to rest forever.

Lorelai Symphonia Arendelle: Linky.

Then, she went up to Lincoln who then hugged him and he hugged her back as did all of his Guardian Angels.

Me: That Killjoy Huggins really left Lincoln not only with a nasty case of PTSD, but also, he had to bear the scars of what that asshole did to him!

Nico: That killjoy's such a miserable stain on Michigan, I'm so glad that we finally got rid of him for good.

Luna: He made a mess of our family for the last time.

Laney: He deserves to die for what he's done!

Lana: That's for sure!

Then, Lincoln felt better after crying his heart out.

Lincoln: He caused me enough pain and suffering for the last time, and now, this is where it all ends for him, and this is also the end to the PTSD he left me for good.

Suddenly, Lincoln pinned Sirocco Rainbow to the ground, and he kissed her deeply on the lips which she returned, then, with his massive muscular arms still wrapped around her waist, Lincoln leaned his head down to the right side of Sirocco Rainbow's trapezius, and he slowly bit her and then fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Sirocco Rainbow with sky blue gems on the gold lightning bolts and sky blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Sirocco Rainbow: Well, I got to say that was one way of saying it's good to see you again.

Lily: That's one of his ways of conveying that message.

Lincoln: Lily.

Me: That's number 1 of Lincoln's enemies destroyed.

Nico: Good fucking riddance.

Qin: Yeah!

Lincoln: I'm glad.

Pidgey: Me too.

Nico: I hope all traces of Killjoy Huggins is gone now. It'll make room for the humiliation fodder.

Me: I agree.

Eli used the force.

Eli: Yes all traces of him are gone for good.

Me: Great!

Nico: Nice job Pidgey

Pidgey: Thanks Nico. It was fun.

Poromon: Want some beer?

Pidgey: Oh no thanks. I am allergic.

Me: Oh boy.

Poromon: Okay.

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Me: Funny.

Search Man: Still fun.

Nico: Oh Search Man what do you like to do in your free time?

Search Man: I'm a search and rescue robot. I search for people that need to be rescued.

Me: Cool!

Horsea: What should we do later?

Me: Since it's Rarity's day to shine lets go find Rarity from Sunny's world.

Galaxea Starscout: Great! She's in a crystal cave in Generosity Canyon.

Me: Cool.

Varie: Yep.

Nico: Now for the Anothers

Lincoln: (Sensed Anothers) Uh oh, guys, heads up, there are Anothers heading our way.

Eli: (Sensed Anothers) Lincoln's right, we got Anothers heading our way, and one of them is Another Rarity and two of the Anothers are The Keyblade Knights of Atmos and Planet Lilly.

Me: WHOA!

Rarity: Another me?

Lincoln: That's right, and The Keyblade Knights of Atmos and Planet Lilly.

Me: This should be good.

Nico: Yep.

Me: So we got Earthrock Trilobyte, Warthog Fangire. Bakeen, Ooblar, Sodam Insane and Ringbah. And Search Man, Hunter, Colleen, Exile, Blitz and Shag are up.

Hunter: This is gonna be cool!

Exile: We're ready comrades!

Blitz: This is gonna be fun ja!

Me: Yeah!

Nico: There they are!

We saw Another Warthog Fangire. Bakeen, Ooblar, Sodam Insane and Ringbah!

Me: This will be fun!

Another Warthog Fangire: (In a girls voice) It sure will.

They reverted back and were the gene-slammer of Roaring Ocean Snake and the Keyblade Knights of Atmos and Lilly!

Lincoln: Skyla Atmos and Sara Stargazer!

Nico: And Colleen Shannon!

Colleen Shannon: Awesome to see you Nico.

Me: Care to introduce us?

Anna Anyanove: Sure. The blue hair girl is Skyla Atmos, Keyblade Knight of Atmos, she's Lincoln's Guardian Angel and a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and master of sky and wind and the elements. She is the Keyblade Knight of Atmos, but her story is absolutely crazy. It turns out she's the twin sister of Cyclonis and is the absolute polar opposite of her evil tyrannical twin sister. Skyla excelled in all subjects and became the youngest ever Sky Knight in history on Atmos. But Cyclonis became pure evil and loved causing destruction. But Atmos had a powerful prophecy, It foretold that Cyclonis would Rise to Power as the Empress of the Cyclonians and that Skyla and the descendant of the Storm Hawks would destroy her in the future along with the most powerful force in the entire universe. Fearing that Cyclonis would come after her and change her fate, her parents sent Skyla to Earth for protection and she moved to Royal Woods long ago, and she not only came to protect Lincoln from his enemies, but she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him all about the powers of the Sky Knights and more. She taught him how to be an amazing flyer and she also taught him how to fly jets, planes, everything. Plus, she also promised to set up an amazing Sky Knight Academy on Earth and make amazing Sky Knights and Squadrons for the Air Force, and she hates all of Lincoln's Enemies with a vengeance and vowed to destroy all of them like she is going to do with her sister.

WE GASPED!

Nico: SAY WHAT?!

Nico opened his mouth so wide that his skeleton fell out!

Me: That tyrant has a sister!? But that is amazing that she is the polar opposite of her.

Skyla Atmos: I know. And I vowed to make sure she pays.

Me: Awesome.

Nico put his skeleton back.

Nico: I hate it when that happens.

Anna Anyanova: And the pink hair girl is Sara Stargazer, Keyblade Knight of Planet Lilly, she's Lincoln's Guardian Angel and a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and master of nature, flowers, grass and the amazing powers of nature and spring and the Aurora. She is the Keyblade Knight of Planet Lilly and she also has a Lillymon with her too, and she's a powerful force of nature and good and she loves all of nature and trees and flowers. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him all about the powers of the Sky Knights and more. She taught him how to make nature and flowers and a great flower garden worthy of Eden, and she hates all of Lincoln's enemies with a vengeance and vowed to leave them on an uncharted island.

Me: That is cool! Planet Lilly is beautiful.

Camie: It sure is.

Me: By the way are the Another Rarity and Earthrock Trilobyte friendly or hostile?

Sara Stargazer: Friendly and they are amazing.

Me: Nice.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Maria: Time for backup. (TURNS DIAL) PANDA FORCE 6!

She summoned Bamboo Pandamonium, Yost Wonder Man, Sphinx Gates (Neverending Story), Shadow Gaorangers, Dr. Wily (X-Squad) and Dukat.

Me: YEAH!

Nico: Now we wait.

Horsea: That's all we can do.

Me: Yep.

Lola: Yeah.

Poromon was drinking a juice box

Me: Nothing like a little juice.

Cheese: I like chocolate milk.

Me: Here Cheese.

I gave him a juice box too.

Cheese: I like chocolate milk!

He drank it too.

Then we saw Another Earthrock Trilobyte and Rarity!

Me: Oh there they are.

Nico: Yep.

Another Earthrock Trilobyte: (In a girls voice) Looks like the fun is about to start.

She reverted back and was the gene-slammer of Fairy King Truesdale!

Nico: Ophelia Oberon!

Me: Whoa! Fairy King Truesdale's gene-slammer.

Ophelia Oberon: That's right and I love all nature and earth and life.

Earthrock Trilobyte: So you have earth powers too like me.

Ophelia Oberon: I sure do. And it's fun.

Me: Cool cool.

Nico: And your friend?

Another Rarity: (Crying) Someone who missed her sister!

Rarity: (GASP) Oh my!

She reverted back and was a red hair version of Rarity. But her hair was a REALLY NASTY MESS! She had blue eyes and was in a prison jumpsuit and had a cutie mark that was a diamond with a sword dripping blood through it.

Rarity: (GASP) Blood Diamond!

Rarity went to hug her and Blood Diamond cried jets of tears and she wailed hard as she comforted her.

Me: Oh man is she okay?

Rarity: This is my twin sister Blood Diamond. She was sent to prison wrongly.

Me: What for?

Rarity: For stealing millions in diamonds from a war.

Me: What?! That's prepostrous!

Sweetie Belle: Yeah we know. She didn't do it.

Me: Poor girl went through hell.

Twilight Sparkle: It was a diamond heist that was done in Equestria years ago. Nopony has been able to find the perp.

Me: Hmm.

Zipp Storm: Strange. And Rarity's sister ended up being blamed for it. Awful.

Me: Yeah.

Qin: Weird.

Me: Also Blood Diamonds are the most amazing kinds of diamonds. They are nearly priceless. They are known as diamonds of war. A famous example is the Millennium Star Diamond. It's priced at over $100,000,000.00.

Nico: Wow!

Rarity: Blood Diamond wanted to be a fashion designer like me. But that crime made her life a nightmare.

Me: Oh man. I'm sorry Blood Diamond. We'll gladly help yoo.

Blood Diamond: Thank you. (Crying) Thank you all.

Kaito: (gets out Ryusoulger gear) Did Swartz promise you anything?

Zocks: (gets out Kiramager gear) Because we can grant it instead

They got weapons from said teams.

Ophelia Oberon: Well no because he feared my power because I'm the daughter of Oberon, the King of Fairies.

Me: WHOA! Wait that's fitting because Fairy King Truesdale is based on him.

Ophelia Oberon: Yeah. We just ran after that.

Me: Good.

Nico: We got to at least help Rarity get her sister's name cleared.

Sapphire Ocean: Yeah no kidding. She needs this.

Dioptase Angel Belle: What she went through is a nightmare.

Sougo (gets out Dino Fury Ridewatch): We'll help find the one who framed you.

Geiz (gets out Kiramager Ridewatch): Even if we have to look all over the multiverse.

Sougo got DinoFuryRedArmor while Geiz got KiramaiRedArmor.

Me: Unfortunately we can't look ALL OVER the entire Multiverse. But we will find whoever it was.

Blood Diamond: Thank you all. Thank you. (CRYING)

Lincoln: Lets separate you first.

We did so.

Me: Lets get it on!

Nico: (Gets out Earthrock Trilobyte's ridewatch) Time to rock your world!

May: (Gets out Bakeen's ridewatch) This cat's 9 lives mean business.

Maria: (Gets out Sodam Insane's ridewatch) (Arabic Accent) People of Iraq!

Hunter: (Gets out Warthog Fangire's Ridewatch) Lets make this cool!

They used the powers of Earthrock Trilobyte, Warthog Fangire. Bakeen, Ooblar, Sodam Insane and Ringbah and blasted the Anothers.

Then Ms. Meanie, Stone Heart (Jojo), Ketchup Jack, Chikuon, Osouji, U-Ikasaman and Mikuuji came.

Me: WHOA!

Woody Woodpecker: WOW! Nice team Ms. Meanie!

Ms. Meanie: Thanks Woodpecker.

Nico: Aw I was gonna say that.

Woody Woodpecker: Sorry Nico.

Me: Funny though. That means Splash Woman is up next.

Splash Woman: It sure is.

Me: Cool!

Qin: Sweet!

Manaphy: Well, Woody WAS enemies with her

Nico: True.

Ms. Meanie: She's right on that.

?: That is for sure.

Dark Magician came.

Me: WHOA! Dark Magician!

Yugi: Cool!

Dark Magician: (In a girls voice) But it will be awesome!

Nico: Natalya Darkraven! Wow!

She reverted back and was a grl with purple hair, purple eyes, purple clothes and black angel wings and had Dark Magician on her forehead, skirt, shirt and arm and had a dark magic staff.

Natalya Darkraven: Good to see you Nico.

Shannon: Wait, my ancestors were fearful of the Darkraven family. They were the only witch family that never got caught for witchcraft during the Salem Witch Trials and were said to be right on par with the Ravencrofts.

Natalya Darkraven: That's right. I got this. DARK MAGIC ATTACK!

She fired a blast of dark magic and blasted the Anothers and I caught the Ridewatches and purified them.

Me: YEAH!

Nico: Nice job!

Natalya Darkraven: Thanks Nico.

Me: That was cool.

Hunter: To the power of the Pack!

Road Rovers: AWWWWWWOOOOOOOOOOOOOOOOOOOOOOOOOO!

Me: YEAH!

Nico: OH YEAH!

Hunter: Do you have any good memories of Nico?

Natalya Darkraven: I sure do. When me and Nico were in Salem and we learned all about my family's ancestral ties. Turns out we were good friends with the Loud's ancestors who were also witches.

Lori: That is literally too true! We were witches too.

Me: I remember that! That was amazing.

Nico: WOW! And the Loud's also went through dark times during one of the Darkest times of Colonial America.

Me: The Salem Witch Trials.

Camie: Yikes.

Natalya Darkraven: I know.

Nico and Natalya hugged.

Nico: I've missed you.

Natalya Darkraven: Same here.

We later went back home.

Lori: It's been years since we've been last here.

Me: So, this is The Shepherd Republic.

Red Savarin: Yep, a collection of sky borne islands and a place we call home.

Lincoln: And where you first met me and Lori, Red. Plus, I know what we're going to do here, not only am I going to rescue the eight girls here, but for this rescue, we're going after Bruno Dondurma and we're throwing him in prison after exposing his schemes.

Lori: I always knew he had a villainous air to him, and we'll be meeting up with Elh's brother, Béluga Damiens, he'll be helping us with that.

Lincoln: Yep. But, after that, we're also going after our main target, Baion, the biological father of Red Savarin, Nero, and Blanck, and an old enemy whom we fought against long ago and defeated before he finally accepted his defeat before he died.

Red Savarin: What? But, how did he come back?

Lincoln: I did some searching and I found out Baion was brought back by Killjoy Huggins as a last contingency plan to kill me.

Me: (GROWLS) That piece of shit!

Lori: So, we're going to end Baion for good.

Red Savarin: And I'm going to put my father's spirit to rest for good.

Search Man: But, where can we find Bruno?

Red Savarin: I think I know where. But, first.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long light green hair, red eyes, massive black angel wings, black short-sleeved blouse, short frilly black shirt, white gloves, black skirt, gothic lace stockings, black knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, fiends, theatre masks, phoenixes, and angels on the coattails, and on the back is Abyss Actor - Super Producer, she has a darkness greatsword in her right hand, and with her are the eight girls.

Lincoln: (GASPS) Lilith Balthazar, Gene-Slammer and Avatar of Abyss Actor - Super Producer.

Lilith Balthazar: Thank goodness I made it. I also managed to get the eight girls to safety, but Bruno is on the move.

Elh Melizée: Then, my brother...!

Lincoln: Right. Let's go.

We immediately got a move on to help Béluga Damiens and take down Bruno Dondurma and finally, we go after Baion and put him to rest for good.

We arrived at Samoyede, and we met up with Béluga Damiens along with Waffle Ryebread.

Elh Melizée: Béluga.

Béluga Damiens: Elh, Red, Merveille, you've made it along with Lincoln, Lori, and all of Team Loud Phoenix Storm.

Waffle Ryebread: Now, we can expose Bruno's true nature.

Lincoln then showed everyone in The Shepherd Republic Bruno Dondurma's true nature, he achieved results through intimidation, threats, and blackmail, but didn't hurt innocent people. As a result, that caused everyone to turn on him.

Bruno Dondurma: Looks like everything is over.

Then, Red Savarin, Lori, Lincoln, Chocolat Gelato, Elh Melizée, Merveille Million, and Béluga Damiens appeared as did the rest of us.

Bruno Dondurma: I knew this was your doing, Lincoln and Lori Loud.

Lori: Surprised to see us again, Bruno?

Lincoln: We get that you don't hurt innocent people, but you did a lot of really bad things including intimidation, threats, and blackmail to achieve results. However, we're not going to kill you because you're an elderly man. Instead, you'll be going to prison.

Lincoln and Lori put the shackles on Bruno Dondurma and sent him to The M.O.E. Prison.

Red Savarin: That's Bruno taken down. Now, for Baion.

Suddenly, we saw a figure appear, it was Baion, Red Savarin's biological father, and he had a Mark of Satan on his forehead.

Lincoln: Baion, and there's no doubt about it.

Lori: Killjoy Huggins brought him back.

Red Savarin: What Killjoy Huggins did can never be forgiven. But, just like what happened before in the past, you still remember that people and similar creatures can change, learning both from each other and from their past mistakes. Now, it's time I put your spirit to rest forever..., Father.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Baion, and he proceeded to brutally smash him into the ground with his massive godly superhuman strength, slashed him with his gold-armored dragon claws and massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON BAION! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SLASH! SLASH!

LINCOLN SLASHED BAION WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HIM AND CAUSED HIM TO SCREAM EVEN MORE IN PAIN!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to be awaiting you when we kill you.

Then, Lincoln fired a blast of heavenly light that hit the pentagram and removed it as darkness forms and we saw the face of Killjoy Huggins in it, and it was destroyed.

Then, Von Lycaon and Skippy the Bush Kangaroo punched him hard with their gauntlets and kicked him with their greaves and he got hit hard, and Red Savarin slashed at him with his massive greatsword and shot him with bullets and stun blasts and Sly Cooper whacked him hard with his new cane.

Then, Skippy balanced himself on his tail and delivered a hard kick to his stomach and he fell to the ground in pain.

Adrian Morrigan went after Baion, and he fired extremely powerful blasts of black and purple-pink, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, blue flames, darkness, dark lightning, dark fire, dark magic, black magic, Satanic Magic, spectral lightning, ghosts, Boos, phoenixes, and angels, and they exploded with incredible power as they hit him. Then, he also attacked him by flashing the Strobulb in his face and blinded him, and the ring of Boos around the flashlight's head fired purple energy beams at Baion which hit her hard.

Lincoln continued smashing him hard with his extremely massive godly superhuman strength and Baion didn't have time to fight back due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him.

Me: UNREAL! His speed and reflexes are still even faster than ever!

Nico: I can't keep track of his movements and he's even more stronger than ever! Look at how he smashed Baion all over the place!

Then, Lincoln fired blasts of elements and energy at Baion and he got beaten up good!

Lori: So, it's finally over.

Lincoln: Yep, Baion's finally returned to his eternal slumber, and Killjoy Huggins' last attempt at revenge on me has been foiled for good.

Red Savarin: What he did bringing him back from the dead, I knew you told me Killjoy Huggins was a heartless monster, but I never would've guessed that he was an unhinged basket case.

Lincoln: Unhinged was the right word, but now, Killjoy Huggins is gone and Baion has returned to his eternal slumber, and we've also sent your siblings and Gren Sacher, Calua Napage, and Opéra Kranz to The M.O.E. and they'll fit in perfectly. (To Lilith Balthazar) And it's so good to see you again, Lilith.

Lilith Balthazar: You too, Lincoln, it's been eight years since we last met.

Suddenly, Lilith Balthazar had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Lilith Balthazar was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Lilith Balthazar: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Lilith Balthazar and hugged her, and Lilith Balthazar is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and eleven other sets of larger sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest

hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Lilith Balthazar: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and eleven sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Lilith Balthazar, Gene-Slammer and Avatar of Abyss Actor - Super Producer, she's Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Lilith Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Lilith Balthazar really hates Killjoy Huggins with a blazing passion, and she also knew how to bring down the actions of that stupid jerk, and all it took was one planned out performance from Lilith, and not only was Killjoy Huggins done for, but he always winds up getting a nasty atomic wedgie along with a severe thrashing in front of an audience of imps, fiends, and demons she summons and they all laugh at him and he runs out of the auditorium humiliated to the extreme and into the hands of the police and he winds up getting sent to jail again.

Nico: Well, we got rid of Killjoy Huggins in The Sensei Air Realm today and avenged Lorelai Symphonia Arendelle's murder along with Kaara Koaki Meiru's murder as well.

Lilith Balthazar: I still remembered that all too well.

Lincoln: He got what he deserved and he deserved to died and he'll always be remembered as a rotten cruel evil monstrous parasite, and now that you're here, Lilith.

Lincoln with his massive muscular arms still wrapped around Lilith Balthazar's waist leaned his head down to the right side of Lilith Balthazar's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Lilith Balthazar: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Lilith Balthazar with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Lilith Balthazar: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Lilith Balthazar.

Lilith Balthazar had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Lilith Balthazar's waist, and he leaned down to her face and kissed her on the lips, and with Lilith Balthazar's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Lilith Balthazar had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Lilith Balthazar: (In Heaven) My God. Oh, Lincoln, the eight girls I rescued are...!

Red Savarin: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the eight girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks and muzzle. The eight girls are Aoi Shidou, Erika Kisaragi, Kyouko Kitakura, Maria Kanzaki, Mutsumi Higashino, Raimu Minamiyama, Remon Minamiyama, and Sakura Harumi from School Heaven Love Ero Harem Momoiro Typhoon.

Lincoln: Oh whoa, it's Aoi Shidou, Erika Kisaragi, Kyouko Kitakura, Maria Kanzaki, Mutsumi Higashino, Raimu Minamiyama, Remon Minamiyama, and Sakura Harumi from School Heaven Love Ero Harem Momoiro Typhoon.

Nicole: So, those were the girls that caused Red to issue that order, and I can see why, these girls are really beautiful.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

Aoi Shidou: Yes, we're okay, thanks to you.

Then, when Aoi Shidou and the seven other girls saw who it was that saved them from Bruno Dondurma and Baion who was resurrected by Killjoy Huggins, their faces turned atomic red upon seeing the 9'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and a large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head and behind it is a gold version of Trinity Mirror with three rings of spikes made of gold, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Reincarnation of Amaterasu, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Loving Nephew of Lance and Sharon Loud, Almighty Loving Cousin of Shane Loud, Shelby Loud, Shiloh Loud, and Dipper and Mabel Pines, True Immortal, God, and Powerful Omnipotent Warrior of The Universe, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates and The Black Abyss, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command, Strategist, And Founder of Team Loud Phoenix Storm, Destroyer of Irredeemable Black-Hearted Villains, Destroyer of Evil, Destroyer of

Aoi Shidou: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Aoi Shidou: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aoi Shidou, Erika Kisaragi, Kyouko Kitakura, Maria Kanzaki, Mutsumi Higashino, Raimu Minamiyama, Remon Minamiyama, and Sakura Harumi with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out and we told everyone about what happened.

Maria: Oh man. I can't believe it.

Lincoln: We were horrified to find out Baion was resurrected, and as part of a last minute revenge plot on me by Killjoy Huggins, what a jerk. But, we first went after Bruno Dondurma and exposed his villainous nature and got him sent to The M.O.E. Prison.

Nico: And then, after you freed Baion and we trashed him, Red used the Re-CODA chip to finish him off and sent him back to his eternal slumber.

Me: But, back then, he still remembered what he said before he died the first time. I hope he can finally rest in peace.

Eli: Still, that had to be tough.

Red Savarin: It needed to be done, but his soul can rest in peace finally.

Lori: I knew Killjoy Huggins was an asshole, but this, that parasite really screwed up big time.

Luna: And in the end, he paid the price for trying to make our little bro suffer.

Laney: He made all of us suffer, he's nothing but a parasite.

Lincoln: You said it, he was a leech who enjoyed causing me suffering just because he hated me for no reason other than I exist.

Lana: Now, he's finally gone forever.

Luan: Good riddance.

Lynn: He was such a jerk.

Lola: He got what he deserved, what a parasite.

After Lincoln sent Bruno Dondurma to The M.O.E. Prison after exposing his crimes and sending Baion to his eternal rest after freeing him from Killjoy Huggins, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Lilith Balthazar saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Lilith Balthazar: My God, I was right that Lincoln's really grown into an 18-year-old 9'11" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Lilith, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Lilith Balthazar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Lilith Balthazar: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, Casey Antonio got out a videotape.

Casey Antonio: Okay, guys, now this videotape I have here, this was taken a day after the Chinatown Incident, and something from Caleb's past came back where he met some old friends of his from his senior year at LaGuardia High School, but this also brought back a dark incident that took place there and Caleb who was one of the survivors of that incident found himself thrown back into that very nightmare.

Casey Antonio put the videotape in and it played on the big screen and it showed Caleb Maxwell heading home from New York University and it was a day after the Chinatown Incident, but he'd been really traumatized by what happened. But, then, he saw two old friends of his: the female cat with brown hair and white fur and blue eyes was Sharon Daniels and the male cat with long dark brown hair and white fur was her younger brother, Ryan Daniels. But, seeing them again brought back a dark incident from two years ago in his senior year at LaGuardia High School.

Then, five students went up to Caleb Maxwell along with Sharon Daniels and Ryan Daniels. Two of them were male cats, the one with lighter brown fur and light brown hair was Alan Edwards and the other with white fur and red hair was Cory Richards, and the three other students were female cats, the first one with brown fur and darker brown hair was Mary Pearson, Alan's girlfriend, the second with tan fur and long brown hair was Reggie Stevens, Cory's girlfriend, and the third with the same tan fur and brown hair was Laura Stevens, Reggie's twin sister.

Cory Richards: Hey, Caleb, what's wrong? We were just talking with...! (Realizes) Wait, you know them?

Past Caleb Maxwell: Yes, I do, they're from LaGuardia High School, the same place I attended, but we were not only connected through a friendship from the past, but also, by a tragic incident.

Alan Edwards: A tragic incident? What do you mean?

Sharon Daniels: I think we should explain it. Let's head for the diner, Caleb.

Past Caleb Maxwell: Right.

They headed for the diner, and there, Caleb Maxwell, Sharon Daniels, and Ryan Daniels began to tell them of the incident.

Past Caleb Maxwell: Many people always thought urban legends were myth. But, two years ago, we attended LaGuardia High School, the place where many high school kids always go to when getting ready for college. For some, life was beautiful, but for me, life was a nightmare, ever since the day they found out about Drake Maxwell's crimes and his and Dad's part in The Syndicate's forming, the other students treated me like an outcast.

Sharon Daniels then took out a photo with her, her brother, Ryan, Caleb Maxwell, and two others, the male cat with brown hair and tan fur was Josh Parsons and the female cat with black hair and brown fur was Ashley Reynolds.

Sharon Daniels: But, then, me, Ryan, Josh Parsons, and Ashley

Reynolds stood against the rest of the students and protected Caleb, and Caleb finally had some friends when he started out LaGuardia High School, and for the rest of those four years, life truly was beautiful.

Past Caleb Maxwell: That was until we got into our senior year, and our principal, Robert Davis, decided to use the students as guinea pigs in an experiment to save the life of his dying brother, Leonard.

Alan Edwards: What?

Sharon Daniels: Caleb's right. Robert Davis started infecting the students with vampire blood, and they began transforming into vampires in the hopes to find a cure to save his dying brother.

Cory Richards: Is he insane?!

Past Caleb Maxwell: He was, and he violated The Code of Ethics and The Code of Conduct, but no one would believe he'd do something like this. But, we couldn't get any evidence, and even if we did do that, we wouldn't survive just going on with getting evidence, not with students turning into vampires out for blood. To survive, we had to kill our fellow students, and the teachers who also got infected by vampire blood.

Ryan Daniels: After that night, we were all haunted by that. Josh and Ashley continued on after they sought therapy.

Sharon Daniels: But, some of us weren't lucky, Mr. Davis infected me and Ryan with vampire blood and we feared going after our loved ones. Yet, Caleb didn't get infected by it.

Past Caleb Maxwell: Either I was lucky or he didn't see me as a test subject. We eventually graduated from LaGuardia and all of us sought to lead new lives leaving the nightmare behind us.

Mary Pearson: Jeez. That's really harsh.

Sharon Daniels: And we also got bad news: Josh and Ashley have gone missing, there have been some reports saying they're at New York University.

Past Caleb Maxwell: What? Josh and Ashley are missing, and they're at NYU? We got to find them.

Alan Edwards: Are you sure?

Sharon Daniels: He's right, we're not leaving our old friends behind.

Caleb Maxwell, Sharon Daniels, Ryan Daniels, Alan Edwards, Cory Richards, Mary Pearson, Reggie Stevens, and Laura Stevens left the diner and went back to New York University, but Caleb was also prepared, and he had his special guns his uncle's friend had made for him.

Ryan Daniels: You still have your uncle's gift?

Past Caleb Maxwell: Let's just say these things have saved my life when I had to deal with The Big Claw Gang's street soldiers.

Sharon Daniels: I figured that'd be the case.

They were about to head inside, but outside the campus, a figure snuck inside a lit room in one of the dorms, and then, they heard the sound of hissing and screams!

Reggie Stevens: It's coming from the nearby dorms!

Mary Pearson: We need to hurry!

They headed for the dorms, but as they opened the door and got in, they saw it was a bloody mess with some students drained of blood.

Ryan Daniels: Oh, what a bloodbath!

Sharon Daniels: It's happening again.

Past Caleb Maxwell: I wish it wasn't true. (Thinking) It's bad enough I have two vampires to deal with every night, but the nightmare at LaGuardia High coming back to haunt us, I really hope this isn't true.

They continued on, and they ran into a surviving student.

Past Female Student: They...they killed my boyfriend and everyone here. You need some weapons to go against them, they're like monsters!

Past Caleb Maxwell: Guys, I have something that can help you.

They followed Caleb Maxwell who hands them each a created version of his special guns.

Alan Edwards: Okay, now we're ready.

Sharon Daniels: Right.

Suddenly, they saw a vampire cat come out, and he hissed at them. But, Caleb Maxwell shot him in the heart and he fell down and died as blood left him.

Ryan Daniels: This is just like before in LaGuardia. We need to hurry.

They continued on, but by then, almost most of the students living in the dorms had transformed into vampires, and they shot the vampires in the heart and they died as the blood left them. Suddenly, Ryan Daniels started feeling pain.

Past Caleb Maxwell: Ryan?

Ryan Daniels: (Groans) Damn it. There's...no way I can make it. Sharon's body changed after she'd been infected with vampire blood and she developed powers, but me, my body can't handle it, and it feels like my head's splitting in half. (To Sharon Daniels and Caleb Maxwell) You two have been much stronger than me mentally, I don't know what's going to happen now.

Sharon Daniels: If this keeps up, you're gonna die, little brother. Please, don't die on me.

Ryan Daniels: Sharon...

Suddenly, they saw Ryan Daniels' eyes turn blood red, his nails grew into black claws, and he grew fangs.

Past Caleb Maxwell: Shit! Sharon, come on!

Sharon Daniels along with Caleb Maxwell, Sharon Daniels, Alan Edwards, Cory Richards, Mary Pearson, Reggie Stevens, and Laura Stevens ran to the elevator and away from the transformed Ryan Daniels and they went down to the lobby. Then, they ran of the campus and to a nearby apartment building.

Alan Edwards: Damn. Now, we've...lost Ryan.

Past Caleb Maxwell: Ryan wasn't able to handle the vampire blood. Mr. Davis ruined so many lives in the process two years ago, and how I hated him for it.

Ryan Daniels: (Screaming Distant Voice) Sharon! Help me, Sharon!

Sharon Daniels: Ryan...!

Cory Richards: Damn it.

Past Caleb Maxwell: We got to keep moving, sooner or later, Ryan's gonna come after us.

Sharon Daniels, Caleb Maxwell, Alan Edwards, Cory Richards, Mary Pearson, Reggie Stevens, and Laura Stevens got a move on, but then, Caleb's mark reacted.

Past Caleb Maxwell: He's here.

Suddenly, they saw Ryan Daniels, but he's now been fully transformed into a vampire, and he's now gone completely psychotic.

Ryan Daniels: Finally, now the party can begin.

They fired at him, but he survived the bullets, and then, he knocked down Reggie Stevens and Laura Stevens and sent Cory Richards into a wall, and he had his boots on the twins' heads.

Ryan Daniels: Now, you're going to know the meaning of pain!

THEN, HE CRUSHED THEIR HEADS WITH FULL FORCE AND THEIR SKULLS BROKE!

Cory Richards: NO!

Ryan Daniels: Oops, I didn't mean to do that. (Smirked Sadistically) But, now I'm gonna have some fun making all of you suffer and die!

Then, Caleb and Sharon shot him!

Sharon Daniels: That's enough, Ryan.

Past Caleb Maxwell: Ryan, you've become a real fucking jerk!

Ryan Daniels: We're no longer family, Sharon. My blood has now changed, the pain is gone, and my eyes are now open.

Sharon Daniels and Caleb Maxwell continued shooting at Ryan Daniels and dodging his attacks.

Past Caleb Maxwell: You were our friend, Ryan!

Ryan Daniels: Friend?! That word is now meaningless!

Past Caleb Maxwell: You're making me want to kill you! After everything we've been through at LaGuardia.

Ryan Daniels: LaGuardia was the beginning, this is the end!

But, then Caleb Maxwell kicked him into a pipe and he got impaled in the stomach. But, Ryan pulled himself out and he left hissing at him.

Past Caleb Maxwell: Come on, we need to get out of here!

Sharon Daniels, Caleb Maxwell, Alan Edwards, Cory Richards, and Mary Pearson left the room.

Mary Pearson: Reggie, Laura..., I don't believe it.

Alan Edwards: I can't believe it either. So, this was...?

Sharon Daniels: What we had to deal with. We got to find Josh and Ashley before we too fall victim.

They head for another room, but then, Ryan Daniels came back for more.

Ryan Daniels: Sharon, come into my arms so I can tear you apart!

Sharon Daniels: What you did to Reggie and Laura, I thought I taught you to respect women, Ryan.

Cory Richards: Never mind, Sharon, I don't think your brother understands.

Past Caleb Maxwell: He never did.

They shot at him all over the place, and then, they impaled him on a pipe and sent him down a door underneath. Sharon looked at the spilled blood.

Sharon Daniels: I can't believe he chose to become...a vampire.

Past Caleb Maxwell: Ryan..., you stupid bastard.

They left the room, and they went into an underground passage. But, then, Alan got attacked and he got killed by an out of control madman who came out of nowhere.

Mary Pearson: Alan...! Alan, no!

Caleb Maxwell and Sharon Daniels saw the madman and went after him.

Sharon Daniels: Alan didn't deserve that, that's going too far.

Past Caleb Maxwell: We're gonna find this nutcase, cut him up like a log, and spill his guts!

They went through the passage, but then, they saw something familiar.

Past Caleb Maxwell: Why does this place look so familiar?

Sharon Daniels: I have a bad feeling.

Then, they got up to the surface, and they found themselves in a classroom familiar to them.

Sharon Daniels: This is Mr. Romano's classroom, then, this means...!

Past Caleb Maxwell: Yep, we're back in LaGuardia High School.

Sharon Daniels: This just turned into a real nightmare. But, why are we fighting, Caleb?

Past Caleb Maxwell: Because, we didn't survive adolescence and LaGuardia just to die here.

Sharon Daniels: Surviving, but what about living...right now?

They continued through the school fighting vampires.

Sharon Daniels: We had a lot of good memories, but we lost a lot.

Past Caleb Maxwell: I know, that night, we lost our friends to what Mr. Davis did and our innocence when we killed our classmates and teachers who got turned. I swore never to see this place again.

They made to the front door and they met with Cory Richards and Mary Pearson.

Past Caleb Maxwell: Welcome to LaGuardia, guys.

Cory Richards: You caught the guy?

Past Caleb Maxwell: No. But, this is his playground alright.

But, then, Mary Pearson groaned in pain and we saw she had bite marks on her neck.

Sharon Daniels: Ryan, you monster...! You didn't! You wouldn't do that to Mary!

Cory Richards: He bit her!

Past Caleb Maxwell: Let's go, we need to hunt down the madman who killed Alan.

Cory Richards and Caleb Maxwell went after the madman who killed Alan Edwards, and they found a room under the school.

They then saw two shrieking giant bats who tried to stomp Caleb Maxwell and Cory Richards, but got away in time, and they saw the madman.

Madman: Masters...?

Cory Richards: Masters?! Those giant bats?!

Past Caleb Maxwell: I don't believe it, it's Mr. Davis, our high school principal and his twin brother, Leonard. I thought we killed them both two years ago! Mr. Davis was the jerk who infected our old classmates with vampire blood and turned them into vampires to find a cure for his brother, Leonard, I had to go through therapy because of that jerk.

Cory Richards: What did you do?!

Madman: They were sick, and now, they dream.

Past Caleb Maxwell: He managed to spread the vampire plague by turning unsuspecting victims who come here into vampires, and that vampire that snuck into NYU, he was sent by Davis!

Cory Richards: Then, that means, Alan, Reggie, Laura, Mary, and Ryan...!

Past Caleb Maxwell: It's time we end this nightmare forever.

They shot the mutated Robert Davis and Leonard Davis and they got knocked down to the ground, and Caleb Maxwell grabbed the madman's chainsaw.

Past Caleb Maxwell: You ruined our lives, scumbags!

Then, Caleb Maxwell decapitated them, and Cory Richards took the chainsaw and tore the madman in two as he whimpered and died.

Past Caleb Maxwell: Two years of nightmares and trauma, and now, this...!

Finally, the plague ended, and they met up with Sharon Daniels and Mary Pearson, but she wasn't looking too good.

Past Caleb Maxwell: We got rid of Mr. Davis and his brother along with the nutcase who killed Alan.

Sharon Daniels: Awesome. But, Mary's not doing good.

Suddenly, Caleb Maxwell's mark reacted again.

Past Caleb Maxwell: She's starting to turn.

Suddenly, Mary Pearson's eyes turned red, her fangs grew, and her nails grew into claws, and she tried to attack them, but Caleb shot her in the heart and she died from blood loss.

Sharon Daniels: Sorry, Mary.

Cory Richards: (Growls) That's it!

Cory Richards ran off back to NYU.

Past Caleb Maxwell: Come on.

They drove back to NYU, and they went to a secret fraternity chamber.

Sharon Daniels: Wow, it's incredible.

Suddenly, they saw the artifacts, the bodies of the vampires killed along with objects.

Past Caleb Maxwell: All these things came from LaGuardia High.

Sharon Daniels: It seems The Davis Brothers are seen as celebrities.

Past Caleb Maxwell: Great, there's a future for psychopaths.

Then, they saw a book detailing that to succeed, sacrifices had to be made.

Past Caleb Maxwell: Sacrificing people for success is not a good thing.

Sharon Daniels: No, it's murder.

Past Caleb Maxwell: Power always winds up in the hands of madmen.

Then, they saw a video on the screen, and it was the grounds of New York University and it was two weeks ago, and there, they saw their old friends, Josh Parsons and Ashley Reynolds, but then, they got attacked by Professor Darren Reynolds, who happens to be Ashley's dad, and they were killed by the vampires.

Sharon Daniels: Oh God...! Josh...! Ashley...!

Past Caleb Maxwell: Th-they went missing two weeks ago, and now...! Professor Reynolds is gonna pay for this.

Cory Richards then contacted Sharon and Caleb on the walkie talkie.

Cory Richards: Guys, I found Professor Reynolds, he's trying to escape, he's the one responsible for what happened to your old friends.

Past Caleb Maxwell: Sit tight, we're coming to get you and get after that madman worshipping professor.

Cory Richards: Okay. (Sees someone) No, no! You..., you can't be! We killed you!

Then, the walkie talkie cut off.

Sharon Daniels: Cory! Oh crap, and if what he said is true, then...!

Past Caleb Maxwell: Ryan's back for more! Let's go, it's time we cut off all ties with your brother.

They went outside and arrived at the football stadium, but there they saw Professor Reynolds about to escape via helicopter, but they also saw Cory Richards holding his neck and they also saw Ryan Daniels back for more.

Ryan Daniels: Here we are, at the climax of everything. Now, you're about to become one of my new children, Cory.

Cory Richards: You know what, Ryan, there was one person I've always loved, and that person was Reggie.

Then, Cory Richards put the gun to the bottom of his jaw, and...!

BANG!

Sharon Daniels and Caleb Maxwell: CORY!

Cory Richards committed suicide, leaving Sharon Daniels and Caleb Maxwell to deal with Ryan Daniels for this was the final battle.

Ryan Daniels: The Professor's already got what he needs, and soon, he intends to finish what began so long ago, and you two are going to die here.

Past Caleb Maxwell: We've survived two years of nightmares and trauma at LaGuardia High because of what Mr. Davis did, we're not going to die here, Ryan!

Sharon Daniels: We've faced our fears and survived. But, you, you let your fears win and you turned into the thing that cost us our innocence. You always overdid it, Ryan.

Ryan Daniels: Wait until I catch you!

They continued firing at him.

Ryan Daniels: Soon, a legion will be born, Sharon.

Sharon Daniels: Not happening anytime soon, they and The Professor are going down for good. But, I never figured my brother would become a bloodsucking animal!

Ryan Daniels: Who are you calling a bloodsucking animal?!

Past Caleb Maxwell: Obviously you, you freak! And I'm done playing your twisted games! Time to die!

Then, they shot Ryan Daniels right in the heart, and he was finally dying.

Ryan Daniels: (To Sharon Daniels) Why, why did you choose to fight this power? You could've become something else entirely...!

Past Caleb Maxwell: Sharon didn't choose to have vampire blood in her veins, that was because of our screwed-up principal, you can whine all you want, but we've all had our fair share of horrors at LaGuardia! But, you, you were her only family, Ryan!

Sharon Daniels: He's right.

Ryan Daniels: Like I said..., we're no longer family since the same blood doesn't run through our veins anymore. Now, you two will have to live the rest of your lives as killers.

Ryan Daniels had a nasty look on his face when he said that as he died.

Past Caleb Maxwell: Screw you, you lowlife. (Sees Professor Reynolds) Sharon, look! The Professor, he's trying to escape!

Professor Reynolds tried to leave, but they went after him, but then, the professor took out his gun and tried to shoot Sharon Daniels in the chest, but she dodged it.

Past Caleb Maxwell: Sharon?!

Sharon Daniels: I'm okay. (Sees what's about to happen) Shit, Caleb, look out!

Professor Reynolds: You're next, Maxwell.

But, before he could kill Caleb, a dark netherworldly rage took hold and Caleb Maxwell shot Professor Reynolds right in the head and killed him.

Past Caleb Maxwell: That's for what you did to Josh and Ashley.

Caleb then helped Sharon up.

Sharon Daniels: It's finally over.

Past Caleb Maxwell: But, at what cost. We've lost Cory, Alan, Reggie, Laura, Josh, Ashley, Mary, and now, Ryan.

Suddenly, sorrow washed down on Caleb Maxwell as he broke down as memories of seeing the dead bodies of his friends rushed through his head.

Past Caleb Maxwell: Cory..., Alan..., Reggie..., Laura..., Josh..., Ashley..., Mary..., Ryan, this is all my fault! Everything will always be my fault!

Sharon Daniels: This isn't your fault, Caleb, it never was your fault.

Then, Caleb Maxwell got up, but just before he could try anything, a hand stopped him as it placed itself on his shoulder, he knew this was a vampire, but this one had an air of collected calm and an almost aristocratic nature, it was Marcus Mackenzie.

Past Marcus Mackenzie: I understand it hurts seeing what'd happened to your friends just now, but would killing yourself truly end the pain in your heart.

Past Caleb Maxwell: No..., it wouldn't.

Past Marcus Mackenzie: That's right, it wouldn't. Think of those still left behind: your friend, Sharon, those who still know you for the person you are, and think of your mother, your little sister, Allie, and the relatives on your mother's side whom you'd saved from your father's relatives.

That seemed to have struck a chord with Caleb as the memories of those still alive rushed through his head.

Sharon Daniels: Hey, what do you think you're...?

Past Caleb Maxwell: You..., you're right. I survived the nightmares of not only LaGuardia but also of what my brother put me through, and all for those still alive. I didn't survive just to die here, even if my life had been shortened to the point where I'd die a year later, I swore I was going to survive and no one, not even my brother nor the nightmares of the past would stop me.

Sharon Daniels: That's true, you never let anything stop you, Caleb.

Marcus Mackenzie could only smile, he managed to get through to Caleb as he left.

Sharon Daniels: The sun's about to rise.

Past Caleb Maxwell: Let's head back home, I don't even feel like going to class, not after everything we'd been through tonight.

They left for home as the sun rose and the video ended.

Nico: Oh man! That was a nightmare!

Caleb Maxwell: It was. After that night, Marcus got the videotapes of everything that happened and he burned them and wiped the memories of the others clean. Only Sharon and I were the only ones who knew what happened here, we made sure Cory, Alan, Reggie, Laura, Josh, Ashley, and Mary got a proper burial, but not her brother, Ryan. After what happened, the vampires had his body burned.

Casey Antonio: So, that's why we didn't investigate NYU the next day. (To Marcus Mackenzie) You made sure to erase all the evidence.

Marcus Mackenzie: Caleb had been through enough trauma after what happened two years ago, and he still carried those scars.

Casey Antonio: Still, I should've known better than to underestimate a vampire.

Cage Blunt: You shouldn't have, Casey. But, Marcus is right, Caleb's been through enough trauma after what happened two years ago.

We got a shower, and then, Lincoln, Princess Amethyst (DC Superhero Girls 2015), Courtney (Pokemon), Happy Frog, Anna, Brittany, Carol, Chelsea, Cherlyn, Cheryl, Erika, Grace, Haley, Jemma, Mabel, Maddie, Malee Munns, Megan, Natalia, Penny, Sarah, and Sydney are heading to Miyako Island, Japan.

Anna: (Swooning) What a handsome and manly hunk!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Princess Amethyst (DC Superhero Girls 2015), Courtney (Pokemon), Happy Frog, Anna, Brittany, Carol, Chelsea, Cherlyn, Cheryl, Erika, Grace, Haley, Jemma, Mabel, Maddie, Malee Munns, Megan, Natalia, Penny, Sarah, and Sydney and hugged them in their abnormally massive and powerful muscular arms, and Princess Amethyst (DC Superhero Girls 2015), Courtney (Pokemon), Happy Frog, Anna, Brittany, Carol, Chelsea, Cherlyn, Cheryl, Erika, Grace, Haley, Jemma, Mabel, Maddie, Malee Munns, Megan, Natalia, Penny, Sarah, and Sydney placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Princess Amethyst (DC Superhero Girls 2015), Courtney (Pokemon), Happy Frog, Anna, Brittany, Carol, Chelsea, Cherlyn, Cheryl, Erika, Grace, Haley, Jemma, Mabel, Maddie, Malee Munns, Megan, Natalia, Penny, Sarah, and Sydney and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit

them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Miyako Island, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, twenty-one Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Princess Amethyst (DC Superhero Girls 2015), Courtney (Pokemon), Happy Frog, Anna, Brittany, Carol, Chelsea, Cherlyn, Cheryl, Erika, Grace, Haley, Jemma, Mabel, Maddie, Malee Munns, Megan, Natalia, Penny, Sarah, and Sydney on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Jenna: You girls had no trouble at all.

Cherlyn: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Pipp, Derpy and Anita's 2nd mission.

Me: Anyone else want to go with Anita, Pipp, and Derpy? Besides Cheese, Georgina, Ed the Protector, and Carter?

Nora: I'll go!

Juggernaut: So will I.

Me: Cool.

Twilight Sparkle: Me and my friends will go to.

Rarity: That's a good idea darlings.

Me: Yep.

Sunny: And me and my friends too.

Me: Cool.

Seashell: And me and the Pipsqueaks too.

Me: Okay then. Wow! Got to have the awesome fanbase too.

Isami Minato: Hey guys!

Pipp Petals: Oh my glitter! Guys meet Georgina, Ed the Protector, and Carter.

Georgina: It's a pleasure. I'm Georgina Montgomery.

Katsumi Minato: Wow it's a pleasure!

Nora Valkyrie: Pleasure to meet you. I'm Nora Valkyrie, Hunter of Remnant and lover of pancakes.

Juggernaut: I'm Cain Marko, but everyone calls me the Juggernaut.

Me: He's our teammate Cameron's archenemy.

Katsumi Minato: Wow it's a pleasure

Isami Minato: Wow and you all must be Twilight Sparkle, Rarity, Fluttershy, Applejack, Rainbow Dash, Pinkie Pie and Starlight Glimmer. Sunset told us so much about you all.

Twilight Sparkle: It's an honor.

Me: Glad Sunset filled you all in.

Rarity: And it's a pleasure to meet you darlings and also Pipp is my Legacy and she she has come a long way.

Nico: She sure has.

Sunny Starscout: She sure has. Also we are Pipp's friends from Maretime Bay. I am Sunny Starscout, Legacy of Twilight Sparkle.

Lincoln: That's right.

Me: Seashell, Glory and Peach Fizz are the legacies of Applejack, Rarity and Rainbow Dash's little sisters.

Isami Minato: Oh wow! I heard how your little sisters brought down that bitch uhh... What was her name?

Applejack: Lila Rossi.

Asahi Minato: That's right. And your sisters did a great job!

Rainbow Dash: That was really awesome.

Rarity: It sure was darlings.

Katsumi Minato: You should be proud of them.

Applejack: We sure are.

Nico: We should think of finding Sunset's self from Sunny's world during the remaining Ambassador missions here:

Me: That's a good idea. I was saving that for Sunset's big day but because of Opaline returning we have to kick it into high gear.

Isami Minato: I thought you guys destroyed Opaline?

Me: We did but during one of our missions after we destroyed the last of the Midnight Princesses, we found out through an Omen and King Kai that Morgana used the last of her dark magic to resurrect her. Her body was destroyed but not her soul.

Nico: She is weaker than a newborn unicorn now. But this will give us plenty of time to gather our forces to bring her down.

Isami Minato: That's good.

Nico: Plus. we really don't want to wait for God knows how long to free the other Sunset.

Me: Yeah.

Katsumi Minato: I see.

Isami Minato: What was Opaline like?

Me: She was pure evil incarnate. She is responsible for everything that went down in Equestria over the millennia.

Nico: She was responsible for many of Equestria's most dangerous enemies coming into being.

Me: Also as her BIGGEST Atrocity ever she was responsible for destroying EVERYTHING that Twilight Sparkle worked so hard to accomplish. She ripped apart the friendships of unicorns, Earth Ponies and Pegasi everywhere.

Twilight Sparkle: It's true.

Me: She wanted all the power of the magic in Equestria all for herself and was going to stop at nothing until she got it. She thought all Alicorns were superior and wanted to rule all of Equestria with an iron fist. Err.. Hoof rather. She was banished from Skyros eons ago.

Sunset Shimmer: Long story on that.

Twilight Sparkle: And we found out that she killed my sister in law Cadance.

Me: I found that out from a dream.

Lincoln: Yeah it was terrible.

Asami: Oh man! I'm sorry.

Me: We have been making very significant progress though. We have been undoing all the damage that she did over the millennia.

Katsumi: That's good.

Me: Yep. We resurrected the Crystal Empire of Sunny's world and Cadance from there.

Nico: Yeah.

Me: But we killed Opaline before on November 20th, 2022 in the Kamchatka Peninsula and we can do so again. Also I put all of Equestria on high alert for her.

Fluttershy: We'll be ready for her.

Katsumi Minato: Good.

Nico: Any enemies of yours active right now?

Then the alarm went off and we saw HOROBOROS!

Me: WHOA! Horoboros! I remember him.

But then we felt a strong energy signal. Wasn't as strong as us.

Me: Whoa! Feel that Nico?

Nico: Yeah I sense it. But this energy signal is weak.

Eli: Wait I see something.

We zoomed in and it was RADITZ!

Nico: Raditz! What's he doing here?

Asami Minato: You know him?

Me: He's one of Nico's kind, and it's a terrible history.

Nico: He's a Saiyan like me.

Eli: Nico's race the Saiyans are one of the most powerful warrior races in the galaxy.

Me: Yep. They once served under the evil galactic Tyrant Frieza.

Nico: Yep. My race was called the most feared race in the universe because of Frieza. We were all wiped out because of Frieza. Now I am leading my race on the road to redemption. My race is back and I'm leading them on the road to redemption.

Asami Minato: Wow! That is amazing.

Eli: It sure is.

Me: Lets get it on!

Carter: Lightspeed Rescue!

He transformed and was ready!

Me: YEAH!

Nico: And I decided he is not worth killing anymore. I am going to send him to the M.O.E.

Me: It's what Master Goku would have wanted.

Nico: Yep. Lets go!

We were off.

We were flying and we saw HOROBOROS!

Me: There he is

Nico: And Raditz is on his head. Allow me. SATURDAY CRUSH!

Nico fired a blast of energy and it hit Horoboros on his head and exploded and sent into the ground.

Eli: KING GHIDORAH! ARISE!

A MASSIVE FIREBALL EXPLODED OUT OF THE GROUND AND WENT HIGH INTO THE SKY AND EXPLODED NUMEROUS TIMES! IT FORMED AND OUT CAME KING GHIDORAH! He landed.

King Ghidorah: Horoboros next. Interesting.

Eli: Lets get him!

He fired Gravity beams and blasted Horoboros all over.

Nico landed in front of Raditz.

Nico: Hello Raditz. Nice to see you.

Raditz: So we finally meet again Bokrua.

Nico: Wish it could have been on better times.

Raditz: I know. Where is my brother Kakarot?

Me: You want him, you got to go through us.

Cheese: Bunnies! (runs towards Raditz)

Lincoln grabbed him.

Lincoln: Cheese he is not a bunny.

Me: Cheese has a brain the size of an amoeba. He's an idiot.

Isami Minato: I see.

Nico: Raditz you know all about how Frieza destroyed planet Vegeta right? Well news flash, I'm leading the Saiyans on the road to redemption. I am saving our race from his darkness.

Raditz: That is good Bokrua.

Nico: Indeed.

Anita: (Icelandic Accent) Time to get my jumpsuit on

She snapped her fingers and did so. Her jumpsuit was red.

Nico: What Frieza did to our race was unforgivable. I can't wait to get rid of that monster forever.

Raditz: Same here. But lets see how strong you are.

He scanned Nico. But then...

BOOM!

His scouter exploded.

Nico: My power is immeasurable. You would be amazed with how far I have come over the years. Now you are about to face me as a SUPER SAIYAN!

Raditz gasped!

Raditz: Impossible!

Nico smirked.

Anita concentrated and groaned and then she grew two more arms and turned into her Tetramand form!

Me: YEAH!

Nico then had pebbles lift off the ground and then swirled around him. Then he roared and released his power and then he screamed and then his Super Saiyan power was unleashed!

Raditz gasped in shock and horror! HE SAW THE POWER OF THE SUPER SAIYAN!

Nico: What's a matter Raditz? Afraid of seeing a legend right before your very eyes?

Asahi Minato: WHOA! So that's a Super Saiyan.

Nico: Yep. My power in this form increases 100-fold.

Me: But over the years, we ascended beyond this. Long story.

Raditz: We'll see about that. DOUBLE SUNDAY!

He fired 2 energy blasts and Nico deflected them into the sky and they exploded!

MASSIVE FIERY EXPLOSION!

Nico: My turn!

Nico teleported and kicked him in his stomach and punched him in his face.

Raditz was knocked down. But he got back up and went at Nico and he dodged all his punches and kicks like they were nothing.

Raditz: HOLD STILL!

He was dodging them left and right.

He was even blocking them no problem!

Asahi Minato: WHOA! What power!

Me: The Saiyans are a REALLY POWERFUL Warrior race and the more they fight, the more powerful they get.

Eli: It's true.

Massive fiery explosions blasted off all over.

Carter got out his Agito Weapon And it was a rescue blaster.

He blasted Raditz all over the place and blasted Horoboros too!

Ed the Protector got out his Agito Weapon and it was a 41st Century Laser Sword. He slashed Raditz all over.

Georgina got out her Agito Weapon and it was a stone hammer and she bashed Raditz and Horoboros.

Twilight and friends and everyone bashed and blasted them all over.

Nico: Frieza will soon meet his end with the Black Abyss.

Raditz: Good.

Nico blocked a punch and kicked him. Then Nico grabbed Raditz by his tail and then...

RIP!

IT RIPPED OFF HIM!

HE SCREAMED IN PAIN!

YICHIHUAHUAS! THAT HAD TO HURT!

Nico: You're better off like that!

But then a massive blast of fire hit Raditz and knocked him down.

Me: What the?

We turned and saw a Magmar!

Me: WHOA! A Magmar!

Nico: Where did that come from?!

Me: It must be one of Dark Gale's work.

I used Telepathy and gasped!

Me: WHOA! That's Lola's Pageant coach Adrienne Fireheart!

Nico: WOW!

Me: I'll face her. You hold off Raditz.

Nico: Right!

Raditz: I won't let you escape!

Nico punched him down.

Nico: Nice try!

Me: Adrienne calm down! Lets talk about this!

All she did was use Ember and I absorbed the fire.

Me: WHOA! Hot.

I fired blasts of water and drenched her.

Then I snapped my fingers and she reverted back and had red and orange hair and had pink eyes and had fire angel wings and had Magmar in the middle of her forehead and had a Flame with a Red Crystal on it on her arm.

I wrapped her in a blanket.

She woke up and groaned.

Adrienne: What hit me?

Me: Adrienne? Are you okay?

Adrienne: J.D.? What happened? Where am I?

Me: You're in Japan. You were turned into a Magmar by Dark Gale.

Adrienne: (GASP) I remember.

She was in an orange suit and was injected and in a burst of fire she busted out and turned into a Magmar and burned all the members of

Dark Gale and ran.

FLASHBACK ENDS

Adrienne: It was awful.

Me: Well Dark Gale has been destroyed. Also we're in the middle of a battle.

Rarity: Lets get you some new clothes darling.

Rarity gave her an amazing new orange red dress and a fire sword.

Adrienne: Wow! I look great.

Me: You sure do.

Adrienne: Lets get them!

She fired waves of fire and blasted Raditz and Horoboros!

Georgina punched Raditz

POW!

Georgina: Not bad for some humans.

?: I agree!

KRASMASH!

Raditz was smashed into the ground by a girl with red hair, red eyes and black wings and clothes and had a tiara with Fourarms on it.

Me: (GASP) Trina Tetras!

Nico: Fourarms embodiment!

Trina Tetras: (Grunts) Yeah thought you could... use a hand.

Trina lost control and jumps up before doing a falling punch with her fists at Juggernaut

KRASMASH!

She smashed him into the ground up to his waist!

Juggernaut saw her.

Juggernaut: Don't you know who I am?! I'M THE JUGGERNAUT BITCH!

He broke up and ran and smashed her into the ground!

Nora bashed her in her head with her hammer. I fired the Antidote ray and injected her.

Me: YEAH!

Nora charged at her and bashed her down.

Twilight Sparkle and friends blasted her with magic.

Adrienne Fireheart: Lets bring the heat!

She fired waves of fire and blasted her and the antidote took effect and she had her green eyes back.

Trina Tetras: (GROANS) What hit me?

Me: Uhh? Heavy punches?

Nora got out her Agito Weapon And it was a huge hammer and she and Anita smashed Raditz and knocked him out.

Nico: OH YEAH!

Katsumi: Lets finish this!

The Minato siblings went Ultraman and blasted Horoboros and he exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

I caught the Ultra Crystals and they were for Lightning and Crystal.

Me: Lightning and Crystal. Wow!

Derpy Hooves: That was fun.

Anita snapped her fingers and she reverted back and was back in her clothes.

Anita: That was cool.

Katsumi: Anita, how did you and Nico meet?

Anita: We met in Iceland and it was during a visit to one of the volcanoes. It was Grimsvotn.

Me: That is one of my favorite volcanoes. Back in 2011 it put on a very amazing and spectacular eruption with amazing lightning in the volcanic plume.

Nico: I remember. That was fun.

Eli: That is amazing.

Rarity: It sure is darlings.

Derpy Hooves: Wow!

Adrienne Fireheart: That is awesome.

Nico: Your role in Sonya's team?

Adrienne Fireheart: Oh right. I do this.

She touched the ground and out came FLAMING RED GLOWING CRYSTAL CLUSTERS!

Me: WHOA! Heat Crystal powers!

Adrienne Fireheart: That's right. And I use these to light our way in the dark as well as burn our enemies. Sometimes I use them to warm us up in the winter. Outside the team I am Lola's pageant coach. I helped make her into a great star.

Me: Lola has come a long way since then.

Lincoln: She sure has.

Pipp Petals: Oh my glitter! That was so much fun though. Lets get a good photo for it.

We did so and it was awesome!

We later went back home.

We arrived.

May: Hey guys! How did it go?

Me: Really awesome!

We told them everything.

May: WHOA! So you guys fought Raditz?

Goku: I thought we were rid of him forever.

Me: So did we Master Goku, but we decided that he wasn't worth killing anymore.

Vegeta: Well it'll be good having him in the M.O.E.

Nico: I agree there.

Qin: Yep.

Nico: Next time, Irma, Aligned Bumblebee, Heat Wave, Cody Burns, Jasper, Allure, and Cheese Monster should go with

Me: Good idea.

Qin: Yeah!

Walking through Thunderhoof Canyon, we were heading out to find Rarity's self from Sunny's world.

Sweetie Belle: Where should we find the other version of my sister?

Me: Well according to Galaxia's notes, she is in the Cave of Generosity in Thunderhoof Canyon. We just got to look out for a monument that looks like Rarity's Cutie Mark.

Nico: Like that?

We saw the monument.

Me: There it is!

Qin: We're getting close.

We saw the cave entrance and went in.

Me: Whoa.

It was dark and I formed an energy ball to use as a flashlight.

We walked around.

Rarity: Where could my other self be?

Me: Lets see.

Then my sword started glowing.

Me: My sword is reacting.

Then a massive number of crystals lit up and we saw that we were in a HUGE CRYSTAL CAVE!

Qin: WOW!

Lola: Amazing!

Camie: Beautiful!

Me: LOOK!

We saw in a crystal coffin in the center of the crystals, RARITY OF SUNNY'S WORLD!

Me: There she is!

Pipp Petals: (GASP) Oh my glitter! Looks like it's my turn to awaken her.

Offroad: (laughs) And just after your mission!

Me: Pipp is on a roll.

She went over to Rarity and touched the coffin and then a massive flash of light bursted out and MORE CRYSTALS GREW ALL OVER! Then the light bursted out and Rarity's boutiques in Ponyville, Manehatten and Canterlot were made better than ever and more!

She woke up for the first time in 1,000 years!

Rarity (G5): (Groans) Oh my word.

Me: Rarity? Welcome back.

Rarity (G5): J.D.? Juru? Everyone and everypony? What happened?

Me: Well its been over 1,000 years. We have quite a story to tell you.

We told her all about Opaline and more and how she destroyed everything and how she was sleeping for over 1,000 years and more.

Rarity (G5): (GASP) Oh my goodness!

Eddy: I think I should show you these.

Eddy showed Rarity several receipts.

Eddy: These are the receipts for all the ice cream you've ever eaten. I'm sorry but this can't be ignored anymore

Me: I counted 500 containers of them.

Rarity (G5): Oh my goodness! I eat all that whenever I can't think of anything for my next line?

Me: You just had to bring that up Eddy. But yeah it's true.

Laney: Yeah.

Me: But Rarity, I'm afraid we got huge trouble. We killed Opaline before 2 years ago. But now because of unforeseen circumstances we got word she is back.

Nico: Yeah. The one from Sunny's world is being redeemed by her sister Malachite. The Prime universe version is back.

Me: Long story.

Sideswipe: Sorry you had to find out

Rarity (G5): It's all right but I'll gladly help you.

Pinkie Pie (G5): Once everypony is back we're going to throw the biggest party ever!

Me: Yeah! Lets head home.

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the next mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Ace: Does Rarity eat that much ice cream?

Me: You have no idea. Whenever she can't find inspiration for fashions or is hurt mentally she has a meltdown and drowns her sorrows in ice cream. One time she ate 50 tubs of ice cream because accidentally used hair remover on her mane. She lost her confidence because of it.

Thrust: We should consider installing security for the freezer

Me: I agree.

Qin: Yeah.

Camie: Crazy how she can eat that much.

Varie: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than Emperor Yodon, he's come back from the dead and he wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we saw.

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than Emperor Yodon, he's come back from the dead and he wants revenge on us.

EVERYONE GASPED!

Rarity: My word! So, now our final battle against Yodonheim has finally begun.

Me: Yep.

Nico: And just like you said when we went after Minjo, Lincoln, Anti-Monitor was no doubt behind that alright.

Me: Now, we can finally destroy him and The Yodonheim Empire for good.

Nico: This is gonna be one awesome fight. Lincoln, where's he at?

Lincoln: He's in Japan right now, and he's planning a full-out assault.

Me: Then, we don't have much time.

Nico: You're right, but this has been coming for a long time. Alright, team, let's go, we're heading to Japan, and we're gonna make Emperor Yodon pay for his crimes.

Lincoln: And this'll be the end of The Yodonheim Empire once and for all.

The previous group came.

Chemistro: Can me, Anti-Wanda, Rex Goodwin, Duff Killigan, Roxy Rocket, Nergal, Raven Branwen, Dr. Polaris, Bonz and MetalSeadramon go with you guys?

Nico: Yes you all can come. And it's good that Duff is here.

Duff Killigan: (Scottish Accent) Aye it's true lad.

Nico: Yep.

Qin: It sure is.

Transquito: Boss, which Gene Slammer do you think you'll meet next

Nico: Bonz will like this. Pumpking the King of Ghosts next.

Bonz: WOW! Awesome choice.

Me: Yeah!

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and eleven sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Ragyo Kiryuin A.K.A. The Super Psycho Pervert, she's come back from the dead and she wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln: Are you kidding me?!

Me: Lincoln, was that...?!

Lincoln: Yep, the figure we saw in the vision orb was none other than our old enemy, Ragyo Kiryuin A.K.A. The Super Psycho Pervert, she's come back from the dead and she wants revenge on us.

Ryuko Matoi: Are you kidding me?!

Maria Demontamer: I think it's time we're going to get rid of that Super Psycho Pervert for good.

Lincoln: She's about to experience absolute pain when we fight her after we get rid of Emperor Yodon once and for all.

Nico: That's for sure. Alright, team, let's go, we're heading to Japan, and we're gonna make Emperor Yodon pay for his crimes.

Lincoln: This'll be the end of The Yodonheim Empire once and for all, and once we get done with him, you're next, Ragyo Kiryuin.

Maria Demontamer: The suffering you've caused to so many innocent souls can never be forgiven, you will be erased from history and reality forever, you Super Psycho Pervert!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Japan to get rid of Emperor Yodon and destroy The Yodonheim Empire forever, and once we get done with him forever, Lincoln and Maria Demontamer are going to destroy Ragyo Kiryuin A.K.A. The Super Psycho Pervert once and for all and send her to The Black Abyss.

We were off to Japan.

We arrived.

Me: Awesome being in Japan.

Rex Goodwin: We should call Duff.

Duff: Lad, I'm right here

Rex Goodwin: Oh sorry.

Me: But at least everyone here is doing good.

Needle Man: Think we'll need lots of diamonds?

Me: Probably MORE than just diamonds. We'll need Steven and the Crystal Gems for this too.

Steven Universe: You got it.

Camie: Cool.

Lola: Yeah.

Me: Also we'll need the Gemknight, Crystal Beasts and all Jewel Theme Duel Monsters.

Lola: Good idea

Roxy Rocket: So, lots of crystals would be more accurate

Me: Yep.

Nico: The full spectrum of jewels.

Rarity: That is gonna be perfect darlings.

Me: It sure will.

BONK!

Me: OW! What the?

WE SAW THE FOUNTAIN IN THE CITY SQUARE TURNED INTO AN AMAZING CRYSTAL SCULPTURE FOUNTAIN!

Me: WOW!

Nico: That is a beautiful work of art!

Qin: Amazing!

Trolling Thunder: What did this?

Me: No idea but this is an amazing and magnificent fountain.

Lincoln: I think I know what did this. Rarity's Akuma. Her name is Prismbane. The Hypothetical Akuma form of Rarity and she was turned into a rainbow of diamonds. She was made because of Suri Polomare ruining her fashion career in Manehatten and now she wants revenge by ruining her.

WE GASPED!

He showed a sketch of her and she was a big diamond with 7 smaller diamonds for each color of the rainbow.

Me: (WHISTLES) Wow that is gorgeous.

Camie: Wow!

Raven Branwen: She looks beautiful.

Rarity: Oh my. My Akuma looks like a really beautiful bunch of diamonds.

Me: They do say that Diamonds are a Girls Best Friend but this is too much for an Akuma.

Qin: Yep.

Lola: Yeah that is amazing.

Clawful: Let's collect some of the jewels

Me: Good idea. But where to look.

Nico: Hmm.

We looked around the fountain and found lots of them.

Me: Wow! These are perfect.

Spike was eating some of the jewels.

Spike: Mmm! These are good!

Rarity: Oh little Spikey-wikey loves his gems.

MetalSeadramon: Let's collect some over there

He pointed to plant pots that were made magnificently jeweled.

Me: Boy Rarity's Akuma really is making this place bejeweled.

Nico: She sure is.

Camie: I'll say.

We got lots and lots and lots and lots of jewels.

Me: I think we're going to need a HUGE Minecart

RD Luna: No kidding, dudes!

Me: Let me see here.

I used the Abarangers gear and got Trent's Quill and drew a HUGE Minecart.

Nico: Perfect!

We loaded all the jewels into it.

Camie: WOW! What are we gonna do with all these gems and jewels?

Bonz: We can sell them

Spike: Or I can eat them.

Me: Spike we know how much you love eating jewels but I don't think you can eat all these.

Camie: I agree.

Me: Rarity is probably gonna use these for more awesome fashion lines coming up.

Rarity: Indeed and yes.

Camie: Awesome.

RD Lucy: I think we need to find the Akuma now

Me: Yeah. Hey look!

We saw prismatic rainbows being made by the sun on the street.

Nico: Wow!

We saw them moivng and then saw PRISMBANE!

We gasped!

Me: WOW! Rarity?

Prismbane: It's still me darlings.

Me: Yep it's still her. Wow you look so amazing as 8 jewels.

Varie: Which is very fitting.

Dr. Polaris: Rarity? Is that you?

Prismbane: It's still me darlings and yes as you can see I made all this beautiful.

Me: You sure did. Wow! The fountain and the plant pots look absolutely incredible.

Camie: They sure do.

Sweetie Belle: You look amazing like this sis.

Prismbane: Indeed I do Sweetie Belle.

Duff Killigan: Lass, you need to calm down!

Prismbane: Now darling no need to yell. But if I may ask where is Suri?

Me: Suri is in M.O.E. HQ. She was permanently banned from fashions and contests for her crimes.

Prismbane: I'm glad she was.

Me: Sorry we have to fight. Ladies first.

Prismbane: Such a gentleman.

She fired a beam of red light and we dodged it and it hit a flower and made it into a beautiful crystal tree!

Me: WOW!

I fired waves of energy and blasted her all over

Duff Killigan charged at her and hit her with golf ball bombs.

BOOM BOOM BOOM

Prismbane: I believe it's my turn.

Me: It is.

She fired a green beam of light and it hit Duff's golf club and turned it into a crystal sword!

Nico: WHOA!

I fired more energy beams and blasted her down and knocked her out

Megamind: That was the most polite Akuma ever

Me: It was.

Lola: Yeah.

Me: Yeah that was cool.

Juru: Now we got to go after Yodon.

Nergal: Where is he now?

Eli: (Concentrates) Over by Mount Fuj.

Me: This is gonna be good!

Qin: Yeah!

Camie: Yeah!

Eli: Lets go.

Nico: You heard him.

RD Lori: (to the Kiramagers) You guys should literally morph first

Juru: Right!

Yodonna: I'll join in too.

Me: Go for it!

Kiramagers: KIRAMAI CHANGE!

Yodonna: YODON CHANGE!

They transformed!

Juru Atsutal: "Shining Sparkling! Kiramai Red!"

Tametomo Imizu: "Precise Shooting! Kiramai Yellow!"

Sena Hayami: "Dashing Lightning! Kiramai Green!"

Shiguru Oshikiri: "Unstoppable Edge! Kiramai Blue!"

Sayo Oharu: "Incredible Dexterity! Kiramai Pink!"

Takamichi Crystalia: "Shining Breakthrough! Kiramai Silver!"

Yodonna: "The Dark Angel of Yodonheim! Yodonna!"

All: "Arriving in a flash! With a 24-carat solution! Mashin Sentai Kiramager!"

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind them and they were ready for action!

Me: YEAH!

Duff Killigan: Perfect, lads!

Me: Awesome!

Qin: Lets go.

Nico: YEAH! Also you heard the lady. Entrance time!

We were off.

At Mount Fuji, Yodon was looking out and looking at Japan.

Emperor Yodon: Soon this world will know the darkness of

Yodonheim and I will get my revenge on that bratty girl for killing me 2 years ago.

Then the spirits of jewels appeared and swirled around him and converged and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a Phoenix Cry was heard and we came out and landed.

Me:Emperor Yodon! Long time no punch!

Rarity: Remember me you ugly jerk!?

Rmperor Yodon: I was so close to walking through that portal. I was so close to helping Void Queen wipe out you Power Rangers and Super Sentai. But then, that Six Gum Gang of yours got in the way!

RD Lynn: Good thing for us!

Me: Too bad for you!

I teleported and kicked his helmet off and revealed his butt ugly face!

Me: WHOA! You are one UGLY Motherfucker!

I punched him and knocked him down.

He unsheathed his sword and I clashed with him.

I kicked him in his face and slashed him.

Emperor Yodon: (to Rarity) A shame your focus wasn't one me during your mission last time. But I can rectify that!

Anti Wanda: She's not alone!

Rarity: Now that it's my day to shine it's time for me to put you in your place!

She teleported and slashed him and punched him in the face and kicked him in his face and knocked him down.

She fired waves of water and blasted him and burned him all over.

Mega Diancie charged at him And blasted him with intense crystal energy.

MetalSeadramon: (Echoing) RIVER OF POWER!

He fired a powerful energy blast at him from his nose cannon and it hit him and exploded!

Me: Take that! And this! I summon the Gemknights and Crystal Beasts!

I summoned said monsters!

They attacked and slashed and blasted him all over.

Then Anti-Wanda, Rex Goodwin, Duff Killigan, Roxy Rocket, Nergal, Raven Branwen, Chemistro, Dr. Polaris, Bonz and MetalSeadramon charged at him and blasted and smashed him all over.

Anti-Wanda, Rex Goodwin, Duff Killigan, Roxy Rocket, Nergal, Raven Branwen, Chemistro, Dr. Polaris, Bonz and MetalSeadramon And Swimmon, GranDracmon, CrysPaledramon, Ghostmon, Liollmon, Grimmon, Bastemon, Wingdramon, TigerVespamon and Surfimon: ELEMENTAL RARITY MEGABLAST SURPRISE!

They fired waves of energy and elements and blasted him all over the place.

Me: Take that!

Adrienne Fireheart: Like old times Lola?

Lola: You know it!

Adrienne and Lola: FIRESTORM CRYSTAL MEGA BLAST!

They fired waves of fire and crystal and blasted him all over.

Me: I always knew you'd one day return here, Emperor Yodon.

Nico: Showing up again after we destroyed your subordinates three years ago, you just don't know when to quit, do you?!

Rarity: And Anti-Monitor has some nerve bringing you back from the dead to destroy us once more, and for that, we're taking you down once and for all.

Emperor Yodon: We'll see about that, you pathetic insects!

Suddenly, a massive army of Bechats appeared and came after us, but Lincoln fired powerful blasts of energy, elements, and jewels at them and knocked them down and they shattered into pieces. But, then, more of them appeared and came after us once more.

Me: There's more of them coming.

Then, he slashed wildly at them and they were really hurt bad, and they exploded as he holstered his massive greatsword on his back.

Emperor Yodon: Don't think I'm done yet

Suddenly, more Bechats appeared out of nowhere and they went at us.

Caleb Maxwell: How pathetic.

Suddenly, Caleb Maxwell loosened his grip on his twin guns and they dropped down and were left suspended almost touching the ground. Then, he clenched his hands real tight, and we saw blood coming out of his palms and fingers, and it formed a pool of blood behind him, and the rest of us flew into the air.

SILENT HILL 2006 MOVIE OST: EVIL AWAKENS

Suddenly, the pool of blood began acting up as we felt a dark force awakening from within the pool of blood as Caleb Maxwell rose up into the air.

Caleb Maxwell: Your fate is sealed, grunts of The Yodonheim Empire. Now, begone forever. (ECHOING VOICE) RAIN OF BLOOD!

Then, a massive geyser of blood exploded out of the pool of darkness and blood and they fell on the army of Bechats and they screamed in agonizing pain as they melted into sludge and they were left as puddles of sludge.

Emperor Yodon: (To Caleb Maxwell) Y-you, what kind of human, no, what kind of unholy demon are you?

Suddenly, Caleb Maxwell's twin guns returned to his hands as we landed.

Lincoln: I can't believe what Caleb did, he just scared the daylights out of Emperor Yodon.

Nico: And he used his Rain of Blood technique on the grunts of The Yodonheim Empire.

Me: Talk about scary to the extreme.

Lincoln, Rarity, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us went after Emperor Yodon, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Emperor Yodon and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at him as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, Rarity, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us attacked him super hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Emperor Yodon even angrier than ever.

Lori: (Spots The Monitor Orb in Emperor Yodon's forehead) There's the Monitor Orb. If you would, Lincoln.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit the Monitor Orb embedded in Emperor Yodon's forehead, and not only did we gain a massive power boost, but he screamed in agonizing pain as he clutched his head in pain.

Adrienne Fireheart was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Elaine Ember.

Elaine Ember: No! We control the power.

Adrienne Fireheart: It doesn't control us!

The concentrated and reigned in the powers of Gigantimax Moltres and Magmar and transformed and blasted Yodon all over the place with fire.

They reverted back and blasted him more with fire.

The Kiramagers blasted him with rainbow fire.

Lola: Your crimes against Crystalia cannot be overlooked!

Me: You poisoned Galza with lies! I will never let you get away with that!

Yodon: He was so easy to manipulate.

Me: Unfortunately we are not that easy to tempt!

Juru slashed at him and blasted him.

Yodonna blasted him with dark energy.

Rarity: I will rain down jewels of doom on you!

She fired waves of jewels and blasted Yodon all over the place.

Me: You turned Crystalia into horrible hellhole! No way in hell are we going to let you get away with that!

We fired waves of energy and blasted him all over the place.

NUMEROUS MASSIVE FIERY EXPLOSIONS BLASTED OFF ALL OVER!

Ben turned into Diamondhead.

Diamondhead: DIAMONDHEAD!

Diamondhead shot diamond shards at him

He blasted him all over.

Emily Tamaki blasted him with Diamond Shards.

Yodon: Oh And before we fight more I have someone who wants to say hello.

Me: Oh yeah? Who?

?: That would be me.

Out came someone we thought we would never see again! PRINCE BLUEBLOOD!

Me: Prince Blueblood. Why am I not surprised.

Princess Celestia: Nephew, what are you doing here?

Camie: Who is he?

Me: That's Prince Blueblood. He is Princess Celestia and Luna's 'great-great nephew' on Celestia's and Luna's mother side, 52 times removed, roughly speaking and we met him at the Grand Galloping Gala back in 2020. He is not a prince charming. He ruined Rarity's day. He's a self-centered pompous jerk.

Prince Blueblood: I'm afraid this reunion is for more personal matters Aunt Celestia and I apologize for it. I have some personal vendettas with fair maiden Rarity.

Rarity: You ruined my day! You made me get covered in a cake!

Me: All Rarity wanted was to have the best night ever and you made it a nightmare! Also if only you knew about how terrible the Grand Galloping Gala was then you would have not been invited to it!

Qin: That's right!

Nico: Why are you with Yodon?!

Prince Blueblood: I was bored and decided to get some shall we say revenge on Rarity.

Me: That was 4 years ago. Also you wouldn't want to mess with Rarity now. She has come a long way.

Lincoln: And another thing you are no prince charming! You are a prince jerk! And she has a much better Prince Charming. ME!

Me: Blueblood is more like Prince Buffoon!

EVERYONE THEN HELD IN THEIR LAUGHTER AND THEN THEY BURSTED INTO LAUGHTER!

Nico: OKAY THAT IS FUNNY!

Prince Blueblood: WHY YOU LITTLE! I'll have you executed!

Me: I don't think so.

I flicked the switches for Chum Krabs, Raw Sewage Planet and Chandler and got a ROTTEN SLOP SWORD!

Me: THE SWORD OF A THOUSAND TONS OF STINKY DISGUSTING SLOP!

Nico: YUCK!

Qin: GROSS!

Me: So is this! SLOP AND GARBAGE STYLE NINJA ART: SLOP DELUGE STORM!

I swung the sword and it fired a wave of garbage and it drenched Blueblood and he screamed in pain and threw up everywhere!

Me: Afraid to get dirty!?

Juru: You mess with Rarity, you mess with me!

Me: YEAH!

Juru slashed and blasted him all over the place.

Rarity blasted him all over with jewels.

Rarity: THAT WAS FOR GIVING ME A CAKE BOMB!

Nico: YEAH!

Me: Princess Celestia, at the next Grand Galloping Gala, I want to give everyone an amazing time. So leave this to me when we do have it again.

Nico: What do you have planned?

Me: Leave that to me.

Princess Celestia: Understood.

Me: I'll explain later.

We blasted them both.

Horsea squirted ink And blinded them.

Me: We'll have Blueblood in the M.O.E. as punishment.

Then Onewa, Firepower, P'andor, Absorbing Man, Greiger, New Wave, Magma, Iceage, Whirlin and Stonedozer came.

Nico: Onewa, Firepower, P'andor, Absorbing Man, Greiger, New Wave, Magma, Iceage, Whirlin and Stonedozer.

KGBeast: (Russian Accent) Wasn't expecting Blueblood.

Firepower: But at least Rarity got payback.

Me: That is for sure. Especially for all the shit she went through at the Grand Galloping Gala 4 years ago.

P'andor: (Russian Accent) And we're having him in our ranks.

Me: Yep. That is for sure.

Absorbing Man: (to Nico) We heard you fought Killjoy Huggins.

Nico: Yep and we eliminated one of the primary enemies of Lincoln that caused him so much pain in the Air Sensei Realm.

Whirlin: (To Linka) You should take care of that Pidgey

Linka: I will.

Terror Blossom came.

Me: Up for another round Terror Blossom?

Terror Blossom: I sure am.

Me: Cool!

Terror Blossom: You should do another Grand Galloping Gala in the future

Me: That's what we are planning to do and this time I'm going to make sure everything goes right! I have a plan for it and all will be explained in due time.

Nico: Okay. Lets get it on!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

KGBeast (to Onewa): Nico's rescue was in the Air Sensei Realm. Did it affect anyone who could fly?

Onewa: It sure did and they were faster than ever and it was awesome. Also we battled Killjoy Huggins there.

They gasped!

Muggshot: So Killjoy Huggins was there! Lincoln must've really let him have it!

Baboongamon: He sure did! Now that's one part of Lincoln's pain eliminated. Oh I'm Onewa's Baboongamon.

KGBeast: Pleasure.

Adagio Dazzle: It was awesome there. Now we just have Dark Chase Young to destroy.

Chimchar: That was awesome though. Soon Lincoln will be rid of the pain that hurt him for so long.

Fluttershy: I agree there and it will be good.

Lilja: (Icelandic Accent) We still have a long way to go.

Sólrún: (Icelandic Accent) Yeah but we're healing his heart.

Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Goodbye forever, you Super Psycho Pervert.

We cheered wildly as we holstered our weapons and powered down and Maria Demontamer's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long pink wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large pink and white planets orbiting around her legs, twenty-five smaller pink and white planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized pink and white planets orbiting around her wrists and ankles, and massive pink angel wings and eleven sets of large pink angel wings underneath her massive pink angel wings are permanent.

Maria Demontamer: It's over for you, Ragyo Kiryuin, now rot in The Black Abyss forever. Thanks for helping me get rid of that Super Psycho Pervert, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Maria.

Me and Nico: Our pleasure, Maria.

Suddenly, Maria Demontamer wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Maria Demontamer's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and The Thunder Dragon Fusion Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Maria Demontamer sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: That Super Psycho Pervert deserved to die for what she's done.

Me: That's for sure, and she paid the price for her hunger for power. So, Lincoln, who's the next Abyss Actor Gene-Slammer and Avatar we're meeting on your rescue tomorrow?

Suddenly, we saw a wave of darkness appear before us, and a theater stage appeared out of nowhere and a miniature version of Abyss Actor - Superstar appeared as the spotlight shined on it.

Lincoln: I know just the person whom we're meeting tomorrow for my rescue: Jackie Balthazar, Gene-Slammer and Avatar of Abyss Actor - Superstar.

Selene Arcangela: I knew that was her, and you guys are going to love meeting her, Jackie Balthazar, Gene-Slammer and Avatar of Abyss Actor - Superstar, isLincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem.

Jackie Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Jackie Balthazar really hates that wild animal from Great Lakes City, Becky Blickensderfer, with a blazing passion, and she also knew how to bring down the actions of that wild animal, and all it took was one planned out performance from Jackie, and not only was that wild animal done for, but she always winds up getting a nasty atomic wedgie along with a severe thrashing in front of an audience of imps, fiends, and demons she summons and they all laugh at him and she runs out of the auditorium humiliated to the extreme and into the hands of the police and she winds up getting sent back to Great Lakes City.

Nico: What?! (GROWLS) That stupid wild animal!

Me: Seriously, that animal has a nasty death wish! Unbelievable!

Lincoln: Yep, she was nothing but a wild animal and always enjoys going on her little rampages! It was obvious we had to put her in her place.

Me: Yep.

Prince Blueblood was done and me, Lincoln and Rarity looked at him with intense anger!

Blueblood: (Laughs nervously)

We pulled our fists back and then...

KRABLAM!

WE SMASHED HIS FACE IN AND KNOCKED HIM OUT!

He had a nasty black eye!

Greiger: That's the end of Yodon.

New Wave: And the Yodonheim Empire.

Magma: That means another of Void Queen's goons down.

Iceage: And Blueblood will be in our ranks.

Stonedozer: Let's celebrate

Nergal: With some pizza!

Billy's Dad and Billy hooted like monkeys!

Mandy snapped her fingers.

They stopped.

Me: Good idea Nergal. I could go for some pizza. I'm hungry.

Nico: Me too. Great job everyone!

Rarity: This was so fun!

Sweetie Belle: Yeah! We all had so much fun!

Me: Glad you all had fun.

Juru: (To the viewers) Rarity sure had a fun day and all of us did too.

Me: Yep.

We had an amazing pizza meal and went back home.

Soon, night fell on the city, and Lincoln was in his room as he looked out into the city.

Lincoln: It's finally over, we finally got rid of that asshole, Killjoy Huggins, and he finally paid the price for what he did in murdering Lorelai Symphonia Arendelle and for trying to make me suffer for no reason other than because he hates me because I exist. He was such a parasite, he deserved to die for all of his crimes against me and all of us.

Lily the Mermaid: (Rubs Lincoln's massive pecs) You did what had to be done, Linky, that killjoy was an absolute monster, and he had to die. Plus, we also finally got rid of Emperor Yodon for good along with his entire empire.

Rarity: That's for sure. That monster deserved to die.

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and we felt Lincoln gain another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force.

Then, Lincoln suddenly grabbed Lily the Mermaid bridal style and placed her on the bed with him on top of her, but she also saw his eyes turn from deep sapphire blue to deep blood red: the effects of The Mark of The Incubi have taken hold of him.

Lincoln: I know, and now that he's finally gone, I can finally put that nightmare to rest forever (Smirks) Now, then.

Lincoln used one of his eleven massive and long brown wolf tails to push the door shut and the barrier activated, but it also turned a deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END

Next up is Gia's day to shine and we're going to battle Thrax from Operation Overdrive.

See you all next time.

48 Years of Yellow VS Son of Rita

Gia's day to shine

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had a dark dream: apparently, his dream took him to the west of Gotham Royal York, and as he was flying, he saw that Sebastian escaped from The World Tree Estate and he hadn't truly changed and he was still plotting to kill us and he still had his dark intentions of destroying us, and he's planning to double-cross us and destroy us at The Sensei Tech Realm. Lincoln woke up, but so did his kids and harem.

Lily the Mermaid: Linky, what is it?

Lincoln: We've got trouble.

Lincoln told his harem about everything he saw, and they were horrified.

Selene Arcangela: Oh shit!

Michelle Emperyous: That two-faced backstabbing bastard! He's gonna pay for this, I knew he hadn't changed and he always had dark and evil intentions!

Selene Emperyous: I don't even care if he is Nico and Qin's old friend and even if he is a victim of Chase Young's Dark Side, he's still a toxic heartless bastard and he'll always be nothing more than the perpetual enemy of all good and life in the universe, and he must be destroyed forever!

Lincoln: We'd better keep this quiet from Sebastian, now that we know that he hasn't changed at all and he's back to being an asshole with dark intentions, we need to be very careful.

Girl Jordan: Okay. But, what if he tries that quicksand thing again?

Lincoln: He won't, because the second he does, I'm gonna end him forever. A piece of shit like him, he doesn't deserve to breathe again, he's just a filthy animal.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

Suddenly, The Tech Symbol on Crash Bandicoot's True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Justice started glowing.

Dr. Crankcase: Ooh, The Tech Symbol's glowing.

Crash Bandicoot: Just like Lincoln's dream warned us.

Me: Hey, what's up?

Crash Bandicoot: J.D., everyone, listen up, after breakfast, we're going to The Sensei Tech Realm to find The Sword of The Tech Skylanders.

Nico: Awesome.

Lincoln: Oh man. Hey, guys, there's something I should tell you, but is Sebastian around?

We shook our heads.

Lincoln: Good, because my dream has to do with him. Last night, my dream took me to the west of Gotham Royal York, and as I was flying, I saw that Sebastian escaped from The World Tree Estate and he hadn't truly changed at all and he's still plotting to kill us and he still has his dark intentions of destroying us, and he's planning to double-cross us and destroy us at The Sensei Tech Realm.

WE GASPED IN HORROR!

Maria: Of all the goddamn...! (GROWLS) He's starting to piss me off to no fucking end!

Trudy Lawrence: He always pisses a lot of people off to no fucking end. That's it, he's going down and he's going to die here and now!

Nico: We got to do something about Sebastian, his cruelty and darkness literally have no end in sight.

Me: I know. Something has to be done about him.

Lincoln: Oh, I intend to do a lot of things to him, I still harbor so much anger towards him for that stupid quicksand stunt he pulled on everyone in The Sensei Water Realm and making me have a panic attack.

Nicholette Torrington: I'm gonna flat out say it, but I hate that bastard so much.

We didn't feel Sebastian's power increase.

Me: That's odd, Sebastian's power didn't increase.

Nico: I think it's because of the hatred he has for all of mankind and all life on Earth and the universe and beyond that he's not able to grow stronger.

Me: I did say that his hatred made him weak.

Lincoln: It did, but it also made him even more excessively insane, excessively unhinged, and all of the other things Elly called him the other day.

May: Along with calling him even worse than Frieza, and we know what that bastard's like along with Sebastian.

Nico: Don't remind me. I've seen how cruel Frieza is and how cruel, remorseless, sadistic, murderous, and completely fucked-up Sebastian is, and we've also seen Sebastian's twisted tricks, what a two-faced fucking snake.

Eli: If he tries anything in The Sensei Tech Realm, he's dead and he's heading straight for eternal damnation in The Netherworld.

Lincoln: No, Eli, I won't allow you to do it, because if anyone's going to make that psychotic bastard regret ever trying to backstab us and try to destroy us, it's gonna be me. He has betrayed us one too many times, and more than once, he's tried to destroy us and shown his cruel psychotic nature more than once.

Suddenly, we saw a circle of white heavenly fire appear and surrounded Lincoln.

Lincoln: He's played his twisted games with us for the last time, this is where I'm going to put an end to his damned tricks here and now, he will face the judgement of Heaven itself for everything that he has done.

Then, the circle of white heavenly fire grew even more intense and Lincoln absorbed it, and we felt it: he's become even more stronger than ever.

Lincoln: Alright, now let's finish breakfast and head out to The Sensei Tech Realm and hunt down not only the next villain we're going after.

Nico: But, also Sebastian himself.

Gia woke up and saw Mega Jolteon starring at her.

Mega Jolteon: Morning Gia! Time for breakfast.

Gia: Oh boy! Guess it's my turn.

She ran and got dressed.

She came to the table and she was piling on the steaks for the protein.

We then finished our breakfast, and we set out to The Sensei Tech Realm, so Pinkie Pie can remove The Sword of The Tech Skylanders, and there, we hunt down the next villain there and send him to The Black Abyss along with hunting down Sebastian and making him pay for his evil depravity.

Me: The Tech Sensei Realm. So awesome

Nico: Wow! This whole place is one amazing technological marvel.

Lisa Loud: Amazing! This whole place is one amazing place.

Lola: It sure is.

Camie: I'll say!

Pinkie Pie: Boy this place is amazing!

Qin: It sure is.

Splash Woman: I'm excited for it.

Nico: Splash Woman, I want to thank you, Ms. Meanie and your teams for coming.

Splash Woman: No problem Nico. This will be fun.

Princess Neri: I'm really excited for this one.

Me: We all are.

J.D. 2: I am too sis.

Nico: Again, Neri, sorry meeting you took so long.

Princess Neri: It's okay Nico. But I'm so glad you all came to Oceana to help me and father out.

Qin: Your home planet was really beautiful.

Lola: It sure was.

Varie: I thought it was amazing too.

Princess Neri: I'm glad you all liked it and I will always be forever grateful for you helping us there.

Eli: You're welcome and also we destroyed Ursula forever and brought justice to all those she hurt.

Camie: Thank goodness.

Lola: Yeah!

Nico: And we saved your father.

Princess Neri: You sure did. That was well done.

Me: To be honest I've always wanted to try what Gandalf did for Theoden on Lord of The Rings.

Qin: That was cool.

Rarity: Indeed it was darlings. Wow! Yesterday was an amazing marvel.

Me: You did REALLY amazingly well Rarity.

Lincoln: That is for sure! You did great Rares.

Nico: We finished what we started 2 years ago

Me: We sure did. We were supposed to face Yodon on Rarity's big day 2 years ago. But fate had different plans.

Camie: Yeah.

Rarity: Indeed. But it was great. And my Akuma was beautiful darlings.

Me: Boy it sure was! She was 8 beautiful jewels.

Nico: It was good helping the Kiramagers finish off their main enemy

Me: Yep. Rarity you did great.

Twilight Sparkle: We are really proud of you and how far you have come Rarity.

Rarity: Oh thank you darlings. I was not expecting Prince Blueblood to be there too.

Me: Me neither! Especially after all the shit he put you through during the Gala. But I guess you had some well deserved payback coming to him for what he did to you.

Rarity: Indeed.

Ace: I'm sorry he did that to you Rarity.

Rarity: It's okay, darling. But to be honest, punching him felt really good.

Me: That is for sure.

Lincoln: Yeah that felt good.

Qin: Yeah.

Lincoln: Okay, guys, we're in for one wild battle, we're here in The Sensei Tech Realm in The Skylands, and we're here to get The Sword of The Tech Skylanders for Pinkie Pie, but here's the villain we're going after: it appears our old enemies, The Cheese Stealing Aliens, have come back from The Warp, and they not only want revenge on us, but they still intend to steal our cheese to conquer the universe.

WE GASPED AND NICO GROWLED LIKE A SAVAGE WOLF!

Nico: Those cheese-stealing warmongering bastards! I'm gonna rip them apart! (GROWLS)

Me: Same here.

Eli: I can't believe they're back.

Lincoln: Well, we're not gonna let them get away with this, this time, we're gonna send every last one of them to The Black Abyss.

The rest of the team's with us.

Maria: Those thieves are gonna pay for this.

Qin: And we're also going to make sure Sebastian pays for his treachery.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio has sent some hired thugs to kill us.

Lincoln: Sergio, why you little...!

Nico: Sergio again?

Lincoln: Yep, he's sent his hired thugs after us.

Me: I thought they...!

Sly Cooper: Afraid not, the thugs were completely stupid and they forgot that Sergio was going to backstab them, and they went back to being his hired thugs.

Nico: Unbelievable. Well, when we run into Killjoy Huggins, we'll run into Sergio's thugs and another of your cousins, Sly.

Ed Cowart: Right.

Lori: That bird is literally getting on our nerves.

Ronnie Anne: Now, you know what Bobby and the rest of us had to deal with from Sergio.

But, then, Lincoln got another premonition: it appears The Cheese Stealing Aliens have created evil clones of all of Ben's aliens from his Omnitrix along with all of the aliens we'd encountered and the aliens from Samus' travels that we also scanned into our Omnitrixes and sent them after us, and Sebastian was the one who gave them the list of all of the aliens from our Omnitrixes!

Lincoln: Oh shit, and we also got more trouble: it appears The Cheese Stealing Aliens have created evil clones of all of Ben's aliens from his Omnitrix along with all of the aliens we'd encountered and the aliens from Samus' travels that we also scanned into our Omnitrixes and sent them after us, and Sebastian was the one who gave them the list of all of the aliens from our Omnitrixes!

Me: WHAT THE?!

Ben: That little...!

Lincoln: Though I already have them along with all of the aliens we'd encountered and the aliens from Samus' travels in my Omnitrix already, I'm going to absorb them.

Nico: Good idea.

Ace: What are these aliens?

Shanan: They are called the Lactossemmenians and they are a highly advanced alien race of one-eyed aliens from the planet Lactossera and they want to use the cheeses of many races all over the universe to conquer galaxies.

Ace: WHOA!

Nico: And they are also the aliens that I was forced to make a dangerous choice and that was to form an alliance with Sperg.

Me: It's one of the things that lead Zocks to sock Nico in his face.

Zocks: I know.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large

orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for The Cheese Aliens) AHA! There you are, you varmints! I found The Cheese Aliens, they are 20 yards away. (Sensed the clones) And I found the evil clones of all of Ben's aliens from his Omnitrix along with all of the aliens we'd encountered and the aliens from Samus' travels that he scanned into his Omnitrix.

Nico: Let's get The Sword of The Tech Skylanders and tear them apart.

Jaune heard a Pokemon cry

Jaune: Hey guys look.

We saw a Noctowl.

Me: Cool! A Noctowl.

Lola: Wow!

Dana Owllton: Nice to see one here.

Me: Yep.

Noctowl: This place is amazing though.

Jaune: Want some food?

Noctowl: Sure.

She was given some apples and she ate them.

Jaune: Want to come with me?

Noctowl: I would be honored.

Me: Cool!

Nico: Awesome!

Noctowl landed on Jaune's head.

Noctowl: This is cool.

Me: Hey look there.

We saw a Swanna.

Me: Whoa a Swanna!

Fluttershy: Oh she is beautiful.

Nico: She sure is.

Laney: What's she doing here?

Me: Must be one of Dark Gale's creations.

Serenity Wheeler: Maybe she is someone Gabrielle, me and Joey know.

Serenity used telepathy and gasped!

Serenity: (GASP) That's our sister Skyla!

Joey Wheeler: All right! Skyla is here too!

Gabrielle Wheeler: Wow!

Me: We better go help her.

We went over.

Joey Wheeler: Hey Sky it's us Joey, Serenity and Gabrielle!

All she did was use Scald and she burned Joey bad with SCALDING HOT WATER!

Joey:...OW!

Me: YIKES! That had to hurt!

Serenity: Looks like we fight.

Me: And not with the Duel Kind of fight. Okay then.

I fired a ball of lightning and blasted her.

Serenity, Joey and Gabrielle fired waves of energy and blasted her. I snapped my fingers she reverted back and was a girl with neon blue hair and blue eyes and had Swanna in the middle of her forehead and had rainbow angel wings and had a phoenix in an auspicious symbol on her arm as her cutie mark.

We wrapped her in a blanket.

Me: There. Wait a second.

I pulled out my duel cards and looked and saw that it was the symbol of Harpie Lady Phoenix Formation!

Me: That's the symbol of Harpie Lady Phoenix Formation on her arm.

Mai Valentine: She has that as her cutie mark? That is cool.

Me: It sure is.

She woke up.

Skyla Wheeler: (Groans) What?

Serenity Wheeler: Skyla?

Joey Wheeler: Are you alright?

Gabrielle Wheeler: You had us worried.

Skyla Wheeler: Joey, Serenity, Gabrielle? (GASP) It is you guys!

She hugged them.

Skyla Wheeler: Wow! Thank goodness. And Serenity you have your eyes better.

Serenity Wheeler: Thanks to Joey.

Me: You were turned into a Swanna by Dark Gale.

Skyla Wheeler: Oh man! I remember.

She was in a white suit and she was injected and turned into a Swanna and she flew out of the lair.

FLASHBACK ENDS

Skyla Wheeler: That was awful.

Me: I know but we destroyed all of Dark Gale.

Skyla Wheeler: Good.

Joey: You also scalded me!

Skyla Wheeler: Sorry.

Me: Easy Joey. She wasn't in control.

Nico: What's your role in Sonya's team?

Skyla Wheeler: Well I am the wind and ice master of the team and I freeze our enemies to bring them down. Outside the team I am on a mission. I'm setting out to kill Marik.

Me: Because he controlled him and Tea.

Skyla Wheeler: That's right!

Me: Well Marik is no longer a villain. Yami Marik is responsible for everything. Tea's big day is when he will show up so save your rage till then.

Skyla Wheeler: Okay.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her sky blue clothes and an amazing dark sword.

Skyla Wheeler: Wow I look amazing.

Serenity Wheeler: You sure do.

Nico: Now for those cheese aliens!

We took off into the air to help Pinkie Pie get The Sword of The Tech Skylanders and send The Cheese Aliens along with Sergio's thugs to The Black Abyss and Lincoln can absorb the evil clones of all of Ben's aliens from his Omnitrix along with all of the aliens we'd encountered and the aliens from Samus' travels that we also scanned into our Omnitrixes.

We were flying in the air, and we saw our target: The Sword of The Tech Skylanders, it's an orange sword with the symbol of The Tech Skylanders embedded in the crossguard and a blade with reflecting gears on it.

Lincoln: There it is.

We landed, and Pinkie Pie removed The Sword of The Tech Skylanders from its pedestal, and orange light shot out of the sword and it landed, and what stood in its place was a girl with yellow hair, yellow eyes, massive yellow angel wings, yellow clothes, she has the Tech Skylander symbol on her forehead, right arm, and yellow skirt, a Tech Elemental Necklace and a Tech Elemental Sword with the symbol of The Tech Skylanders embedded in the crossguard and a blade with reflecting gears on it.

Lincoln: (GASPS) Techa Pinkie, Avatar of The Tech Skylanders.

Crash Bandicoot: The Technomancer of The Avatars of The Skylander Elements and Governor of Tech, I knew that was her.

Me: Awesome! Care to introduce us?

Anna Anyanova: Sure. This is Techa Pinkie, Avatar of The Tech Skylanders, she's Lincoln's Guardian Angels from The Tech Sensei Realm and she's the Avatar and Embodiment of all the Tech Skylanders and a master of machines, metal, gears, lightning, and lasers. She's the Technomancer of The Avatars of The Skylander Elements, they are the masters of each of the 10 Elements of The Skylanders and they defend all of Skylands and the universe from the evils that threaten Skylands, and she is a gifted force of good in building machines. She knows all about machines and what makes them tick. She came to Royal Woods long ago, and she taught Lincoln how to use the powers of machines, metal, gears, lightning, and lasers, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful tech greatsword and necklace, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a vengeance and vowed to mulch them in an industrial shredder times a thousand.

Crash Bandicoot: I've seen her use the powers of machines, metal, gears, lightning, and lasers, and her powers were stronger than Lisa's and she'd used Lisa's own powers against her.

Lincoln: It was really wild.

Suddenly, we saw the evil clones of all of Ben's aliens from his Omnitrix along with all of the aliens we'd encountered and the aliens from Samus' travels that we also scanned into our Omnitrixes, and they were out to kill us.

Lincoln: Well, look who's here.

Then, Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of evil clones of all of Ben's aliens from his Omnitrix along with all of the aliens we'd encountered and the aliens from Samus' travels that we also scanned into our Omnitrixes and he proceeded to absorb them one by one and he grew stronger and assimilated all of the aliens' powers and abilities, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of them and he drained their souls of energy.

SUDDENLY, LINCOLN LET OUT AN EXTREMELY LOUD ROAR SO LOUD THAT IT SHOOK THE HEAVENS AND THE BOWELS OF HELL ITSELF AS LINCOLN'S RAINBOW, WHITE, GOLDEN YELLOW, AND BLUE ENERGY AURA FLARES UP EVEN MORE EXTREMELY AND EXPLODED OUT AND HIS UPPER AND LOWER BODY MUSCLES BULGED OUT EVEN MORE AS HE GAINED AN ASTRONOMICAL POWER BOOST!

Lincoln: WHOA!

Me: Holy shit! Sebastian, you're screwed when we catch you, idiot!

Nico: Damn, you absorbed the clones of all the all of Ben's aliens from his Omnitrix along with all of the aliens we encountered in the past and the aliens from Samus' travels that we also scanned into our Omnitrixes as well. How do you feel, Lincoln?

Lincoln: I feel like I've gone through eons of hard workouts and I feel even more powerful than ever. (CRACKS KNUCKLES) Come on, let's go teach those cheese stealing aliens a lesson they'll never ever forget and when Sebastian shows his ugly face, I'm gonna break his arms and legs and smash his face in.

Me: Now, you're talking! Let's get those cheese stealing turds!

Nico: Along with that psychotic moron.

But, the bold determination and talk also caused Lincoln's harem to blush even more.

Lily the Mermaid: (Swooning) My God.

Lynn: Hey, you guys, snap out of it.

They snapped out of it.

Girl Jordan: Sorry about that.

Nico: Alright, let's get going and hunt down those cheese stealing turds and that psychotic monster.

We then took off to find and take down The Cheese Aliens and send Sergio's thugs to The Black Abyss and punish Sebastian and make him pay for his dark heartless actions in the past.

We were flying in the air, and there we saw our main targets: The Cheese Aliens.

Cheese Alien Leader: Those accursed Team Loud Phoenix Storm ruined our plans long ago, but this will not stop us, we will destroy them and we will finally steal every last piece of cheese on Earth and the universe will be ours!

?: That's not going to happen, you cheese stealing turds!

Suddenly, the spirits of Ben's aliens and the aliens we encountered in the past and the aliens of Samus' travels appeared out of nowhere and they attacked the Cheese Aliens with unbelievable fury, and then, the spirits converged, and then, a massive tornado of rainbow, white, golden yellow, and blue energy erupted and a Thunderbird Screech and Phoenix Cry was heard, and as it faded, we all appeared.

Nico: Remember us Cheese Faces!?

Cheese Aliens: Team Loud Phoenix Storm! Impossible! The clones should've destroyed you all!

Lincoln: They've failed to do the task because I absorbed them and I assimilated all of their powers, strengths, and abilities.

Lincoln fired blasts of fire and ice at them using the powers of Heatblast and Big Chill, then he fired stars at them using the powers of Alien X, and he fired other elemental and energy blasts using the powers of the other aliens, and they got hit hard.

Me: Whoa! Awesome!

Eli: That was brutal.

Lincoln: So's this!

Lincoln turned into Ampfibian.

Lincoln: AMPFIBIAN!

Then, Lincoln fired blasts of lightning that electrocuted The Cheese Aliens, and a stray lightning blast also hit and we heard a demonic roar as Lincoln changed back.

Me: Aha, and there's that demonic roar of anger and hate!

Lincoln fired another blast of energy that forced out our next big target: Sebastian Mendez, and he's gone full-blown fucked-up and crazy!

UH OH!

Me: I knew he was here.

Sly Cooper blasted The Cheese Aliens and Sebastian with powerful blasts of blue, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, fire, flames, lightning, darkness, raccoons, phoenixes, and angels, and he also whacked them on the head many times with his cane, and that left those stupid cheese stealing turds and that psychotic monster in a really pissed off mood.

Nico: That'll teach you cheese stealing turds, same with you, Sebastian.

But, Sebastian let out a nasty hiss at us showing his demonic fangs and his snake tongue flailing all over the place.

Me: Ew, now that's just nasty!

Qin: Never mind him, J.D., Sebastian has always been a monster who's completely nasty especially since he always had a nasty grin on his face.

Belinda Belial: It was absolutely sickening, and everyone's respect for him turned to revulsion and complete hatred.

Nico: I've said this once and I'll say it again, I truly thought you were our friend and a good man, but it looks like I was wrong, your descent into madness all those years ago showed your true ugly nature: you embraced the darkness that you were poisoned with and you let it turn your heart completely black and even despite the many times we'd freed you, you let it back in. That ends here and now. Sebastian Mendez, Nightmare of Mankind and Harbinger of Eternal Hatred and Madness, even though you're not getting kicked out of the team, we're cutting off all ties with you, I don't want anything to do with a toxic venom-spitting two-faced backstabbing snake like you!

THEN, SEBASTIAN ABSOLUTELY LOST IT AND HAD A FULL ALL-OUT MELTDOWN AS HE LET HIS DARK HEART'S HATRED OUT!

Sebastian Mendez: ALRIGHT, THAT'S IT, I'VE HAD IT! ALL YOU FUCKING COWARDS CONGREGATE AGAINST ME, YOUR NEW MASTER! SEE IF I CARE! SHUT THE FUCK UP ALREADY! GO ON THEN, BE MY GODDAMN ENEMIES! HOWEVER, I'LL ALSO DO WHATEVER I WANT TO YOU ASSHOLES! SAY WHATEVER, DO WHATEVER, FREAKS, FOR YOU'LL NEVER GET TO DO THAT AGAIN ONCE YOU'RE ALL MY SLAVES!

WE WERE ABSOLUTELY DISGUSTED WITH HIM! WHAT A FUCKING SNAKE!

Me, Nico, and Lincoln: What a damn snake...

Qin: What an animal, this guy seriously doesn't deserve to breathe the same air as us!

Qin fired a blast of fire at Sebastian and it hit him and sent him flying as he let out a demonic shriek at The Cheese Aliens and he crashed into them, and he got off of them!

Sebastian Mendez: DON'T JUST STAND THERE! (DEMONIC VOICE) GET THEM!

SEBASTIAN FINALLY WENT BERSERK AND HE AND THE CHEESE ALIENS CHARGED RIGHT AT US!

Lincoln: Hah, seriously?

Lincoln then punched the ground hard with his left fist and sent a massive wave of earth right at The Cheese Aliens and Sebastian and sent them flying into a wall and they crashed into it. Sebastian got back up along with The Cheese Aliens, but he was so pissed off, he let out a roar and snakes came out of his mouth and they roared at us, but Lincoln let out a loud wolf roar at them and that frightens the snakes and they yanked themselves out of Sebastian's mouth as he screamed in agony.

Then, one of the snakes went up to him.

Snake: Now, you listen here, mister, we didn't sign up for that. You can deal with this on your own, we're out, that Lincoln's an absolute beast!

Snake 2: Well, he is a True Alpha Male Vampire-Werewolf hybrid, so yeah, he's way more savage and primal than any of the other vampires, werewolves, and other mythical creatures and beasts.

Sebastian Mendez: YOU DARE TO...!

But, then, the three snakes bitch slapped him in the face with their tails!

Snake 3: Sayonara, sucker!

They slithered off leaving Sebastian cursing angrily and swearing he's gonna skin them alive!

Nico: No one messes with cheese!

Me: What do you need all that cheese for? It can't be for eating!

Cheese Alien Leader: No! We're lactose intolerant. It gives us really bad gas. You know how the one you call Roger Smith eats what you call Okra? Our farts smell just like that.

Me: YUCK!

Roger Smith: Yeah Okra gives me really bad gas and it took 3 weeks for the fumigation squad to get rid of the smell in Stan's house.

Me: I don't like Okra.

Nico: Yeah lots of people don't.

Camie: Yeah.

Noctowl charged at them and blasted them with Psybeam.

Nico: You want cheese? Come and get it!

Cheese Alien: WE WILL DESTROY ALL OF YOU!

Lincoln: That's not happening, you cheese stealing clods. As much as I want to throw you to Nico who wants nothing more than to kill you for trying to steal all of Earth's cheese for your plan for universal domination, I've got a much better punishment for you. (Sensed Sergio's thugs) And it appears we have some uninvited guests.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings and they forced out Sergio's hired thugs and they're screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Whoa, what the?!

Selene Arcangela: Lincoln exposed them in the blink of an eye with that attack, incredible.

Kali Timestream: Just like when Our Lord takes control, that attack happens before you can blink your eyes.

Sergio Thug: Damn it! The boss isn't going to like this!

Lincoln: I wouldn't worry, you won't be able to report back to your boss. Nor will the rest of your boss' hired thugs.

Sergio Thug: We'll see.

But then...

WHOOSH!

A figure swiped all their loot!

Sergio Thug: What the!? Our loot!

?: I wouldn't miss that.

We saw that it was the next member of the International Clan of The Coopers.'

Lincoln: Colleen LeSteau Cooper! Wow!

Me: Care to introduce us?

Anna Anyanova: Sure this is Colleen LeSteau Cooper, The Queen of The Nightclubs of The International Clan of The Coopers, she's Lincoln's Guardian Angel from Monaco and she's an amazing professional gambler and loves playing roulette and blackjack and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from Russia and she helped him on lots of dangerous jobs. She's known as The Queen of The Nightclubs because she has this amazing luck that enables her to win everything in crooked casinos and defies the odds and even steals from the most feared members of the Mafias of Europe Without them even realizing it. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Colleen came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of gambling and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Colleen LeSteau Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Nico: WHOA! Awesome to meet Monaco's member of the International Clan of the Coopers.

Thing: IT'S CLOBBERIN TIME!

He activated it.

Sougo: I can see your future... and it is death!

Me: Thus always to all bad guys that hurt Nico's cheese!

Thing and Sougo: TIME ROCK BLAST SMASHER!

They smashed and pulverized the Cheese aliens all over.

Poromon pecked them.

POINK POINK POINK POINK POINK!

Poromon: Eat some candy instead of cheese!

LOUD NASTY FART!

He farted skittles into their mouths!

Theia Yggdrasil: Shall we dance?

She fired waves of leaves and fruit and blasted the aliens all over the place.

Skyla Wheeler: Like old times guys?

Joey Wheeler: Lets do it!

Serenity Wheeler: YEAH!

Skyla, Serenity, Joey and Gabrielle: WHEELER FURY BLAST STORM!

They fired waves of energy and blasted the Cheese Aliens all over.

Mevya hopped over to them

And belched in their faces.

The belch made them dizzy.

Qin: Nice.

Horsea squirted ink and blinded them.

Me: Lets finish this.

Nico: Gladly! You dirty cheese stealing rats!

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss, and when Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: NO! NO! (GROWLS) This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Eli: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Nico: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us, and as he snapped his fingers, orbs of fire appeared surrounding Sergio, and then...!

LINCOLN SENT THE ORBS AT SERGIO, AND THEY EXPLODED WITH INCREDIBLE POWER AS THEY HIT THAT STUPID BIRD, AND WHEN IT WAS DONE, SERGIO WAS AN ABSOLUTE WRECK AND HE GOT BURNED BAD!

Sergio: (Groans) Ouch!

We were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT BEAK WITH HOT PEPPERS AND HOT SAUCE! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

Lincoln, Red Savarin, Robin Hood, Skippy the Bush Kangaroo, Von Lycaon, and Rayman went after The Cheese Aliens, and they fired extremely powerful blasts of rainbow, green, purple and red, red and yellow, red, white and black, white, golden yellow, and blue energy, elemental forces, mythological animals, and mythical beasts, and they exploded with incredible power as they hit them, and they slashed and punched at them with their massive greatswords and gauntlets and greaves leaving scars on them.

Sebastian let out a shriek and ran at us to attack us.

Lincoln: Not happening, you freak!

Lincoln ran at Sebastian with a fire-infused left fist, and he trapped Sebastian inside a massive fireball sphere prison, and he kicked him really high up into the air and he was sent right into space!

Me: (WHISTLES) Damn!

Nico: That's a really strong kick and you trapped him inside a fire version of The Water Prison Jutsu.

Lincoln: That won't hold him for long!

Roxy Drake: But, that'll give us enough time to take care of these one-eyed tentacle turds. Alright, boys, get them!

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Pinkie Pie, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sunset Shimmer, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and it was making The Cheese Aliens even angrier than ever.

Suddenly, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and eleven sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit The Cheese Aliens, and we found ourselves in Heaven.

Then, Lincoln's massive white angel wings and eleven sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound The Cheese Aliens.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into The Cheese Aliens' stomachs, and a cluster of rainbow, white and blue heavenly flames exploded out behind them, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked them with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BEGONE!

Lincoln, Nico, and I did one final powerful energy slash that hit The Cheese Aliens hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and The Cheese Aliens were on their last tentacles and they were really really mangled.

Then, Lincoln fired powerful blasts of fire and fire magic that hit The Cheese Aliens and sent them to The M.O.E.

Lynn: AND THEY'RE OUT!

We cheered as we holstered our weapons and we powered down, and Pinkie Pie's new body, clothes, weapons, jewelry, Third Eye, longer light pink horn and longer curly pink tail, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large pink planets orbiting around her legs, twenty-five smaller pink planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized pink planets orbiting around her wrists and ankles, and massive light pink angel wings and eleven sets of large light pink angel wings underneath her massive light pink angel wings are permanent.

Nico: And that's Tech down.

Lincoln: And Earth, Life, Light, Dark, and Undead left to go.

Me: That'll teach those cheese stealing turds!

Lincoln: Trying to steal our cheese to conquer the universe, they're still as stupid as ever.

Suddenly, Lincoln pinned Techa Pinkie to the ground, and he kissed her deeply on the lips which she returned, then, with his massive muscular arms still wrapped around her waist, Lincoln leaned his head down to the right side of Techa Pinkie's trapezius, and he slowly bit her and then fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Techa Pinkie with yellow gems on the gold lightning bolts and yellow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Techa Pinkie: Well, I got to say that was one way of saying it's good to see you again.

Lily: That's one of his ways of conveying that message.

Lincoln: Lily.

Nico: No one messes with cheese. EVER.

Me: You got that right!

Theia Yggdrasil: That is for sure!

Lola: Yeah!

Nico: Nice job Noctowl!

Noctowl: Thanks Nico. It was fun.

Poromon: Want some beer?

Noctowl: Oh no thanks. I can't drink. Gives me nasty diarrhea.

Nico: Okay I did NOT need to hear that.

Poromon: Okay then.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Noctowl: The puppy eyes don't work on me pipsqueak.

Nico: Splash Woman, what do you like to do in your free time?

Splash Woman: Oh I work at an aquarium for mermaid shows.

Nico: Cool!

Me: Awesome.

Nico: Good job to have. And J.D. how did you and Theia meet?

Me: We met over in Norway and I helped her by finding the Staff of The World Tree.

She held up the staff.

Me: That Staff only lived back 10,000 years ago and I helped her get it.

Nico: She went back in time?

Me: To 10,000 years ago and She got it and lived since.

Theia Yggdrasil: It's true. The staff grants eternal life and incredible power. Long story. And me being the Embodiment of Xeggdrasil is fitting for it.

Qin: That is incredible!

Me: Yep.

Poromon: Would you guys like to see something later?

Nico: (in realization) NO!

Me: Uh oh. I don't like that tone and look.

Poromon: Oh come on guys.

Nico: Please no!

Poliwag: Please yes!

Nico: (sighs) Why me? Please just show them quick and painlessly as possible.

Me: Show what?

Poromon: Some pictures of Nico's past.

Nico's face glowed bright red like an atomic tomato.

May: Oh come on Nico. We want to see what you were like back then. Besides... (Kisses him) I want to see.

Qin: Me too.

Maria: Same here.

Me: Besides you beng embarrassed like that is stereotypical for some people. Also I know the feeling because I showed everyone my pictures and everyone didn't complain about that.

Nico: Really?

Me: Yep.

Nico: Okay then.

Poromon: YAY! Okay then.

Lincoln: (Sensed Anothers) Uh oh, guys, heads up, there are Anothers heading our way.

Eli: (Sensed Anothers) Lincoln's right, we got Anothers heading our way, and one of them is Another Gia.

Gia Moran: Another me?

Lincoln: That's right.

Me: This should be good.

Nico: Nice! So Splash Woman, Water Magician, Emma, Rikki, Cleo and Bella are up and we have Another Ms. Meanie, Stone Heart (Jojo), Ketchup Jack, Chikuon, Osouji, U-Ikasaman and Mikuuji.

Me: That's right.

Lola: Wow!

Nico: There they are!

We saw Another Stone Heart (Jojo), Ketchup Jack, Chikuon, Osouji, U-Ikasaman and Mikuuji!

Nico: This will be fun.

Me: Yeah!

Another Ketchup Jack: (In a girls voice) Yeah it will.

They reverted back and were the gene-slammers of Element Valkyrie, Element Doom, Element Dragon, Element Magician, Element Soldier and Element Saurus!

Nico: Tyra Tambora, Mira Maine, Cierra Calbuco, Tina Tazmania, Jianna Jurassic and Olivia Okefenokee.

Me: WHOA! The gene-slammers of Element Valkyrie, Element Doom, Element Dragon, Element Magician, Element Soldier and Element Saurus!

Tina Tazmania: (Australian Accent) That's right mate and a pleasure to meet you.

Me: Same here.

Cierra Calbuco: It's awesome to see you again Nico.

Tyra Tambora: Great job showing those aliens what happens when you mess with cheese.

Me: That is for sure! By the way girls are the Another Ms. Meanie and Gia friendly or hostile?

Jianna Jurassic: Friendly and the Another Gia is someone that Gia knows.

Gia: Looking forward to it.

Olivia Okefenokee: And she has 48+ Years of Rangers powers in her.

Me: COOL!

Gia: This will be interesting.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: And now we wait.

Me: I have a feeling that we're going to meet Another versions of all the Megaforce Rangers that will have all the powers of ALL the rangers from over the last 48+ Years. But it's a darn shame there are no yellow rangers for Boonboomger, J.A.K.Q. Dengekitai, Battle Fever J, Dengeki Sentai Changeman, Dino Charge's counterpart, Zyuden Sentai Kyoryuger and Dino Fury's counterpart Kishiryu Sentai Ryusoulger.

Nico: I know! What a rip.

Qin: Yeah!

Gia: That is a shame.

Poromon: Oh, I can't wait to show you guys the pictures I have in mind!

Nico: (sighs) Lord, just kill me now.

Me: Okay.

I blasted Nico's head off!

Nico then got up because of his regeneration and grew his head back.

Nico: OUCH!

Me: You said for us to kill you!

Nico: I was being dramatic!

Me: Sorry. Besides, killing you is never gonna be easy. You're practically the hardest one of out all of us that can be killed.

Nico: Fair point.

Maria: Not like anyone can do that easily anyway.

Nico: Yeah.

Lola: It can't be that bad Nico.

Lincoln: Yeah remember what I said about all of us having embarrassing moments?

Nico: No arguments there. But I just hate having my baby pictures shown.

Lola: We all do Nico. But we never saw them.

May: I want to see them Nico. We don't know all about your past.

Nico: Fine. But while you guys do that, I'm gonna be eating pickles in the kitchen

Me: Okay. I was expecting you to eat all of Mr. Lynn's Smoked Gouda stash he had in the kitchen.

Nico: OOH! That's even better.

Lynn Sr.: Yeah I had all that brought into the restaurant and didn't know what to do with it.

Nico: I'll eat it.

Lynn Sr.: Okay.

Me: Besides Nico, I'll make sure no one pokes fun at you.

Qin: Yeah! Me too.

Nico: Thanks guys.

Manaphy: I myself am curious to see your younger pictures

Horsea: Same here.

Maria: Yeah.

Nico: You guys enjoy them.

Me: Yeah. Oh here they are!

We saw Another Ms. Meanie and Gia!

Me: There they are!

Another Ms. Meanie: This is gonna be fun.

She reverted back and split into 2 and it was the gene-slammers of Mystic Lamp and Elemental Mistress Doriado!

Nico: (GASP) Helia Daggeron and Diana Doriado!

Daggeron: Helia!

Helia Daggeron: Dad!

She and Daggeron hugged!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out.

Me: Mystic Lamp and Elemental Mistress Doriado's gene-slammers! Wow! And Helia is Daggeron's daughter! Wow!

Diana Doriado: Yep and I'm also the daughter of Elemental Mistress Doriado.

Me: WHOA! That is cool!

Nico put his skeleton back.

Nico: I hate it when that happens.

Me: You girls don't have nasty tempers like Ms. Meanie does do you? No offense Ms. Meanie.

Ms. Meanie: None taken.

Helia Daggeron: No we don't. But we do get mad at the sight of woodpeckers which came with the Anothers.

Me: Oh boy.

Ms. Meanie: Yeah I have always had nasty anger problems. But that is part of who I am.

Me: Yeah we noticed.

Nico: And your friend?

Another Gia: Someone she knows.

She reverted back and was a girl with yellow hair, yellow eyes, a yellow Gokaigers Dopant Symbol in the middle of her forehead and had yellow clothes and had yellow angel wings and a Gokaigers blaster and sword on her hips and had a Gokaigers Dopant symbol on her skirt, shirt and arm.

Gia Moran: (GASP) Gianna!

She and Gianna hugged.

Gianna Moran: I'm so happy to see you sis!

Gia Moran: Me too sis!

Me: Your twin sister?

Gia Moran: That's right. She's my twin sister and is also the embodiment of the Yellow Gokaiger Dopant and has all the powers of the yellow rangers from over the course of 48+ years.

Me: That is so cool!

Shotaro: WOW! The Gokaigers Dopant and Embodiment of the Yellow Rangers.

Troy: That is awesome!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Diana Doriado: That's right.

Gianna Moran: Yep.

Me: Nice.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor.

Me: You should be proud of your sister Gianna.

Lincoln: She has come a long way. Lets separate you first.

We did so.

Me: Lets do it!

Nico: (gets out Ms. Meanie's Ridewatch) Time to get some woodpeckers!

May: (Gets out Ketchup Jack's Ridewatch) Get your hot dogs here!

Maria: (Gets out U-Ikasaman's ridewatch) This is gonna be fun!

Princess Neri: (Gets out Stone Heart's Ridewatch) For Oceana!

They used the powers of Ms. Meanie, Stone Heart (Jojo), Ketchup Jack, Chikuon, Osouji, U-Ikasaman and Mikuuji and blasted the Anothers and smashed them.

Me: YEAH!

CRUNCH!

Me: YEOWCH!

A clam bit me on my butt!

Me: What the?

I picked it up and saw that it was Kozu Kira and with him was Knight Man EXE, Hummingbird Phantom Hamingard, Freeze Man EXE, Pharaoh Man EXE and Drill Man EXE.

Me: Whoa! Kozu Kira? Nice sneak attack!

Nico: And nice team.

Kozu Kira: Thanks Nico!

Qin: Wow! Awesome to see you Winry.

Winry Walpurgisnacht: You too Qin.

Nico: Winry is a master of all things scary and she has the powers of Satanic Magic, Dark Magic, Bats, vampires, werewolves, ghosts, bones, blood, skulls, pumpkins, fiends, zombies, spiders and more.

Brittney: WOW! You would be perfect for the Goths of Darkness and make Halloween a fun holiday.

Nico: Yep.

Gia: It's fitting because you're the Gene Slammer of Bonz's favorite monster, Bonz. is my archeenmy, and it's my big day today

Winry Walpurgisnacht: That is fitting.

Nico: Yep.

Princess Neri: Do you have a favorite memory of Nico?

Winry Walpurgisnacht: I sure do. When me and Nico went to Germany and I showed him my Pagan Village and showed him my villages ways.

Nico: That was fun.

Me: Cool!

Hunter: (German Accent) That is amazing that Nico knows you ja.

Winry Walpurgisnacht: It sure is.

Nico and Winry hugged.

Nico: I've missed you.

Winry Walpurgisnacht: Same here.

We went back home.

Lincoln: And with The Cassius Flores Vengeance Curse put on that animal, we'll get some monetary compensation for all of her victims.

Ronnie Anne: Perfect. Now, we got to find that animal and fast before someone gets hurts by her.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long brown hair, red eyes, massive black angel wings, black short-sleeved blouse, short frilly black shirt, white gloves, black skirt, gothic lace stockings, black knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, fiends, theatre masks, phoenixes, and angels on the coattails, and on the back is Abyss Actor - Superstar, she has a darkness greatsword in her right hand, and with her are the five girls.

Snowstorm Seal Musk-Ox Yuki-Onna Thundersnow Ice Dragon Phoenix God Angel Hope, and Ed Cowart, Ets, Ken, Nicole, Nico, Gage the Hedgehog, and Eli unholster their massive greatswords and transformed, and we went after Becky Blickensderfer and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they explode with incredible power as they hit her.

Becky Blickensderfer was defeated by us as she was on the ground on her butt. Then, Lincoln fired chains of Neutronium lined with rainbow energy and they hit Becky Blickensderfer and she was sent flying into a portal that led to Lynn's Table where she was chained up to her post with the chains and she also got hit with The Gessius Flores' Vengeance Curse. Now, she was turned into humiliation fodder for us and for all of Great Lakes City forever. We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Lincoln: That is the last time we ever, and I mean, ever have to deal with Becky Blickensderfer.

Ronnie Anne: That little monster has been nothing but a nightmare to all of us for so long.

Nikki: Now, she's going to be humiliated forever. She humiliated a lot of people with her rampaging antics, and now, the tables have turned on her.

Nico: We're gonna have a lot of fun beating her up on our humiliation sessions.

Me: That's for sure.

Lincoln: Save room for us, we've also got a lot of pain to deal unto her. (To Jackie Balthazar) And it's so good to see you again, Jackie.

Jackie Balthazar: You too, Lincoln, it's been eight years since we last met.

Suddenly, Jackie Balthazar had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Jackie Balthazar was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Jackie Balthazar: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Jackie Balthazar and hugged her, and Jackie Balthazar is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and eleven other sets of larger sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit

Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Jackie Balthazar: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and eleven sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Jackie Balthazar, Gene-Slammer and Avatar of Abyss Actor - Superstar, she's Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Jackie Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Jackie Balthazar really hates that wild animal from Great Lakes City, Becky Blickensderfer, with a blazing passion, and she also knew how to bring down the actions of that wild animal, and all it took was one planned out performance from Jackie, and not only was that wild animal done for, but she always winds up getting a nasty atomic wedgie along with a severe thrashing in front of an audience of imps, fiends, and demons she summons and they all laugh at him and she runs out of the auditorium humiliated to the extreme and into the hands of the police and she winds up getting sent back to Great Lakes City.

Nico: Well, we taught that filthy animal a lesson she's never going to forget.

Jackie Balthazar: Not yet. I intend to really teach that filthy animal a lesson she's never ever going to forget.

Lincoln: With my Gessius Flores Vengeance Curse on her, you'll have a lot of pain and payback to dish out on her, and now that you're here, Jackie.

Lincoln with his massive muscular arms still wrapped around Jackie Balthazar's waist leaned his head down to the right side of Jackie Balthazar's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Jackie Balthazar: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Jackie Balthazar with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Jackie Balthazar: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal

Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Jackie Balthazar.

Jackie Balthazar had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Jackie Balthazar's waist, and he leaned down to her face and kissed her on the lips, and with Jackie Balthazar's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Jackie Balthazar had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Jackie Balthazar: (In Heaven) My God. Oh, Lincoln, the five girls I rescued are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the five girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks and muzzle. The five girls are Proudia from JusticeBattler Proudia, Seia Amagi from Masayoshi-kan no Tsuyoi Kouhai Porisu ga Sekuhara Shochou ni..., Eri Aizawa from Otaku ni Ninki no Vtuber ga Chi*po Chuudoku no Baka Mesu ni Taika Suru to sa Reru Hanashi no Ichi Tsuki Tsuchi, Ima Hamabe from Reisei Mukuchi na Teishinchou Bakunyuu Hiyatoi Arbeiter Ima-chan to Ottori Araara Bakunyuu Mama no Dosukebe Gyoumu o Konasu Hibi, and Mari Hamabe from Reisei Mukuchi na Teishinchou Bakunyuu Hiyatoi Arbeiter Ima-chan to Ottori Araara Bakunyuu Mama no Dosukebe Gyoumu o Konasu Hibi.

Nicole: So, those were the girls that caused Red and Travis to issue that order, and I can see why, these girls are really voluptuous and sexy bombshells.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

Proudia: Yes, we're okay, thanks to you.

Then, when Proudia and the other four girls saw who it was that saved them from Becky Blickensderfer, their faces turned atomic red upon seeing the 9'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and a large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head and behind it is a gold version of Trinity Mirror with three rings of spikes made of gold, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and

Seia Amagi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Ima Hamabe: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Proudia, Seia Amagi, Eri Aizawa, Ima Hamabe, and Mari Hamabe with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out and we told everyone about what happened.

Maria: Oh man. So, that explains why we heard the sounds of bellowing and screams of anger, I can't believe that filthy animal escaped.

Lincoln: Ronnie Anne told us she doesn't know when to quit, and she always wants to seek revenge on us.

Nico: Well, this time, we're done with that rampaging animal.

Me: And now, she's humiliation fodder for eternity, and we're going to make her suffer badly for this.

Eli: Wait until the next humiliation session starts, I'm gonna make that little monster suffer for what she's done.

Maria: Save room for the rest of us, we've all had it up to hear with that filthy animal.

Casey: We all want to make her pay. We still have dodgeball bruises from her last time.

Sameer: It was so horrible.

Laird: She's insane!

Maria Santiago: I would've thought Mama banning her from The Mercado would work, but that didn't work at all. Turns out Sergio snuck her in many times in the past.

Rosa Casagrande: (Spanish Accent) Ay, it's true. But, eventually, he got caught by us and the ban we imposed on her was completely put into effect.

Carl Casagrande: She's wrecked the place a lot of times, and Abuelo didn't do anything about it due to him sleeping on the job.

Carlota Casagrande: Luckily, Abuela is also making sure Abuelo stays up using the Chancla. Wait a minute, that's it! If Sergio tries anything like this again, we need to use the Chancla on him. But, that'll be for after we meet all of Sly's cousins and Lincoln absorbs all of Sergio's thugs.

Me: Good thinking, Carlota.

After Lincoln and all of us took down Becky Blickensderfer and sent her to Lynn's Table to be added to our humiliation fodder, we were training intensely in the gym doing

900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Jackie Balthazar saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Jackie Balthazar: My God, I was right that Lincoln's really grown into an 18-year-old 9'11" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with

Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Jackie, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Jackie Balthazar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Jackie Balthazar: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Roxy Drake got out a videotape.

Roxy Drake: Okay, guys, now this videotape I have here, this was taken three months after Carla and the others got rid of Sebastian's presence from Caleb, and he was out on the hunt again for Drake and any Syndicate thugs he runs into. But, of course, this hunt for those thugs was going to bring him into contact with The Big Claw Gang and us, and we wind up discovering Cage's secret along with Travis'. But, we also swore to keep it a secret as well.

Roxy Drake put the videotape in and it played on the big screen and it showed New York at night and Caleb Maxwell was going after and killing a group of Syndicate thugs on Lexington Avenue, and he was also on the lookout for Drake and his gang of lowlife thugs.

Past Caleb Maxwell: There's nowhere to run and nowhere to hide, I will always find you wherever you go.

Suddenly, he intercepted a police call.

Past Vessie Harris: All units, be advised, Mad Cat Max, Patch, Panther, Carla Claw, Hex, Shroud, Chester, and Crowe of The Big Claw Gang have been sighted and are on the run heading for 5th Avenue, and be on the lookout, Drake Maxwell's thugs have also been sighted on 5th Avenue.

Past Caleb Maxwell: 5th Avenue, shit! That's where I live! Allie, Mom!

Caleb Maxwell ran for it straight back to 5th Avenue, but of course, he also knew the NYPD Nightshift are also on the way to take down Mad Cat Max, Patch, Panther, Carla Claw, Hex, Shroud, Chester, and Crowe of The Big Claw Gang: bad enough already for him.

Meanwhile, on 5th Avenue, Mad Cat Max, Patch, Panther, Carla Claw, Hex, Shroud, Chester, and Crowe of The Big Claw Gang were already on the run.

Past Shroud: That heist was way too easy!

Past Chester: There was nothing I can't hack.

Past Carla Claw: Now, we just need to head back to The Spotted Leopard and we'll be home free. (Sees the NYPD Nightshift) I think you need to step on it, Nick, the cops are here.

Past Crowe: Hah, I'll outrun them! Hang on tight! (Suddenly spots

Drake's thugs) Oh shit, look, it's a group of Drake Maxwell's thugs!

Past Max Cat Max: Wait, Drake's thugs?! Allie's in danger along with her mom!

Past Patch: And if they're here, that means Caleb's heading here right now to put them out of their misery.

Past Hex: And you can bet he's gonna be pissed when he finds out about them trying to kill his little sister and mom!

Suddenly, Crowe stopped the car and got out his shotgun.

Past Crowe: Pissed or not, I ain't letting Drake's thugs get in the way.

But, before Crowe could fire, Drake Maxwell's thugs got out their guns and started shooting, and that got the attention of The NYPD Nightshift not far behind.

Past Jack Howard: All units, be advised, we got shots fired!

Past Cage Blunt: (Thinking) And right near Caleb's home. I won't have Allie's blood nor the blood of Mrs. Maxwell spilled, Caleb, you need to hurry.

Past Roxy Drake: Okay, what do we do?

Past Cuffs Lane: I know we got to apprehend The Big Claw Gang, but with Drake's thugs already on the rampage, we're caught in the middle.

Past Jazz Jackson: We should at least take some of those thugs down.

Past Casey Antonio: Negative, Jazz. There's no doubt Caleb's on his way here.

Past Carter Kenrick: We are near his home, and there's gonna be a bloodbath if he finds out the thugs are after his sister and mom.

Past Jack Howard: Great, as if things weren't bad enough, now

Caleb's gonna be on the warpath if he finds out.

Suddenly, Cage Blunt saw the thugs trying to get into Caleb's home to kill Allie and their mom, and he reacted by getting out and charging out at the thug and he grabbed him and threw him right into an incoming bullet which pierced the thug's heart and he died.

Past Cage Blunt: (Smirks) You got here right on time, Caleb.

Then, Jazz Jackson, Jack Howard, Roxy Drake, Carter Kenrick, and Cuffs Lane along with Mad Cat Max, Patch, Panther, Carla Claw, Hex, Shroud, Chester, and Crowe saw the moon turn red and they saw Caleb Maxwell arrive.

Past Caleb Maxwell: What the Hell do you think you bastards are doing here?!

That frightened the thugs, but then, they raised their guns again in anger, and then, Jazz Jackson, Jack Howard, Roxy Drake, Carter Kenrick, and Cuffs Lane got out to join Cage Blunt and they drew their guns.

Past Jack Howard: Freeze! Hands in the air!

Past Cage Blunt: I'd listen to what he says and drop your weapons right now.

Thug: Screw you! DIE!

Then, the thug fired at Cage Blunt's left shoulder, but that was a big mistake. Suddenly, Cage Blunt's eyes changed from pale brown to blood red and his fangs grew, and that didn't go unnoticed by Jazz Jackson, Roxy Drake, Carter Kenrick, and Cuffs Lane along with Mad Cat Max, Patch, Panther, Carla Claw, Hex, Shroud, Chester, and Crowe.

Past Crowe: What the?! That's the freak who bit me after surviving getting shot at by me.

Past Cage Blunt: You bastards must have a death wish if you shot me like that.

Suddenly, Caleb Maxwell shot all of the thugs dead before Cage could drain them all dry of blood.

Past Carla Claw: What the Hell?

Past Mad Cat Max: So, this guy's really a vampire?! What were the cops thinking hiring an immortal undead creature like him?!

Past Patch: Now, we know why he's able to go after us and not get tired easily.

They were about to leave, but then, Cage Blunt got in front of them and used his mind wipe powers on them.

Past Cage Blunt: You didn't see nor remember what you saw tonight. Now, you're going to head back to your hideout after we confiscate all the money you stole and give it back to the bank.

Past Mad Cat Max: We understand.

The NYPD confiscated the money The Big Claw Gang stole and they sent it back to the bank, and Cage let the gang go.

Past Carter Kenrick: I think we need to have a talk back at the station about this whole vampire thing.

They went back to the station with Caleb Maxwell joining in, and Cage explained his story and how Jack Howard found out about it.

Past Casey Antonio: I knew there was something about you, but a vampire, this is mind boggling.

Past Carter Kenrick: But, that explains some of the incidents in 1985: Caleb always running for home and leaving drops of blood and Michael Easton's betrayal.

Past Captain Whitten: There's also the incident at Chinatown and what happened at New York University on the day after and the infamous LaGuardia High Tragedy in 1983, and we weren't able to find Robert Davis or Leonard Davis and why the students and teachers there had fangs and red eyes.

Past Cuffs Lane: What do we do now?

Past Carter Kenrick: I have no doubt that Cage has been a valuable asset for us and he's achieved a lot of unquestionable results when going after The Big Claw Gang, and let's not forget that he's also kept us on the need-to-know when Caleb goes on the prowl for The Syndicate. We'll keep the whole vampire thing a secret from The Council.

Past Roxy Drake: Having a vampire join us may seem strange, but if you're out here with us going after the crooks, I've got no complaints. But, you'll need to keep an eye on Caleb's home, Drake isn't going to give up easily.

Past Cage Blunt: Alright, then.

But, as Caleb Maxwell left, he was approached by Cage Blunt.

Past Cage Blunt: Looks like everyone in The NYPD now knows and they're going to keep this a secret from everyone.

Past Caleb Maxwell: I'm not so sure about this.

Past Cage Blunt: But, that's actually a good thing, Caleb. Many mortals believe that vampires are a myth and don't believe in them which has actually been beneficial in keeping our world a secret. Plus, Jack knew of what I can do after that incident with Crowe and he made the right choice in recruiting me and it was a matter of time before Whitten found out about me and of my connection with you.

Past Caleb Maxwell: Though it's no surprise Allie, Mom, and I and my relatives on Mom's side have been part of our world since 1954, and he and the others swore to keep this a secret, but you'll have to also play by the rules of the NYPD.

Past Cage Blunt: And what of you?

Past Caleb Maxwell: Just keep The Big Claw Gang away from me. I have enough troubles already with my brother, his gang of lowlives, and The Syndicate.

Past Cage Blunt: Got it.

The video ended.

Nico: Yeesh, so you almost turned those thugs into your midnight snack, but Caleb prevented that by shooting them dead.

Cage Blunt: He did, but it was too late, they found out.

Travis Tackett: I knew you'd get in trouble, I knew it!

Jack Howard: He's not to blame for it, it's Drake and his lowlife thugs.

Lincoln: Drake just couldn't keep his murderous intent under control and that basically caused this whole mess to happen, but thank goodness Cage wiped the memories of Mad Cat Max, Patch, Panther, Carla Claw, Hex, Shroud, Chester, and Crowe of what happened that night.

Marcus Mackenzie: Not so, Lincoln. Despite Cage wiped their memories of that night, it actually came back to them the next day. We soon found out Caleb's power brought those memories back and he didn't do it on his own.

Me: Ouch.

Nico: Well, I knew it, Caleb's transformation and power can undo a vampire's mind wipe.

Lincoln: That's for sure.

We got a shower, and then, Lincoln, Peaches, Alba, and Mosura the Human Mothra are heading to Laverra Beach.

Lincoln snapped his fingers, and the 9'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Princess Amethyst (DC Superhero Girls 2015), Courtney (Pokemon), Happy Frog, Anna, Brittany, Carol, Chelsea, Cherlyn, Cheryl, Erika, Grace, Haley, Jemma, Mabel, Maddie, Malee Munns, Megan, Natalia, Penny, Sarah, and Sydney are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Peaches, Alba, and Mosura the Human Mothra all had feelings for Lincoln, Peaches and Alba especially since they were his childhood friends, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all.

Mosura: Wow, we're here in Laverra Beach, it sure is beautiful.

Lincoln: It sure is, Mosura, and it's perfect for our first date, shall we?

Lincoln, Peaches, Alba, and Mosura the Human Mothra dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Peaches, Alba, and Mosura the Human Mothra got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Peaches: (Swooning) Everyone was right about what'd happened to Lincoln, he'd changed from the little kid into a handsome and manly hunk!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Peaches, Alba, and Mosura the Human Mothra and hugged them in their abnormally massive and powerful muscular arms, and Peaches, Alba, and Mosura the Human Mothra placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Peaches, Alba, and Mosura the Human Mothra and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Laverra Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Peaches, Alba, and Mosura the Human Mothra on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Peaches, Alba, and Mosura the Human Mothra are now in your harem, Linky.

Peaches, Alba, and Mosura the Human Mothra showed the marks

Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Mosura: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of

Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much

worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the next mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face

and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Me: Okay lets see what you guys have.

Valentina Gruber: You guys will love these memories.

Poromon: Here we go.

Poromon turned on a slide projector.

The first picture was Leandro Chan finding Nico from a Saiyan space pod that crashed.

All of us: Awwwwwww.

Me: Wow! So that's how Nico was found by his dad.

May: Oh Nico was so cute!

Poromon: Yeah he sure was.

The next slide was Nico in baby clothes playing with toys. Then the next slide showed him lifting a sofa with no problem.

Me: Whoa! Nico was strong for a baby.

Eli: No kidding.

Goku: (LAUGHS) Yeah Saiyans are strong aren't they.

Me: But Nico was smart back then.

Poromon: Here's a funny one.

We saw Nico eating a lot of cheese wheels.

Me: Wow! Now we know where Nico got his love for cheese.

May: He sure loves cheese.

Nico was embarrassed as he was eating cheese in the kitchen.

Nico:...why me?

Gia: It could be worse

The next slide was Nico eating garlic smoked brie and he was farting up a storm.

Poromon: This is Nico eating brie with smoked garlic and he was farting like crazy.

Me: WHOA!

Nico: (From the kitchen) POROMON!

Me: Oh Nico that's okay.

Poromon: Here's how Nico met me.

It was Nico around 4 years old and he found a pink Digiegg and out came Pururumon.

Poromon: I was a Pururumon back then.

Me: So cute!

Qin: Yeah! I remember seeing that. So adorable.

Me: Yeah.

Poromon: Here's Nico showing his dad him going Super Saiyan.

We saw him at 6 years old with his Super Saiyan Aura flared up and Leandro was amazed.

Me: WHOA!

Goku: WHOA! Nico became a Super Saiyan at 6 years old!? That's incredible!

Vegeta: Very impressive for Bokrua back then.

Me: Wow! That is cool for him to get that level of power back then.

Goten: That is true. I achieved becoming a Super Saiyan at 7.

Trunks: And I achieved Super Saiyan at 8.

Me: Wow! That is amazing!

Nikiya: It sure is!

Drag Strip: What about Poliwag?

Poromon: I'm getting to that.

The next slide was Nico showing Poliwag in the Philippines to Leandro who had Baby Alicia in his hands. And Fiona, Marie, Nicole and Qin were with them.

Fiona Hernandez: That was us back then when we first met. That was awesome.

Marie Hernandez: It sure was.

Poliwag: I remember that. That was so awesome.

We then saw a slide of Nico EATING THOUSANDS of Chicken Wings.

Poromon: And here is Nico setting the record or the most chicken wings EVER eaten.

We saw Nico eating piles and piles of chicken wings.

Me: WHOA! Nico sure ate a MASSIVE dumptruck full of them.

Poromon: We counted 100,323 wings.

Me: SAY WHAT?!

I opened my mouth so wide that my skeleton fell out!

Qin: I remember that! That was so awesome!

Winry Walpurgisnacht: That was so awesome to see.

I put my skeleton back.

Me: Wow! Nico was a TRUE Eating champion back then.

Nicole: No kidding!

Goku: (LAUGHS) Yeah he sure liked to eat as much as me.

Me: No doubts there Master Goku.

Hound: Any memories showing Poliwag and Poromon getting into mischief?

Poromon: Well there is this.

It showed the mascots destroying the principals car and it showed them spray painting Sally Killup was here.

Qin: Sally Killup was a bully girl we hated. But I remember that.

Nicole: Very clever framing her. Bet she hated that.

Poromon: Oh she did. We got her expelled and banished to a Russia Boarding School forever.

Nico: (to Poromon and Poliwag) You know I'm getting back at you two for this.

Fangry: I'm sure you'll think of something.

Me: Oh Lighten up Nico. We thought it was cute. And besides, we're not poking fun at you for this.

Camie: Yeah!

Qin: We loved you back then Nico.

Lola: Yeah!

Lincoln: If it makes you feel better Nico, J.D. and Varie saw the baby pictures of me and my sisters back then.

Me: It's true.

Varie: We weren't complaining about that.

Poromon: You're not going to destroy our beer are you?

Nico: Don't worry. Your beer supply will be fine

Me: Good.

Nico snapped his fingers and then...

KRASPLAT!

Nico drenched them in chocolate, vanilla and strawberry syrup!

Nico: HA! That was for embarrassing me!

They licked themselves!

Poliwag: (SLURPS) Yummy! Chocolate, Vanilla and Strawberry syrup.

Nico: Now we're even.

Me: At least you didn't tar and feather them.

Nico: Nah, I'm not that cruel.

Me: Good.

Poromon: At least it was a tasty one. Look at me! I'm a strawberry sundae!

We laughed!

Me: (LAUGHS) Besides Nico after everything you went through we would never laugh at you like that. That would be beating a dead horse. (To Twilight and friends) No offense.

Twilight Sparkle: None taken.

Ed was about to eat Poromon

Edd: Edd!?

Ed: Aww I just wanted to lick him.

Eddy: (LAUGHS) Nice one Lumpy.

Nico: Ed you silly guy.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than Thrax, the son of Rita Repulsa and Lord Zedd and enemy of The Operation Overdrive Rangers, he's come back from the dead and he wants revenge on us for killing Rita Repulsa and Lord Zedd. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we saw.

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than Thrax, the son of Rita Repulsa and Lord Zedd and enemy of The Operation Overdrive Rangers, he's come back from the dead and he wants revenge on us for killing Rita Repulsa and Lord Zedd.

EVERYONE GASPED!

Me: WHOA! I remember Thrax!

Mack Hartford: Thrax has returned?! This has Anti-Monitor written all over it.

Lincoln: Sounds like it, Mack, and I remember him all too well, and what shocked me is that he's the son of Rita Repulsa and Lord Zedd.

Me: Same here.

Nico: And he's here to avenge his parents, eh? We did kill Rita Repulsa and banish her to The Black Gates last year, and then, we sent her to The Black Abyss, but Lord Zedd got killed by Vilgax when he double-crossed him.

Me: Yeah, but this is also a perfect opportunity, we're going to banish the son of Rita Repulsa and Lord Zedd to the Black Abyss and this'll send a very clear message to Lord Zedd that I have some unfinished business to settle with him!

Nico: Perfect. So, Lincoln, where's he at?

Lincoln: He's in San Angeles, California.

Mack Hartford: Our old home, we need to get to San Angeles at once.

Me: And stop Thrax and send him to The Black Abyss. And I'm going to make him more pissed by showing his mother's severed head.

Nico: That bastard is going to die here and now, and Lord Zedd can watch as we end his dear son. Alright, let's get going to San Angeles, this is where Thrax shall meet his end.

Lincoln: The legacy of Rita Repulsa and Lord Zedd dies with him today.

The previous group came.

P'andor: (Russian Accent) Can me, KGBeast, Firepower, Absorbing Man, Greiger, New Wave, Magma, Iceage, Whirlin and Stonedozer go with you guys?

Nico: Yes you all can go with.

KGBeast: (Russian Accent) Uh why are the mascots covered in chocolate, vanilla and strawberry syrup?

Nico: They showed my baby pictures and I got payback on them.

Me: Yeah but they were cute and fun. We aren't complaining.

Nico: Yeah.

Jean Bison: Nico, which Gene Slammer do you think you'll meet next?

Nico: Mai will like this one. Harpie Lady next.

Mai Valentine: That is gonna be cool!

Qin: Nice!

Xenia: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and eleven sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Raven Beak from Metroid, and he's come back for revenge on us. When we saw it, we knew it meant trouble.

Lincoln: Are you kidding me?!

Me: Lincoln, was that...?!

Lincoln: Yep, the figure we saw in the vision orb was none other than Raven Beak from Metroid, and he's come back for revenge on us.

Samus: Another of Morgana's resurrected minions now acting on his own.

Misty Kirijo: But, this is where he'll meet his end.

Lincoln: After we deal with Thrax.

Nico: That's for sure. Alright, team, let's go, we're heading to San Angeles, and we're gonna destroy Thrax once and for all.

Lincoln: This is where the legacy of Rita Repulsa and Lord Zedd dies here and now, and once we get done with him, you're next, Raven Beak.

Misty Kirijo: The suffering you've caused to so many innocent souls can never be forgiven, you will be erased from history and reality forever, Raven Beak!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to San Angeles to destroy Thrax forever and send a message to Lord Zedd, and once we get done with him forever, Lincoln and Misty Kirijo are going to destroy Raven Beak and send him to The Black Abyss.

We were off.

We arrived at San Angeles.

Me: Here we are.

Lola: San Angeles.

Qin: So cool.

KGBeast: Let's call Bonz

Me: Good idea.

Bonz came.

Bonz: I'm here guys.

Me: Cool.

Terrorsaur: (to Mack) This is where you guys had your battles

Mack: That's right. Good times.

Qin: They sure were.

Nico: Yep.

Bonz: Those are cool.

Greiger: I remember that Thrax temporarily rendered you guys powerless the first time

Me: I remember that.

Qin: Well we'll see how long he lasts against us.

Me: I was gonna say.

Lola: Yeah.

Pirate Man (to Gianna): Do ye have pirate skills in your Ranger form?

Gianna: Yes I sure do. And I don't have a ranger form unfortunately.

I have all their powers but not a ranger form.

Camie: That is cool.

Qin: Yeah.

Magma (to Bridge): Weren't you the Red Ranger during that time?

Bridge: Well, I got myself promoted but after Jack returned to SPD, I returned to green.

Me: I remember that.

Qin: Yeah.

Nico: Same here.

Chill Bill: I remember there was a bigger explanation.

Sky: (to Chill Bill) Trust me. What Bridge just said is the more simpler one

Me: Yeah.

Chill Bill: I see what you mean.

Qin: Yeah.

We walked around.

Sarah Tinsley: The whole place is doing great though since Flurious was destroyed.

Camie: It sure is.

Whirlin: The first time Flurious was destroyed was 7 years after my time

Me: Yeah that's right! Back in 2007

Qin: That is right.

Gia Moran: That is right. I watched that with you guys to know all about the rangers over the course of 48+ Years. So awesome.

Camie: That was cool.

Princess Neri: It sure was.

Eddy: Hey, Poromon. You still looking like a sundae?

Poromon: Ask Ed here.

He was licking him all over.

Ed: (SLURPING) YUM!

BURPING NOISES!

Edd: Ed put him down!

Ed: But Double D!

Edd: (Sternly) NOW!

DOG WHIMPERING NOISES

He put him down.

Maria: I'll wash you guys off.

Poromon: Thanks.

Poliwas: Yeah.

She washed them.

But then Nico got blasted with scalding hot water.

Nico: YIIIIIIII!

Me: WHAT THE!?

Nico: OUCH! OKAY WHO IS THE WISEASS!?

Lana: I think they are!

We saw 3 Ducklett!

Me: Whoa! Three Ducklett!

Kabuto: Oh, look. 3 ducks,

Me: Three Ducklett Pokemon actually.

Tayuya: Where did those fuckers come from?

Me: I think I know.

Rainbow Dash: They must be Dark Gale's work. Lets see.

She used telepathy and gasped.

Rainbow Dash: AWESOME! It's Silvia, Starla and Skybolt Skyblade!

Me: The Daredevil Skychef Trio!? Whoa!

Skyblade: I taught them many of their awesome moves in making pizza in the sky.

Camie: WHOA! That is cool!

Me: Lets go help them!

Me, Scootaloo, Rainbow Dash and Skyblade went to help them.

Skyblade: Okay you three calm down.

All they did was spray us with water before running away.

Stonedozer: Come here!

Me: Get back here!

Me: They are fast but so are we!

We ran fast and blasted them with lightning.

Ash: These three aren't like the Ducklett we met.

Pikachu: No they were mischief makers.

We blasted them with more lightning and electrocuted them. I Snapped my fingers and they were three girls with aqua blue hair, blue eyes, blue angel wings and had Ducklett in the middle of their foreheads and had a Harpie Lady Sparrow Formation symbol cutie mark on their arms.

We wrapped them in blankets and brought them over.

Me: Wow that was awesome.

They woke up.

Silvia Skyblade: (Groans) What happened?

Starla Skyblade: I feel like I was thrown into a dumpster after being thrown into a trash compactor.

Skybolt Skyblade: Yeah. (Sees us.) Rainbow Dash, Scootaloo, Skyblade? (GASP) It is you!

They hugged them.

Me: You all were turned into Ducklett by Dark Gale.

Silvia Skyblade: (GASP) We remember.

Starla Skyblade: Yeah!

FLASHBACK!

They were in aqua blue suits and were injected and turned into Ducklett and they flew out of there.

FLASHBACK ENDS

Skybolt Skyblade: It was awful.

Me: Well we destroyed Dark Gale so they are gone forever.

Qin: Yeah.

Nico: Your roles in Sonya's team?

Silvia Skyblade: We're the wind and storm masters and we blast our enemies with lightning and the weather.

Starla Skyblade: Yeah it's awesome.

Me: Wow!

Skybolt Skyblade: Outside the team we're daredevil pizza chefs. We have a restaurant where we make pizza in the sky. We're daredevil acrobat pizza chefs and use lightning and wind to cook and make pizza in the sky.

Rainbow Dash: That is so awesome!

Scootaloo: Boy it sure is!

Silvia Skyblade: Yeah and we're not shy or afraid to show off and express what we love and do.

Me: Wow! Totally fearless.

Lightning Dust: That is true Wonderbolt spirit there.

Spitfire: I agree there. You girls would be perfect Wonderbolt chefs for us.

Terrence: You also sprayed us with water.

Silvia Skyblade: Sorry about that.

Rarity: Lets get you some new clothes darlings.

The Fashion brigade gave them new aqua blue clothes and Pipp gave them identifiable hairstyles and pizza swords.

Silvia Skyblade: Wow we look awesome!

Skybolt Skyblade: That is for sure!

Starla Skyblade: I agree.

Me: You sure do. Nergal would love seeing what you can do.

Iceage: He can meet you girls in the future

Me: Yeah.

Starla Skyblade: We would like that.

Lincoln: WHOA! And just in time too. We're going to fight Gia's Akuma next. Her name is Lady Piratress. The Hypothetical Akuma of Gia Moran and she is a pirate tiger girl and she has the powers of all the Yellow Rangers from over the course of 47+ Years. She was made because of the Warstar and Armada invading and vowed to destroy them all.

WE GASPED!

He showed us a sketch of her and she was a pirate woman with tiger ears and a tail.

Nico: WHOA!

Qin: A Pirate Girl is cool!

Barath Beyond: Fitting because of one of Gia's Ranger forms

Gia: That's true.

Zocks: It sure is.

Me: And I'm sure she likes to make an entrance.

?: YAAAAAARRRRGH!

She came in swinging on a rope and landed in front of us!

Applejack: YEEHAW!

Applejack and Lady Piratress got to clashing!

THUNDERCLAP! THUNDERCLAP!

They clashed with their swords and lightning struck from the blades!

Applejack: Time for a swashbuckling clash!

Lady Piratress: So ye want to clash?

Applejack: I destroyed Captain Hook and I can do so with you.

Lady Piratress: We'll see. Time for me to deal with the Warstar.

Applejack: Show me your stuff then. If you want them you'll have to go through me you fucking sidewinder.

Lady Piratress: Then prepare to die.

Applejack: I don't die that easily because I have friendship on my side.

Lady Piratress: You will see your friends when you die and I kill them.

Applejack: Lets dance

Applejack and Lady Piratress then clashed powerfully and lightning of light and darkness and sparks were flying as they clashed and they were really going at each other.

Apple Bloom: Go sis!

Apple Star: Wow! Look at Applejack go!

Qin: Yeah!

Applejack then kicked her.

Lady Piratress: You bitch!

She grabbed her by her hand and we all held up ticking alarm clocks!

Lady Piratress: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

Applejack: Boy howdy! Tick tock tick tock tick tock! Piratress's afraid of a load of crock.

Me: She's afraid of time ticking away!

They resumed their clash and Applejack kicked her in the face and knocked her down.

Me: How coincidental. Like Hook, her weakness is clocks.

Lola: Funny!

New Wave: Gia? Is that you?

Lady Piratress: Aye it's me.

Me: You look great as a pirate.

Nico: Yeah!

Bonz: You need to calm down

Me: Or we'll serve you to Tick Tock for lunch.

Lady Piratress: Never!

Me: Okay then.

Applejack slashed her all over.

Bonz: I summon Pumpking!

He summoned Pumpking.

Pumpking, Bonz and Winry blasted her all over the place.

Lady Piratress: Tis me turn!

She went at us and we clashed.

Then we punched her and knocked her out! Then shewas served on a giant dinner dish and she had an apple in her mouth and she was covered in herbs and spices and an apple was in her mouth and she had turkey gloves on her feet and she was covered in barbecue sauce, ketchup and mustard.

Me: TICK TOCK! (RINGS DINNER TRIANGLE) COME AND GET IT!

Qin: This will be fun.

TICK TOCK TICK TOCK TICK TOCK TICK TOCK!

Tick Tock came and he saw her and put a napkin on around his neck and he took the plate and put Lady Piratress in his mouth and chewed her up and ate her.

Tick Tock: BBBUUUUUUUUUUUUUUUUUUUUURRRRRRRRPPPPPPPPPPP!

Me: He really loved it.

Laney: Excuse you.

Me: Good boy.

I pat Tick Tock.

Tantrum: She even had a pirate accent

Nico: No kidding!

Applejack: YEEHAW! That was fun.

Lola: It sure was!

Marinette: Too bad you guys didn't do that to Captain Hardrock.

Qin: That would have been cool.

Me: And she did a great entrance too like Errol Flynn did.

Mr. Krabs: (LAUGHS) Reminds me of me grandpappy Redbeard.

Lily: I remember that Mr. Krabs. Your grandpa is a great pirate.

Mr. Krabs: Aye lass he sure is.

Absorbing Man: Anything for me to absorb around here?

Me: Plenty of concrete and metal.

Absorbing Man: Cool.

Me: Now lets go after Thrax.

Eli: He's over in the park.

Me: Perfect.

Chompy Mage: Entrance time!

Nico: Lets get him!

We went to the park.

At the park, Thrax was infuriated but then the spirits of Operation Overdrive came and swirled around him and then converged and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a phoenix cry was heard and we came out and landed! We were facing THRAX!

Thrax was the son of Rita Repulsa and Lord Zedd and the main antagonist of the special two-part team up episode "Once a Ranger". Thrax was the primary antagonist of Power Rangers HyperForce, as the public leader of The Alliance.

The Sentinel Knight imprisoned Thrax into a space dumpster on the Moon. But one day Thrax was strong enough to break the dumpster and free himself.

He is the son of Rita Repulsa and Lord Zedd. He inherited his father's staff, (but it is unknown how he got his father's staff as it was supposed to be destroyed during "Countdown to Destruction" when his father and mother turned good) most of his physical appearance and similar powers. He was also after the Corona Aurora, he was imprisoned by the Sentinel Knight in a space dumpster on the moon just like his mother. As the Knight grew weaker, he grew stronger and escaped from the dumpster. Thrax was angry at his parents for becoming good and wanted to restore their evil legacy.

It is unclear when Thrax was sealed, given that he was done so by an embodied Sentinel Knight, who was only active in such a form thousands of years ago.

He recruits the other villains such as Flurious, Moltor, Kamdor, Miratrix and the Fearcats, Mig and Benglo, to defeat the Overdrive Rangers. Though each faction was reluctant at first, they joined together and managed to easily overpower all six Overdrive Rangers, after words they sever the Rangers's link to the Morphing Grid, to keep the Rangers busy, he creates a dragon-like vulture monster called Vulturus.

When the Sentinel Knight restored the power of five veteran Rangers and made them a team, Thrax sought a mystical sword called Excelsior to destroy the knight. However, because of his evil nature, Thrax was unable to claim the sword. He left in a rampage and proved to be a strong fighter overcoming the Defender Vest. In his final hour, he led the four factions into battle with the veteran and Overdrive Rangers. He battled Adam and nearly defeated him. However, he was ultimately destroyed by the reborn Sentinel Knight using the Power Kick Attack. The other villains retreated and broke their alliance to continue their rivalry.

Me: Well well well, After 17 years you returned Thrax.

Mack Hartford: I always knew you'd one day return here, Thrax.

Nico: We'd destroyed your mother and sent her to The Black Gates, and then, to The Black Abyss for good, but Vilgax cheated us when he killed your father before we could.

Me: But, this is where we're gonna send a message to him telling him it's personal by killing you and sending you to The Black Abyss, Thrax.

Gia Moran: And Anti-Monitor has some nerve bringing you back from the dead to destroy us, and for that, we're taking you down once and for all.

Thrax: We'll see about that, you pathetic insects! Chillers! Lava Lizards!

Suddenly, a massive army of Chillers and Lava Lizards appeared and came after us, but Lincoln fired powerful blasts of rainbow, white, golden yellow, and blue energy and elements at them and knocked them down and he fired green energy blasts at the army of Chillers and Lava Lizards which hit them and he sucked out their lava and fire and ice powers along with their life forces and the Chillers and Lava Lizards exploded. But, then, more of them appeared and came after us once more.

Me: There's more of them coming.

Then, he slashed wildly at them and they were really hurt bad, but, then, we saw their powers of lava and fire and ice being sucked out of them and into Lincoln along with their life forces and they too turn to dust.

Suddenly, more Chillers and Lava Lizards appeared out of nowhere and they went at us.

Lincoln: Okay, that does it.

Suddenly, the massive wide double-edged 9'6" golden blade of Lincoln's greatsword was glowing with black and blood red energy.

Lincoln: SOUL STEAL!

Lincoln fired blasts of black and blood red energy that hit the next incoming waves of Chillers and Lava Lizards and he sucked out their powers of fire and lava and ice along with their souls and they went into him, and he drained all the souls of the waves of Chillers and Lava Lizards of energy and sent them all to The Black Abyss leaving Thrax alone and completely enraged.

Me: Whoa!

Nico: That was a combo of Shang Tsung's Soul Steal and the vampires' ability to steal the souls of their victims, brutal.

Me: You are exactly like your disgusting parents!

Thrax: I'm what!?

Me: The Apple doesn't fall far from the tree. And another thing...

I held up the severed head of Rita!

Me: You're looking at her killer. ME!

Thrax: MOTHER! NO!

Me: YES!

Firepower: You're not depowering anyone this time!

Me: And this will be a good warmup for me.

I teleported and punched him in the face and kicked him in his stomach and kicked him in his mouth!

POW WHAM SMASH!

I knocked out some of his teeth!

Thrax: YOU WRETCH! HOW DARE YOU!? I WILL USE MY POWER AND MAKE SURE YOU ARE DEAD FOR THAT!

Me: Your arrogance and overconfidence will be your undoing!

I punched him and kicked and pulverized him all over.

Me: (ECHOING) PARADISE LOST PUNCH!

I flew over and let lose a MASSIVE AND RELENTLESS FLURRY of punches on him and really smashed him all over.

I really pulverized him brutally!

Me: Your wretched mother had this coming for 30 years! And I killed her and slashed her head off and gave it to your father. And also just like Rita, your wretched father will get what's coming to him after over 30 years. I have a score to settle with him and no Vilgax will interfere this time!

I teleported and punched him in his face!

Mack: OVERDRIVE! ACCELERATE!

Operation Overdrive Rangers: OVERDRIVE! ACCELERATE!

They transformed and were ready!

Mack: "Kick into Overdrive! Red Ranger!"

Will Aston: "Kick into Overdrive! Black Ranger!"

Ronnie: "Kick into Overdrive! Yellow Ranger!"

Rose: "Kick into Overdrive! Pink Ranger!"

Tyzonn: "Kick into Overdrive! Mercury Ranger!"

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind them and they were ready!

Nico: YEAH!

Gia: LETS POWER UP! Super Mega Mode!

She turned into the Yellow Super Megaforce Ranger!

Gia: READY! SUPER MEGAFORCE YELLOW!

Gianna Moran: Lets get him!

Thrax fired a massive energy blast and I fired a blast of energy and the blasts collided and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Massive fiery explosions blasted off all over the place!

Mega Jolteon charged at him And blasted him with lightning.

KGBeast, Firepower, P'andor, Absorbing Man, Greiger, New Wave, Magma, Iceage, Whirlin and Stonedozer blasted and smashed and pulverized him all over.

Winry: Bonz lets show the power of Pumpking!

Bonz: It's an honor to meet the gene-slammer of my signature monster.

Winry: Same here.

Winry and Bonz: PUMPKIN STORM BLAST WAVE!

They fired bomb pumpkins and blasted him all over and numerous fiery explosions blasted out.

Skybolt Skyblade: Like old times girls?

Rainbow Dash: You got it guys!

Scootaloo: Lets do it!

Lincoln, Gia Moran, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us went after Thrax, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Thrax and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at him as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, Gia Moran, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us attacked him super hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Thrax even angrier than ever.

Lori: (Spots The Monitor Orb in Thrax's forehead) There's the Monitor Orb. If you would, Lincoln.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit the Monitor Orb embedded in Thrax's forehead, and not only did we gain a massive power boost, but he screamed in agonizing pain as he clutched his head in pain.

Nico teleported and punched Thrax in the stomach with devastating force!

Nico: How did you like that!

Thrax punched Nico in the stomach. But in doing so it didn't make Nico flinch. Instead it amused him.

Nico: Ha that tickles.

Gia: Legendary Ranger Mode: Operation Overdrive!

She turned into the Yellow Operation Overdrive Ranger!

She blasted him all over.

Gia: Legendary Ranger Mode: Mighty Morphin!

She turned into the Yellow Mighty morphin Ranger!

She blasted him with energy.

And slashed him all over the place.

Me: Try this one too! ANGEL POWER!

I flared up a Yellow Angel Aura with the Changeman Power and blasted him with light and energy and blasted Thrax all over.

Then Cheshire, Seadramon, Dark Turtles, Doc Ock, Beast Man, Hydrax, Manta Bayarsh, Gator Ghoul, Mojo Jojo and Riddler came.

Nico: Cheshire, Seadramon, Dark Turtles, Doc Ock, Beast Man, Hydrax, Manta Bayarsh, Gator Ghoul, Mojo Jojo and Riddler.

Thrax: Well this is a surprise! Hydrax and Manta Bayarsh. How would you like to help me destroy these fools?

Their response...

Hydrax: FUCK YOU!

Hydrax: I'm from the future, jackass!

Manta Bayarsh: And I'm from a different region!

A figure came and it was KONAKIJIJI from episode 10 of Kakurangers!

Posing as an gentleman (紳士 shinsei) owner of the Neverland store that served as his base of operations, Konakijiji assumes an infant form to strangle any adult who gets close enough to steal their souls to bring his dolls to life so he can have a family. In order to intercept Konakijiji, Sasuke was drafted to disguise himself as a baby to lure the Yokai. However, Konaki-Jiji is not fooled and has Sasuke captured to show him the fruit of his work. However, as others arrive, Sasuke escapes the deathtrap Konakijiji prepared for him and defeats the Youkai with the Kakuranger Ball. Enlarging, Konakijiji is quickly destroyed by Muteki Shogun with the souls returned to their rightful bodies.

Eli: WHOA! Konakijiji! I remember you! You were stealing souls of people to put in dolls so you can have a family!

Konakijiji: Good memory Eli.

Me: So one of the unadapted monsters. Wow!

Aurico: That is scary but cool.

Konakijiji: Too bad I wasn't adapted in America.

William: I know. The Alien Rangers would've loved fighting you

Me: That would have been cool!

Konakijiji: It sure would!

Nico: Yeah! LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway.

Casey Rhodes, DinoTigermon, Earth Man, Lena Isis, Ryo, Zayto, Juru, AkaRed, Rarity, Sapphire Ocean, Rarity (G5), Dioptase Angel Belle, Sweetie Belle, Water Skylanders, Sparkstalker and Fangry VS Cheshire,Gypsy Moth, Savrille, Toon Patrol, Mr. X, Magnet Man EXE, Babe Ruthless and Cheshire Cat (Theme including Earth Man) - Nico's rescue in the Tech Sensei Realm

---

Cheshire was first.

Cheshire (to Casey): Nico's rescue was in the Tech Sensei Realm. Did Lisa like it there?

Casey: She sure did and it was awesome. I was a realm full of gears and machines. We battled those aliens that were trying to steal all the cheese in the world. You know those aliens that Mac, Ed, Edd, Eddy, Billy & Mandy, Lazlo and Adam Lyon faced before?

Cheshire: Yeah I remember! Nico was really pissed that they would take cheese like that and you know how much Nico loves cheese. Also I was amazed that that they battled these aliens before.

DinoTigermon: We all were. And it was one of the reasons why Nico got socked in the face by Zocks.

Nico: (Offscreen) You just had to bring that up didn't you?

THEY LAUGHED.

DinoTigermon: Sorry! Oh I'm Casey's DinoTigermon.

Cheshire: Awesome to meet you and it's fitting because Casey has the spirit of the tiger.

DinoTigermon: It sure is.

Earth Man: But yeah we really showed these aliens what for because no one steals Nico's cheese and gets away with it.

Lena Isis: And we found out that these aliens were using the cheese to make soldiers to conquer worlds. They didn't need the cheese to eat because we found out that they are lactose intolerant.

THEY LAUGHED!

Cheshire: That is funny! Cheese aliens stealing cheese not to eat. But what did Shanan say they were called again?

Lena: They were called the Lactossemmenians and they are a highly advanced alien race of one-eyed aliens from the planet Lactossera and they want to use the cheeses of many races all over the universe to conquer galaxies.

Cheshire: That's right! That was freaky! But it was amazing. Scary but cool.

Rarity: It sure was darlings and we were amazed that some of us battled them before.

Sapphire Ocean: I was surprised too.

Rarity (G5): I remember those aliens and they really made Nico really angry back then darlings.

Dioptase Angel Belle: Yeah and I know how much Nico loves his cheese. During one of Nico's baby pictures we saw him eat an entire Smoked Gouda cheese wheel and it's how he got hooked on cheese.

THEY LAUGHED MORE.

Cheshire: (LAUGHS) That is so cute!

Sweetie Belle: It sure was.

Gill Grunt: I agree there.

Cheshire: So awesome! Those aliens will be perfect for the M.O.E. Lets do it!

Casey's Gashat was called Casey of Jungle Fury and the Crimes of Fear and they fired waves of water, ice and jewels and smashed them down.

Seadramon was next.

Seadramon (to Poromon): The Anothers were the gene-slammers of Mystic Lamp, Element Magician, Element Dragon, Element Doom, Element Valkyrie, Element Soldier, Element Saurus and Elemental Mistress Doriado. Nico, Splash Woman's team, Ms. Meanie's team, and the others did good battling them

Poromon: They sure did and man it was amazing! We also found out that the Mystic Lamp gene-slammer is the daughter of Daggeron the Solaris Knight and that was so cool! And we met a Swanna Gene-slammer that was also one of the siblings of Joey and Serenity Wheeler and she is REALLY PISSED at Marik for controling Joey like that!

Seadramon: WHOA! That is amazing! And I bet she wants to kill him for what he did to him and Tea.

Yokomon: That's right. Oh I'm Poromon's Yokomon.

Seadramon: Wow awesome to meet you. Now Poromon is the first out of all the mascots to have a Digimon Partner. Also Sora Takenouchi from what I recall had Yokomon to start.

Yokomon: That's right and Sora and friends battled Kuwagamon the first time back then.

Mebh: (Irish Accent) That was amazing to hear about.

Caren: It sure was.

Poliwag: Maybe someday all of us mascots can have Digimon partners too.

A BLACK ENERGY AURA THEN FLARED UP AROUND HIM AS A TORNADO OF BLACK ENERGY FORMED BEHIND HIM!

Qin: You evil little...!

Lincoln, Nico, and I fired powerful rainbow energy blasts at Sebastian who fired black energy blasts at us, but since they were made of hatred, our rainbow energy blasts absorbed them and made them a lot stronger and they hit The Dark Lord of Eternal Hatred, and he roared angrily at us and he disappeared in a tornado of darkness.

Lincoln: It seems we need to teach him a lesson he'll never forget first thing tomorrow. Now, there's one last thing to do and one last loose end to tie up: Raven Beak.

?: SAMUS ARAN, I WILL HAVE MY REVENGE ON YOU!

Lincoln: (Caught the scent of blood) There's no mistaking the scent of blood from anywhere, you better get out here right now, Raven Beak.

A figure appeared, it was Raven Beak from Metroid.

Lincoln: I knew you'd show up here once more since you're among those resurrected by Morgana Midnight Sparkle, but you really don't know when to give up, do you, Raven Beak.

Raven Beak: I will destroy you for what you did to me! All of you will pay for what you did!

Misty Kirijo: You still think you have a chance against us? Afraid that's not going to happen at all, now it's time we end this.

Suddenly, Misty Kirijo's blue eyes turned neon blue and she was surrounded by a red and white, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, light, reality, phoenixes, and angels, she unholstered her massive greatsword, and as she approached Raven Beak, she left red and white, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, light, reality, phoenixes, and angels with every step.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Misty Kirijo did the same by firing red and white, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Misty Kirijo, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Raven Beak even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Raven Beak, and we found ourselves in Heaven.

We cheered wildly as we holstered our weapons and powered down and Misty Kirijo's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long red wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large red and white planets orbiting around her legs, twenty-five smaller red and white planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized red and white planets orbiting around her wrists and ankles, and massive red angel wings and eleven sets of large red angel wings underneath her massive red angel wings are permanent.

Misty Kirijo: It's over for you, Raven Beak, now rot in The Black Abyss forever. Thanks for helping me get rid of that monster, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Misty.

Me and Nico: Our pleasure, Misty.

Suddenly, Misty Kirijo wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Misty Kirijo's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and The Utopia Fusion Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Misty Kirijo sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Nicole: That was an awesome job you did siphoning Raven Beak's energy and powers and making them yours, Lincoln.

Lincoln: That monster paid the price for his desire for power.

Me: That's for sure, and she paid the price for her hunger for power. So, Lincoln, who's the next Abyss Actor Gene-Slammer and Avatar we're meeting on your rescue tomorrow?

Suddenly, we saw a wave of darkness appear before us, and a theater stage appeared out of nowhere and a miniature version of Abyss Actor - Trendy Understudy appeared as the spotlight shined on it.

Lincoln: I know just the person whom we're meeting tomorrow for my rescue: Melanie Balthazar, Gene-Slammer and Avatar of Abyss Actor - Trendy Understudy.

Selene Arcangela: I knew that was her, and you guys are going to love meeting her, Melanie Balthazar, Gene-Slammer and Avatar of Abyss Actor - Trendy Understudy, is Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Melanie Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Melanie Balthazar really hates Sergio with a blazing passion, and she also knew how to bring down the actions of that dumb party animal, and all it took was one planned out performance from Melanie, and not only was Sergio done for, but he always winds up getting a severe thrashing and gets some of his feathers torn off in front of an audience of imps, fiends, and demons she summons and they all laugh at him and she runs out of the auditorium humiliated to the extreme and he winds up flying back to Great Lakes City like a coward.

Nico: Serves that stupid part animal right.

Me: You said a mouthful.

Dark Raph: We kicked his butt good!

Seadramon: We sure did!

Doctor Octopus: That was a warm up for Zedd

Beast Man: And no Vilgax to interrupt us this time

Gator Ghoul: Got that right

Me: It was perfect and I sensed that Lord Zedd is pissed big time. Ha. He better be ready for me.

Riddler: Riddle me this: How should we celebrate?

Nico: We'll go have an amazing dinner at Lynn's Table. Great job today everyone. Especially to you Gia.

Xenia: Yeah!

Gia: Thanks guys. This was fun.

Camie: Yeah!

Apple Bloom: (To the viewers) Gia's day to shine was awesome!

Me: It sure was!

Suddenly, we saw something appear in the skies: it was a massive flaming phoenix of intense fire as it soars across the skies leaving a trail of intense fire, and then, we saw something else appear and it stood against the flaming phoenix of intense flames: it was a demon of pure darkness with fangs and demonic wings.

Eli: Whoa!

Qin: What on Earth is that?!

Nico: Is it an Omen?!

Me: It has to be. Let me check it out.

I got out the book and searched for it.

Me: Aha! Here it is, and whoa, this is for tomorrow, here's what it says. "On the 10th Day of The 4th Month of The 2nd Millennium, The Immortal Embodiment of The Immortal Phoenix and Master of

The Forces of Intense Fire, Immortality, Reincarnation, Resurrection, Renewal, and Fire Magic shall return and face The Dark Lord of Eternal Hatred who has betrayed The Phoenix to continue with his dark intentions to wipe all life on earth and the universe beyond out of existence and bring eternal ruin to all."

Lincoln began deciphering the omen.

Lincoln: The second part of the omen was what we saw after we sent Thrax to The Black Abyss, "The Dark Lord of Eternal Hatred who has betrayed The Phoenix to continue with his dark intentions to wipe all life on earth and the universe beyond out of existence and bring eternal ruin to all", that's no doubt Sebastian. But, "The Immortal Embodiment of The Immortal Phoenix and Master of The Forces of Intense Fire, Immortality, Reincarnation, Resurrection, Renewal, and Fire Magic", who is that?

Me: (GASPS) I think I know who that is! That's none other than Irina Inphoenix, The Embodiment of Inphoenix.

Nico: The Embodiment of The Inphoenix Chemy Card?! Whoa, that's awesome!

Me: I knew that the first part of the omen was no doubt her, and you're going to love meeting her, she's the embodiment of Inphoenix and she's a master of intense fire and the forces of immortality, resurrection, reincarnation, renewal, and fire magic and she is a deadly and skilled warrior that lived for thousands and thousands of years and she has lots of experiences.

Eli: Wow.

Nico: That's incredible!

Helena Knudson: And she's a powerful force of good and she even has the incredible power to destroy the dark sides and dark murderous intentions of Sebastian Mendez permanently.

Me: Of course, only Irina Inphoenix has that incredible power to destroy his dark sides and dark murderous intentions permanently.

Lincoln: Because, this wasn't an average darkness we were dealing with, this is a dangerous and very demonic darkness that Sebastian harbored along with his dangerous hatred. So, now we know what's for my rescue tomorrow: meeting with Irina Inphoenix and taking Sebastian down for good, so that she can destroy his dark sides and dark intentions permanently.

Nico: Before he does something else that's so fucked up and insane.

We had a great meal at Lynn's Table. We returned home, and hours later, night fell on the city, and Lincoln was looking out into the city from his room.

Lincoln: Sebastian, you better be ready, we're coming for you, and we're going to end every last one of your dark intentions once and for all. We're not going to let you destroy all life on Earth and all life in the universe and beyond just because of your twisted hatred, you've always been vile, cruel, and completely insane, and come tomorrow, we're ending your twisted dark intentions once and for all!

Then, Lily the Mermaid and his harem appeared on his really extra large expanding bed in only bras and panties. Lily the Mermaid went to Lincoln as he turned to her.

Lily the Mermaid: (Rubs Lincoln's massive pecs) We won't let Sebastian get away with this, tomorrow he's going to pay and he's going to be cured for good.

Girl Jordan: And if he starts to get completely nasty, he's gonna regret it with a black eye.

Paige: Along with a split lip.

Mollie: And we'll break a few bones in his body while we're at it.

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and we felt Lincoln gain another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force.

Then, Lincoln suddenly grabbed Lily the Mermaid bridal style and placed her on the bed with him on top of her, but she also saw his eyes turn from deep sapphire blue to deep blood red: the effects of The Mark of The Incubi have taken hold of him.

Lincoln: That'll be left to me if he tries anything stupid. (Smirks) Now, then.

Lincoln used one of his eleven massive and long brown wolf tails to push the door shut and the barrier activated, but it also turned a deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Meanwhile, outside of the city, Sebastian was already seething with hatred.

Sebastian Mendez: I'll destroy all of Team Loud Phoenix Storm if it's the last thing I ever do! All life on Earth and the universe beyond will be destroyed and all of existence will fall into eternal ruin! (MALEVOLENT AND DEMONIC LAUGHTER)

SEBASTIAN'S DEMONIC AND MALEVOLENT LAUGHTER ECHOED THROUGHOUT THE CITY AND THE WORLD! HE WAS OUT FOR BLOOD AND DESTRUCTION, BUT WE STAND READY TO STOP HIM AND END HIS MADNESS ONCE AND FOR ALL!

THE END

Next up is Jessica Shannon's day to shine and we're going to battle

Tiger Shark.

See you all next time.

FASHION OF THE WASP VS SHARK

Jessica Shannon's Day to Shine

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had a dark dream: apparently, his dream took him to Los Angeles, California, and as he was flying, he saw Sebastian and he'd slaughtered tons of criminals and he's planning on using their blood and body parts in an insidious ritual to summon The Devil to our world as revenge against us for ruining his plans to destroy us in The Sensei Tech Realm yesterday, and he heard his deranged and extremely malevolent cackling echoing in the air! Lincoln woke up, but so did his kids and harem.

Lily the Mermaid: Linky, what is it?

Lincoln: We've got trouble.

Lincoln told his harem about everything he saw, and they were horrified.

Selene Arcangela: Oh shit! Sebastian, he isn't...! That freaking monster!

Selene Emperyous: I can't believe it, that is the last straw, I don't even care if he is Nico and Qin's old friend and even if he is a victim of Chase Young's Dark Side, he's still a toxic heartless bastard and he'll always be nothing more than the perpetual enemy of all good and life in the universe, he's going to be put in his place like the filthy animal that he is!

Michelle Emperyous: And I'm pretty sure he was the one who sent Raditz after Pipp, Derpy, and Anita during their second mission the other day! So, who's to say he's also going to send Nappa after them on their third mission!

Rachel Emperyous: Given what Buster and the others told us of

Sebastian's history of resurrecting The Z-Fighters' old foes and killing them when they rebel against him, that's definitely no surprise, he's a fucking snake!

Mollie: Whoa, hold on. I know Sebastian's nothing but a toxic venom-spewing hateful snake, but is he that stupid to do something like that?

Suddenly, Mollie found herself swallowing her own words and given Sebastian's history of madness and evil, it made perfect sense.

Mollie: Oh..., crud!

Girl Jordan: We all saw what he's done in the past, Mollie, so it's obvious that after Irina Inphoenix frees him, we're pressing charges on him and he's gonna be hit with so much restitution, he won't ever be able to pay it off for eternity.

Lincoln: We'll discuss what we're going to do to Sebastian in the morning, Girl Jordan, and the second he tries to attack all of you or our kids, I'm gonna end him forever no questions asked. A piece of shit like him doesn't deserve to breathe again, he's just a filthy animal.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

Suddenly, The Earth Symbol on Crash Bandicoot's True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot

Seraphim Phoenix God Archangel Justice started glowing.

Barbell: Ooh, The Earth Symbol's glowing.

Crash Bandicoot: It's time.

Me: Hey, what's up?

Crash Bandicoot: J.D., everyone, listen up, after breakfast, we're going to The Sensei Earth Realm to find The Sword of The Tech Skylanders.

Nico: Awesome.

Lincoln: I knew Earth's next. Hey, guys, there's something I should tell you, but is Sebastian around?

We shook our heads.

Lincoln: Good, because my dream has to do with him. Last night, my dream took me to to Los Angeles, California, and as I was flying, I saw Sebastian and he'd slaughtered tons of criminals and he's planning on using their blood and body parts in an insidious ritual to summon The Devil to our world as revenge against us for ruining his plans to destroy us in The Sensei Tech Realm yesterday, and I heard his deranged and extremely malevolent cackling echoing in the air!

WE GASPED IN HORROR!

Me: HE'S GONNA WHAT?!

Nico: WHY, THAT BLASPHEMOUS SNAKE!

Maria: Of all the goddamn...! (GROWLS) He's starting to piss me off to no fucking end!

Trudy Lawrence: He always pisses a lot of people off to no fucking end. That's it, he's going down and he's going to die here and now!

Nico: We got to do something about Sebastian, his cruelty and darkness literally have no end in sight.

Me: I know. Something has to be done about him.

Lincoln: Oh, I intend to do a lot of things to him.

Callie Toon: I can't believe it, that is the last straw, Nico, Qin, I hate to say this, but I don't even care if he is our old friend and even if he is a victim of Chase Young's Dark Side, he's still a toxic heartless cold-blooded ruthless bastard and he'll always be nothing more than the perpetual enemy of all good and life in the universe!

Aria Apollo: And I'm pretty sure he was the one who sent Raditz after Pipp, Derpy, and Anita during their second mission the other day! So, who's to say he's also going to send Nappa after them on their third mission!

Yolanda Leandro: Given what Buster and the others told us of Sebastian's history of resurrecting The Z-Fighters' old foes and killing them when they rebel against him, that's definitely no surprise, he's a fucking snake!

Leia Cryoflame: Whoa, hold on. I know Sebastian's a toxic venom-spewing hateful snake, but is he that insane and evil to do something like that?

Suddenly, Leia Cryoflame found herself swallowing her own words and given Sebastian's history of madness and evil and seeing what he'd done in the past for herself, it made perfect sense.

Leia Cryoflame: Oh..., shit! I forgot, he is that evil and insane to do that!

Carla Fire: We've all seen what he's done in the past for ourselves, Leia. That's it, he's done for, and once Irina Inphoenix frees him, we're pressing charges on him and he'll be hit with restitution so high, I doubt that he'll ever be able to pay it off.

Lincoln: We'll decide what's gonna happen to him after Irina frees him, and this time, for good.

Eli: Hopefully.

Lincoln's kids then got some weapons ready in their rooms, but then, they saw something appear and then...!

BLOODCURDLING SCREAMS!

Lincoln: KIDS!

Lincoln and all of us ran to the rooms of Lincoln's kids linked to his room, and we found Lincoln's kids but they were sitting on the floor and hugging their knees as they were crying hard! Lincoln kneeled to his kids!

Lincoln: Kids, what happened?!

Nyx Midnight: It was awful. We were busy getting weapons ready to hunt down Sebastian, but then, we saw something appear in our room, it was Sebastian! He...! HE DID THIS TO US!

Lincoln's kids turned around and lifted up their shirts, and we saw what happened: he slashed them on their backs with his claws, and he took a knife and carved a pentagram on their flesh!

Lincoln's Harem: (BLOODCURDLING SCREAMS)

LINCOLN'S HAREM LET OUT EXTREMELY LOUD BLOODCURDLING SCREAMS OF HORROR AND FRIGHT UPON SEEING THE SIGHT: SEBASTIAN'S EXCESSIVELY HORRENDOUS TOXIC CRUELTY AND COLD-BLOODED BLACKHEARTED INSANITY HAS OFFICIALLY GONE WAY TOO FUCKING FAR!

Me and Nico: OH MY FUCKING GOD!

Maria: OH SHIT! I CAN'T BELIEVE HE'D DO THIS!

Lincoln and his harem hugged all of their kids, and they cleaned the bleeding scars and their scars all healed faster than ever as they sealed up. But, Lincoln was absolutely fucking enraged at what that psycho did!

Lincoln: I can't believe what he did, of all the goddamn miserable...!

Lincoln let out a savage growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth and wolf's teeth remained the same, his massive white angel wings and eleven other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long brown wolf tails and large brown wolf ears with rainbow markings and tips remained the same, his long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights and multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned dark blue, and he let out a loud howl as he turned into Lincoln The Nocturnal!

Lincoln: (HOWLS AND BEATS HIS CHEST LIKE A GORILLA)!

Everyone: OH, NOW, HE'S GONE AND DONE IT!

Lincoln: (Beastly Voice) That's right, he's provoked me for the last time! So, it makes sense that I'd go Lincoln The Nocturnal for this when we find that pile of garbage.

Thunder Sparkle: Dad, I hope you tear Sebastian limb from limb.

Lincoln: (Beastly Voice) I will, that monster has hurt one too many innocent people for the last time. Did he hurt any of your newborn brothers and sisters?

Nyx Midnight: No, he hurt only us, and they were with you all.

We checked and Lincoln's newborn infants were indeed with us, and Sebastian hadn't hurt them...at least, not yet.

Me: They're not harmed.

Nico: Not yet, but Sebastian crossed a serious line hurting his kids. We're gonna find that basketcase and tear him to pieces!

Lincoln: (Beastly Voice) That's going to be left to me, Nico. He used bodily harm and physical violence on my kids, and that's something

I'm not going to forgive, he's gonna pay for this. Now, let's finish breakfast and head out to The Sensei Earth Realm and hunt down not only the next villain we're going after.

Nico: Along with Sergio's thugs.

Jessica woke up and saw Vespiquen staring at her.

Vespiquen: Morning Jessica!

Jessica: Oh morning Vespiquen.

Vespiquen: Time to get ready. It's your day to shine.

Jessica: Oh wow!

She went and got dressed and went to the table. We had pancakes, french toast and waffles.

She was hungry.

We then finished our breakfast, and we set out to The Sensei Earth Realm, so Applejack can remove The Sword of The Earth Skylanders, and there, we hunt down the next villain there and send him to The Black Abyss along with Sergio's thugs.

Later it was time for the rescue and Nico, Princess Neri, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, Tara Duncan, Cal, Sparrow, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Donbrothers, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Brynja, Sissi Delmas, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Princess Anita, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka

Lana: Yep! But Gia's Akuma was cool! She was a Pirate Tiger Girl.

Nico: Even had the accent

Applejack: (LAUGHS) Yeah she sure did and she did good against me too.

Apple Bloom: She sure did.

Tara Duncan: That is one hungry crocodile.

Me: He loves Pirates.

Qin: He loves to eat them.

Varie: Yeah that is funny but awesome.

Nico: First time we've ever seen Tick Tock eat an Akuma.

Marinette: Yeah that is funny.

Me: It sure was.

Deadpool: (to the viewers) It was easy to miss. But one of Gia's morphs was a tribute to Trini's actor

Jamesdean5842: Thuy Trang, she died in a car crash back in 2001. She will never be forgotten and she made it awesome for all Yellow Rangers.

Nico: She sure did. She'll never be forgotten.

Camie: That is for sure.

Varie: Yeah.

We walked around the Earth Sensei Realm.

Horsea: Look at all this

Nico: Yep it's a rocky place huh.

Qin: It sure is.

Lincoln: Okay, guys, we're in for a brutal battle, we're here in The Sensei Earth Realm in The Skylands, and we're here to get The Sword of The Earth Skylanders for Applejack, but here's the villain we're going after: the villain we're going after is none other than Nappa of the Saiyans.

The rest of the team is with us.

Nico: I suspected that Nappa would be next after our run-in yesterday with Raditz.

Me: Which proves that Sebastian was the one who sent Raditz after us yesterday, and now, he's sent Nappa after us today.

Buster Bunny: (Growls) That lunatic!

Nico: Well, just like with Raditz yesterday, Nappa's going to be thrown into The Masters of Evil, but not before we beat him to a bloody pulp.

Lincoln sensed a darker presence surrounding Nappa, and it wasn't good.

Lincoln: He won't be easy to beat down, Nico. Sebastian had given Nappa a power boost through the use of forbidden black magic.

Me: Forbidden black magic?! I can't believe him, now that's low even for him.

Lincoln: I came prepared for this, I have a white magic spell that'll remove that power boost Nappa received from Sebastian's black magic.

Nico: Awesome.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio has sent some hired thugs to kill us.

Lincoln: Sergio, why you little...!

Nico: Sergio again?

Lincoln: Yep, he's sent his hired thugs after us.

Me: I thought they...!

Sly Cooper: Afraid not, the thugs were completely stupid and they forgot that Sergio was going to backstab them, and they went back to being his hired thugs.

Nico: Unbelievable. Well, when we run into Nappa, we'll run into Sergio's thugs and another of your cousins, Sly.

Ed Cowart: Right.

Lori: That bird is literally getting on our nerves.

Ronnie Anne: Now, you know what Bobby and the rest of us had to deal with from Sergio.

Lincoln: And so far, Sebastian doesn't have any other nasty surprises for us, so we're good to go and get The Sword of The Earth Skylanders and hunt down Nappa.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Nappa) AHA! There you are! I found Nappa, he's 20 yards away.

Nico: Let's get The Sword of The Earth Skylanders and tear Nappa apart.

We took off into the air to help Applejack get The Sword of The Earth Skylanders and take down Nappa and send him to The Masters of Evil and send Sergio's thugs to The Black Abyss.

We were flying in the air, and we saw our target: The Sword of The Earth Skylanders, it's a brown sword with the symbol of The Earth Skylanders embedded in the crossguard and a blade with reflecting earth on it.

Lincoln: There it is.

We landed, and Applejack removed The Sword of The Earth Skylanders from its pedestal, and brown light shot out of the sword and it landed, and what stood in its place was a girl with brown hair, brown eyes, massive brown angel wings, brown clothes, she has the Earth Skylander symbol on her forehead, right arm, and brown skirt, an Earth Elemental Necklace and an Earth Elemental Sword with the symbol of The Earth Skylanders embedded in the crossguard and a blade with reflecting earth on it.

Lincoln: (GASPS) Crystal Applejack, Avatar of The Earth Skylanders.

Crash Bandicoot: The Geomancer and Crystal Master of The Avatars of The Skylander Elements and Governor of Earth, I knew that was her.

Me: Awesome! Care to introduce us?

Anna Anyanova: Sure. This is Crystal Applejack, Avatar of The Earth Skylanders, she's Lincoln's Guardian Angels from The Earth Sensei Realm and she's the Avatar and Embodiment of all the Earth

Skylanders and a master of earth, mud, rock, crystal, meteors and boulders. She's the Geomancer and Crystal Master of The Avatars of The Skylander Elements, they are the masters of each of the 10 Elements of The Skylanders and they defend all of Skylands and the universe from the evils that threaten Skylands, and she can deliver a powerful smashing punch to her enemies. She came to Royal Woods long ago, and she taught Lincoln how to use the powers of earth, mud, rock, crystal, meteors and boulders, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful earth greatsword and necklace, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a vengeance and vowed to crush them all with the force of a thousand Chicxulub Impacts.

Me: Damn...! That's brutal!

Crash Bandicoot: I've seen her use the powers of earth, mud, rock, crystal, meteors, and boulders, and her powers were stronger than Lynn's and she'd used Lynn's own powers against her.

Lincoln: It was really wild.

Lynn: She really got me on that one, and she helped Lincoln a lot in bulking up in muscle and with mastering the powers of earth, mud, rock, crystal, meteors, and boulders, and he also gained a powerful smashing punch as well. Can't wait to see you use it on Nappa.

Lincoln: You said a mouthful, Lynn.

Suddenly, we saw a group of Saibamen coming after us.

Nico: Saibamen! But, how on...! (Realizes it) Nappa...!

Vegeta: There's no doubt.

Lincoln smashed his left fist into the ground and that sent a powerful wave of Earth heading right for The Saibamen who wound up getting flattened and pierced by crystals that came out of nowhere and they were also beaten severely by the rocks and died.

Applejack: Nice one, Lincoln!

Krillin: That probably won't stop Nappa, he's probably got more of them.

Eli: (Sensed them) You're right, he does, and Sebastian put up another spell to make more of them to overwhelm us.

Lincoln: That cheat! He also had another nasty surprise in store for us!

Luan: But, how? I thought he had no other nasty surprises!

Nico: We can't underestimate him, Luan. Sebastian always had more than a few nasty surprises even after he was beaten.

Buster Bunny: He never plays fair and always has more than a few nasty tricks up his bloodstained sleeves. That's what makes him absolutely...!

Plucky Duck and Daffy Duck: Despicable!

Ace Bunny: We better hunt Nappa down and remove that psycho's dark magic and fast or who knows what that monster's gonna unleash!

Suddenly, we heard demonic groans and the sounds were so horrific, they sound like it came straight out of Hell itself! Then, we saw zombified dead Earth Skylanders rise from the ground!

Barbell: That lunatic, he also put a black magic spell here that resurrects long dead Earth Skylanders and turns them into zombies!

Lincoln: We need to remove Sebastian's dark stain on Nappa and fast and undo his black magic and fast!

Me: Let's get going and fast!

Mandee heard a Pokémon cry.

Mandee: Hey look here.

We saw a Ninetales.

Me: Cool a Ninetales.

Camie: Wow!

Ninetales: It's amazing here but I'm hungry.

Mandee: Here.

She gave her apples.

Ninetales: Thank you.

She ate them.

Camie: Awesome.

Mandee: Wanna come with us?

Ninetales: Sure!

Horsea: Great!

Nico: Cool!

Lola: Wait look!

We saw another Ninetales!

Me: Whoa! Another Ninetales!

Nico: What's that doing here?

Me: Must be one of Dark Gale's work.

Nico: What are the odds?!

Numbuh 4: Lets see here.

He used Telepathy and gasped!

Numbuh 4: WHOA! That's Vianna McKenzie!

Numbuh 362: (GASP) That's my older sister!

Lily: Oh man!

Me: Lets go help her!

Me, Numbuh 4, Numbuh 362 and Lily went to help her.

Numbuh 4: Vianna! It's us Numbuhs 4 and 362 and Lily!

All she did was use Flamethrower and we absorbed the fire.

Me: Whoa! She is hot. Looks like we do it the hard way.

Lily: Yep.

Lily and Numbuh 4 and me fired waves of water and drenched her all over.

I snapped my fingers and she reverted back and was a girl with red hair, red eyes and fire angel wings and had Ninetales in the middle of her forehead and had a phoenix with the Laval crest in its talons on her arm as her cutie mark.

We wrapped her in a blanket and brought her over.

Me: Wow that was amazing!

Xenia: It sure was.

Numbuh 362: My sister is back too.

Numbuh 1: She sure is Rachel.

She woke up.

Vianna McKenzie: (Groans) What happened?

Numbuh 362: Vianna?

Vianna McKenzie: Rachel? (GASP) Little sis!

She hugged her.

Numbuh 362: So good you're okay.

Vianna McKenzie: Me too. Has Harvey been decommissioned?

Numbuh 362: He sure has. Thank goodness.

Vianna: Good. That little jerk had it coming.

Numbuh 4: Good riddance. Glad you're okay Vianna.

Lily: Same here.

Numbuh 1: We are glad.

Vianna: Me too guys. Also Nigel you are looking great. (GASP) (See's the wedding Ring) Who is the lucky girl?

Nigel and Rachel held hands and Vianna was happy.

Vianna: Oh my goodness. I'm so happy for you two.

Me: We sure are. After a year after the War with Grandfather they earned that wedding. Also you were turned into a Ninetales by Dark Gale.

Vianna: (GASP) I remember!

Vianna was in an orange suit and was injected and in a burst of fire she turned into a Ninetales and blasted through the wall and ran.

FLASHBACK ENDS

Vianna: It was awful.

Me: I know. But Dark Gale was destroyed so they are gone for good.

Ninetales: You were turned into me

Vianna: I know and it's cool.

Me: It sure is. Also Grandfather and Father are dead. We made sure they are dead forever.

Numbuh 1: We found out some terrible things about Father.

Me: Father was Numbuh 1's Uncle, Benedict Uno and he was out to destroy the entire human race by killing all the kids everywhere.

Laney: Yeah it's true.

Vianna: Oh man! That's horrible!

Me: Yeah.

Nico: What's your role in Sonya's Team?

Vianna: I am the pyromancer and fire hurricane of the team and blast our enemies with intense fire.

Me: Nice.

Vianna: Yeah and outside the team I battle adult villains with the KND.

Me: Awesome. Many of them are now in the M.O.E.

Lola: I hope I fight Father on my big day.

Me: You did beat him the first time Lola so that's a good and fitting fight for you.

Lola: Thanks.

Vianna: I heard all about that Lola. That was awesome.

Lola: Yeah it sure was.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her awesome new orange and red clothes and a fire sword.

Vianna: I look awesome!

Me: You sure do.

Nico: Even Toiletnator is in the Masters of Evil

Vianna: I heard. Many of the KND's enemies are.

Me: Yep and some are redeemed.

Laney: It's because they know that Father was out to destroy the entire human race.

Nico: Yeah. But right now we got a Saiyan to bring down.

We then took off to find and take down Nappa and send Sergio's thugs to The Black Abyss along with undoing Sebastian's black magic spells that he put on Nappa and the black magic spell that resurrects long dead Earth Skylanders and turns them into zombies!

We were flying in the air, but then, we saw incoming energy blasts heading for us and we dodged and deflected them! Suddenly, we sensed a massive power signal, it was Nappa!

Nico: That was real low of you, Nappa!

Lincoln: Allow me to retaliate against him.

Lincoln fired energy blasts that went through focusing lenses that he also summoned and that made the energy blasts even stronger than ever, and they hit Nappa and wiped out the Saibamen that were with him as part of the many of Sebastian's black magic spells and that pissed him off as we landed.

Me: Should've know we'd run into you next, Nappa.

Nico: We ran into Raditz the other day and we took him down and sent him to Vypra, and we knew Sebastian was the bastard who sent him yesterday, and now today, he's sent you. He's just getting worse and worse by the second!

Nappa: That's still not going to stop me from killing all of you, and thanks to that lunatic's black magic, I'm now stronger than ever!

Lincoln: You're a fool thinking that power's going to last forever, once you've gotten rid of us, that psycho's going to turn against you, and you've already seen he's capable of turning against someone in a split second.

Lincoln took to the air and he unholstered his massive greatsword and he swung it many times as he fired chains of light which shackled Nappa and kept him from trying to attack us, and then, we saw a massive white magic circle appear underneath Nappa.

Lincoln: And like all black magic spells, they can easily be broken through its counterpart: white magic.

Suddenly, Lincoln began the ritual and we saw the white magic circle glow with light.

Lincoln: Heed my words Great Powers of Light, Sebastian Mendez has used the powers of black magic in his quest to destroy us in The Sensei Earth Realm and through this act, he has committed a truly unforgiveable blasphemous act. I ask for this: for you to remove the presence of his black magic from The Sensei Earth Realm.

Suddenly, the white magic circle started glowing even more and the power coming from it was really incredible, and then, Nappa screamed in pain as he felt the additional power that he'd gained from Sebastian's black magic spell leave him and the resurrected long dead Earth Skylanders suddenly turn to dust and returned to the earth, and then, we saw black mist gathering in the center as it then swirled in a tornado of darkness, and we saw it: Sebastian's face was within it, and then, a beam of light hit it and destroyed it.

Me: Whoa!

Nico: He did it.

Then, the white magic circle disappeared, and Nappa was unchained and we landed.

Eli: That was some impressive work, we undid Sebastian's black magic spells here in The Sensei Earth Realm.

Lincoln: (CRACKS KNUCKLES) Now, we just got to beat Nappa down and send him straight to Vypra.

Nappa: Well lets bring it on then!

Nico: Gladly!

Nico teleported and punched Nappa in his face and kicked him in his stomach.

Nico: That was for serving a Galactic Tyrant like Frieza!

Ninetales charged at him and blasted him with fire.

Nico teleported and kicked him in the back of his head.

SMASH!

Nappa crashed into the ground.

Nappa got up.

Nappa: You'll pay for that! YOU'LL PAY!

Nico: We'll see about that. I haven't even gotten started yet!

Nappa: WHAT!? Why you little! That was luck. I'm the second strongest Saiyan in the universe!

Nco: Not anymore. I'm the all powerful and strongest of all. Don't you remember what my power level was when I was tested? I was born with a power level of 100,000.

Nappa: (SHOCKED) WHAT!? NO WAY!? How can you be strong like that?!

Nico: Some Saiyans are just born that way.

Nappa: (LAUGHS) BOKRUA, I'm going to rip you apart!

Nico: Come and get me!

Nappa flared up his power and went at Nico and punched and kicked at him and Nico blocked and dodged all his punches like they were nothing! Nico then teleported and stood on top of his head.

Nico: Nice view from up here Cueball!

Nico teleported as Nappa was about to hit him and Nico punched him in the stomach with devastating force and kicked him in his face and knocked him down!

Nico: That was for killing Yamcha, Piccolo, Tien and Chiaotzu!

Nappa: (GROWLS) I was commander and chief of the WHOLE Saiyan Army! You're nothing compared to me.

Nico: Wanna bet on that?

Casey got out his Gashat

Casey: The Tiger is going to strike!

He activated it.

Bash: ROCK AND ROLL!

Casey and Bash: ROLLING ROCK TIGER BLAST!

They fired waves of rock and blasted Nappa all over.

Nappa looked at Nico and then growled and roared in explosive rage and he went at Nico and punched at him. But Nico dodged his strikes and kicked him down. NAPPA GROWLED FEROCIOUSLY!

Nappa: (INSANE RAGE) I'M THROUGH WITH YOU! B-B-BOKRUA!

HE FLARED UP HIS POWER IN A MASSIVE RAGE AND FIRED A POWERFUL ENERGY BLAST!

Nico: Nice try.

Nico punched the blast and it hit Nappa and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

Nico teleported and knocked him into a rock!

Nappa then bursted out and he was REALLY INFURIATED!

NAPPA WAS ROARING IN INSANE ANGER AND FURY! HE WAS COMPLETELY OUT OF HIS FUCKING MIND!

Nappa: I HATE YOU!

He threw a rock and Nico's aura flared up with intense power.

Nico: You hate the fact that you are just a pathetic weakling. I am more powerful than you in an infinite number of lifetimes.

Nappa: (OUT OF HIS MIND) YOU WILL NEVER BE STRONGER THAN ME YOU INSIGNIFICANT RUNT! I AM A SAIYAN ELITE YOU DISGUSTING FREAK!

Nico: I don't think so!

Nico punched him in his face and knocked out some of his teeth!

Nico: Top this. VOLCANO EXPLOSION!

Nico pointed his fingers up and then...

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico used Nappa's power and blasted him into a rock wall!

Terrafin: IT'S FEEDIN TIME!

Casey and Terrafin: TIGER SHARK BLAST!

They fired waves of sharks and rock and blasted him all over!

Nappa: YOU USED MY OWN ATTACK?! HOW?!

Nico: Perhaps you haven't been told of my special little power I have. You see, with each enemy I kill, I have the ability to steal all their powers and make them all my own. Your powers are now mine.

Nappa: (GROWLS) YOU ARE A MONSTER!

Nico: Yeah I've heard that one before!

Poromon got out his Gashat.

Poromon: Try this one!

He activated it.

Prism Break: THE BEAM IS SUPREME!

Poromon and Prism Break: LIGHTNING LASER JAVELIN!

They fired waves of energy and lightning and blasted Nappa!

Nappa: Well see how you like this!

He opened his mouth and fired a massive energy blast from it!

Nico then punched the blast and it hit Nappa back and exploded!

EXTREMELY MASSIVE AND INTENSELY POWERFUL FIERY EXPLOSION!

Me: WHOA!

Qin: HOLY CRAP!

Vegeta: Well done Bokrua!

Nappa emerged from the smoke and his arm was bleeding profusely and it was limp.

Nico: Wow!

Xenia: Nice one!

Hulk got out his Gashat.

Hulk: HULK SMASH BAD SAIYAN!

He activated it.

Edzilla: ED SMASH BAD SAIYAN!

Hulk and Edzilla: HULKING SMASHER BASH!

They smashed and bashed Nappa all over the place.

They knocked him down.

Nico: Nappa listen to me. Because of Frieza, our race was the most feared race in the galaxy. But thanks to me I am leading the Saiyans on the road to redemption.

Nappa: Really?

Nico: That's right. King Vegeta tried to kill me before because he thought I was a threat and was going to overthrow him. But in truth, it was the opposite. I am a light that will lead our race to redemption.

Nappa: Oh really? Prove it then!

Nico: I don't have to.

All the Saiyan race came forward and he gasped! He saw all of the Saiyans back from the dead!

King Vegeta: It's true Nappa! Bokrua saved us from the darkness of Frieza.

Shugesh: He is a true hero to us.

Tora: That's right!

Fasha: Bokrua saved all of us from the darkness of Frieza. And we are living in coexistence with humans and everyone.

Nico: That's right. It's not too late for you. I saved all of us from Frieza, and now you can be redeemed too.

Hulk: Hulk agree.

Dino Rang: (Australian Accent) COME RANG OR SHINE!

Hulk and Dino Rang: SMASHING BOOMERANG BLAST!

They smashed Nappa with Boomerangs all over.

Scarlet: This will be fun.

She activated it.

Becca: Those Doomlanders are funny and awesome.

Nappa: You! You're gonna regret ever crossing me!

Lincoln: Too late for that, and you know what, what you and Raditz have done in Frieza's name over the years absolutely disgusts me to no end! You two are nothing but disgraces and traitors to your race, and by the time we get done with you, you're gonna wish Sebastian ended you long ago! (Sensed Sergio's thugs) And it appears we have some uninvited guests.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings and they forced out Sergio's hired thugs and they're screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Whoa, what the?!

Selene Arcangela: Lincoln exposed them in the blink of an eye with that attack, incredible.

Kali Timestream: Just like when Our Lord takes control, that attack happens before you can blink your eyes.

Sergio Thug: Damn it! The boss isn't going to like this!

Lincoln: I wouldn't worry, you won't be able to report back to your boss. Nor will the rest of your boss' hired thugs.

But then...

WHOOOSH!

A figure swooped in and swiped their loot.

Sergio Thug: All our loot!

?: (India Accent) You don't deserve it.

We saw the next member of the International Clan of The Coopers!

Lincoln: Manjula Chakraborty Cooper!

Manjula Chakraborty Cooper: Good to see you Lincoln!

Me: Care to introduce us?

Anna Anyanova: Sure. This is Manjula Chakraborty Cooper, The Blooming Flower of Calcutta of The International Clan of The Coopers, she's Lincoln's Guardian Angel from India, and she's one of the most skilled thieves in all of the 2nd most populated Country in the world and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from India and she helped him on lots of dangerous jobs. She's known as The Blooming Flower of Calcutta because she grows amazing and beautiful flowers and fruit and vegetables all over the city for all the citizens and then swoops in and steals from corrupt politicians, nobleman, lawmen and more of their valuables and all that completely unnoticed. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Manjula came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of flowers, fruits, vegetables, and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Manjula Chakraborty Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Me: WHOA! India's member of the International Clan of the Coopers! Awesome to meet you.

Manjula Chakraborty Cooper: Same here.

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss, and when Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: NO! NO! (GROWLS) This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Eli: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Nico: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us, and as he snapped his fingers, orbs of crystals and earth appeared surrounding Sergio, and then...!

LINCOLN SENT THE ORBS AT SERGIO, AND THEY EXPLODED WITH INCREDIBLE POWER AS THEY HIT THAT STUPID BIRD, AND WHEN IT WAS DONE, SERGIO WAS AN ABSOLUTE WRECK AND HE GOT HURT BAD!

Sergio: (Groans) Ouch!

We were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT BEAK WITH HOT PEPPERS AND HOT SAUCE! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

Lincoln, Red Savarin, Robin Hood, Skippy the Bush Kangaroo, Von

Lycaon, and Rayman went after Nappa, and they fired extremely powerful blasts of rainbow, green, purple and red, red and yellow, red, white and black, white, golden yellow, and blue energy, elemental forces, mythological animals, and mythical beasts, and they exploded with incredible power as they hit him, and they slashed and punched at him with their massive greatswords and gauntlets and greaves leaving scars on him.

Nappa went at Lincoln, but he punched Nappa so hard in the stomach with his left fist, he wound up belching out blood, and then, Lincoln kicked Nappa hard and sent him flying into a rock formation and it crumbled. But, then, Nappa got out and boy, did Lincoln really piss him off!

Me: (WHISTLES) Damn!

Nico: You said a mouthful! Lincoln really did some damage to Nappa! He did a lot of damage to Broly before in the past, but he was a wild animal, Nappa on the other hand is a trained warrior, same with Raditz. But, given what we just saw, Lincoln has put Nappa in his place.

Roxy Drake: Well, then, let's make this even more painful for him. Alright, boys, get him!

We were amazed by Applejack's transformation, and when Lincoln saw her, he had an atomic red blush on his face and muzzle, hearts in his eyes, and his nose was really gushing out blood. But, when Nappa saw it, he was about to attack her, but Applejack fired a massive barrage of orange, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, apples, magic, earth, Alicorns, phoenixes, and angels that hit Nappa and sent him flying into a wall, he got back out, and he was really pissed off!

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him

as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Pinkie Pie, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Applejack, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and it was making Nappa even angrier than ever.

Suddenly, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and eleven sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Nappa, and we found ourselves in Heaven.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BEGONE!

Lincoln, Nico, and I did one final powerful energy slash that hit Nappa hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Nappa was on his last legs and he was really really mangled.

Then, Lincoln grabbed Nappa's tail and...!

RIP!

LINCOLN RIPPED NAPPA'S TAIL RIGHT OFF HIM!

HE SCREAMED IN PAIN!

Vegeta: Nice one, Lincoln.

?: (ENRAGED SCREAM) NAPPA! YOU IDIOT! YOU FAILED IN TRYING TO KILL TEAM LOUD PHOENIX STORM! DAMN YOU! DIE!

Suddenly, we saw Sebastian heading right for Nappa, and he was absolutely out for blood as he tried to kill Nappa. But, Lincoln sent Nappa through a portal that led to The M.O.E. and he kicked Sebastian hard and sent him flying right back to Los Angeles.

Lynn: AND HE'S OUT!

We cheered as we holstered our weapons and we powered down, and Applejack's new body, clothes, weapons, jewelry, Third Eye, longer orange horn and longer blond tail, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large orange and red planets orbiting around her legs, twenty-five smaller orange and red planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized orange and red planets orbiting around her wrists and ankles, and massive orange angel wings and eleven sets of large orange angel wings underneath her massive orange angel wings are permanent.

Nico: And that's Earth down.

Lincoln: And Life, Light, Dark, and Undead left to go.

Me: That was one brutal fight we had with Nappa.

Eli: That's for sure, and I can't believe Sebastian tried to destroy us here by sending Nappa, and that he had tons of nasty surprises in store such as that power boost he gave Nappa, the Saibamen, and the raising of long dead Earth Skylanders through his black magic, unforgiveable.

Brittney: This was truly the worst kind of use of black magic I've ever seen!

Lincoln: Along with his insane schemes and plotting behind our backs to kill us, not to mention what he did in attacking my kids while we were in the dining room. I hate him so much.

Nico: I hate to say it, but same here, Lincoln. The one thing I regret...is ever letting him back into our lives. He's already proven that he's been completely toxic and he's tried to destroy us, and I did not want to do this, but for the safety of everyone in the team and for mankind, we're cutting all ties with him even after Irina Inphoenix frees him. I can't do this anymore, Sebastian's been nothing but trouble and a thorn at our sides for too fucking long.

May hugged him as a sign of comfort.

Selene Arcangela: We already posted Sebastian's criminal file on the internet and everyone already knows that he's done for, and they know whatever choice we makes, it's going to mean Sebastian's going to pay a very heavy price for his crimes.

Anna Anyanova: I know that he was a victim of Dark Chase Young, but after everything that he did in past along with what he's done to us recently, I think it's safe to say we can't have someone as toxic as him around us any longer.

Eman Reynolds: That's for sure, we can't let someone like him around us or anyone, I don't think any sane person would ever breathe the same air as a toxic cold-blooded ruthless black-hearted two-faced backstabbing snake like him.

Nico: That's a little harsh when you say it like that, Eman.

Qin: But, we all know it to be the truth, Nico.

Even Nico's friends, Connor, Mindy, Alicia, Leandro, and Aurora agreed.

Nico: You're right. I really thought Sebastian had changed, but it looks like I was wrong, he's still the same monster from the day he betrayed us, but he's become even worse than ever.

Lincoln: And now, he's attempting one last ploy to destroy us in Los Angeles by slaughtering tons of criminals and planning on using their blood and body parts in an insidious ritual to summon The Devil to our world as revenge against us for ruining his plans to destroy us. He's got to be stopped along with his insidious ritual.

Suddenly, Lincoln pinned Crystal Applejack to the ground, and he kissed her deeply on the lips which she returned, then, with his massive muscular arms still wrapped around her waist, Lincoln leaned his head down to the right side of Crystal Applejack's trapezius, and he slowly bit her and then fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Crystal Applejack with brown gems on the gold lightning bolts and brown crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Crystal Applejack: Well, I got to say that was one way of saying it's good to see you again.

Lily: That's one of his ways of conveying that message.

Lincoln: Lily.

Nico: First Raditz and now Nappa. Who's next? Goku Black?

Me: No he is too far gone.

Nico: Good. We'll kill him later. But nice job Ninetales!

Ninetales: Thanks! That was fun!

Poromon: Want some beer?

Ninetales: Oh no thank you. It gives me the farts.

Me: Ooh yikes.

Poromon: Okay then.

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Nico: Poliwag that's enough. Oh Plug Man what do you like to do in your free time?

Plug Man: I help out at the electric power plants and make them clean energy without the need for cole.

Me: Good job there.

Lola: Yeah.

Donald: Daisy, want to spend time with me later?

Daisy: You know I do Donald.

Camie: Aww so cute.

Me: Yep.

Nico: There they are!

We saw Another Knight Man EXE, Hummingbird Phantom Hamingard, Freeze Man EXE, Pharaoh Man EXE and Drill Man EXE!

Me: WHOA!

Nico: Awesome!

Another Knight Man EXE: (In a girls voice) It sure is.

They merged and split into eleven figures and we were introduced to the Firestar Sisters - Megan, Mila, May, Maya, Melody, Mallow and Malora Firestar, Aqua Aquarius and Niarra Rainbow.

Me: WHOA! Awesome to meet you girls.

Nico: And good to see you all again.

Me: Care to introduce us?

Anna Anyanova: Sure. The girl with the purple hair is Melanie MorOtesi, Keyblade Knight of MorOtesi, she's Lincoln's Guardian Angel and a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and master of light, rainbows, crystal, and energy. She is the Keyblade Knight of MorOtesi, the home planet of the Crystalsapiens and she's a powerful warrior no one wants to mess with. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him all about the powers of light, rainbows, crystal, and energy, and she hates Lynn with a vengeance and vowed to get her permanently kicked out of sports permanently.

Nico: WHOA!

Anna Anyanova: And the girl with Black Clothes and black hair is Zahlia Zvezda, Keyblade Knight of Zvezda, she's Lincoln's Guardian Angel and a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and master of all the powers of Alien X's kind. She is the Keyblade Knight of Zvezda, the home planet of the Celestialsapiens and she has omnipotent power. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him all about all of the powers of The Celestialsapiens which he mastered and gained along with omnipotent power, and she hates all of Lincoln's enemies with a vengeance and vowed to erase them from existence.

Me: WHOA! That is amazing!

Qin: Yeah!

Me: Are the Another Kozu Kira and Jessica friendly or hostile?

Melanie Firestar: Friendly and they are awesome.

Me: Nice.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Maria: Time for some backup. (TURNS DIAL) MEANIE BUTTKICKERS 6!

She summoned Ms. Meanie, Stone Heart (Jojo), Ketchup Jack, Chikuon, Osouji, U-Ikasaman and Mikuuji!

Nico: And now, we wait.

Me: We don't have to wait long!

Out came Another Kozu Kira and Jessica!

Me: Wow!

Another Kozu Kira: (In a girls voice) This will be fun.

She reverted back and it was the gene-slammer of Serpent Night Dragon!

Nico: Sierra Nocturna!

Me: Whoa! Serpent Night Dragon's gene-slammer.

Sierra Nocturna: That's right. And awesome to see you Nico. I am a master of stealth with the shadows.

Kozu Kira: Just like me in the water and blending in the ground.

Nico: Cool!

Another Jessica: And Jessica knows me.

But then...

(SEAL BARK)

Me: What the fuck is that smell!?

She reverted back and it was a black hair version of Jessica and she was in tattered clothes and smelled horrible!

Jessica: (GASP) Jordan!

She and Jessica hugged!

Jessica: (Sniffs) EW! OH MAN! You smell horrible!

Jordan: I hadn't taken a bath in 7 years.

Me: OH GOOD GOD! She must be your sister?

Jessica Shannon: Yes that's right. She is my little sister. She was born 2 years after me.

Kaito: (gets out Denziman gear) Did Swartz promise you anything?

Zocks: (gets Battle Fever gear) Because we can grant it instead.

They got weapons from said teams.

Sierra Nocturna: No he didn't because of (Points to Jordan)

Me: Oh because of her smell.

Sakura Knudson: That explains what that stench was.

Me: Well when we get home you are going right into the tub.

Sougo: (gets out Denziman Ridewatch) No arguments!

Geiz: (gets Battle Fever Ridewatch) You stink badly!

Sougo got DenziRedArmor while Geiz got BattleJapanArmor

Jordan Shannon: You're right.

Lincoln: Lets get you guys separated.

We did so.

Me: Lets do it!

Nico: (gets out Kozu Kira's Ridewatch) Time for clam power!

May: (Gets out Hummingbird Phantom Hamingard Ridewatch) Lets zoom with hummingbirds!

Maria: (Gets out Pharaoh Man EXE Ridewatch) This is gonna be awesome.

Jazz Hooves: (Gets out Knight Man EXE Ridewatch) I shall smite thee!

They used the powers of Kozu Kira, Knight Man EXE, Hummingbird Phantom Hamingard, Freeze Man EXE, Pharaoh Man EXE and Drill Man EXE and blasted the anothers all over!

Me: YEAH!

Then Blue Flame Princess, Mammothmon, Muchomon, Hyogamon, Icemon and Meteormon came.

Nico: WHOA! Nice team Blue Flame Princess.

Blue Flame Princess: SHUT YOUR FUCKING MOUTH YOU FATASS!

Nico:…I'm just gonna ignore that comment for now.

Me: Nico you know the Blue Fire Elemental Creatures of the Choleric part of Element Ooo have rotten dispositions.

Nico: You're right.

Me: But Blue Flame Princess you need to put a lid on that ROTTEN ATTITUDE of yours!

Blue Flame Princess: I HATE YOU SO MUCH!

My aura flared up.

Me: Thanks for the power. But still SHUT UP!

Nico: Sheesh.

Flame Mammoth: My team next though.

Me: That is gonna be awesome!

?: I agree there!

Harpie Lady came.

Me: WHOA! Harpie Lady!

Nico: Nice!

Harpie Lady: It sure is.

Nico: Carla Valentine! Wow!

She reverted back and was a girl with green hair, green eyes and green clothes and green angel wings and had Harpie Lady in the middle of her forehead and on her skirt and shirt and arm and had a wind sword.

Carla Valentine: Awesome to see you Nico. I know this isn't the Mai that I want but I'll tell you later. AERO WIND SLASHER!

She slashed the Anothers and I caught the ridewatches Purified them.

Me: YEAH!

Nico: Nice job!

Carla Valentine: Thanks. Now I should explain. I want revenge.

Me: Revenge on who and for what?

Carla Valentine: I want revenge on her!

She pointed to Mai!

Carla Valentine: The version of her that was under Dartz's influence and I will kill her! SHE KILLED MY MOTHER! I HATE HER MORE THAN LIFE ITSELF!

Nico: Oh, that explains it

Carla Valentine: She took everything from me and I vowed to get TERRIBLE REVENGE on that monster! SHE WILL PAY!

Me: Carla I know you are hurting from that but calm down and lets talk about this. Dartz brainwashed Mai and made her like that. So many people were killed by Dartz back then to destroy the world.

Heidi: Long story.

Carla Valentine: I know. And I will never forgive that monster for it. She took everything from me and I vowed to search all over the world to hunt down that bitch who is a pile of death worshiping garbage and send her motherfucking ass off to hell!

Nico: Gonna be hard to tell them apart

Me: Well there's one way. She has an Orichalcos Stone around her neck and she will have black clothes and overflowing with pure evil. And she has piercing red eyes and the Orichalcos symbol on her forehead and radiating intense hate and negative energy.

Hannah Fairchild: And she will have a Duel Disk like mine.

Nico: Good point.

Carla Valentine: That makes it easy.

Jazz Hooves: Do you have a good memory of Nico?

Carla Valentine: I sure do. When me and Nico went on my family's awesome flying mansion and it was fun.

Me: Cool!

Qin: Yeah!

Nico: Yep.

They hugged.

Nico: I've missed you. And I promise that version of Mai will pay.

Carla Valentine: Thank you.

We went back home and got Jordan put into the tub.

Plus, she's the one that was spoken of in the omen we found yesterday: On the 10th Day of The 4th Month of The 2nd Millennium, The Immortal Embodiment of The Immortal Phoenix and Master of The Forces of Intense Fire, Immortality, Reincarnation, Resurrection, Renewal, and Fire Magic shall return and face The Dark Lord of Eternal Hatred who has betrayed The Phoenix to continue with his dark intentions to wipe all life on earth and the universe beyond out of existence and bring eternal ruin to all.

And speaking of the omen, we're also going to face Sebastian Mendez, the one spoken about in the second part of the omen as The Dark Lord of Eternal Hatred who's betrayed The Phoenix to continue with his dark intentions to wipe all life on earth and the universe beyond out of existence and bring eternal ruin to all. But, this is the last straw for him, we're taking that psychotic two-faced snake down and Irina Inphoenix is going to use her power to destroy the dark sides and dark intentions of Sebastian once and for all.

Lincoln: Ah, we're here in Los Angeles, and I know what we're going to do here, not only am I going to rescue the twenty girls here, but we're going to meet an old friend of J.D.'s.

Me: Yep, her name is Irina Inphoenix, The Embodiment of The Inphoenix Chemy Card and a master of intense fire and the forces of immortality, resurrection, reincarnation, renewal, and fire magic, and she is a deadly and skilled warrior that lived for thousands and thousands of years and she has lots of experiences and she's a powerful force of good and she even has the power to destroy Sebastian Mendez's dark sides and dark intentions permanently.

Nico: And speaking of the omen, we're also going to face Sebastian Mendez, the one spoken about in the second part of the omen as The Dark Lord of Eternal Hatred who's betrayed The Phoenix to continue with his dark intentions to wipe all life on earth and the universe beyond out of existence and bring eternal ruin to all. But, this is the last straw for him, we're taking that psychotic two-faced snake down and Irina Inphoenix is going to use her power to destroy the dark sides and dark intentions of Sebastian once and for all.

Lincoln: We got to hurry. Sebastian's going to start the ritual to summon The Devil into our world to get revenge on us and destroy humanity.

Plug Man: Just like what happened with Malaria Nikolai in Prague.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long red hair, red eyes, massive black angel wings, black short-sleeved blouse, short frilly black shirt, white gloves, black skirt, gothic lace stockings, black knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, fiends, theatre masks, phoenixes, and angels on the coattails, and on the back is Abyss Actor - Trendy Understudy, she has a darkness greatsword in her right hand, and with her are the twenty girls.

Lincoln: (GASPS) Melanie Balthazar, Gene-Slammer and Avatar of Abyss Actor - Trendy Understudy.

Melanie Balthazar: That's right. Now, we need to hurry, Sebastian's planning on starting the ritual to bring The Devil to our world!

Suddenly, we saw the phoenix flying and it left a trail of intense fire as if it's leading us to Sebastian.

Lincoln: Follow that trail of intense fire!

We immediately got a move on to meet Irina Inphoenix and stop Sebastian before he completes the ceremony and summons The Devil to get revenge on us and continue with his dark intentions to wipe all life on earth and the universe beyond out of existence and bring eternal ruin to all.

We were flying, and then, we saw the phoenix land on the roof and it transformed into a girl with light orange hair, orange eyes, orange clothes, she has massive angel wings, she has a gold sword in her right hand, and she has the Inphoenix on her forehead and clothes.

Me: Irina Inphoenix, Embodiment of the Inphoenix.

Irina Inphoenix: J.D., it's so good to see you again.

We hugged.

Nico: J.D. told us everything about you, and the omen that was spoken about you.

Irina Inphoenix: That's right. I knew one day Sebastian would turn against you all, but this means I need to destroy his dark sides and his dark intentions before he threatens the safety of mankind and all life on Earth and the universe and beyond.

Suddenly, the skies turned black.

Lincoln: Let's go.

We headed for Sebastian's location, he was right in the center of Figueroa Tower and there we saw the mess he made: as Lincoln's dream foretold, he slaughtered tons of criminals, many of them male and we saw their bodies were all over the place and were in the nude when Sebastian came after them and there was a massive ocean of blood and it was horrendous.

Me: (Horrified) My God.

Brittney: I can't believe this, how could someone be this cruel and evil and capable of something this atrocious? Even the villains I've dealt with weren't at this same level of cruelty and evil as him!

Nicole: Same here, Brittney, this madman needs to pay for his crimes.

Nico: This atrocity needs to end here and now.

Lincoln: Let me, Nico.

Lincoln took a deep breath, and then...!

Lincoln: (YELLING AT THE TOP OF HIS LUNGS) SEBASTIAN MENDEZ, WE'RE CALLING YOU OUT! GET OUT HERE RIGHT NOW! IT'S TIME FOR YOU TO FACE YOUR PUNISHMENT, YOU HEARTLESS CRUEL REMORSELESS SOULLESS SHAMELESS BASTARD!

THAT ANGERED SEBASTIAN GREATLY AS WE APPEARED IN FRONT OF HIM!

Nico: Sebastian, you have gone way too fucking far for the last time!

Me: You caused so much trouble and so much grief for us by acting out with your toxic madness and dark intentions, do you have any idea how much pain you've dealt with your insane actions?!

Lincoln: Not to mention what you did attacking the kids of me and my harem!

Lincoln's kids showed up and they lifted up their shirts and they still carried the visible scars of his recent attack as revenge on us for ruining him!

Thunder Sparkle: Your heartless attack on us this morning while we were getting some weapons for the fight against you left really nasty scars on our backs that we'll carry for eternity, you hurt us with every intention of pissing Dad and his harem off along with the rest of the team.

Storm Rainbow: You're nothing but a psychopath who has disregards everyone around you and you only sought to bring pain to everyone in your path, this is where it ends for you!

Sebastian Mendez: SHUT THE FUCK UP, BITCH!

SEBASTIAN FIRED A BLAST OF DARK ENERGY TO KILL LINCOLN'S KIDS, BUT LINCOLN SUMMONED A BARRIER OF LIGHT THAT PROTECTED HIS KIDS AND NEWBORNS FROM SEBASTIAN'S ATTACK AND IT SEALED HIS FATE EVEN MORE!

May: Alright, that's it, let's get him!

Sebastian Mendez: (LAUGHING DERANGEDLY) You're too late, bitch! Now, the end of everything has come at long last!

Sebastian cut his palm and a drop of his blood was about to fall onto the pool of blood and the piles of dead bodies, but Lincoln fired a small beam of sunlight that destroyed it.

Sebastian Mendez: NO!

Then, Lincoln started to absorb the oceans of blood into his body through his feet, and he turned the tips of his tails into Cell's stingers, and one by one, he stabbed them into the into the chests of the dead bodies of the male criminals Sebastian slaughtered and he proceeded to absorb them one by one and he grew stronger and assimilated their massive muscle mass, virility, testosterone, and massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done, nothing was left of the dead male criminals, and that truly angered the insane Sebastian even more: his ritual to summon The Devil was ruined along with his last attempt to get revenge on us.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Sebastian Mendez, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON SEBASTIAN MENDEZ! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SLASH! SLASH!

LINCOLN SLASHED SEBASTIAN MENDEZ WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HIM AND CAUSED HIM TO SCREAM EVEN MORE IN PAIN AS WE SAW SMOKE COME OFF HIM!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to be awaiting you when your final judgement comes.

Then, Lincoln fired a blast of heavenly light that hit Sebastian Mendez and he went absolutely and completely berserk with rage.

Sebastian Mendez: (DEMONIC RAGE-FILLED VOICE) I'LL RIP ALL OF YOU TO SHREDS!

Then, he also attacked him by flashing the Strobulb in his face and blinded him, and the ring of Boos around the flashlight's head fired purple energy beams at Sebastian Mendez which hit him hard.

Lincoln continued smashing him hard with his extremely massive godly superhuman strength and Sebastian Mendez, and despite all the training we gave him, his hatred made him absolutely weak and he didn't have any time to fight back due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him.

Me: UNREAL! His speed and reflexes are still even faster than ever!

Sebastian Mendez was defeated by us: our training proved far superior to him as the training we gave him proved to be a waste due to his unimaginable hatred which made him weak. But, that made him so angry, we saw his black angel wings lose their feathers and they turned permanently into black demonic wings and the skies turned even blacker and more demonic!

Sebastian Mendez: (DEMONIC VOICE) I'VE HAD IT WITH ALL OF YOU! NOW DIE!

SEBASTIAN FIRED A MASSIVE BLACK ENERGY BEAM TO DESTROY US!

Irina Inphoenix: It's over, Sebastian, time for your reign of darkness and toxicity to end here and now.

Irina Inphoenix formed intense fire in her left hand and she fired a massive blast of intense fire as it hit Sebastian as the beams clashed and he tried to fight back!

Sebastian Mendez: No! NO! I will never be purified of anything! I WILL DESTROY ALL OF YOU AND ALL LIFE ON EARTH AND THE UNIVERSE AND BEYOND WILL BE DESTROYED FOREVER!

Sebastian continued trying to fight back against the blast of intense fire by trying to magnify the black energy beam even more, but then, Lincoln and I also stepped in and also fired blasts of intense fire that made Irina's intense fire blast even more powerful and it overwhelmed and destroyed the massive black energy beam and that made Sebastian's stance against it weak, and the blast of intense fire hit him with full force!

Sebastian Mendez: Impossible...! Not this time...! (SCREAMS)

Sebastian let out a loud scream of defeat as we saw the black demonic skies clear up. We cheered as we holstered our weapons and powered down.

Nico: That was intense!

Me: But, we did it.

Sebastian Mendez: YOU! YOU! I'M GONNA!

Suddenly, Nyx appeared, and then, she stripped Sebastian of the powers of Divine Darkness given to him by her divine blessing and all the powers, skills, and abilities he gained thanks to our training had been stripped from him as it formed into a midnight blue and black ball. Then, she sent it into Lincoln and he grew even more powerful than ever.

Melanie Nyx: Mother, why did...?

Nyx: I did make my promise: if Sebastian couldn't be saved, just like what'd happened to Darren Devereaux, I would strip Sebastian of the powers of Divine Darkness given to him by my divine blessing along with all the powers, skills, and abilities that he gained thanks to Team Loud Phoenix Storm's training and give them to Lincoln. I know he has the same powers as you, Melanie, but this is something that needed to be done for my future son-in-law.

Me and Lincoln: Lady Nyx.

Suddenly, more smoke came out of Sebastian's body as he convulsed in pain: we destroyed his dark sides and dark intentions, but the nine years of letting toxicity and darkness into him finally took its toll and what Lady Nyx did to him just now with stripping him of the powers of Divine Darkness given to him by her divine blessing along with all the powers, skills, and abilities that he'd gained thanks to Team Loud Phoenix Storm's training and given them all to Lincoln caused him to scream in agonizing pain and his wings suddenly fell off and he let out one last scream as he burst into flames!

Then, when the flames ceased, we saw what happened to Sebastian Mendez: he was turned into a statue, and then, a keyhole of Divine Darkness formed and Lady Nyx made a key and she turned it and that locked Sebastian inside a stone statue for eternity never to be released.

Me: Whoa, he's been turned into a statue! But, how did this...?

Lincoln: It wasn't just what Lady Nyx did, but Sebastian had lost his humanity nine years ago when he gave into the darkness and went mad.

Trudy Lawrence: Oh shit.

Nico: Damn, that's harsh.

Qin: You said a mouthful, Nico, and this is just like what happened to Darren Devereaux. But, unlike what we saw with Darren, Sebastian won't be recovering his strength nor his powers after Lady Nyx stripped him of the powers of Divine Darkness given to him by her divine blessing along with all the powers, skills, and abilities that he'd gained thanks to Team Loud Phoenix Storm's training and given to Lincoln.

Melanie Nyx: And as for his Super Book, I'd since made it my own after last time and my mother and I used our powers to put in some new powers as well.

Lincoln: I knew about that ever since that incident, Melanie. Thank you for your assistance, Lady Nyx.

Nyx: You're welcome, Lincoln. Now, I'll take Sebastian and put him in the statue garden you have back home

Nyx vanished with the statue and we returned home to The World Tree Estate where everyone saw what happened.

Maria: We saw everything that happened when Lady Nyx appeared, so after she stripped Sebastian of the powers of Divine Darkness given to him by her divine blessing along with all the powers, skills, and abilities that he'd gained thanks to our training and given them to Lincoln, he turned into a statue and she locked him inside it for eternity.

Nico: Looks like she told you everything.

William: She did. But, that was one intense battle you guys fought.

Me: Yep, but Irina did destroy Sebastian's dark sides and his dark intentions, but in the end, Lady Nyx had enough of him and she dealt unto him a fate worse than death: turned into a statue for eternity.

Maria: Well, at least, the bastard won't be trying to cause us any trouble ever again.

Eli: But, it's still sad though, we worked so hard to free him, only for him to betray us in the worst way possible, and when he tried to bring The Devil into our world to make his dark intentions come true, he paid the price for it in the end.

Lincoln: I know. This is indeed a hard lesson learned and it's one lesson I really hate: no matter how hard you work at trying to free someone of darkness, if someone had lost their humanity, there's no chance of ever being redeemed nor freed and were doomed to fall into darkness.

Nico: (Sighs) I know, Lincoln, and that's a lesson we'll never forget.

Lincoln: You said it. (To Melanie Balthazar) And it's so good to see you again, Melanie.

Melanie Balthazar: You too, Lincoln, it's been eight years since we last met.

Suddenly, Melanie Balthazar had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Melanie Balthazar was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Melanie Balthazar: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Melanie Balthazar and hugged her, and Melanie Balthazar is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and eleven other sets of larger sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Melanie Balthazar: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and eleven sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Melanie Balthazar, Gene-Slammer and Avatar of Abyss Actor - Trendy Understudy, she's Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Melanie Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Melanie Balthazar really hates Sergio with a blazing passion, and she also knew how to bring down the actions of that dumb party animal, and all it took was one planned out performance from Melanie, and not only was Sergio done for, but he always winds up getting a severe thrashing and gets some of his feathers torn off in front of an audience of imps, fiends, and demons she summons and they all laugh at him and she runs out of the auditorium humiliated to the extreme and he winds up flying back to Great Lakes City like a coward.

Nico: Well, we took down Sergio when he broke The Anti-Mascots out of prison and we threw him in The Moon Prison and we're also doing mini-humiliations on that stupid parrot.

Melanie Balthazar: Really? I want to get in on that, but I've got something much more...painful in store for that colored rat with wings.

Melanie Balthazar got out a massive rack full of weapons and blunt objects!

Me: Holy shit!

Nico: Damn! Lincoln, I didn't know Melanie hated Sergio that much, that she got out a massive rack full of weapons and blunt objects!

Lincoln: It's not just her, but all of my Guardian Angels also despised Sergio for what he's done since he's also among the list of my enemies.

Me, Nico, and Eli: Yeesh! That's harsh!

Lincoln: But, he had it coming, that repulsive rat with wings, and now that you're here, Melanie.

Lincoln with his massive muscular arms still wrapped around Melanie Balthazar's waist leaned his head down to the right side of Melanie Balthazar's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Melanie Balthazar: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Melanie Balthazar with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Melanie Balthazar: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Melanie Balthazar.

Melanie Balthazar had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Melanie Balthazar's waist, and he leaned down to her face and kissed her on the lips, and with Melanie Balthazar's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Melanie Balthazar had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Melanie Balthazar: (In Heaven) My God. Oh, Lincoln, the twenty girls I rescued are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the twenty girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks, snout, and muzzle. The twenty girls are Idola Avom and Teltina Liz Wagrel Alvarost from The Red Ranger Becomes an Adventurer in Another World, Amaterasu, Anubis, Apep, Fuxi, Heimdall, Hera, Himiko, Icarus, Idun, Nuit, Nuwa, Odin, Ookuninushi, Pandora, Akira, Shennong, and Xiwangmu from Idle Angels, and Vela from Jet Force Gemini.

Lincoln: Oh whoa, it's Idola Avom and Teltina Liz Wagrel Alvarost from The Red Ranger Becomes an Adventurer in Another World, Amaterasu, Anubis, Apep, Fuxi, Heimdall, Hera, Himiko, Icarus, Idun, Nuit, Nuwa, Odin, Ookuninushi, Pandora, Akira, Shennong, and Xiwangmu from Idle Angels, and Vela from Jet Force Gemini.

Nicole: So, those were the girls that caused Red and Travis to issue that order, and I can see why, these girls are really voluptuous and sexy bombshells.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

Idola Avom: Yes, we're okay, thanks to you.

Then, when Idola Avom and the other nineteen girls saw who it was that saved them from Sebastian Mendez, their faces turned atomic red upon seeing the 9'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and a large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head and behind it is a gold version of Trinity Mirror with three rings of spikes made of gold, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln

Idola Avom: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made nineteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Idola Avom: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twenty Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Idola Avom, Teltina Liz Wagrel Alvarost, Amaterasu, Anubis, Apep, Fuxi, Heimdall, Hera, Himiko, Icarus, Idun, Nuit, Nuwa, Odin, Ookuninushi, Pandora, Akira, Shennong, Xiwangmu, and Vela with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out.

William: Lady Nyx already told us the whole thing when she arrived before you did, and this was a hard lesson learned.

Nico: Afraid so.

Suddenly, Poromon arrived and he had a letter addressed to Lincoln.

Poromon: Hey, Lincoln, you got a letter.

Lincoln: A letter?

Poromon gave Lincoln the letter, and he found out that someone has invited him to a date at Lake Huron underneath a full moon tonight: he noticed the handwriting was female.

Me: Looks like some girl's invited you to a date at Lake Huron under a full moon tonight.

May: A beach date at Lake Huron under a full moon, whoever this girl is just set the whole thing up, and it's after our main mission for today.

Lincoln: This is rather unusual. But, whoever this girl is, I'll approach this cautiously.

Me: Good idea.

Nico: Yeah, we don't know if this girl is a villain out to kill you.

Maria: But, the second that happens, you be sure to tear the bitch apart.

Lincoln: Understood.

After Lincoln and all of us took down Sebastian and ended his madness for good, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Melanie Balthazar saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts

in her eyes, and her nose was really gushing out blood.

Melanie Balthazar: My God, I was right that Lincoln's really grown into an 18-year-old 9'11" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Melanie, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Melanie Balthazar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago

into the really big, really strong, and really powerful man we know today.

Melanie Balthazar: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Jack Howard got out a videotape.

Jack Howard: Okay, guys, now this videotape I have here, this was taken a month after the whole fiasco with Drake's thugs, but this one brought Caleb back to New York University who got word of something really bad happening there, same with us when news got out of Carla Claw and Panther being sighted here, but Caleb was about to come face to face with the past.

Jack Howard placed the videotape in and it played on the big screen and it showed New York University at night, and most of the students who have homes to go home to left while others who live on campus are heading to their dorms to sleep. But then, a dark shadow had descended upon the campus: it was Caleb Maxwell.

Past Caleb Maxwell: So, the news of something really bad happening has brought me back to New York University, I never thought I'd step foot here once again. This place still harbors dark memories of the past: the vampire incident from LaGuardia coming back to haunt me which led to the deaths of Sharon's brother, Ryan, along with the deaths of many other students and the two run-ins with Cage Blunt and Travis Tackett drunk on Demon Blood and the run-in with Conrad who got bitten and turned into a werewolf. Those memories still haunt me even to this very day.

But, then, he saw the red and blue lights of The NYPD Nightshift arrive here, and Cage Blunt and Jack Howard along with Cuffs Lane, Jazz Jackson, Roxy Drake, Casey Antonio, and Carter Kenrick got out of their cars.

Past Caleb Maxwell: Oh great, I didn't count on running into The NYPD Nightshift. I have to stay out of sight, but what are they doing here?

Caleb Maxwell listened in.

Past Jack Howard: Okay, we just got word from Vessie that Carla Claw and Panther have been sighted here in New York University.

Past Roxy Drake: I don't even know what they're doing there, but we better get them out and into some jail cells at the precinct.

Past Casey Antonio: Provided they don't wake up the students here.

Past Jack Howard: I'll go with Cage and Roxy to check the inside of the campus. Casey, take Cuffs and head to the dorms and see what you can find there. Carter, you and Jazz keep a lookout.

Past Jazz Jackson: Lookout? For who? Chester, Mad Cat Max, Patch, Hex, Shroud, Sally Gamble, and Nekome?

Past Roxy Drake: That's one guess, but there's also you-know-who always lurking in darkness.

Past Carter Kenrick: Caleb Maxwell. The second he shows up, he's going down.

Caleb Maxwell heard it.

Past Caleb Maxwell: Second you try to put the cuffs on me, you're gonna be left tied up and only in your underwear by the time I get done, Carter.

As soon as Cage Blunt, Jack Howard, Cuffs Lane, Jazz Jackson, Roxy Drake, Casey Antonio, and Carter Kenrick left, Caleb Maxwell heard everything and got pretty annoyed.

Past Caleb Maxwell: Great. Now, I hear that Carla Claw and Panther of The Big Claw Gang are here in NYU, this just made things a lot worse. But, Jack, Cage, and Roxy are heading inside the campus while Casey and Cuffs are going to check the dorms while Carter and Jazz are keeping an eye out in case if they see the other Big Claw Gang members or me. But, I should head inside the campus and see what I can find before heading for the dorms.

Caleb Maxwell headed inside the building, but then, as soon as he did, memories of the past had triggered: the vampire incident from LaGuardia High School which led to the deaths of Sharon's brother, Ryan, along with the deaths of many other students, the two run-ins with Cage Blunt and Travis Tackett drunk on Demon Blood, and the run-in with Conrad who got bitten and turned into a werewolf. Caleb Maxwell got a slight headache, but he recovered.

Past Caleb Maxwell: Damn it, looks like those dark memories of the past are still just as strong as ever.

Caleb Maxwell continued along, and then, he spotted something on the floor of the hallway as the moon shined on it: it was a necklace, but the necklace looked familiar to him, the pendant was a locket and it had the picture of a young female cat with long crimson red hair, blue eyes, and tan-colored fur and muzzle.

Past Caleb Maxwell: That necklace..., I thought I'd never have to see it again, that necklace belonged to my old friend, Jackie Reynolds. I hadn't seen her since 1985, back then, she was only sixteen. But, nine years had passed since my death, and I'm sure she has the job of her dreams after graduating NYU.

But, then, he saw blood trails.

Past Caleb Maxwell: Blood trails. What happened here?

Suddenly, Caleb Maxwell heard the voices of Cage Blunt, Jack Howard, and Roxy Drake heading this way, and in his panic, he dropped the necklace and went to hide somewhere. Then, Cage Blunt, Jack Howard, and Roxy Drake arrived.

Past Cage Blunt: I thought I heard Caleb's voice. (Spots the necklace) Hey, look at this.

Jack Howard picked up the necklace.

Past Jack Howard: I'll be damned, that's Jackie Reynolds' necklace. She was sixteen back in 1985, and like Caleb, she was a freshman who started out at NYU, but she was smart and an old friend of Caleb Maxwell. She graduated in 1989 four years after Caleb was killed, and she started her job in the East Bronx Precinct and was one of the best officers on the force who cleaned up the dirty business of corrupt cops.

Past Cage Blunt: But, what's she doing here?

Past Roxy Drake: I think I may know. I got a call from her the other day, and she told me that she was looking into someone by the name of Michael Romero.

Roxy Drake got out his mugshot: he was a male cat with brown fur and tan muzzle, brown ears, and brown hair.

Past Jack Howard: This guy was in charge of the drug business in the East Bronx along with a lot of other illegal businesses there, and the bad news: he once had his dealings with The Syndicate.

That got Cage Blunt's attention.

Past Cage Blunt: That's bad, if Caleb finds out, he's gonna kill him. Do you think he's here in NYU?

Past Roxy Drake: Hmm, it could be the case. Our informant told us he frequents the colleges and nightclubs looking for potential customers, and I also spotted a blood trail.

Past Jack Howard: We better tell this to Casey, Cuffs, Jazz, and Carter immediately, if Jackie got herself in danger with Michael, there's gonna be blood.

They went outside to radio Casey, Cuffs, Jazz, and Carter, but that also caused Caleb to step out of the shadows.

Past Caleb Maxwell: I've heard of Michael Romero before..., I knew this day would come. Michael, all the things you've done, (Red Eyes turn even more bright red) It's time to pay. It's time to set things straight!

Now, Caleb Maxwell was out for blood. Meanwhile, Cage Blunt, Jack Howard, and Roxy Drake were outside and they called Cuffs Lane, Jazz Jackson, Roxy Drake, Casey Antonio, and Carter Kenrick and told them everything.

Past Jazz Jackson: Oh, this is really bad. I knew Jackie had a friend before, but I didn't know it was Caleb back then. This is really personal for him.

Past Cuffs Lane: Everything he's been doing has been personal ever since his return from the dead in 1993.

Past Carter Kenrick: He lost a lot of good friends back in 1985, I can tell that sort of thing hurt him so bad, it scarred him.

Past Jack Howard: Scarred or not, we got to find Jackie Reynolds and take down Michael Romero before Caleb tries to get him.

Past Roxy Drake: And Panther and Carla Claw? What about them?

Past Cage Blunt: We'll take them down as well.

Suddenly, they saw Panther and Carla Claw heading out.

Past Roxy Drake: Freeze! NYPD!

They drew their guns.

Past Panther: Heh, fancy meeting you here.

Past Jack Howard: Can it, Panther. Where's Jackie?

Past Carla Claw: Who do you think we were running away from? We were after Michael, but then, she showed up.

Past Cage Blunt: Which means, you haven't run into Caleb, at least, not yet.

?: HEY, WHERE DO YOU THINK YOU'RE...?!

BANG! SCREAMS!

Suddenly, they heard a loud yell!

Past Roxy Drake: Oh crap, it's Jackie!

They rushed for the northeast part of the campus, and they found Jackie Reynolds holding her stomach and she did get shot, and they saw their target, Michael Romero.

Me: Oh, that's not good!

Nico: Really not good!

Past Carla Claw: You piece of shit.

Carla Claw tried to slash him with her claws, but Michael Romero dodged and tried to shoot her, but he dodged an incoming bullet fired by Caleb Maxwell.

Past Caleb Maxwell: You..! You just don't know when to quit, do you, Michael?!

Michael Romero gave him the finger and he ran off to get his car. But, then, Michael Romero got ambushed by Sally Gamble, Shroud, Patch, Mad Cat Max, and Nekome and brought him here after they tied him up.

Past Roxy Drake: Now, to get this asshole to the precinct.

But, then, Caleb Maxwell snatched him.

Past Jack Howard: Hey! Caleb, what the Hell are you doing?!

Past Panther: You should be more worried about your cop friend from the East Bronx.

Past Cage Blunt: Already called an ambulance and they're heading here to get Officer Reynolds to the hospital. But, you guys, you owe us an explanation.

After the ambulance arrived and took Jackie Reynolds to the hospital, Cage Blunt, Jack Howard, Roxy Drake, Cuffs Lane, Jazz Jackson, Roxy Drake, Casey Antonio, and Carter Kenrick wanted to get answers.

Past Mad Cat Max: It's pretty clear this bastard's not going to live, and as much as any of us want to kill him, we decided to tie him up and have Claw Dane kill him, but none of us didn't expect Caleb to snatch him.

Past Roxy Drake: I wonder what Caleb's going to do to him?

Past Patch: No idea. But, we didn't help Caleb in this.

Past Hex: She's right, Caleb didn't enlist us for help since he's rather iffy about us.

Past Panther: So, what do you intend to do to him, Caleb? Michael tried to kill another one of Caleb's old friends, and he lost a lot of old friends back in 1985. (Smirks) You feel it, don't you? The need to make this guy suffer for what he's done? Doesn't that burn you with a desire to make him bleed?

Past Carla Claw: (Smirks) He's right, that mask of yours has already been shattered ever since you died back in 1985, and your desire to see criminals put behind bars has long since died with the old you. Go on then, do it. What do you want to do to him?

Past Casey Antonio: What the? Are they absolutely crazy? They're tempting him to do something no one should ever...!

Caleb Maxwell flew off with Michael Romero, but Cage Blunt recognized where Caleb was heading.

Past Cage Blunt: Oh shit! Come on, we need to follow him! I know where Caleb's going!

They followed him to the one place where Cage Blunt knows all too well: The Supreme Yuridia Authority. As soon as they stopped, Caleb Maxwell headed inside.

Past Jack Howard: What is this place?

Past Cage Blunt: This is a place where Caleb happens to go to, however, this is also a place that I also know all too well. The Supreme Yuridia Authority is the place where all vampires congregate. We may be all over New York, but here, this place is Vampire Mecca. And I know where he's taking Michael. Come on!

They went inside and they saw Caleb Maxwell along with the tied up Michael Romero.

Past Casey Antonio: There he is.

Suddenly, they saw The Vampire Council entered along with Marcus Mackenzie enter.

Past Marcus Mackenzie: This is surprising, you've brought Michael Romero here, Caleb. I can tell something's up.

Past Caleb Maxwell: Yes. Do you have a Freezer Room ready? I've got something special for this criminal.

Caleb Maxwell had a psychotic look on his face, and Cage Blunt and the others saw it.

Past Cuffs Lane: What on Earth?

Past Jazz Jackson: He's insane.

Past Cage Blunt: You have no idea how crazy he is and what he's about to do to him.

Past Vampire Elder: Yes, we have it nice and ready. (Sensed Cage Blunt) And it appears our other guests have arrived as well. Come out, Cage Blunt, no need to hide in the shadows.

They came out.

Me: Oh, that's not good!

Nico: Really not good!

Past Carla Claw: You piece of shit.

Carla Claw tried to slash him with her claws, but Michael Romero dodged and tried to shoot her, but he dodged an incoming bullet fired by Caleb Maxwell.

Past Vampire Elder: Yes, we have it nice and ready. (Sensed Cage Blunt) And it appears our other guests have arrived as well. Come out, Cage Blunt, no need to hide in the shadows.

They came out.

Past Jack Howard: Sir, we're from the NYPD Nightshift, and we're here to take custody of Michael Romero.

Past Marcus Mackenzie: We already know. But, sadly, we cannot let you do so. Your laws may work in the city, but here in Yuridia, the laws of mortal men mean nothing especially since the man The Big Claw Gang captured for Caleb is in fact a dangerous monster who must be put down for good.

Past Carter Kenrick: So, that's why Caleb was at NYU, he was there for him.

Past Marcus Mackenzie: Come, and we've got some winter coats and gloves for you, and we'd already called your Captain a few hours before you arrived, he's waiting for all of you.

The vampires brought out some winter coats for Jack Howard, Roxy Drake, Cuffs Lane, Jazz Jackson, Carter Kenrick, Casey Antonio, Cage Blunt, and The Big Claw Gang who put them on and they headed in to The Freezer Room where Captain Whitten was waiting along with Abby Smith and Vessie Harris. Then, the vampires stripped Michael Romero down to his boxers and they chained his wrists and hung him up.

Past Michael Romero: (Shivering) So cold! Where am I?

Past Caleb Maxwell: This is where you die.

Past Panther: Perfect for you.

Past Michael Romero: You little shit! My gang will kill you!

POW!

Caleb Maxwell punched him in the mouth and knocked out his teeth, and he grabbed him by his hair.

Past Caleb Maxwell: Stop talking now. Time to pay for what you did. So, you killed so many innocent teens and young adults with your drug businesses and covered them up making it look like a suicide just to save your own ass.

Past Michael Romero: You knew about that?!

Past Caleb Maxwell: You feel any remorse?

But, then...!

Past Michael Romero: They were nobodies, they're just pawns to squeeze dry of their money! I can do whatever I want!

Past Caleb Maxwell: What?!

The NYPD Nightshift heard it as did The Big Claw Gang, and they were disgusted.

Past Cage Blunt: I can't believe him. What a sicko.

Past Michael Romero: You're too soft, Maxwell, that's why you got killed by your ruthless brother all those years ago!

Suddenly, Panther punched him hard in the face multiple times and broke all his teeth as he screams in pain!

Past Panther: That'll shut you up, you piece of shit.

Past Caleb Maxwell: We're just getting started, Panther. (To Michael

Romero) Michael Romero, ready to suffer?

Vampire Watcher: Here, use this, Caleb.

A Vampire Watcher handed Caleb Maxwell a long black whip!

Past Caleb Maxwell: Thank you. Time to clean this mess up.

Caleb Maxwell grabbed the whip, and then...!

Past Caleb Maxwell: HAH!

SLASH! CRACK!

Past Michael Romero: AGH! AAAAGH!

CALEB MAXWELL STARTED SLASHING MICHAEL ROMERO IN THE BACK WITH THE WHIP AND MICHAEL ROMERO STARTED BLEEDING OUT, BUT THE BLOOD FROZE UP IMMEDIATELY!

Me: Oh man, I know that torture technique: that's The Freezer Torture, you leave your victims in a freezer until they die.

Nico: That's a soft way to die.

Panther: But, that was too soft for Caleb, so he decided to add a twist to it with the whip.

We watched the screen again for more.

Past Caleb Maxwell: BLEED FOR ME!

SLASH! CRACK!

Past Michael Romero: AGH!

Caleb Maxwell slashed him on the stomach!

Past Cage Blunt: Okay, now he's really gone crazy!

Past Jack Howard: Big time!

Past Marcus Mackenzie: That may be, but Caleb came up with the perfect way to punish this animal for good.

Michael Romero's blood kept freezing over his wound, and he was in a lot of pain from the looks of it as he had slash marks on his stomach, back, arms, and thighs. Suddenly, he started begging Caleb Maxwell for mercy, that was fast.

Past Michael Romero: Okay, okay! I'll come clean about everything! Please don't kill me!

Past Caleb Maxwell: Come clean about what?

Past Michael Romero: Look, about your death, yes, it's true Drake's the mastermind behind your death in 1985, and I was the one who supplied him and the four senior members of The Syndicate with the guns to kill you, and he came to me with getting your schedule, and he also told me to get rid of the evidence.

Past Captain Whitten: So, all this time..., it was you! You got rid of the evidence we needed to bring Drake down for Caleb's murder.

Past Caleb Maxwell: Is that all? Let's continue then.

SLASH! CRACK!

Past Michael Romero: AGH! Stop! I told you everything!

Past Caleb Maxwell: I don't care. You're still gonna pay. Hey, tell me this, why did you try to kill Jackie Reynolds? Be honest.

Past Michael Romero: She found out about my businesses and she was just about to tell her superior, Sergeant Ryan Jensen. But, what she didn't know was that he's one of my clients who helped me with my operation, and he told me to get rid of her because she's a loose end.

Caleb Maxwell tossed the audio recording of his confession to Captain Whitten.

Past Caleb Maxwell: I see. So, you want to live.

SLASH! CRACK!

HE WHIPPED HIS STOMACH AGAIN!

Past Michael Romero: Agh! Yes, please!

Michael Romero kept begging for mercy, but then, Caleb Maxwell approached him and he had a psychotic look on his face.

Past Caleb Maxwell: (Psychotic Voice) Sorry, but to me, you're just another loose end, so I can't let you go, you understand, right?

Past Michael Romero: AGH! (TERRIFIED SCREAM)

Michael Romero had a terrified look on his face, there was nothing he could say that could stop Caleb Maxwell: he was done for. So, Caleb Maxwell kept whipping him non-stop, but then, thirty-five hits later, Michael Romero drew his last breath. Then, they exited The Freezer Room.

Past Marcus Mackenzie: His frozen blood's no good for us. We'll dispose of him at once.

Past Captain Whitten: So, this was part of your plan. You gave me the evidence I need to get a search warrant to arrest Ryan Jensen and get him sent to prison for life. But, why would you help me and the NYPD? I know Blunt is a vampire, but...!

Past Marcus Mackenzie: True, Cage Blunt is a vampire, but Jack Howard took the risk with welcoming him to your precinct, and it indeed paid off. But, there is another reason, you did a lot for Caleb along with his younger sister, Allie, and his mother, Marlene, back in 1983, Captain Whitten, ever since Caleb exposed Drake Maxwell and Marcus Maxwell, and you wanted to help him, despite that you don't know that much about him or the family secret he has.

Past Captain Whitten: That cross tattoo on his right forearm.

Past Carter Kenrick: What about it?

Past Cage Blunt: It's a physical representation of the proof of him, Allie, Marlene, and their mom's relatives joining the vampires back in 1954.

Past Roxy Drake: What in the?! So, he's connected to...! Oh man, I have a headache!

Past Cuffs Lane: So, that's why I felt a darkness from Cage even after he joined us.

Past Casey Antonio: And how you survived getting shot at by Crowe and that you were pretty strong.

The video ended, but we saw for ourselves the sadistic side to Caleb Maxwell.

Me: Holy...!

Nico: Shit! Caleb, you're one sadistic badass! You really made that asshole suffer!

Eli: I had no idea you can be that sadistic!

Cage Blunt: You have no idea.

Travis Tackett: But, he really let that asshole have it big time.

Jack Howard: Despite that, we soon found out it was part of Marcus Mackenzie's plan. He knew that someone else had a part to play in Caleb's death back in 1985.

James Blunt: So, Marcus decided to do some digging with help from our connections, and then, after a few weeks of investigating, he found out Michael Romero was the one who supplied Drake and the four senior members of The Syndicate with the guns to kill Caleb along with getting his schedule and disposing of the guns after the job was done.

Cronus Chase: Which means that once the info was given to Caleb...!

Lincoln: He was absolutely pissed.

Nico: (GULPS) And that led to him going to NYU to grab Michael Romero and bring him to Yuridia and to that Freezer Room. (SHUDDERS) That was one of the sickest torture sessions ever!

Eli: Still think he'd be perfect for ANBU?

Me, Lincoln, and Nico: Oh heck no! No way!

Allie Maxwell: Can't say I blame you guys, you saw just how sadistic my brother can be when dealing with anyone with ties to The Syndicate. Even I was scared big time when he lets that side of him out. Thank God he didn't let that side of him out when we fought Nappa, otherwise, it was gonna get ugly.

Nico: Your older brother relented, Allie, that was good to hear. But, sooner or later, if someone dares to piss him off, then, that's when things are really gonna get ugly.

Lincoln: You said a mouthful. Hey, Nico, Qin, are you and your friends going to be okay?

Lincoln asked them.

Qin: (Thinking) How can we even tell him? We lost Sebastian for good, but...!

Nico: (Thinking) I know, but he's concerned about us. After all, he knew we were friends with him and he did drive that bitch, Connie Flammel, away long ago and we also told everyone of that little incident that led to his descent into madness when he betrayed us and...!

Suddenly, with a thought, Lincoln sent a ray of light that soothed the thoughts of Nico, Qin, and their friends.

Lincoln: (Thinking) (To Nico) Hey, it's going to be okay, Nico.

Nico: (Out Loud) Lincoln...

Me: How did you learn how to do that?

Lincoln: I also have the power to soothe a person's troubled thoughts by sending a ray of light with a single thought. Nico, Qin, I've got an idea, tomorrow, on my rescue, we're going to go to Bubblaine, so that we can relax after what happened.

Nico: (Smiles) Thanks, Lincoln.

Qin: We really need it. (Thinking) Nico, I've got a plan to show our thanks to Lincoln, let's fix Lincoln up with the sisters of our old friends.

Nico: (Thinking) Good idea. I still remembered that Renata showed them Lincoln's recent photo: the one of him in his speedo, and when they saw it, boy, did they go wild and crazy with love, they even did wolf whistles and cat calls. We'll have to ask Renata for help, I hope she's got their contact info. But, we can't let Lincoln know.

Qin: (Thinking) Got it. But, what about the two big mouths of the team, Plucky Duck and Ronnie Anne's grandfather, Hector Casagrande? The second Plucky opens his big fat beak, he's gonna spill the beans, and Ronnie Anne said that her grandfather's a Chismoso who can't keep his big fat mouth shut.

Nico: (Thinking) Leave that part to me. I'll find a way to keep Plucky from opening his big fat beak, but Mr. Casagrande. (Smirks) (Thinking) I think that part will be handled by Mrs. Casagrande, she always has her Chancla ready in case he does something she doesn't like.

Qin: (Smirks) (Thinking) Smart idea. But, we got to keep this a secret from Lincoln.

Nico: (Thinking) That's gonna be hard, he's the chief psychic and clairvoyant, he'll see what's up and the jig will be up, and he might get his sisters to interrogate us!

Qin: (Thinking) I ain't afraid!

Nico: (Thinking) Bad idea to say it, Qin. I've seen what Lori, Lynn, Lola, Lisa, and Luan are capable of when this concerns their brother: Lola's an animal when it comes to making someone spill the beans, Lori's like an interrogator at a police station, Lynn, oh forget it, one wrong move and she'll flatten you into paste, Lisa's machines can easily find out, and Luan, oh if she gets Mr. Coconuts involved, you're in trouble.

Qin: (Thinking) Shit...! Okay, we'll find a way to keep a secret from Lincoln.

We got a shower, and then, Lincoln, Blackarachnia (Transformers Rise of the Beasts), Viola, Witchy Simone, Y'shtola Rhul, Refia, Reynn, Shalua Rui, and Fina are heading to Everbay Coast.

Lincoln snapped his fingers, and the 9'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Blackarachnia (Transformers Rise of the Beasts), Viola, Witchy Simone, Y'shtola Rhul, Refia, Reynn, Shalua Rui, and Fina are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Blackarachnia (Transformers Rise of the Beasts), Viola, Witchy Simone, Y'shtola Rhul, Refia, Reynn, Shalua Rui, and Fina all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and life energy and he killed them all.

Refia: Wow, we're here in Everbay Coast, it sure is beautiful.

Lincoln: It sure is, Refia, and it's perfect for our first date, shall we?

Lincoln, Blackarachnia (Transformers Rise of the Beasts), Viola, Witchy Simone, Y'shtola Rhul, Refia, Reynn, Shalua Rui, and Fina dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Blackarachnia (Transformers Rise of the Beasts), Viola, Witchy Simone, Y'shtola Rhul, Refia, Reynn, Shalua Rui, and Fina got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Witchy Simone: (Swooning) Everyone was right about what'd happened to Lincoln, he'd changed from the little kid from eight years ago into a handsome and manly wolf hunk!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Blackarachnia (Transformers Rise of the Beasts), Viola, Witchy Simone, Y'shtola Rhul, Refia, Reynn, Shalua Rui, and Fina and hugged them in their abnormally massive and powerful muscular arms, and Blackarachnia (Transformers Rise of the Beasts), Viola, Witchy Simone, Y'shtola Rhul, Refia, Reynn, Shalua Rui, and Fina placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Blackarachnia (Transformers Rise of the Beasts), Viola, Witchy Simone, Y'shtola Rhul, Refia, Reynn, Shalua Rui, and Fina and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit

them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Everbay Coast, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Blackarachnia (Transformers Rise of the Beasts), Viola, Witchy Simone, Y'shtola Rhul, Refia, Reynn, Shalua Rui, and Fina on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Blackarachnia (Transformers Rise of the Beasts), Viola, Witchy Simone, Y'shtola Rhul, Refia, Reynn, Shalua Rui, and Fina are now in your harem, Linky.

Blackarachnia (Transformers Rise of the Beasts), Viola, Witchy Simone, Y'shtola Rhul, Refia, Reynn, Shalua Rui, and Fina showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Witchy Simone: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Anita, Pipp, and Derpy's 3rd mission

Nico: Anyone else want to go with Anita, Pipp, and Derpy? Besides Irma, Aligned Bumblebee, Heat Wave, Cody Burns, Jasper, Allure, and (DROOLS) Cheese Monster?

Cameron: I'll go.

Devack: So will I.

Bubbles Fartsy Hooves: I'll go too.

LOUD LONG NASTY HORRIBLE FART!

Me: Try to hold in your farts while we're there Bubbles.

Bubbles Fartsy Hooves: Okay.

Sunny Starscout: And me and my friends will go too.

Me: Cool!

Nico: Lets go then.

We were off.

We arrived.

Asahi: Hey guys!

Me: Awesome to see you guys.

Pipp: Guys, meet Irma, Aligned Bumblebee, Heat Wave, Cody Burns, Jasper, Allure, and Cheese Monster

Irma: Pleasure to meet you. I'm Irma Lair, Guardian of Water.

Aligned Bumblebee: I'm Bumblebee, I am from the Aligned Universe.

LOUD LONG NASTY HORRIBLE FART!

Isami Minato: WHEW!

Derpy Hooves: This is my sister Bubbles.

Bubbles Fartsy Hooves: Pleasure and sorry I can't help it. I have a condition.

Asahi: Oh man. That's okay.

Cameron: Pleasure to meet you. I'm Cameron.

Devack: And I'm one of the Dark Signers, Devack.

Asahi: Pleasure and an honor.

Nico: Yeah. Because of her all the magic in Equestria disappeared.

Me: Sunny and friends brought it all back and we dodged a massively huge bullet in our world.

Eli: Long story on that. But it was awesome.

Lincoln: It sure was.

Pipp: But I can tell you what I do for a job

Me: We told you this earlier and she does hair and nails. She made my hair like this. It was part of a trend that we had going from her legacy, Rarity. I decided to permanently incorporate this into my hair.

Asahi: It looks awesome for you.

Pipp Petals: I make really amazing and awesome hair styles and fashions that are absolutely chique!

Nico: She sure does. And she has an amazing pop song band at her salon which is awesome.

Isami: That is awesome!

Me: I'll say!

Devack: How would you guys like to accompany us on a trip?

Katsumi: Sure. Where are we going?

Me: We're going to Canterlot High School. We're going to find Sunset Shimmer from Sunny's world before we battle one of your enemies.

Sunset Shimmer: It's just to get it done before the big day.

Me: YEah.

Katsumi: Okay lets go. You lead the way guys.

Me: Roger that.

Lincoln: I'll help too. I know where to find her too.

Me: Okay.

Katsumi: I wonder what the school looks like now.

Me: We'll find out when we get there.

We were off.

We arrived at Canterlot High School and it was really awesome.

Me: Wow! The school has improved a lot since we were here last.

Nico: It sure has.

But when we got inside we saw that it was a mixture of Canterlot High and Crystal Prep!

Me: Whoa! Looks like Canterlot High and Crystal Prep decided to bury the hatchet competition wise and merge schools together.

Misty Brightdawn: That is amazing!

Sunset Shimmer: Wow! This is amazing!

Lincoln: It sure is!

Nico: That is cool.

Allure: I was expecting it to be abandoned

Me: Same here. But remember our worlds merged together?

Allure: Oh right I forgot about that.

Nico: Yeah.

Dean Cadance: Hey guys.

Me: Oh Hello Dean Cadance.

Dean Cadance: Like what happened to the school?

Me: It's an amazing improvement. You guys decided to join schools together.

Dean Cadance: We sure did. We remade our schools into one and we now call it Canterlot Crystal High School.

Me: That's awesome.

Nico: It sure is.

Me: We're just here on official Guardian of Harmony business. We believe that one of the Guardians of Harmony is right here in this school in the Janitors closet.

Dean Cadance: Wow!

Me: Long story on that one

Nico: What happened to Celestia and Luna?

Dean Cadance: Oh they are still here. They are busy as ever. They are on lunch right now.

Me: Okay then.

Dean Cadance: If you need anything let me know.

Me: Will do.

We went to the Janitor's closet.

Me: It's this one from what we saw in Galaxia's notes.

Nico: Okay.

I tried to open the door but it was locked.

Me: Uh oh it's locked. No worries I got a key.

Nico: Too bad Eddy isn't here to bang the door with a shovel.

I formed a skeleton key and opened it and we went in.

Me: Now lets see here.

We walked around and looked around.

Me: Lets see here.

Lincoln: Hmm. According to my dream I had, it's under the floor.

Me: Hmm.

We then saw a symbol on the floor and the shelf of Cleaning Stuff was covering it.

Me: Huh? Nico help me lift this shelf.

Nico: Okay.

We lifted it and moved it and saw the symbol of Sunset Shimmer's cutie mark on the floor.

Nico: There it is!

Misty Brightdawn: Wow! Let me.

She pressed it and then a massive door opened and the floor opened and out from the floor arose the coffin! And in it was SUNSET SHIMMER from Sunny's World!

Sunset Shimmer: There she is!

Sunny Starscout: Oh wow! That was amazing!

Eli: Wow! Usually it's a big cave like dungeon room.

Me: Not this time.

Asahi: Wow that is amazing to see.

My sword then glowed and reacted.

Me: Wow! Here we go.

Misty Brightdawn: Lets see here.

She touched the coffin and then a massive flash of light bursted out and then it enveloped Canterlot City and made it more awesome and amazing than ever! Sunset Shimmer awoke for the first time in a thousand years!

Nico: WHOA!

Sunset Shimmer (G5): What? What happened?

Me: Welcome back Sunset.

Sunset Shimmer (G5): J.D., Nico, Eli, everyone? What happened?

Me: You were asleep for over 1,000 years. You were buried here in my world.

We told her everything with Opaline and more.

Nico: And that sums it up

Sunset Shimmer (G5): Oh man! I missed out on a lot.

Sunset Shimmer: Yeah but now that you're back we can fix the damage done by her.

Me: Yep.

Katsumi: And we'll be ready when that time comes.

Me: Yep.

Sunset Shimmer (G5): Thank you all.

Me: Anytime. But before we go home we have important Ambassador Mission work to do first.

Nico: Yep.

We went back to Japan.

We arrived.

Me: Wow! That was fun.

Asahi: It sure was!

Me: There should be one of your enemies at large now.

Katsumi: That's right.

Nico: Who is it?

Then the alarm went off and we saw SNAKE DARKNESS running around!

Eli: WHOA! Snake Darkness.

Me: I remember him!

Eli: UH OH! I'm sensing a HUGE Disturbance in the Force!

Nico: Really? What is it?

Eli: Look who's on top of his head.

We zoomed in and saw that it was FLIP!

Me: FLIP!?

Eli: Flip!?

Katsumi: You mean that mutant cheepskate that everyone hates with a vengeance!?

Me: Yep the very same. And he was responsible for many of the atrocities that befell most of Gotham Royal York and Lincoln and his family. He's the most HATED MAN in all of Gotham Royal York.

Lincoln: Long story on that and also I can't tell you how badly me and my Guardian Angels want to kill him over and over and over and over again. This must be a clone of him.

Me: Looks like you're going to get your shot at making him pay for everything he did.

Nico: And just when all of us moved on without him

Me: We still have a clone of him at Lynn's Table remember?

Nico: Oh yeah. I keep forgetting that!

Me: No worries. Lets go get that son of a bitch! I still have some fury to let loose on him for his father Sending Halinora Hatfield's father to hell unjustly!

Nico: YEAH!

Irma: (WATER SPLASHES) WATER!

Heat Wave: RESCUE BOTS ROLL OUT!

Aligned Bumblebee: LETS TRANSFORM AND ROLL OUT!

We were off.

We flew and we saw SNAKE DARKNESS!

Nico: There he is!

Eli: Time to fight Snakes with Snakes. MANDA!

Out of the water came MANDA!

Manda roared.

Snake Darkness roared!

Manda: So Snake Darkness is here.

I flew in and punched Flip and knocked him off of Snake Darkness's head and smashed him into the ground!

He got up and he was enraged when he saw me and Lincoln and us!

Me: Well if it isn't our least favorite douchebag!

Lincoln: You've got a lot of nerve coming back Flip!

Flip: YOU MADE AN ABSOLUTE FOOL OF ME!

Nico: Hey, we're not happy right now either! We thought we were done with you!

Me: Before we fight, I've been wanting to say this for a long time.

I went over to him and grabbed him by his shirt.

Me: ***YOU LISTEN HERE YOU UGLY MUTANT! I CAN'T EVEN BEGIN TO DESCRIBE HOW MUCH I HAVE HATED YOUR GUTS EVER SINCE I MOVED TO ROYAL WOODS 8 YEARS AGO IN 2016! Flip: I'm hurt now.

CRUNCH! CRUNCH!

I cracked my neck.

Me: WHEW! Man that felt good.

Nico: Feel better?

Me: Yeah just needed to get that out of my system.

Lincoln: I couldn't have said all that better myself.

Flip then got explosively mad! HE WENT AT LINCOLN!

Lincoln then punched him in his face and knocked out many of his teeth!

Lincoln punched him and kicked him ferociously all over the place with intense fury!

Cody Burns got out his Agito Weapon And it was a laser blaster.

He fired laser blasts and blasted Flip and Snake Darkness all over.

Aligned Bumblebee and Aligned Heat Wave blasted and pulverized Flip all over.

Sunset Shimmer punched Flip in his stomach and bashed him in his nose! Then she blasted him with a wave of intense fire and burned him all over and he was screaming in pain as he was burning!

Aligned Bumblebee got out his Agito Weapon and it was a star sword and he slashed Flip and Snake Darkness all over.

I fired waves of lasers and blasts with Super X's weapons and blasted Flip all over and numerous fiery explosions blasted off all

over!

Nico: WHOA!

FLIP WAS REALLY BEING MUTILATED ALL OVER THE PLACE WITH INTENSE FURY!

I fired more lasers!

Eli: TAKE THAT!

Aligned Heat Wave got out his Agito Weapon And it was a water blaster. He fired waves of water and drenched him.

Me: WHY YOU LITTLE!?

I grabbed Flip and strangled him like Homer did!

THEN WATERFALLS OF GOLD AND JEWELS AND MORE CAME OUT OF HIM!

Me: I guess remnants of the curse are still on him.

Nico: NICE!

Derpy charged at him And headbutt Flip.

Then a massive Solar Beam blast hit Flip and Snake Darkness and blasted them down.

Me: What the!? Where did that come from?

Eli: There!

We saw a Beautifly!

Me: Whoa a Beautifly!

Nico: Where did that come from?

Me: It must be one of Dark Gale's work.

I used telepathy and gasped.

Me: Oh man! That's Calliya McShannigan! She's Numbuh 86's big sister and one of Numbuh 3's best friends.

Nico: WOW!

Me: I'll face her. You hold him.

Nico: Right!

I went to face her.

Me: Calliya calm down and lets talk.

All she did was use Silver Wind.

I formed a force field and blocked it.

Me: WHOA! Looks like we do this the hard way.

I fired waves of lightning and blasted her.

Me: Yeah!

I snapped my fingers and she reverted back and was a girl with magenta hair and blue eyes and had purple butterfly wings and had Beautifly in the middle of her forehead and had a butterfly with a Rainbow Monkey on her arm as her cutie mark.

I wrapped her in a blanket and she woke up.

Calliya McShannigan: (Groans) (Scottish Accent) What happened to me lads?

Me: Glad you're awake.

Calliya McShannigan: J.D.? What happened? Where am I?

Me: You're in Japan. Long story. You were turned into a Beautifly by Dark Gale.

Calliya McShannigan: (GASP) I remember now!

She was in a purple suit and was injected. Then she shrank and turned into BEAUTIFLY! She flew out of there.

FLASHBACK ENDS

Calliya McShannigan: That was awful now.

Me: It was but Dark Gale is destroyed. Also we're in the middle of a battle now.

Nico: May would love you!

Calliya McShannigan: Really?

Me: Yeah she has a Beautifly as one of her Pokemon. Also lets get you some clothes.

I snapped my fingers and gave her purple clothes and a fairy sword.

Calliya McShannigan: I look amazing now!

Me: Yep.

Calliya McShannigan: Let me at him!

She fired a blast of energy and blasted Flip.

But then a figure flew in and kicked Snake Darkness down and crushed Flip!

Me: WHOA!

We saw that it was a girl with dark green hair and had red eyes and black clothes and wings and had a tiara with Ultimate Humongousaur on it!

Me: (GASP) Galatea Terradino!

Nico: WHOA! Ultimate Humongousaur's Embodiment!

Galatea Terradino: (GRUNTS) Yeah and good I came. Thought you could use a hand.

Me: Yeah thanks!

Galatea lost control and fired missiles at Devack

Devack dodged them and summoned Earthbound Immortal Cusillu and they blasted her.

I fired the Antidote Ray and injected her.

Calliya McShannigan: Lets bring her down now!

She fired laser blasts and blasted her all over.

Cameron: Lets see how she likes this.

Cameron got out his Agito Weapon and it was a blaster and he blasted her all over.

Nico: It's true. Ultimate Humungousaur can fire missiles

Me: Yep.

Eli: Awesome!

Lincoln fired a blast of lightning and electrocuted her.

Bubbles Fartzy Hooves: This will hurt.

She grabbed her face and farted in it.

LOUD NASTY LONG HORRIBLE FART!

The fart caused the antidote to kick in and she was back to normal.

Galatea Terradino: (Groans) What happened? (Sniffs) AND WHAT THE FUCK IS THAT HORRIBLE STENCH!?

Bubbles whistled innocently.

Nico: Um...no comment.

Me: Lets just finish him.

Katsumi, Isami and Asahi: ULTRAMAN POWER!

They transformed and fired waves of energy and fire and ice and blasted Snake Darkness and he exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

He was dead and I caught more Ultra Crystals. They were for Darkness and Rain.

Me: Ooh wow.

Nico: Snake Darkness you have failed this world.

Lincoln: And I have something planned for Flip here.

We tied him up and gagged him.

Me: Yeah!

Nico: Your role in Sonya's team?

Calliya McShannigan: Well I'm the Rainbow Master of the team and use Rainbow Lasers to bring down our enemies. Outside the team I like doing slumber parties with my sister and her friends.

Me: That is awesome!

Eli: It sure is!

We later came back home.

May: Hey guys how did it go?

Me: Really eventful!

We told them everything and it was shocking!

Anna Anyanova: WHOA! So Flip was there!? A clone too. Now we can let loose some pain on him.

Me: Yep and we found Sunset from Sunny's world too.

Nico: Next time. Kadma, Soichi, and Snake should come

Me: Good idea!

Qin: Yeah!

We cheered.

At the park, we were relaxing and Lincoln and his Guardian Angels were really ripping the clone of Flip to shreds.

Me: Nothing like relaxing in the park.

Camie: You said it.

Varie: Yeah.

Haru Salisbury: Remind me again why we don't just end the Flip clone?

Me: Because Lincoln and the Guardian Angels have a lot of rage and fury to unleash.

Haru Salisbury: Oksy.

But then...

Donald Duck: BILLY WHAT ARE YOU DOING?!

Billy: I love Daisy Duck!

Donald Duck: SHE IS MARRIED TO ME!

Billy: WELL SHE WILL LOVE ME SOON!

Donald Duck: YOU SHUT THE FUCK UP!

Billy: WHAT DID YOU SAY!?

Donald Duck: I SAID SHUT THE FUCK UP YOU BIG NOSED MALIGNANT BUTTFACE!

Billy: YOU DUCKBILLED FREAK!

Donald Duck: YOU STUPID FUCKFACED MULE!

Billy: YOU FEATHERED PILLOW FREAK!

Donald Duck: SAYS THE BOY THAT BEAT UP J.D.!

THEN BILLY ROARED AND PUNCHED AND PULVERIZED DONALD! THEY BOTH PULVERIZED THE LIVING SHIT OUT OF EACH OTHER!

THEY WERE REALLY BEATING EACH OTHER UP!

Jessica Shannon: What are they doing?!

We went over and broke them up.

Me: Okay what's going...

Donald went at him more!

Eli: Pardon me you two but I must discipline the nannygoats!

He grabbed them and then..

KRABLANG!

He bashed their heads together and birds chirped and spun around their heads!

Camie: Ouch.

Breakdown: What's this about?!

Donald: This malignant big nosed buttface is crushing on Daisy!

Me: Really?

Daisy: Billy I'm flattered you like me. But I am already spoken for.

Donald smiled.

Billy then got sad and then bursted into tears!

Billy: (CRYING HARD)

Me: Poor Billy.

Varie: Yeah.

Mirage: Is he gonna be okay?

Grim: (Jamaican Accent) He'll be over it. In a few years time.

Me: Yeah

Rage Mage: Can we please kill the Flip clone now?

They fired energy blasts and killed him.

Lincoln: Done.

Qin: Cool.

Nico: Honestly, I really thought we'd have moved on from him!

Lincoln: Well I found out that it was the work of a mad scientist that you stopped ages ago Nico.

Nico: Really?

Lincoln: Yeah.

Nico: Do you know which one?

Lincoln: His name is Dr. Victor Wexto.

Nico: WHOA! I remember him! He was responsible for inhumane cloning experiments.

Me: I've heard of him! He was creating clones of people we hate to take over the world.

Camie: Geez!

Nico: We should make a note to get rid of him in the future.

Me: Okay.

Lola: Yeah.

Nico: Who knows how many clones he's made!

Lincoln: Well his lab was destroyed.

Nico: Good.

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the next mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Todd Arliss A.K.A. Tiger Shark, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: Oh crud, we've got trouble.

Eli: Who was that?

Lincoln: Someone who's about to be sent to The M.O.E. after we kick his butt.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it was Todd Arliss A.K.A. Tiger Shark, and he's causing havoc.

EVERYONE GASPED!

Me: Todd Arliss A.K.A Tiger Shark. I heard he is a nasty piece of work.

Jessica Shannon: Man, this is gonna be one nasty battle!

Nico: Big time, but like you said, Lincoln, we'll send him to The M.O.E. after we kick his ass. So, where is he, Lincoln?

Lincoln: Tiger Shark's in New York.

Me: Figures.

Nico: Well, we're gonna take that guy down hard. Alright then, let's get going and take Tiger Shark down.

Lincoln: And send him straight to The M.O.E.

The Previous Group came

Seadramon: Can me, Cheshire, Dark Turtles, Doc Ock, Beast Man, Hydrax, Manta Bayarsh, Gator Ghoul, Mojo Jojo and Riddler go with you guys?

Dark Don: And is it true that a clone of Flip was here?

Nico: Yes it was true and yes you all can come with.

Dark Don: Geez!

Lola: I know.

Needlenose: Boss, which Gene Slammer do you think you'll meet next?

Dark Raph: I hope it's a tough one!

Nico: Hmm... Dark Witch next.

Nicole: Spellbinding.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and eleven sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Neff from Altered Beast, and he's come back for revenge on us. When we saw it, we knew it meant trouble.

Lincoln: Are you kidding me?!

Me: Lincoln, was that...?!

Lincoln: Yep, the figure we saw in the vision orb was none other than Neff from Altered Beast, and he's come back for revenge on us.

Luna Matsuda: Well, in that case, this is where he meets his end here.

Lincoln: After we deal with Tiger Shark.

Nico: That's for sure. Alright, team, let's go, we're heading to New York to take down Tiger Shark.

Lincoln: And send him to The Masters of Evil, and once we get done with him, you're next, Neff.

Luna Matsuda: The suffering you've caused to so many innocent souls can never be forgiven, you will be erased from history and reality forever, Neff.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to New York to take down Tiger Shark and send him to The Masters of Evil, and once we get done with him, Lincoln and Luna Matsuda are going to destroy Neff and send him to The Black Abyss.

We were off.

We arrived.

Dark Leo: Here we are in New York.

Me: The City That Never Sleeps.

Dark Mikey: Let's call Dr. Polaris!

Me: Good idea.

We called him.

He arrived.

Dr. Polaris: I'm here guys.

Captain America: I bet you guys want to know more about Tiger Shark.

They nodded.

Captain America went over his history

Todd Arliss is a selfish Olympic swimmer who, seeking public acclaim, attempts to rescue a drowning man. In the process, Arliss suffers a spinal cord injury when waves push him into a ship. Desperate to regain his swimming ability, Arliss willingly participates in an experiment by scientist Lemuel Dorcas, who splices his DNA with that of hero Namor and a tiger shark. Although successful, the process changed Arliss both physically and mentally, endowing him with razor-sharp teeth and gills and making him savage and predatory.

Becoming a supervillain and calling himself Tiger Shark, Arliss finds and threatens Lady Dorma, demanding to be crowned Lord of Atlantis. Namor, however, deposes Tiger Shark, who is imprisoned in Atlantis. Tiger Shark escapes from Atlantis during a rebellion caused by the artifact the Serpent Crown and encounters Namor once again.

Tiger Shark battles Orka, the minion of Atlantean noble Warlord Krang. The pair cause an undersea avalanche that buries them for several months.

Once free, Tiger Shark discovers he is losing his powers and teams with the villainess Llyra against Namor and his allies Stingray and the Human Torch. Tiger Shark's powers are restored by Llyra, and Tiger Shark accidentally kills Namor's father, Leonard Mackenzie, as the villains retreat. After encountering the Hulk at Niagara Falls, Tiger Shark reunites with Dr. Dorcas and battles Namor and the hero Spider-Man. On this occasion, Tiger Shark is savagely beaten by Namor and left for dead. Tiger Shark, Dr. Dorcas and Atlantean warlord Attuma seize the island Hydrobase and again battle Namor, who allied with Doctor Doom. Dorcas is accidentally crushed to death, with Tiger Shark and Attuma being defeated and imprisoned.

Tiger Shark escapes from Hydrobase and abducts Namor's cousin Namorita before being recaptured by heroine Ms. Marvel.

Tiger Shark joins the supervillain team the Masters of Evil who battle the Avengers. With the Masters of Evil, Tiger Shark aids villain Egghead in a plan to ruin Hank Pym, but is ultimately defeated by Pym. Tiger Shark joins Baron Zemo's version of the Masters of Evil and invades Avengers Mansion, escaping when the Avengers retake their headquarters. The character flees with fellow Masters member Whirlwind to California, where both are captured by Avengers West Coast members Tigra and Hellcat.

During the Acts of Vengeance storyline Tiger Shark battles Wolverine; feigns illness to escape prison, and eventually battles Stingray. Tiger Shark ceases the hostilities to help rescue his sister, who is trapped in a cave-in. After being captured for study and then rescued by Namor, a grateful Tiger Shark renounces crime. Renaming himself Arlys Tigershark, he marries a woman from an undersea tribe of nomads. However, he reverts to his savage ways when his pregnant wife and her tribe are killed by savage undersea creatures called the Faceless Ones. He aids Namor against Suma-ket, the master of the Faceless Ones, who leads an attack on Atlantis that fails when Suma-Ket is killed in battle. Together with the Inhuman Triton and the Fantastic Four, Tiger Shark reluctantly aids Namor against an attacking alien[30] and after a battle with Namor clone Llyron features as part of the team Deep Six and battles the Avengers.

In Thunderbolts, Tiger Shark has inexplicably mutated into a more shark-like being, joins Justine Hammer's version of the Masters of Evil, and has several skirmishes with maverick superheroes the Thunderbolts.

Tiger Shark — once again in human form — joins Attuma's version of Deep Six (consisting of Nagala, Orka, Piranha, and Sea Urchin) to conquer Atlantis, initially successful the villains are eventually defeated, with Tiger Shark quickly defeated by cosmic hero the Silver Surfer.

The character appears next — again in mutated form — in the title She-Hulk, and is imprisoned in the prison facility called the Big House, where inmates are kept at miniature size. Escaping with several other inmates at microscopic size by riding on the back of heroine She-Hulk's hand, Tiger Shark and the other villains emerge and attack when she visits a law firm. Tiger Shark is defeated when She-Hulk throws the villain Electro into the water he is standing in, electrocuting Tiger Shark and short circuiting Electro. Tiger Shark appears (in human form) during the mass supervillain breakout at prison facility the Raft and is recaptured, along with fellow villain Armadillo, by the group the New Warriors. The character is seen briefly as an employee of the Owl in the limited series Underworld.

In the 2007 limited series Fallen Son: The Death of Captain America, Tiger Shark steals an artifact called the "Horn of Gabriel", and uses it to summon huge sea monsters and direct them against the surface world. He is, however, defeated by the Mighty Avengers. Tiger Shark also features as part of a supervillain enclave being solicited by new crime boss the Hood, who hopes to take advantage of the split in the superhero community caused by the Superhuman Registration Act.

Al Kraven, the son of long-time Spider-Man foe Kraven the Hunter, briefly captures Tiger Shark when collecting animal-themed superhumans. Tiger Shark attempts to extort money from Norman Osborn, the leader of a revamped version of the Thunderbolts, but is beaten into submission by Venom and forced to secretly work for Osborn.

During the 2008 "Secret Invasion" storyline, Ms. Marvel saves Tiger Shark from being killed by an alien Super-Skrull in Raft. Tiger Shark also skirmishes with Deadpool at the direction of Osborn. The Elder of the Universe the Grandmaster also recruits the character to be part of a team called the Offenders in a bid to thwart the Hulk.

Tiger Shark joins a new version of the Lethal Legion, led by the Grim Reaper, in a three issue limited series which ties into the 2008-09 "Dark Reign" storyline.

During the 2011 "Fear Itself" storyline, Liz Allan and Normie encounter two men, one of whom was wounded by Tiger Shark during his bank robbery. Tiger Shark later joins Attuma (in the form of Nerkodd: Breaker of Oceans), Tyrak, and Attuma's sister Aradnea in taking over New Atlantis. As Namor and his allies fight off Nerkodd's forces and the Undying Ones, Loa is attacked by what appears to be a two-headed Tiger Shark.

During the 2016 "Avengers: Standoff!" storyline, Tiger Shark was an inmate of Pleasant Hill, a gated community established by S.H.I.E.L.D.

Tiger Shark attacked a cruise ship which Stingray and Diane Newell were on. Stingray fights Tiger Shark which continues underwater. Namor breaks up the fight and demands their allegiance. After Stingray is attacked by War Sharks summoned by Namor when he tried to reason with him, Tiger Shark reluctantly took up Namor's offer and became a member of his Defenders of the Deep.

When he was done we were shocked.

Xenia: WHOA!

Qin: Geez!

Lola: Yeah!

Caitlyn: And he's an aquatic fighter

Me: Yep and he is one tough cookie.

Lola: Yeah.

Nico: This will be awesome.

Hydrax: (to the mascots) While we're waiting, why don't you tell Ace and the others about the time we went to the beer planet?

Poromon: Sure!

Ace: Beer planet?

Me: Yeah we found an ocean planet made of beer.

Camie: It was a silly place that the Mascots loved going to.

Lync: They drank lots of the beer there

Me: Yep.

Poromon: We were drunk as loons there!

Xenia: Yeah!

Ace: That is funny!

Varie: It was.

Shrapnel: The rest of us didn't drink any beer there

Me: Yeah.

Nico: It's true.

Qin: Don't forget Ted there.

Ted: Yeah I drank a bunch of beer there too.

Laney: He sure did.

Riddler: Riddle me this, Ace: Which food planet would you like visiting?

Ace: A Ramen Planet.

Naruto: That's my favorite!

Qin: Cool!

Ace: Nice! You know one like that?

Me: We sure do.

Camie: Yep.

Laney: That was a fun one.

Yolei: I love the Borscht planet.

Leni: Me too!

Suddenly, Lincoln had a premonition and he had a massive nosebleed, but he didn't get sent flying.

Me: What the? Uh oh, Smoking Hot Akuma Alert?!

Lincoln: Yep, the Akuma located here is Lady Venomwasp, the hypothetical Akuma of Jessica Shannon and she's a wasp woman with a deadly sting and she's a girl that's not to be messed around with. She was made because of Sabretooth hurting her and she vowed to rip and sting that monster to shreds.

Lincoln got out his notebook and we saw it: she's a red-haired wasp girl with red angel wings.

WE GASPED!

Nico: Ooh boy!

Me: Oh crap...!

Jessica Shannon: This isn't gonna end well.

Lincoln: We need to stop her though, and I'm going to promise her this and you, Jessica, if I ever see that filthy animal, Sabretooth, I'm gonna rip him apart limb from limb and make him bleed to death!

WE GASPED!

Wolverine: You're gonna need help with this one, kid. I've still got a score to settle with him.

Lincoln: Thanks, Logan. But, for now, we need to find Lady Venomwasp.

Nico: Right.

We flew off, and we found bodies of dead thugs, and we saw they were stung and died from venom. Their bodies were really swollen and loaded with sting bumps.

Lincoln: Wasp venom, there's no mistaking it.

Suddenly, we found Lady Venomwasp.

Lincoln: There she is.

Me: Jessica, is that you?

Dr. Polaris: I was gonna say!

Lady Venomwasp: Hey, guys, hey, Linky.

Suddenly, Lincoln walked up to Lady Venomwasp.

Lincoln: Jessica, I know pleading for you to stop isn't going to help in any way. But, I know one thing is going to stop you: I promise you I am going to kill Sabretooth and make him pay for what he did in hurting you, I am going to rip him apart and make him pay.

The words Lincoln said to her got to Lady Venomwasp as she hugged him and cried, and Lincoln returned the hug as he wrapped his arms around her.

Lincoln: Did you kill the Sabretooth from your world?

Lady Venomwasp: No, I was about to, but a black-clothed insane monster dragged him out and sent him here and I followed him.

Me: That was our former team member and teammate turned traitor, Sebastian.

Suddenly, Lincoln caught the scent of someone and he fired a blast of lightning which hit a nearby bush and forced out Sabretooth from Lady Venomwasp's world.

Lincoln: Victor Creed A.K.A. Sabretooth, you better start counting your sins because now that you're here, I'm gonna rip you apart limb from limb! What you did to Jessica in harming her will never ever be forgiven! (SAVAGE WOLF GROWLS)

Sabretooth of Lady Venomwasp's World: DIE! (ROARS)

SABRETOOTH RAN AT LINCOLN AND TRIED TO SLASH HIM WITH HIS CLAWS, BUT LINCOLN DUCKED AND HE SLASHED AT HIM RIGHT IN THE CHEST WITH HIS SHARP GOLD-PLATED DRAGON CLAWS LEAVING CLAW MARKS ON HIS CHEST! BUT, HIS WOUNDS HEALED IMMEDIATELY! THEN, LINCOLN AND SABRETOOTH WENT AT EACH OTHER AND HE SLASHED AT

SABRETOOTH WITH HIS CLAWS AND SABRETOOTH'S BLOOD WAS BEING SPILLED ALL OVER THE FUCKING PLACE!

Nico: OH MAN!

Me: DAMN! LINCOLN'S EXTREMELY VICIOUS AND WILD!

Caleb Maxwell: (To Wolverine) Hey, aren't you gonna jump in and help Lincoln?

Wolverine: You kidding me? There's no way I'm getting in the middle of that.

Eli: DAMN! THIS IS GETTING UGLY!

Suddenly, Lincoln turned one of the tips of his eleven massive and long brown wolf tails into Cell's stinger and he stabbed it into Sabretooth's chest and he began absorbing him and he sucked out and absorbed Sabretooth's muscle mass, Enhanced Mutant Physiology, Regenerative Healing Factor, Contaminant Immunity, Decelerated Aging, Superhuman Senses, Enhanced Sight, Enhanced Hearing, Enhanced Smell, Enhanced Taste, Claws and Fangs which made his claws and fangs even stronger than ever, Superhuman Strength, Superhuman Speed, Superhuman Stamina, Superhuman Durability, Enhanced Reflexes & Agility, Hand-to-Hand Combat Expert, Master Tracker, Cunning Intellect, Expert Marksman, Avid Manipulator, Advanced Covert Ops Specialist, and Special Skills, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Dr. Polaris: Oh man! I heard about Sebastian turning traitor! I'm sorry.

Me: It's okay. He had it coming.

Gluko: What happened to the Wasp that's your partner?

Lady Venomwasp: She disappeared.

Me: She might have been akumatized too.

Qin: Yeah.

Me: That was delicious.

Then, when Lincoln and me were done and the stinger changed back and my stinger vanished, nothing was left of the Sabretooth of Lady Venomwasp's world and he drained his soul of energy and sent him to The Black Abyss.

Then, Lincoln let out a loud animalistic roar that echoed throughout New York and he beat his chest like a gorilla!

Lady Venomwasp: You..., you did it...!

Suddenly, Lincoln hugged her and he kissed her which she suddenly returned back, and he pinned her to the ground and she wrapped her legs around Lincoln's waist as he continued making out with her, and then, he leaned his head to the right side of Lady Venomwasp's trapezius, and he slowly bit her and he fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Lady Venomwasp with red gems on the gold lightning bolts and red crystal links and jade beads from her

merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Me: Now I can heal as fast as Nico.

Mojo Jojo: You need to calm down!

Lady Venomwasp: I'm better now. But thank you all. But come at me.

Me: With pleasure.

I fired waves of energy and blasted her.

Dr. Polaris used his magnetic power and blasted her all over.

Lady Venomwasp: My turn.

She fired waves of energy and we dodged the blasts.

I fired more blasts and smashed her down and she was knocked out.

Wildrider: You look smoking hot like that!

Jessica: I sure do.

Qin: Yeah!

Lola: Awesome.

Camie: That was a cool way to bring the sting.

Manta Bayarsh: I wonder where her version of Wasp is

Me: We'll find her.

Camie: Yeah.

Eli: Right now we need to face Tiger Shark.

Me: Central Park probaby.

Eli: Yep he's in the lake.

Deadpool: This is kinda like when Batman had to face Killer Croc in the Arkham Asylum game

Jamesdean5842: That was a crazy one.

Nico: Lets get him.

Me: Entrance time people!

We went at the park.

Tiger Shark was waiting. Then the spirits of sharks appeared and swirled around him and then converged and then...

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard and we came out.

We landed and he saw us.

Me: Todd Arliss A.K.A. Tiger Shark so we meet at last.

Tiger Shark: Team Loud Phoenix Storm. Nice to finally meet.

Nico: This is our first time facing you, Tiger Shark, but that doesn't mean we're not showing mercy.

Me: That's right, we're taking you down and sending you to your new boss, Vypra.

Tiger Shark: I ain't leaving without a fight.

Tiger Shark grinned and dived into the water

Beast Man: We need to be careful. We're in his element now

I fired a blast of atomic energy and blasted him out of the water into the sky.

Me: Lets see if he is part flying fish!

I flew at him and punched and kicked him all over!

He punched and kicked at me and I dodged his strikes and punched him all over the place and kicked him too.

Nico: WHOA! Nice!

I blocked his punches and kicks.

Me: For an Olympic Swimmer you fight really well.

Tiger Shark: Thank you.

Bowser: Feel the heat! (Breathes fire)

He blasted him all over.

Me: You know why we didn't come after you before?

Tiger Shark: Yeah I was wondering about that. What took you guys so long?

Me: Well lets just say that we had many bigger fish to fry. Metaphorically speaking.

Tiger Shark: Ah I get it.

I punched him all over.

I blocked his punches and kicked him all over.

Doctor Octopus: I know how you think! After all, we're both from New York!

Tiger Shark: Too true on that one.

I blocked more of is punches and kicks.

Jessica: WASP! D-SMASH!

She summoned Wasp!

Disk Wars Wasp: Lets bring the sting to this!

Stan Lee: I will say this True Believers, J.D. and Tiger Shark are doing really well!

Nico: They sure are Stan!

I punched Tiger Shark.

POW!

Jessica blasted him all over with energy.

Wasp and Vespiquen blasted him all over.

Tiger Shark dived back into the water.

Flamewar: Think we should call Xylene here?

Me: Good idea.

Xylene then arrived.

Xylene: Here I am guys.

Xylene used her psychic powers and blasted the water out and I fired an energy blast and blasted him into the air.

Vespiquen charged at him and blasted him all over with energy.

Cheshire, Seadramon, Dark Turtles, Doc Ock, Beast Man, Hydrax, Manta Bayarsh, Gator Ghoul, Mojo Jojo and Riddler and DinoTigermon, Yokomon, Musclemon, Raijinmon, Flybeemon, BioRotusmon, Pukumon, Deckerdramon, Craniamon and BlitzGreymon: DIGITAL FURY BEE BLITZ!

They fired waves of energy and elements and blasted him all over.

Calliya McShannigan: Like old times sis?

Numbuh 86: (Scottish Accent) You know it!

Calliya McShannigan And Numbuh 86 and Numbuh 3: RAINBOW MONKEY PRISM BLAST!

They fired waves of energy and rainbows and blasted Tiger Shark all over.

Cheshire: Nowhere to run!

Tiger Shark: Who's running, toots?!

Cheshire: (ENRAGED) TOOOTSSSSS!

Numbuh 86: (ENRAGED) TOOOOOOTTTS!

Me: UH OH!

Numbuh 86 and Cheshire then slashed and blasted and pulverized him all over the place with intense fury!

Nico: BRUTAL!

We were amazed by Luna Matsuda's transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was really gushing out blood. But, when Neff saw it, he went ballistic and was about to attack her, but Luna Matsuda fired a massive barrage of black and green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, reality, phoenixes, and angels that hit Neff and sent him flying into a wall, he got back out, and he was really enraged!

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Luna Matsuda did the same by firing black and green, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Luna Matsuda, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Neff even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Neff, and we found ourselves in Heaven.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Neff's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword.

We cheered wildly as we holstered our weapons and powered down and Luna Matsuda's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large black and green planets orbiting around her legs, twenty-five smaller black and green planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and green planets orbiting around her wrists and ankles, and massive black angel wings and eleven sets of large black angel wings underneath her massive black angel wings are permanent.

Luna Matsuda: It's over for you, Neff, now rot in The Black Abyss forever. Thanks for helping me get rid of that monster, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Luna.

Me and Nico: Our pleasure, Luna.

Suddenly, Luna Matsuda wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Luna Matsuda's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and The Blackwing Fusion Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Luna Matsuda sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Nicole: That was an awesome job you did siphoning Neff's energy and powers and making all of his powers yours, Lincoln.

Lincoln: That monster paid the price for his desire for power.

Me: That's for sure, and she paid the price for her hunger for power. So, Lincoln, who's the next Abyss Actor Gene-Slammer and Avatar we're meeting on your rescue tomorrow?

Suddenly, we saw a wave of darkness appear before us, and a theater stage appeared out of nowhere and two miniature versions of Abyss Actor - Twinkle Little Star and Abyss Actor - Wild Hope appeared as the spotlight shined on them

Lincoln: I know just the person whom we're meeting tomorrow for my rescue: Circe Balthazar, Gene-Slammer and Avatar of Abyss Actor - Twinkle Little Star and Bella Balthazar, Gene-Slammer and Avatar of Abyss Actor - Wild Hope.

Selene Arcangela: I knew it was them, and you're going to love meeting them, Circe Balthazar, Gene-Slammer and Avatar of Abyss Actor - Twinkle Little Star, is Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Circe Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Circe Balthazar really hates Bubble Bass with a blazing passion, and she also knew how to bring down the actions of that glutton, and all it took was one planned out performance from Circe, and not only was Bubble Bass done for, but he always winds up getting a severe thrashing in front of an audience of imps, fiends, and demons she summons and they all laugh at him and she runs out of the auditorium humiliated to the extreme and he winds up running back to Bikini Bottom like a coward.

Adriana Balthazar: And Bella Balthazar, Gene-Slammer and Avatar of Abyss Actor - Wild Hope, is Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Melanie Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Bella Balthazar really hates Sergio with a blazing passion, and she also knew how to bring down the actions of that dumb party animal, and all it took was one planned out performance from Bella, and not only was Sergio done for, but he always winds up getting a severe thrashing and gets some of his feathers torn off in front of an audience of imps, fiends, and demons she summons and they all laugh at him and she runs out of the auditorium humiliated to the extreme and he winds up flying back to Great Lakes City like a coward.

Nico: Whoa, so Circe humiliated that gluttonous lard-butted bass and Bella humiliated that stupid feather duster on two separate occasions? Wow!

Me: That's pretty impressive.

Lincoln: You said it. Now then, to honor what I promised.

Nico: Oh right, your mystery full moon date at Lake Huron.

Me: We don't know who the girl is, this is really interesting.

Eli: You said a mouthful.

Jared: Same here, but I don't why, but this girl is familiar to both Dad and Naruto on a Simulator adventure from long ago.

We returned home, and hours later, night fell on the city, and Lincoln headed to Lake Huron and the full moon was out and he had his weapons holstered in case of trouble.

Lincoln: Okay, I made it to Lake Huron and the full moon is finally out.

?: You've made it just in time.

Suddenly, Lincoln caught the scent of a vampire and as he turned around, he saw just who it was that sent him the letter, it was Inner Moka, the inner self of Moka Akashiya.

Lincoln: Inner Moka, the inner self of Moka Akashiya. So, you were the one who sent me that letter after we got back from dealing with Sebastian.

Inner Moka: Yes, that is correct.

Lincoln: I suspected it was you, but I got to ask, how did you become a separate entity from Moka?

Inner Moka: Oh that. That was a little something Kurumu, Yukari, Mizore, and Ruby had worked on: they made a spell that made me separate from Moka and not only did it work, but Moka also retains the ability to turn into her inner self while making me a separate entity with the same powers as her.

Lincoln didn't know what to say, but he was impressed.

Lincoln: I see.

Then, Inner Moka approached Lincoln.

Inner Moka: And there's a reason why they also helped out in this. I intend to join your harem, I had known that long ago, you're a powerful True Alpha Vampire-Werewolf Hybrid, and to both vampires, werewolves, and other supernatural creatures, you're a potential mate.

Suddenly, Inner Moka placed her hands on Lincoln's massive pecs.

Inner Moka: (Rubs Lincoln's massive pecs) And not only are you a gentleman, but you're also a very good satisfier of women and master of sex and lovemaking. So, what do you say?

Lincoln: Who am I to refuse? Of course, you can join. Now, then, shall we?

Lincoln snapped his fingers, and the 9'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble. Inner Moka enjoyed the sight.

Then, Lincoln snapped his fingers and Inner Moka was in a black two-piece bikini The Musiqidandi Sisters and Zoey Tsukino made for her and black sandals.

Lincoln and Inner Moka dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, as soon as they got back to the beach, Inner Moka gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but she had also released some tension he'd been carrying.

Then, he did the same thing giving Inner Moka a deep tissue massage, and when he was done, she was literally relaxed. Then, they had an awesome volleyball game, and they went into a workout area Lincoln created, and Inner Moka got an extremely massive and deep atomic red blush on her face when she saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Inner Moka: (Swooning) A tall, powerful, courageous, brave, and very strong warrior, True Alpha Vampire-Werewolf Hybrid, a true gentleman, charismatic, rugged, manly, seductive, and handsome, and quite an impressive satisfier of women and master of sex and lovemaking. No wonder you're quite the ladies man.

Then, Lincoln went up to Inner Moka and he hugged her in his abnormally massive and powerful muscular arms, and Inner Moka placed her hands on Lincoln's massive pecs as her breasts pressed against Lincoln's chest and her stomach pressed against his twelve-pack abs.

And then, they shared a deep, passionate, and romantic kiss, and then, Lincoln pinned Inner Moka to the sand as they continued their deep, passionate, and romantic kiss as she also wrapped her legs around his waist, and then, Lincoln leaned his head down to Inner Moka's right trapezius, and he slowly sank his fangs into her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Inner Moka with blood red gems on the gold lightning bolts and blood red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Inner Moka: (Rubs Lincoln's massive pecs) Well, it looks like Kurumu, Mizore, Ruby, and Yukari were also right about you having a primal animalistic side to you. How did you enjoy feeding on my blood, did it make you even hungrier for more?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and we felt Lincoln gain another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force.

Lincoln lifted Inner Moka up bridal style and they came back home to The World Tree Estate and he placed her on his really extra large expanding bed with him on top of her, but she also saw his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Lincoln: (Seductive Voice)(Smirks) You have no idea.

Lincoln used one of his eleven massive and long brown wolf tails to push the door shut and the barrier activated, but it also turned a deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alright, and now, for tomorrow, the match-up is for Arabella Anndrasden, The Celtic Princess of Scotland, and she and Lincoln are going to destroy Belzei Gertrude from Pretty Cure

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Bubblaine, and we'll be in our beach wear, and it's part of a promise Lincoln made to Nico, Qin, and their friends yesterday: it'll be a time to relax after what'd happened with Sebastian. But, that beach day is gonna be ruined because we got word that Douglas McCarthy, Lincoln's big bulked-up musclebound old enemy along with his gang of musclebound brutes have come back from the dead and they still want revenge on Lincoln, this time, for killing them. Well, Lincoln's going to take them down and absorb them once again, and this time, he is going to send them all to The Black Abyss, and we're going to meet the last two Abyss Actor Gene-Slammers and Avatars, the first girl is Circe Balthazar, Gene-Slammer and Avatar of Abyss Actor - Twinkle Little Star, she's Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Circe Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Circe Balthazar really hates Bubble Bass with a blazing passion, and she also knew how to bring down the actions of that glutton, and all it took was one planned out performance from Circe, and not only was Bubble Bass done for, but he always winds up getting a severe thrashing in front of an audience of imps, fiends, and demons she summons and they all laugh at him and she runs out of the auditorium humiliated to the extreme and he winds up running back to Bikini Bottom like a coward.

And the second girl is Bella Balthazar, Gene-Slammer and Avatar of Abyss Actor - Wild Hope, she's Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. Melanie Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Bella Balthazar really hates Sergio with a blazing passion, and she also knew how to bring down the actions of that dumb party animal, and all it took was one planned out performance from Bella, and not only was Sergio done for, but he always winds up getting a severe thrashing and gets some of his feathers torn off in front of an audience of imps, fiends, and demons she summons and they all laugh at him and she runs out of the auditorium humiliated to the extreme and he winds up flying back to

Great Lakes City like a coward.

Get ready for a battle of the shadows of epic proportions as we go to Duel Academy on Jaden's day to shine and battle the leader of the Shadow Riders, Kagemaru and we're going to unleash a massive army of Duel Monsters and make him pay for his crimes and were going to send him to the M.O.E.

See you next time.

ELEMENTAL HEROS AND LIGHT VS SHADOWS

Jaden's Day to shine

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had a dark dream: apparently, his dream took him to Bubblaine, and as he was flying, he saw that everything seemed peaceful.

Lincoln: There's nothing bad happening here. (Sensed a darkness) Oh crap, there's something dark here.

Suddenly, Lincoln noticed something in the air, it was a black and red mist of pure darkness, and it descended on Bubblaine, and then, a Hellhole opened up and he saw someone emerge from there, it was Douglas McCarthy, his big bulked-up musclebound old enemy from Ireland along with his gang of musclebound brutes, they've come back from the dead and they still want revenge on Lincoln, this time, for killing them.

Lincoln: Douglas McCarthy?! What on Earth?! What kind of evil could unleash something like this?!

But, then, Lincoln heard the sound of maniacal cackling, and Lincoln used his cyborg eyes to see who it was that did this act of evil: and to his anger, it was none other than Dark Lori, the monster bitch who also had a hand in Lincoln's pain and suffering and she escaped from Hell to get revenge on Lincoln. Lincoln woke up, but so did his kids and harem.

Lily the Mermaid: Linky, what is it?

Lincoln: We've got trouble.

Lincoln told his harem about everything he saw, and they were horrified.

Selene Arcangela: That bitch!

Sabrina Morrigan: I can't believe that bitch did this. When we find her, I am going to break every last bone in her body and turn her into a human pretzel. Let's see how she likes it!

Selina Morrigan: To bring Douglas McCarthy and his thugs back, that bitch has gone way too far.

Girl Jordan: This is a lot worse than the many times Dark Lori has done so many despicable things to Linky in the past.

Laniya Emperyous: She's always been a heartless, soulless, remorseless, brainless, callous bully and a cold-hearted monster bitch, and I'm absolutely sick of her. The next time we catch her, she's going to die.

Lincoln: (Sensed for Dark Lori) She's gone back to Hell, but I suspected that before Lady Nyx stripped him of his powers of Divine Darkness along with the powers he'd gained from our training and got turned to stone forever, Sebastian brought her and Dark Lisa back from Hell and gave them along with Dark Lola, and Dark Luan the powers of darkness.

Zaina Emperyous: If that's true, then we got to tell the rest of the team tomorrow of what you just saw, Lincoln.

Lincoln: Right.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

Suddenly, The Life Symbol on Crash Bandicoot's True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands

Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Justice started glowing.

Camo: (Spanish Accent) Ooh, The Life Symbol's glowing.

Crash Bandicoot: It's time.

Me: Hey, what's up?

Crash Bandicoot: J.D., everyone, listen up, after breakfast, we're going to The Sensei Life Realm to find The Sword of The Life Skylanders.

Nico: Awesome.

Lincoln: I knew Life's next. Hey, guys, there's something I should tell you, last night, I had a dark dream, and apparently, my dream took me to Bubblaine, and as I was flying, at first, everything was peaceful. But, then I sensed a dark presence, and suddenly, I saw a black and red mist of darkness appear out of nowhere, and it descended on Bubblaine, and then, a Hellhole opened up and he saw someone emerge from there, it was Douglas McCarthy, my old big bulked-up musclebound old enemy from Ireland along with his gang of musclebound brutes, they've come back from the dead and they still want revenge on me, this time, for killing them.

Nico: What the?! Douglas McCarthy's come back along with his thugs?! Just what kind of evil could unleash something like this?!

Lincoln: That's what I said, but, then, I heard the sound of maniacal cackling, and I used my cyborg eyes to see who it was that did this act of evil: and to my anger, it was none other than Dark Lori, the heartless, soulless, remorseless, brainless, callous bully and cold-hearted monster bitch who also had a hand in my pain and suffering, and she escaped from Hell to get revenge on me.

WE GASPED IN HORROR!

Me: That...bitch!

Nico: But, how? How did that bitch escape from Hell? Well, I wouldn't be surprised since she's always been a monster bitch.

Lincoln: I suspected that before Lady Nyx stripped him of his powers of Divine Darkness along with the powers he'd gained from our training and got turned to stone forever, Sebastian brought her and Dark Lisa back from Hell and gave them along with Dark Lola, and Dark Luan the powers of darkness.

Qin: Figures that lunatic had one last surprise. Is Dark Lori still at Bubblaine?

Lincoln: No, she's fled back to Hell, along with Dark Lola, Dark Lisa, and Dark Luan. We'll deal with them in the near future. Now, let's finish breakfast and head out to The Sensei Life Realm and hunt down not only the next villain we're going after.

Nico: Along with Sergio's thugs.

Jaden woke up and saw Mega Castform staring at him.

Mega Castform: Morning Jaden! Time for breakfast!

Jaden: Oh boy! Time to get ready for my day.

Alexis: I'm already proud of you honey.

They went and got dressed and went to the table and Jaden was having eggs and omelettes and quiche.

We then finished our breakfast, and we set out to The Sensei Life Realm, so Fluttershy can remove The Sword of The Life Skylanders, and there, we hunt down the next villain there and send him to The Black Abyss along with Sergio's thugs.

Camie: It sure is.

Xenia: It's beautiful. I could definitely fit right in.

Nico: It sure is pretty.

Edyn: I agree there and I think it's amazing.

Tsuyu: It sure is awesome.

Ibara: I think it's awesome here.

Nico: Flame Mammoth I want to thank you and Blue Flame Princess for coming with me.

Flame Mammoth: No problem Nico. This will be awesome and fun.

Manny: As long as we have fun it will be cool.

Scrat Skittered.

Fluttershy: I'm so excited for this one!

Lilja: (Icelandic Accent) I Am too mom.

Nico: Manny, remember when we first met you guys in 2020?

Manny: Boy how can I forget. That was so fun.

Me: And one of the most funniest adventures ever. Also we stopped Captain Gutt.

Diego: Yeah that jerk had it coming.

Camie: I love the Ice Age Movies. They are so much fun and are so funny.

Lola: They sure are.

Qin: Yeah! Better than Blood and Honey.

Poromon: LOOK AT IT! Oh right. Sorry force of habit.

Nico: It's okay. But yeah good times.

Manny: You're an embarrassment to nature you know that?

WE LAUGHED!

Sid the Sloth: (LAUGHS) Never gets old.

Camie: What year did Ice Age take place though?

Me: Sometime during the Great Ice Age over 10,000 to 100,000 years ago probably.

Poromon: Don't forget we took down, Rudy, Soto, Cretaceous, and Maelstrom

Me: That's right. Those guys were fun.

Camie: All the Ice Age movies were fun.

Lola: But Captain Gutt was the most ruthless of them all.

Camie: He sure was. I have a feeling we'll face him on a rescue and take him down.

Varie: We just might.

Nico: Yeah.

Me: Boy we did great on Jessica's day to shine.

Lincoln: We sure did. Jessica did amazingly well against Tiger Shark.

Me: Yep all of us did.

Nico: He was like Killer Croc

Me: Just as strong and just as tough. But he put up a really good fight.

Lola: He sure did. Also Jessica's Akuma was beautiful!

Camie: She sure was. And Sabretooth from her world was there too.

Me: He sure was and that was awesome that we killed him.

Nico: Good riddance.

Xenia: Yeah!

Me: Yep.

Nico: Yeah. Pipp that was fun seeing Canterlot High and Crystal Prep merged as one on your third mission.

Pipp Petals: Oh my glitter that was so amazing!

Me: It sure was. Wow I was expecting it to be abandoned but the merge with Equestria from Sunny's world and ours made it bigger and more awesome.

Camie: It sure did.

Nico: Yeah that was cool.

Maria: And there were still people there?

Me: Yep there sure were. Canterlot High and Crystal Prep decided to bury the hatchet and merge schools into one.

Maria: Wow! That is amazing.

Varie: That sure is.

Me: For years they have had an intense rivalry but not anymore.

Sunset Shimmer: I'm just glad they came together especially in these times of peril and all that.

Me: So are we Sunset. But we're making good progress in finding all the Guardians. We got 5 down and 3 to go.

Qin: Soon we'll have all our forces ready for round 2 with Opaline.

Nico: You got that right Qin.

Misty Brightdawn: That is for sure! That monster will pay for her crimes. Especially to me!

Nico: Lets not sound like Aligned Starscream there Misty. But year you're right on that.

Me: Yeah that is for sure.

Misty Brightdawn: Sorry but yeah.

Princess Neri: You guys beat her before and you can do so again.

Me: Yes we beat her before and we can do so again. This time she won't have 24 baddies to help her like she did before.

Nico: Especially since we're already taken care of some of them/

Me: Yeah.

I then started thinking.

Me: (GROWLS)

Nico: What's wrong J.D.?

Me: Just still pissed about everything Dark Chase Young did. If only there was some kind of HORRIBLE CURSE we can put on him.

Lincoln: Actually there is.

Brittney: OH MAN! It's the most horrifying curse ever made! This terrifying insidious hellish curse is called THE UNHOLY NIGHTMARE OF THE OUTER GODS AND THE GREAT OLD ONES

THUNDERCLAP! THUNDERCLAP! CAT YOWLS! BLOODCURDLING SCREAMS!

WE GASPED!

Me: (GULP) WHAT IS THAT ONE!?

Lincoln: THIS ULTIMATE LOVECRAFTIAN CURSE IS SO

TERRIFYING, SO HORRIFYING, SO HORRIBLE, SO INSIDIOUSLY HORRIFIC AND SO HELLISH THAT EVEN MENTIONING THE VERY NAME OF IT STRIKES THOSE AROUND IT DEAD! Here's how this curse is activated.

Winter Icyin: (British Accent) Lincoln forms and fires a massive barrage of massive black energy balls with Eldritch runes in the colors matching The Outer Gods and The Great Old Ones complete with the eyes of The Outer Gods and The Great Old Ones and writhing tentacles covered in the elemental forces that represent The Outer Gods and The Great Old Ones: Darkness and the elemental forces of nature, and their targets: the truly blackhearted, soulless, remorseless, cold-blooded, monstrous, ultimate personifications of evil like Dark Chase Young who was responsible for the misfortunes of Lincoln and his family beginning in 1621 over 400 years ago along with the suffering of so many other innocent people for the 1,500 years he'd lived since he became immortal, and once hit, he'll start to hear the Eldritch Chants of The Outer Gods and The Great Old Ones, and he's not only driven mad by the various Eldritch Chants, but also, he begins to see the armies of creatures of The Cthulhu Mythos and the unspeakable horrors emerging from dimensions everywhere to walk the earth, but no one else can see them only him, and the final part of this truly horrendous Lovecraftian Curse is when he see all of The Outer Gods and The Great Old Ones summoned and gathered around him along with The Creator of The Outer Gods himself and the most powerful being ever, Azathoth, appears before him, and once he gazes upon the unspeakable and horrendous deities of The Cthulhu Mythos, not only will Dark Chase Young be driven completely mad as his sanity finally breaks, but he's also confronted by the spirits of all his victims past and present, and they all lash out in horrific and unspeakable vengeance at him and they won't stop until he is finally dead! And once the man responsible for their pain and suffering is finally dead, his soul is eventually send to The Black Abyss, but once there, he is confronted by men wearing black robes, and once they have seen all of the crimes he'd committed: such as being the mastermind responsible for the misfortunes of Lincoln and his family beginning in 1621 over 400 years ago along with the suffering of so many other innocent people for the 1,500 years he'd lived since he became immortal, they all decide that he is to be sent to a special place for him: and that place is known as The Black Fire Vortex of Neverending Oblivion, it's a massive black hole made of the black flames of The Black Gates and The Black Abyss and their power is incredibly massive that not even the darkest of souls could survive it. Then, once Dark Chase Young is immediately thrown into The Black Fire Vortex of Neverending Oblivion, the kanji Black Abyss appears on his forehead, and once there, he is immediately burned alive by the combined black flames of The Black Gates and The Black Abyss and he's immediately destroyed and wiped out of existence for all eternity never to be reborn in this life nor the next!

WE GASPED IN UTTER SHOCK AND SHEER HORROR!

HOMER, SQUIDWARD, SPONGEBOB, LISA SIMPSON, COURAGE AND MANY OF US SCREAMED IN ABSOLUTE HORROR AND BLOODCURDLING FEAR!

Horsea: GEEZ!

Manaphy: THAT IS HORRIFYING!

Qin: NO KIDDING!

Brittney: That curse is only reserved for the most horrible and most evil and most dangerous of immortal beings and the most vile, honorless and beyond that are truly blackhearted, soulless, remorseless, cold-blooded, monstrous, ultimate personifications of evil. Even the very forces of hell and the worlds of the Netherworld and the Demon World have feared that curse because of how powerful and deadly it is.

Nico: That bad!? HOLY SHIT!

Poromon: No kidding!

Me: Even the very forces of Hell and the Netherworld are scared of it? That is horrific.

Brittney: I know dad. There has never been any record of any demon, wizard or magic master using it. Not even the greatest masters of dark magic have ever used it. They never used it because they feared it. It's that dangerous.

Camie: Wow!

Lola: Well now there is going to be a record of it. On Dark Chase Young.

Poliwag: I know!

Me: WOW! Think of the Curse of the Hom Dai times Infinity!

Qin: Yeah!

Xenia: Frightening!

Brittney: Yep.

Me: Whoa!

Nico: Lets worry about that later. But at least we know what kind of curse will hit Dark Chase Young later on.

Me: Yep.

We walked around the Life Sensei Realm.

Ace: (to May and Maria) So, what are your thoughts on the beer planet?

May: It was really weird seeing it.

Maria: We had no idea that a Beer planet was even possible.

Manaphy: But it was cool!

Me: Yeah no kidding!

Lisa Simpson: Thank goodness I didn't have any beer. I would have gone nuts like I did in Duff Gardens. (Season 4 Episode 13)

Bart: I dared Lisa to drink some of the water and it was beer. It made her go nuts. She was swimming naked in the fermentarium.

Jamesdean5842: (LAUGHS) Yeah and she said "I am The Lizard Queen!"

WE LAUGHED HYSTERICALLY!

Nico: That is nuts!

Lisa Simpson: I'm never doing that again.

Camie: I wouldn't either.

Ace: But would you two like Manaphy and Horsea to visit that place again?

Poromon: WE SURE WOULD!

Poliwag: THAT'S OUR FAVORITE!

Nico: That is funny!

Ace: I was talking to May and Maria

Poliwag: Oh sorry.

Poromon: We thought you were talking to us.

Ace: No worries.

May: But no! We are not going back there.

Maria: Yeah that was a crazy place!

Me: There are a bunch of planets that we vowed never to set foot on ever again. Namely the Chum Planet, Brussels Sprouts, Cauliflower, Liver & Onions and many planets like that.

Ace: YUCK!

Lana: I liked the Chum Planet!

Me: Well in Lana's case that world is good for her. Jared liked the Cauliflower and Brussels Sprouts planets.

Nico: Yeah that's true.

Horsea and Manaphy did puppy eyes

Horsea: Pwetty Pwease?

Manaphy: With Ice Cream on top?

Me: Guys you know the puppy dog eyes don't work on us.

Horsea: Darn.

Manaphy: Yeah.

Lincoln: Okay, guys, we're in for a brutal battle, we're here in The Sensei Life Realm in The Skylands, and we're here to get The Sword of The Life Skylanders for Fluttershy, but here's the villain we're going after: the villain we're going after is none other than Ra's Al Ghul from Neo Gotham City and he's still in Talia's body.

We gasped in shock, and the rest of the team was with us.

Me: But, how? We saw what happened to her six years ago!

Future Me: It appears she's come back from the dead. But, I've got a plan, I'm gonna separate Ra's from Talia, so we can fight him.

Me: That's a good idea, I'm going to unleash 500 years of pain on him for what happened that day, and it's no surprise he'd be here in The Sensei Life Realm.

Ra's Al Ghul: I agree, J.D.

Talia Al Ghul: Same here. The Sensei Life Realm is almost like The Garden of Eden.

Lincoln: And I sensed that not only is Fluttershy going to transform, but also, you and Nora Fries, Talia.

Nico: This should be good, and I remembered J.D. say you got light and aurora powers, Talia.

Talia Al Ghul: Yes, The Aurora Phoenix of Artemis, The Goddess of Light from Greek Myth.

Me: That's right.

Camie: The Aurora Phoenix of Artemis?

Lincoln summoned his book of legends and turned to The Aurora Phoenix of Artemis.

Lincoln: Once every 700 years, Artemis creates an Aurora Borealis over an isolated area and anyone that has a righteous love for the planet they love but to never harm it will be chosen. They are given rainbow angel wings, cosmic light powers, the ability to talk to birds, animals, and the fish in the sea and even breathe underwater and in space.

Nico: Wow!

Me: That's right, Lincoln. Your book of legends also has the elemental divine blessings as my book as well.

Lincoln: I'd asked Zoe and Hercules Weatherly about my book of legends, and according to them, it has everything about the elemental divine blessings included, but my book of legends also includes a bestiary of legendary and mythical beasts and creatures, gods of mythologies from different cultures, and artifacts both blessed and cursed.

Nico: (Whistles) That's impressive.

Zoe Weatherly: I remembered you looking for that book long ago, brother.

Hercules Weatherly: That's right, the book Lincoln has is known as The Lexicon of Legends, a massive compendium of legends from across the world complied together all from different cultures and eras including a massive bestiary of legendary and mythical beasts and creatures, gods of mythologies from different cultures, divine blessings, and artifacts both blessed and cursed.

Me: Wow.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio has sent some hired thugs to kill

us.

Lincoln: Sergio, why you little...!

Nico: Sergio again?

Lincoln: Yep, he's sent his hired thugs after us.

Me: I thought they...!

Sly Cooper: Afraid not, the thugs were completely stupid and they forgot that Sergio was going to backstab them, and they went back to being his hired thugs.

Nico: Unbelievable. Well, when we run into Ra's from Neo Gotham City, we'll run into Sergio's thugs and another of your cousins, Sly.

Ed Cowart: Right.

Lori: That bird is literally getting on our nerves.

Ronnie Anne: Now, you know what Bobby and the rest of us had to deal with from Sergio.

Lincoln: Tell us about it. Now, get The Sword of The Life Skylanders and hunt down Neo Gotham Ra's Al Ghul and separate him Neo Gotham Talia.

Nico: I wasn't with you guys when that happened but that was a crazy adventure from what I heard.

Me: It sure was. Ra's used his own daughter as a vessel because the Lazarus Pit couldn't heal him and in order to save himself he used Talia as a vessel to put his brainwave patterns into her.

Nico: Geez!

Me: Well this time he is never going to cheat death again.

Grim: (Jamaican Accent) That is for sure mon. If there is one thing I hate about all others it's being cheated!

Me: Big time!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies,

and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Neo Gotham Ra's Al Ghul) AHA! There you are! I found Neo Gotham Ra's Al Ghul, he's 20 yards away.

Nico: Let's get The Sword of The Life Skylanders and unleash 500 years of pain on him.

We took off into the air to help Fluttershy get The Sword of The Life Skylanders and take down Neo Gotham Ra's Al Ghul after we separate him from Neo Gotham Talia and send him and Sergio's thugs to The Black Abyss.

We were flying in the air, and we saw our target: The Sword of The Life Skylanders, it's a green sword with the symbol of The Life Skylanders embedded in the crossguard and a blade with reflecting leaves on it.

Lincoln: There it is.

We landed, and Fluttershy removed The Sword of The Life Skylanders from its pedestal, and green light shot out of the sword and it landed, and what stood in its place was a girl with green hair, green eyes, massive green angel wings, green clothes, she has the Life Skylander symbol on her forehead, right arm, and green skirt, a Life Elemental Necklace and a Life Elemental Sword with the symbol of The Life Skylanders embedded in the crossguard and a blade with reflecting leaves on it.

Lincoln: (GASPS) Dahlia Fluttershy, Avatar of The Life Skylanders.

Crash Bandicoot: The Nature Charmer of The Avatars of The Skylander Elements and Governor of Life, I knew that was her.

Me: Awesome! Care to introduce us?

Anna Anyanova: Sure. This is Dahlia Fluttershy, Avatar of The Life Skylanders, she's Lincoln's Guardian Angels from The Life Sensei Realm and she's the Avatar and Embodiment of all the Life Skylanders and a master of nature, leaves, flowers, fruit, wood, grass, trees, weeds and the animals. She's the Nature Charmer of The Avatars of The Skylander Elements, they are the masters of each of the 10 Elements of The Skylanders and they defend all of Skylands and the universe from the evils that threaten Skylands, and she has the power to talk to animals and can understand all of them. She came to Royal Woods long ago, and she taught Lincoln how to use the powers of nature, leaves, flowers, fruit, wood, grass, trees, weeds, and the animals, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful nature greatsword and necklace, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a vengeance and vowed to feed them to a bunch of carnivorous plants!

Me: Wow.

Crash Bandicoot: I've seen her use the powers of nature, leaves, flowers, fruit, wood, grass, trees, weeds, and the animals, and she not only trained Lincoln, but she also trained Laney as well and her powers grew even stronger as well.

Lincoln: Yep, and watch this.

Lincoln fired vines at an incoming group of Life Spell Punks, and then, glowing fruit grew out of the vines, and then...!

KRABOOM!

The fruit exploded and The Life Spell Punks got hit and their power was sucked out of them and went into Lincoln and they vanished.

Nico: Whoa, that was Camo's Exploding Vines!

Lincoln: Yep, it turns out I can also use the powers of The Skylanders along with the powers of Magic, Fire, Water, Air, Tech, Earth, Life, Light, Dark, and Undead, and even use their attacks as well, and I can also combine the powers of The Skylanders with the powers of the heroes we've met, the villains we've faced and imprisoned, killed, or destroyed, the Duel Monster Cards, the Magic The Gathering Cards, Pokemon, Digimon, the Mega Man Robot Masters and Mavericks, Ben 10 Aliens, and all the mythical beasts, creatures, legendary gods of the pantheons of the different parts of the world, the Angels, Archangels, and God, the ruler of Heaven, the Demons, Devils, and Satan, the ruler of Hell, and the cosmos and the planets and stars of the universe and beyond.

WE GASPED IN AWE!

Twilight Sparkle: Amazing.

Sunset Shimmer: That's really mind-boggling!

Rarity: Truly incredible.

Fluttershy: Goodness.

Rainbow Dash: Awesome!

Pinkie Pie: Unbelievable!

Applejack: Well, I'll be!

Princess Celestia: This truly is quite the revelation.

Princess Luna: Indeed.

Starlight Glimmer: You're just as talented and powerful as J.D., Nico, and all of us combined. That's why you're known as a Jack of All Trades.

Eli: Oh man, I think I got a headache!

Starlight Glimmer: Uh oh.

Lana made a block of ice which she put on Eli's head.

Eli: Thanks, Lana.

Lana: Anytime. But, like Lincoln said, it's all true.

Me: Unbelievable!

Nico: Okay, I think we better get after Neo Gotham Ra's Al Ghul and separate him from Neo Gotham Talia Al Ghul and get rid of him and Sergio's thugs before my head explodes again.

Luna: Right.

Laney: Let's get going.

Future Me: Right. Talia, hang in there, this time, I'm going to save you, and Ra's Al Ghul, you better be ready. You've got 500 years of pain coming for you.

Me: Let's go.

Zhuqiaomon heard a Pokémon cry

Zhuqiaomon: Look here guys!

We saw a Mega Moltres!

Me: WHOA! Mega Moltres! That's perfect for you Zhuqiaomon as the Sovereign of the South.

Nico: And you are a Phoenix.

Zhuqiaomon: Too true on that.

Mega Moltres: I agree and I am hungry.

I gave it apples.

Zhuqiaomon: I would give you some food but I don't have hands as you can see.

Mega Moltres: That's okay. Thank you.

She ate them.

Zhuqiaomon: Want to come with us?

Mega Moltres: I would be honored!

Me: Awesome!

Nico: Let's keep going.

Me: Wait look!

We saw 4 Sawsbuck!

Me: WHOA! 4 Sawsbuck! One for each of the 4 Seasons!

Qin: WOW! That is so cool!

Natsu Salisbury: That's cool seeing them here.

Nico: But what ARE they doing here?

Haru Salisbury: No idea but it's rare to see 4 kinds of the same Pokemon here though.

Me: Yeah. But this must be one of Dark Gale's handiwork.

Toru Hagakure: It must be.

She used Telepathy and gasped!

Toru Hagakure: It's my 4 younger sisters! The Spring one is Haru Chi, The Summer one is Natsu Fu, The Autumn one is Aki Ka and the Winter one is Fuyu Mizu!

Me: WHOA!

Fuyu Salisbury: WOW! And I bet they have the same kinds of powers we do.

Toru Hagakure: That's right. They have a quirk called Season Alchemy. They are the masters of the Elemental Forces and those Seasons. They have the powers of Gnomes, Sylphs, Salamanders and Undines as well as the powers of the seasons of Spring, Summer, Autumn and Winter.

Me: Wow that is amazing!

Sakura Haruno: It sure is!

Me: Lets go help them!

Me and Toru went to face them.

Toru: Girls it's me Toru! The Invisible Fury?

Me: Nice nickname.

Toru: Yeah it's cool.

All they did was charge at her

We dodged them.

Me: Whoa! Looks like we do this the hard way.

Toru: Yep.

Toru went invisible and I looked with my infrared vision and saw her snuck up and grabbed them and bashed their heads together!

KRABLANG!

Eli: OUCH! That's one way to discipline the nannygoats.

Me: OOH! No kidding!

I snapped my fingers and they reverted back and they each had Sawsbuck of each of the 4 seasons on their foreheads. Haru had pink hair, pink eyes, pink and green angel wings and an orchid flower cutie mark with a crystal and the Kanji for Earth on it. Natsu had green hair, green eyes, Green Angel Wings and a Sun with a tornado and the Wind Kanji Cutie Mark. Aki had red hair and red wings and red eyes and had a maple leaf with a flame and the fire kanji for a cutie mark, and Fuyu had blue hair, blue eyes and blue angel wings and had a snowflake and water drop with the kanji of water cutie mark.

We wrapped them in blankets and brought them over.

Me: Wow! 4 gene-slammers of the same Pokemon. But this one has the powers of the 4 seasons.

They woke up.

Haru Chi: (Groans) OUCH! Hey who hit us!?

Natsu Fu: Yeah!

Toru: Sorry girls.

She was visible.

Toru: I hope I didn't hit you hard.

Fuyu Mizu: Toru!

They hugged her.

Aki Ka: You have the power to turn visible?

Me: I gave her that power. She can turn visible and invisible at will.

Natsu Fu: That is amazing!

Me: Yep. You were turned into Sawsbuck by Dark Gale. 1 for each of the 4 Seasons.

Haru Chi: (GASP) I remember!

Fuyu Mizu: Me too!

They remembered.

They were in suits of Pink, Green, Red and Blue respectively and injected and in bursts of the elements and seasons they turned into Sawsbuck and ran and bursted out.

FLASHBACK ENDS

Aki Ka: That was awful.

Me: Well you'll be happy to know that Dark Gale was destroyed.

Nanette: Also we destroyed All For One forever too.

Izuku: It's true.

Camie: Yep.

Toru: Yep. Nanette and all of Team Loud Phoenix Storm helped us get rid of him forever.

Nico: It's true.

Aki Ka: Wow! So the world is now free of him.

Me: Yep.

Nico: Your roles in Sonya's team?

Haru Chi: We are the Season Alchemy Masters of the Team. We use our powers to destroy our enemies.

Me: Can you show us?

Aki Ka: Sure.

Haru grew crystals, rocks, flowers and nature in her hands.

Natsu had the summer sun, tornadoes and clouds in her hands.

Aki had autumn leaves, fire and flames in her hands.

And Fuyu had snowflakes, water and ice in her hands.

Nico: COOL!

Me: Wow! So that's Season Alchemy. That is cool!

Toru: It sure is. Now everyone has quirks like we do girls.

Me: Long story but it was still a recent discovery from earlier this year.

Twilight Sparkle: We were amazed ourselves too.

Nico: Yep.

Haru Chi: And outside the team we protect the world as heroes. I am Lady Spring Crystal.

Natsu Fu: I go as Summer Wind.

Aki Ka: I go as Fire Autumn.

Fuyu Mizu: And I go as Winter Tide.

Me: Ooh! Seasonal Hero Names. Good titles.

Horsea: Cool!

Rarity: Lets get the four of you some new clothes darlings.

The Fashion Brigade gave them matching clothes for their hair and eyes and Staves of the Seasons.

Haru Chi: WOW! We look awesome.

Me: You sure do. Also you should be proud of your sister and her friends. They all have been an extremely massive and tremendous help to all of us ever since they joined us 2 years ago.

Poromon: They sure have!

Aki Ka: Wow! We are really proud of Toru.

Me: Awesome!

Nico: Now we can go after our target.

We then took off to find and take down Neo Gotham Ra's Al Ghul after we separate him from Neo Gotham Talia and send him and Sergio's thugs to The Black Abyss.

We were flying in the air, and I caught an incoming dagger with my fingers, and then, we saw Neo Gotham Talia Al Ghul, and we sensed Neo Gotham Ra's Al Ghul still inside her, and we landed.

Future Talia: I was worried you would never come…. (Voice changes) Team Loud Phoenix Storm!

Me: I should have known you would cheat death again Ra's.

Ra's in Talia's Body: Like I said before, I don't cheat death, I master it.

Nico: Well this time it will be your last.

Future Talia: J.D..., please...kill me!

Future Me: No. You sacrificed yourself six years ago, Talia, but I'm not going to let you die again, this time, this is where you're going to be saved.

Future Me fired an aurora blast which hit Future Talia and separated Future Ra's Al Ghul from her, and he was brought back from the dead, and Future Me caught Future Talia in his arms.

Future Talia: (Groans) J.D...? I'm...alive?

Future Me hugged her tightly as he had tears of happiness in his eyes.

Future Me: I'm so glad you're finally back, Talia.

Future Talia hugged him back.

Future Talia: I missed you so much.

Crash Bandicoot: I'll get you two somewhere safe.

Future Me: I'll create a clone to look after you, Talia.

Future Talia: Okay.

Future Me created a clone of himself and Crash Bandicoot beamed Future Me's clone and Future Talia to The World Tree Estate.

Future Me: Now, she's safe.

Me: Yep, now we can take care of Future Ra's Al Ghul.

Ra's Al Ghul: You may be my future self, but for you to use your daughter for your own selfish gain, that is indeed unforgiveable.

Talia Al Ghul: You are a disgrace to the true Ra's Al Ghul, and you must pay for your crimes.

Me: That's right. But don't you remember what happened on December 26th, 2019? You gave your life to save Talia after Supergiant tried to kill her. She ended up killing you instead and You made me promise to keep her safe and I did just that. I stayed true to that promise.

Nico: And Rojo killed Supergiant, FYI

Future Ra's: Yes I do remember that and I will always be forever grateful to you for that J.D. for looking out for my daughter. My love for my daughter is the only thing I have had over the centuries.

Ace: How old are you Ra's?

Me: He lived for over 600 years because of the Lazarus Pits.

J.D. 2: It's true. And I should know because when I crashed on to Earth, I laid dormant in one for over 1,500 years. It gave me true immortality. Long story.

Nico: I see.

Me: The Lazarus Pits can physically rejuvenate one that's dying and make them young again. Also they can raise the dead. Ask Jason Todd here. He knows that feeling.

Ace: Incredible.

Laney: Yeah and it helped one of our friends dying with cancer.

Me: Yep. Anyway Ra's too bad we got to fight.

Batman Beyond: You get one chance, Ra's. Stand down or we take you down.

Future Ra's: We'll see.

Me: Very well then.

I unsheathed my sword!

Me: Lets dance!

Lincoln: (Sensed Sergio's thugs) And it appears we have some uninvited guests.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings and they forced out Sergio's hired thugs and they're screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Whoa, what the?!

Selene Arcangela: Lincoln exposed them in the blink of an eye with that attack, incredible.

Kali Timestream: Just like when Our Lord takes control, that attack happens before you can blink your eyes.

Sergio Thug: Damn it! The boss isn't going to like this!

Lincoln: I wouldn't worry, you won't be able to report back to your boss. Nor will the rest of your boss' hired thugs.

But then...

WHOOSH!

A figure swooped in and swiped all their loot!

Sergio Thug: WHAT THE!? MY LOOT!

?: Sorry boys but that is not yours!

We saw the next member of the International Clan of the Coopers!

Lincoln: Maryam Abeygunawardena Cooper! Wow!

Maryam Abeygunawardena Cooper: (Sri Lankan Accent) Awesome to see you again Lincoln.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Maryam Abeygunawardena Cooper, The Raider of Treasure Hunters of The International Clan of The Coopers, she's Lincoln's Guardian Angel from Sri Lanka and she's a master of the jungle and a powerful force to be reckoned with and lived in a hidden hideout in Colombo and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from Sri Lanka and she helped him on lots of dangerous jobs. She's known as The Raider of Treasure Hunters because she swipes from evil treasure hunters that steal treasures to sell on the Worlds Black Market. She's also known for raiding an entire Black Market theft ring and putting it out of business. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Maryam came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of treasure hunters and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Maryam Abeygunawardena Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Me: WHOA! Awesome to meet Sri Lanka's Member of the International Clan of The Coopers.

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive muscle mass, massive physical strength, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss, and when Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: NO! NO! (GROWLS) This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Eli: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Nico: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us, and as he snapped his fingers, orbs of crystals and earth appeared surrounding Sergio, and then...!

LINCOLN SENT THE ORBS AT SERGIO, AND THEY EXPLODED WITH INCREDIBLE POWER AS THEY HIT THAT STUPID BIRD, AND WHEN IT WAS DONE, SERGIO WAS AN ABSOLUTE WRECK AND HE GOT HURT BAD!

Sergio: (Groans) Ouch!

We were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT BEAK WITH HOT PEPPERS AND HOT SAUCE! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

Lincoln, Red Savarin, Robin Hood, Skippy the Bush Kangaroo, Von Lycaon, and Rayman went after Future Ra's Al Ghul, and they fired extremely powerful blasts of rainbow, green, purple and red, red and yellow, red, white and black, white, golden yellow, and blue energy, elemental forces, mythological animals, and mythical beasts, and they exploded with incredible power as they hit him, and they slashed and punched at him with their massive greatswords and gauntlets and greaves leaving scars on him.

Future Ra's Al Ghul went at Lincoln and I and we clashed with our greatswords and sword, but we'd gained the advantage and disarmed him, and Lincoln and I punched Future Ra's Al Ghul so hard in the stomach with his left fist, he wound up belching out blood, and then, Future Me kicked Future Ra's Al Ghul hard and sent him flying into a tree, and he got back up.

Future Me: I've gotten much stronger since then, Ra's.

Me: And so have I and all of us. We've got 500 years of pain to unleash on you.

Future Me and slashed Future Ra's with sword and greatsword.

Future Me and Me: This is for what you did to Talia!

Roxy Drake: Let's make this even more painful for him. Alright, boys, get him!

Lincoln, Red Savarin, Robin Hood, Rayman, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Fluttershy, Talia Al Ghul, Nora Fries, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us went after Future Ra's Al Ghul, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, colored, white, golden yellow, and blue energy, colored energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Future Ra's Al Ghul and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Fluttershy, Talia Al Ghul, Nora Fries, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Applejack, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength.

Suddenly, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and eleven sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Future Ra's Al Ghul, and we found ourselves in Heaven.

Then, Lincoln's massive white angel wings and eleven sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Future Ra's Al Ghul.

Because of what you did, your daughter had to sacrifice herself to get rid of you and that broke my future self's heart bad!

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into Future Ra's Al Ghul's stomach, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, DIE AND GO TO HELL! YOUR IMMORTAL LIFE ENDS HERE, YOU'RE 500 YEARS OVERDUE WITH DEATH!

Lincoln, Nico, and I did one final powerful energy slash that hit Future Ra's Al Ghul hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Future Ra's Al Ghul was on his last legs and he was really really mangled.

Then, Future Me, Me, Lincoln, and Talia Al Ghul threw daggers that had our poisoned blood coating the blades and they hit Future Ra's Al Ghul and he turned to dust and he was sent to The Black Abyss.

Future Me: That was for using Talia and breaking our hearts!

We cheered as we holstered our weapons and we powered down, and Fluttershy's new body, clothes, weapons, jewelry, Third Eye, longer yellow horn and longer pink tail, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large pink and yellow planets orbiting around her legs, twenty-five smaller pink and yellow planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized pink and yellow planets orbiting around her wrists and ankles, and massive pink angel wings and eleven sets of large pink angel wings underneath her massive pink angel wings are permanent and the new bodies, clothes, weapons, jewelry, eleven massive and brown wolf tails, Third Eyes, large gold halos with four orbiting large gold rings behind the heads, twenty five colored planets orbiting around the legs and twenty five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers like rings, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and eleven sets of large colored angel wings underneath the massive colored angel wings of Talia Al Ghul and Nora Fries are permanent.

Nico: And that's Life down.

Lincoln: And Light, Dark, and Undead left to go.

Me: Yep. And I finally unleashed 500 years on that pure evil version of Ra's.

Ra's Al Ghul: Even after eight years had passed, that day still left a mark on you.

Me: That it did.

Talia Al Ghul then hugged me in comfort, and I hugged her back.

Nico: That still scarred not only J.D., but also, his future self from Neo Gotham.

Future Nico: It wasn't just him, we also got scarred by her death as well.

Future Lincoln: He's right, it hurt all of us badly.

Future Lori: What happened that day literally scarred us, and we swore we'd never forgive her father.

Lincoln: And thanks to what Future J.D. did in separating him from Future Talia, he was able to save her and that repaired that piece of his heart and soul.

Me: That's for sure.

Nico: Now, he's able to recover.

May: Both of them can finally recover after that day.

Suddenly, Lincoln pinned Dahlia Fluttershy to the ground, and he kissed her deeply on the lips which she returned, then, with his massive muscular arms still wrapped around her waist, Lincoln leaned his head down to the right side of Dahlia Fluttershy's trapezius, and he slowly bit her and then fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Dahlia Fluttershy with emerald green gems on the gold lightning bolts and emerald green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Dahlia Fluttershy: Well, I got to say that was one way of saying it's good to see you again.

Lily: That's one of his ways of conveying that message.

Lincoln: Lily.

Nico: You okay, Future Talia?

Future Talia: Yes I'll be fine.

Me: Good.

Qin: At least we healed Future J.D.'s heart.

Me: Yep.

Nico: Nice job Mega Moltres!

Mega Moltres: Thanks Nico. That was fun.

Poromon: Want some beer?

Mega Moltres: Oh no thanks. I can't drink because I get bad gas.

Me: Ooh not good.

Poromon: Okay then.

Nico: Poliwag that's enough.

Poliwag: Okay.

Nico: Oh, Flame Mammoth, what do you like to do in your free time?

Flame Mammoth: I like working in a steel Mill and helping out in making metal

Nico: Awesome!

Poromon: That is cool!

Poliwag: Later, we're going to Tatooine.

Me: Ooh! Want to go exploring.

Eli: Me, bro, Anakin, Luke, Rey and some of us will go too.

Poromon: All right!

Lincoln: (Sensed Anothers) Uh oh, guys, heads up, there are Anothers heading our way.

Eli: (Sensed Anothers) Lincoln's right, we got Anothers heading our way. Whoa, and one of them is Another Jaden Yuki.

Jaden: Another Me?

Lincoln: That's right.

Me: This should be good.

Nico: So we got Another Blue Flame Princess, Mammothmon, Muchomon, Hyogamon, Icemon and Meteormon.

Me: And that means that Flame Mammoth, Manny, Sid, Diego, Scrat and Shira are up.

Nico: Yep and there they are!

We saw Another Mammothmon, Muchomon, Hyogamon, Icemon and Meteormon!

Nico: WHOA! This will be awesome!

Another Mammothmon: (In a girls voice) It sure will be!

They reverted back and were the gene-slammers of Manticore of Darkness, Exarion Universe, Fortress Whale and Airorca!

Nico: Allara Verstorm, Elenna Exarius, Admiral Joan Nemo and Jayna Ahab!

Jayna Ahab: Good to see you again Nico!

Me: Wow! The gene-slammers of Manticore of Darkness, Exarion Universe, Fortress Whale and Airorca! Wait Jayna are you related to...

Jayna Ahab: That's right. I am Captain Ahab's Great Great Great Great Granddaughter.

Me: WHOA! He wanted revenge on Moby Dick, the White Sperm Whale for biting off his leg.

Jayna Ahab: I know.

Me: And Joan are you related to...

Admiral Joan Nemo: I sure am. Captain Nemo was my Great Great Great Great Great Grandfather.

Me: Wow! He was an amazing captain in the book 20,000 Leagues Under The Sea.

Admiral Joan Nemo: That's right.

Me: Cool! By the way girls are the Another Blue Flame Princess and Jaden friendly or hostile?

Elenna Exarius: Friendly and you are gonna be shocked about seeing them.

Me: Cool!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: Now we wait.

Me: We don't have to wait long!

We saw Another Blue Flame Princess and Another Jaden!

Me: WHOA!

Qin: This is gonna be awesome!

Another Blue Flame Princess: It sure is!

She reverted back and split into 4 and it was the gene-slammers of Divine Dragon's Ragnarok, Aquabizarre, Excelion and Apocralyph!

Nico: (GASP) Rhonda Ragnarok, Aria Aquabizarre, Elrena Excelion and Adallia Apocralyph.

Me: WHOA! The Sisters of Ragnarok! I've heard legends about you girls! And it's awesome and fitting that you all are the gene-slammers of the Divine Dragons.

Elrena Excelion: It sure is and we are people you don't want to mess with.

Blue Flame Princess: Like me in a way.

Adallia Apocralyph: Yep that's right.

Me: And who is your friend?

Another Jaden: (In a girls voice) Someone who missed him.

She reverted back and it was a girl with brown hair and had black clothes and blue angel wings and a Chaos Duel Disk on her arm.

Jaden: (GASP) Jordia!

She and Jaden hugged.

Jaden: I've missed you sis.

Jordia: Same here.

Me: You know her?

Jaden: She's my older sister Jordia.

Jordia: I went to Duel Academy years ago and was one of the best students ever. I bested many top teachers and won. I used my Guardian Deck and beat them all.

Me: Wow! That is cool!

Rafael: Nice to meet a Guardian User too.

Kaito: (gets out Denziman gear) Did Swartz promise you anything?

Zocks: (gets Battle Fever gear) Because we can grant it instead.

They got weapons from said teams.

Elrena Excelion: No he didn't.

Rhonda Ragnarok: We threatened to destroy the planet and take him with it.

Me: GEEZ!

Rhonda Ragnarok: He didn't see through our bluff and thought we were serious and he let us go.

Sougo: (gets out Denziman Ridewatch) Clever thinking there.

Geiz: (gets Battle Fever Ridewatch) I agree there.

Sougo got DenziRedArmor while Geiz got BattleJapanArmor

Elrena Excelion: Thanks.

Lincoln: Lets separate you.

We did so.

Me: Lets get it on!

Nico: (Gets out Blue Flame Princesse's Ridewatch) I'M GONNA BURN YOU UP!

May: (Gets out Muchomon's Ridewatch) Time for some Tropical Fun!

Maria: (Gets out Icemon's ridewatch) I'm cold to the touch!

Manny: (Gets out Mammothmon's Ridewatch) I am gonna make you an embarrassment to nature!

They used the powers of Blue Flame Princess, Mammothmon, Muchomon, Hyogamon, Icemon and Meteormon and blasted the Anothers.

Then Gazimon, Noof, Barry the Poison Dart Frog, Robo-Peach, Frogbot and Lawrence came.

Nico: WHOA! Nice team Gazimon!

Gazimon: Thanks Nico.

Poliwag: YAY! That means my team is next.

Me: Yep it sure is.

Nico: Cool!

?: It sure is!

Dark Witch came!

Me: Cool! Dark Witch.

Nico: Nice!

Dark Witch: It sure is awesome.

Nico: Sarah Crowtalon! Wow!

She reverted back and was a girl with black hair, blue eyes, black clothes and black angel wings and had Dark Witch on her forehead, skirt and shirt and had a Crow in the Star of Satan on her arm as a cutie mark and had a dark spear.

Sarah Crowtalon: Good to see you Nico. I got this.

She fired a blast of darkness and smashed the Anothers and I caught the Ridewatches and purified them.

Me: YEAH!

Nico: Nice job!

Sarah Crowtalon: Thanks. That was fun.

Manny: Do you have any favorite memories of Nico?

Sarah Crowtalon: Sure do. When me and Nico were over in Salem and we battled Demons there and sent them back to hell.

Me: Nice!

Qin: Cool!

Nico: Yep.

They hugged.

Nico: I've missed you.

Sarah Crowtalon: Same here.

We went back home.

But, that beach day is gonna be ruined because we got word that Douglas McCarthy, Lincoln's big bulked-up musclebound old enemy along with his gang of musclebound brutes have come back from the dead and they still want revenge on Lincoln, this time, for killing them, and the person who was responsible for it was Dark Lori. Well, Lincoln's going to take them down and absorb them once again, and this time, he is going to send them all to The Black Abyss.

Lincoln: Ah, we're here in Bubblaine, and I know what we're going to do here, not only am I going to rescue the thirteen girls here and Ets is going to rescue the one girl here, but just as I promised to you and Qin, Nico, along with your friends yesterday: it'll be a time to relax after what'd happened with Sebastian.

Nico: You said it. I can never forgive that pile of garbage for what he did, I hope he rots inside that statue prison for eternity.

Qin: Same here. But, won't someone try to...?

Lincoln: Nope, Lady Nyx made sure that no form of black magic can ever break him out of there ever.

Flame Mammoth: That's good, I don't want to have to face him again.

Melanie Nyx: There's no possibility that he'll be a threat. Ever since Mother stripped him of all of his powers of Divine Darkness and the powers he'd gained from his training with us and gave them all to Lincoln, the nine years of toxicity and poisonous darkness finally caught up to Sebastian who had lost his humanity nine years ago and he was forever turned to stone.

Lincoln: A fate that befalls the blackest of souls who give into darkness and forever sought to destroy everything. Alright, now then.

We proceeded to enjoy our time in Bubblaine, and Nico, May, Qin, and Nico's harem had fun in the water.

May: That was really fun.

Nico: Lincoln gave us that chance to relax after everything with this whole Sebastian nightmare, now this whole nightmare's been put to rest forever.

Suddenly, we saw an incoming boulder and we dodged it.

Eli: What the?!

Nico: I can guess the next part of the rescue: dealing with Douglas McCarthy and his thugs, right?

Lincoln: Yep.

Sabrina Morrigan: Same tactic as last year?

Lincoln: You guessed it.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long light green hair, red eyes, massive black angel wings, black short-sleeved blouse, short frilly black shirt, white gloves, black skirt, gothic lace stockings, black knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, fiends, theatre masks, phoenixes, and angels on the coattails, and on the back is Abyss Actor - Twinkle Little Star and she has a darkness greatsword in her right hand.

Lincoln: (GASPS) Circe Balthazar, Gene-Slammer and Avatar of Abyss Actor - Twinkle Little Star and Bella Balthazar, Gene-Slammer and Avatar of Abyss Actor - Wild Hope.

Circe Balthazar: That's right.

Bella Balthazar: And we got the girls away from Douglas McCarthy and his musclebound thugs, and that musclebound hulking brute is still mad at you, Lincoln.

Selina Morrigan: Along with his gang.

Sabrina Morrigan: Let's get going.

Lincoln: Right.

We got a move on to finally deal with Douglas McCarthy and his gang of musclebound thugs who'd been sighted here thanks to Lincoln's dream and are causing havoc.

We then got to the location, and we saw Douglas McCarthy and an extremely massive army of massive musclebound thugs causing havoc in Bubblaine.

Lincoln: Leave it to me. Time for me to take care of the McCarthy gang.

We took cover in the shadows and Lincoln turned the tips of his eleven massive and long brown wolf tails into Cell's stingers, and he began sneaking behind the massive armies of Douglas McCarthy's musclebound thugs who are causing havoc here.

Lincoln was right behind a group of thugs, and as he stabbed the tips of his tails into the backs of the group of thugs, he proceeded to absorb them and he grew stronger and assimilated their massive muscle mass, massive physical strength, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

When Lincoln was done, all that was left of the first group of thugs were their clothes and weapons.

Then, Lincoln continued on with sneaking behind the remaining armies of Douglas McCarthy's musclebound thugs, and like he did with the first group, he stabbed his tails into their backs and he proceeded to absorb them and he grew stronger and assimilated their massive muscle mass, massive physical strength, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

When Lincoln was done, all that was left of the first group of thugs were their clothes and weapons.

Me: (Whispers) He's taken care of the armies of musclebound thugs around the place, now he's got to take care of the remaining musclebound thugs.

Lincoln disappeared and reappeared without making any sort of noise, and when he was in the vicinity of the musclebound thugs, Lincoln stabbed his tails into the backs of the snipers and he proceeded to absorb them and he grew stronger and assimilated their massive muscle mass, massive physical strength, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

When Lincoln was done and the stingers changed back, all that was left of them were their clothes and weapons.

Lincoln: Ah, now that was quite a feast.

Then, we reappeared as Lincoln descended in front of us.

Lincoln: We're all set to attack Douglas McCarthy, guys.

Me: With all his really massive armies of musclebound thugs absorbed by you, now he's all alone.

Nico: Let's do this.

?: (Irish Accent) LINCOLN LOUD, I'M GONNA TEAR YOU TO SHREDS AND THROW YOU IN THE RIVER!

We heard thundering footsteps and we saw a massive musclebound male with orange hair and wearing only a pair of pants and boots heading our way: it was Douglas McCarthy and he was pissed off.

Lincoln: Long time no punch, Douglas.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Douglas McCarthy, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON DOUGLAS MCCARTHY! HE WAS REALLY GOING APESHIT ON HIM!

Maria: OH THE INHUMANITY!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SLASH! SLASH!

LINCOLN SLASHED DOUGLAS MCCARTHY WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HIM AND CAUSED HIM TO SCREAM EVEN MORE IN PAIN!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to be awaiting you when you die.

Then, Lincoln punched Douglas McCarthy in the jaw and he went absolutely and completely berserk with rage.

Suddenly, Lincoln clenched his hands and flexed his muscles as he began sucking Douglas McCarthy into his body and began absorbing him, and in the process of absorbing Douglas McCarthy, he was also assimilating all of Douglas McCarthy's inhuman superhuman strength, extremely massive muscle mass, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Douglas McCarthy was eventually absorbed into Lincoln as his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings spread out and Lincoln let out a dominant roar. We cheered as we holstered our weapons and powered down.

Lincoln: Whew, I've not done that in a long time. (Flexes his even more massive muscles) But, it was so worth it, I'm even more ripped than ever. Now, to get rid of him and his gang.

Lincoln drained Douglas McCarthy and his massive army of musclebound thugs of all of their energy and sent them all to The Black Abyss.

Suddenly, we heard the sound of a banshee shrieking as it came from Hell.

Luna: (Smirks) And we pissed off that stupid banshee, Dark Lori.

Me: We sure did.

Nico: If that monster bitch thinks she's gonna get away with this, she's got another thing coming!

Lincoln: The second she shows up, I'm going to make sure that she suffers big time before I finally kill her once and for all. (To Circe Balthazar and Bella Balthazar) And it's so good to see you both again, Circe and Bella.

Circe Balthazar: You too, Lincoln.

Bella Balthazar: It's been eight year since we last met.

Suddenly, Circe Balthazar and Bella Balthazar had their hands on Lincoln's massive hairy pecs, and they proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Circe Balthazar and Bella Balthazar were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Circe Balthazar: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Circe Balthazar and Bella Balthazar and hugged them, and Circe Balthazar and Bella Balthazar were very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much more stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when they saw his longer vampire fangs and wolf teeth and even more massive white angel wings and eleven other sets of larger sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Circe Balthazar: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and eleven sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness

Bella Balthazar: (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Circe Balthazar, Gene-Slammer and Avatar of Abyss Actor - Twinkle Little Star, she's Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Circe Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Circe Balthazar really hates Bubble Bass with a blazing passion, and she also knew how to bring down the actions of that glutton, and all it took was one planned out performance from Circe, and not only was Bubble Bass done for, but he always winds up getting a severe thrashing in front of an audience of imps, fiends, and demons she summons and they all laugh at him and she runs out of the auditorium humiliated to the extreme and he winds up running back to Bikini Bottom like a coward.

Then, we suddenly found ourselves back home thanks to Lincoln.

Michelle Emperyous: And this is Bella Balthazar, Gene-Slammer and Avatar of Abyss Actor - Wild Hope, she's Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. Nico: We since had Bubble Bass in our humiliation roster since eight years ago and we took down Sergio when he broke The Anti-Mascots out of prison and we threw him in The Moon Prison after we kicked him out of the team permanently and we're also doing mini-humiliations on that stupid parrot.

Circe Balthazar: I knew it, I knew Bubble Bass would wind up getting put into the humiliation roster.

Bella Balthazar: And I always knew Sergio would wind up a jailbird forever, he was and always will be a thorn in our sides and he'll always be remembered as Great Lakes City's most notorious part animal and notorious troublemaker.

Nico: Yep.

Lincoln: Those two had it coming, and now that you and Circe are here, Bella.

Lincoln with his massive muscular arms still wrapped around Circe Balthazar and Bella Balthazar's waists first leaned his head down to the right side of Circe Balthazar's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Then, Lincoln leaned his head down to the right side of Bella Balthazar's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Circe Balthazar: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the neck of Circe Balthazar and Bella Balthazar with red gems on the gold lightning bolts and red crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklace of Shangdi along with two white and gold-accented Elemental Thunderbird Choker of Eternal Love on their necks and rainbow Thunderbird wedding ring on their left pinkies.

Bella Balthazar: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Circe and Bella Balthazar.

Circe Balthazar and Bella Balthazar had a smile on their face and tears streaming down their cheeks as Lincoln still had his massive muscular arms wrapped around Circe and Bella Balthazar's waists, and he leaned down to their faces and kissed them both on the lips, and with Circe and Bella Balthazar's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Circe and Bella Balthazar had an atomic red blush on their faces, hearts in their eyes, their noses were really gushing out blood, and their hearts were pounding like a loud drum.

Bella Balthazar: (In Heaven) My God.

Then, when Ets saw the girl he rescued, he recognized her. The girl he was to rescue is LadyTron's Mascot.

Ets: Wow, LadyTron's Mascot.

Then, when she saw Ets, she hugged him and kissed him.

Nicole: Been a long while since Ets rescued a girl for his harem.

Circe Balthazar: Especially against one of Lincoln's enemies. Oh, Lincoln, the twelve girls Bella and I rescued are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the twelve girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks, snout, and muzzle. The twelve girls are Elfuda, Gonda, Hitome, Honeda, Ino Akiho, Kuroeda, Kusahanada, Laika, Melo, Oku, Olga, and Sateru from Plus-Sized Elf.

Lincoln: Oh whoa, it's Elfuda, Gonda, Hitome, Honeda, Ino Akiho, Kuroeda, Kusahanada, Laika, Melo, Oku, Olga, and Sateru from Plus-Sized Elf.

Nicole: So, those were the girls that caused Red and Travis to issue that order, and I can see why, these girls are really voluptuous and sexy.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

Elfuda: Yes, we're okay, thanks to you.

Then, when Elfuda and the other eleven girls saw who it was that saved them from Douglas McCarthy and his gang of musclebound thugs, their faces turned atomic red upon seeing the 9'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and a large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head and behind it is a gold version of Trinity Mirror with three rings of spikes made of gold, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Reincarnation of Amaterasu, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita

Elfuda: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eleven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Laika: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Elfuda, Gonda, Hitome, Honeda, Ino Akiho, Kuroeda, Kusahanada, Laika, Melo, Oku, Olga, and Sateru with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out and we told everyone what happened.

Maria: Wow, this matched what Lincoln told us in his dream this morning. But, it's too bad that bitch, Dark Lori, escaped back to Hell.

Lincoln: She'll get what she deserved in the future.

Nico: That is if that bitch doesn't try anything else along with Dark Lola, Dark Lisa, and Dark Luan.

Me: The second she does, she's getting a 50-ft stick shoved right up her butt!

Lynn: We'll be the ones to do that. We were so sick of that control freak and her unreasonable and absolutely insane demands and what she tried to do to Lincoln: making him starve to death and trying to make him bleed, and that was only the tip of the iceberg of her absolute cruelty and cold-blooded black-hearted madness towards him.

Leni: We absolutely hated Lori so much for that and her unreasonable and insane demands.

Luna: We swore that if she ever did something this horrible to our little bro, we were gonna kick her out of the house and disown her.

Lynn Sr.: Unfortunately, at that time, she was only seventeen. If she was eighteen and another ugly incident occurred, we'd indeed kick her out of the house and disown her.

Rita: And we'd also give Lincoln's Guardian Angels the go ahead to send the evidence of her misdeeds to Fairway University, and once that happens, she'll be rejected from Fairway and blacklisted from the university.

Luan: And to make it even worse, they'll also send the evidence to her golf club in high school and to the entire school, and when that happens, the students will effectively make her a pariah and social outcast.

Luna: And when Principal Rivers finds out about it, Lori would be expelled.

Lola: Along with Bobby breaking up with her, but if that happens, it would be Armageddon. You know how I get when I get mad, right? If Lori found out who leaked her cruelty towards Lincoln to Fairway and to the high school, she would absolutely lose it and go on a massive rampage killing anyone who has a connection to Lincoln.

Lincoln: Which would lead to my Guardian Angels having no other choice...!

Lori: Than to literally kill me.

Laniya Emperyous: Like many of us who hated you for that, we swore if you ever did something like that to Lincoln again, we were gonna kill you, Lori.

Anna Anyanova: But, you redeemed yourself, same with Lynn.

Selene Emperyous: But, those nightmares finally came to an end for Lynn when Lincoln got rid of Dark Lynn forever and sent her smelly butt to The Black Abyss along with Dark Chandler and Killjoy Huggins. Now, only Dark Lori, Dark Lola, Dark Lisa, and Dark Luan remain on the loose, and thanks to that lunatic, Sebastian, they now have the powers of darkness.

Lincoln: But, I've dealt with their cruelty in the past, and they only made me stronger instead of trying to break me. But, I'm going to make sure that I break them as well. You still got the criminal files on those four, Selene?

Selene Arcangela: We do. What's the plan?

Lincoln: The second any of those monsters break out to cause havoc, send out the alert, and then, the people of Gotham Royal York will be getting pitchforks, torches, and many weapons, and we'll lead them to those monsters.

Me: A lynch mob style attack on them, awesome!

Nico: That's perfect.

* * *

After Lincoln and all of us took down Douglas McCarthy and his gang of musclebound thugs and Lincoln absorbed all of them and sent them to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Circe Balthazar and Belle Balthazar saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Circe Balthazar: My God, I was right that Lincoln's really grown into an 18-year-old 9'11" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Bella Balthazar: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Circe Balthazar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Bella Balthazar: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Jazz Jackson got out a videotape.

Jazz Jackson: Okay, guys, now this videotape I have here, this was taken a week after the whole NYU fiasco, and we were after Mad Cat Max, Patch, Hex, Shroud, Panther, Carla Claw, Crowe, Chester and Sally Gamble along with Nekome who were located in Manhattan. Of course, Caleb Maxwell was going after a group of Drake's thugs, but after one of his contacts was murdered by one of Drake Maxwell's thugs in a confrontation turned lethal, let's just say he got so pissed off, there was gonna be blood staining the streets of Manhattan.

Jazz Jackson placed the videotape in and it played on the big screen and it showed Manhattan, New York, at night, and Cage Blunt, Jack Howard, Cuffs Lane, Jazz Jackson, Roxy Drake, Casey Antonio, and Carter Kenrick were going after Mad Cat Max, Patch, Hex, Shroud, Panther, Carla Claw, Crowe, Chester, and Sally Gamble along with Nekome who were located here.

Past Cage Blunt: This is really bad, I wonder what they're doing here in Manhattan of all places. We're good with chasing after them if they're separate, but all of them together? Something's up.

Past Jack Howard: We've already got enough problems with them before you joined the force, Cage. But, you're right, whatever's going on, it's not good.

Past Roxy Drake: We'll get the answer when we catch them.

Suddenly, they saw the moon turn blood red.

Past Jazz Jackson: We better get a move on though, honey. We just saw the moon turn red.

Past Carter Kenrick: Caleb, he always comes out whenever trouble starts.

Past Casey Antonio: We'd best avoid him if possible, I'm still shaken up by our visit to Yuridia last week.

Past Cuffs Lane: Same here.

Past Jack Howard: Same with me, but this needs to be done, we got to find out what those guys are up to before we wind up running into Caleb.

They continued after The Big Claw Gang, and meanwhile, up on the rooftops of the nearby buildings and apartments, Caleb Maxwell was running in full force, but the angry glare in his eyes means that something bad happened.

Past Caleb Maxwell: (Thinking) Drake, you've gone too far for the last time. I'm personally gonna send you a message saying by the time I get done with your thugs, you'll be left all alone and with no help from anyone, and no one, not even the cops will save you from me!

Caleb's angry desire for revenge and blood echoed through his mind as he continued onwards, and the streets of Manhattan were about to be ravaged by an angry demon out for revenge.

Lincoln: Uh oh...!

Me: Tell me we didn't just hear...!

Nico: We did.

Travis Tackett: Even Leela, Peace, Cronus, and I saw what was about to happen. Caleb's angry desire for revenge and blood was going to mean another bloodbath was gonna happen!

Cage Blunt, Jack Howard, Cuffs Lane, Jazz Jackson, Roxy Drake, Casey Antonio, and Carter Kenrick continued after Mad Cat Max, Patch, Hex, Shroud, Panther, Carla Claw, Crowe, Chester, Sally Gamble, and Nekome. But, the NYPD Nightshift knew that it won't be long before they run into Caleb Maxwell after they saw the moon turn red.

Past Carla Claw: Nick, you better step on it, the cops are already on our tail.

Past Shroud: And if that wasn't enough, we saw the moon turn red, that means Caleb's here.

Past Crowe: I already know that, Chett! (SEES DRAKE MAXWELL'S THUG) WHAT THE HELL?!

Crowe saw one of Drake Maxwell's thugs, but his hoodie, shirt, and pants were all covered in blood. Crowe slammed his foot on the brake, but it hit Drake Maxwell's thug and sent him flying into a pair of trashcans.

Thug: WHAT THE FUCK?!

Crowe got out and he had his shotgun out, and Panther followed to help give the thug a beatdown.

Past Crowe: You're gonna pay for this, asshole! You dented my car!

Past Mad Cat Max: Nick, get back in here, you can fix the car up back at The Spotted Leopard, we got to get out of here before the cops show up, or worse, Caleb.

Past Crowe: Screw that! I'm ending that asshole here and now!

Suddenly, Panther spotted something in the thug's hand, it was a necklace. But, that necklace was all too familiar to him.

Past Panther: That necklace, that's...!

Thug: FUCK OFF!

The thug tried to get his gun, but, Panther punched him in the stomach and grabbed the necklace the thug was holding. Suddenly, he saw whose necklace it belonged to because of the pendants: and the pendants were in the shape of a wolf and a panther.

Past Panther: Where the Hell did you get this?!

The thug spat at Panther's feet!

Thug: Screw you, bitch! Now, gimme that necklace!

But, then, the thug got shot in the stomach and Crowe and Panther went back into the car and drove off evading the cops, and they arrived at The Spotted Leopard.

Past Hex: That was close.

Past Patch: Too close, a second more and the cops would've caught us.

Past Mad Cat Max: But, we got out of there, and that thug got shot dead. Nice shot, Crowe.

Past Crowe: That wasn't me.

Past Shroud: Then, that was...! Caleb!

Past Chester: I can't think of anyone else except for him. But, why did he do that other than the old usual routine?

Past Sally Gamble: (British Accent) I think I know, I got word from the boss that one of Caleb's many informants got killed by Drake Maxwell, and he was out for blood.

Then, Panther and Carla Claw entered into the room, and Panther was still holding onto the necklace.

Past Carla Claw: So, that explains it, and that necklace Panther had snatched from Drake's thug, it's definitely something that's not from a jewelry store.

Past Panther: This thing was handmade, but I'd recognize the craftsmanship of the pendants.

Past Carla Claw: Whoever created it has some skills.

Panther knew who had this necklace made.

Past Panther: You have no idea, Carla.

The video ended.

Nico: Drake really is a lowlife to kill one of Caleb's contacts, and you knew who had that necklace made?

Carla Claw: We did, and it was a long time ago.

Panther: It was right around the time when Caleb was in high school.

FLASHBACK PLAYS: LAGUARDIA HIGH SCHOOL

The flashback takes us to LaGuardia High School and Panther was in regular street clothes, and this is when Caleb was in high school and he was already a thief after getting abandoned by his parents long ago when he was a child and he's with Carla Claw who's also in street clothes.

Then, Panther and Carla Claw saw a sixteen-year-old Caleb Maxwell getting beaten badly by Drake Maxwell who was on another of his violent rampages right near the high school and right when Caleb was leaving. Carla Claw kicked Drake Maxwell in the face.

Past Carla Claw: Hey, what do you think you're doing?

Past Drake Maxwell: Fuck you, bitch!

Then, he got out a knife to stab his own older brother and Carla Claw, Panther then punched Drake Maxwell in the face and sent the psycho running and screaming with rage and swearing up and down all over the place. Then, he and Carla Claw turned to Caleb Maxwell who tried to get up, but he was in serious pain.

Past Panther: Hey, you alright?

Caleb Maxwell coughed up blood as it fell to the ground as he got to his knees.

Past Caleb Maxwell: No...,(Coughs up more blood) not really. I need to get to the hospital.

Caleb Maxwell managed to get back up, but he was about to fall until Panther and Carla Claw caught him, and he took him to the hospital where he was stabilized.

Past Carla Claw: Who the Hell was that asshole?

Past Panther: I know who that was, Carla. That was Drake Maxwell, he's a member of The Syndicate, the crime organization that's not in the same league of power as The Big Claw Gang.

Past Carla Claw: Which means the guy we saved is Caleb Maxwell, his older brother, but he's not even in the game.

Past Panther: No, from what we saw, Caleb has been abused and beaten physically, and it's affected him mentally.

Past Carla Claw: That's just sick, he hasn't done anything to his own brother, and this asshole treats his own older brother like a heap of trash?! The asshole needs to die.

Past Panther: You've no idea, and we've seen the nasty things Drake's done to the foot soldiers of your dad. But to also find out he's abused his older brother like that, he's really sick. Why doesn't Caleb even fight back against him? If he doesn't do something, he's gonna die.

Past Carla Claw: I've seen him in his school, and he's not a fighter. But, mostly everyone has given him nothing but the cold shoulder thanks to his stupid brother and his dad, but yet, he still puts on a brave face and goes on.

Past Panther: It'll break one day, and when he sees how cruel the misfortunes of his life truly are, he's gonna one day seek revenge on his brother and father. Should that day come, we'll be waiting for him.

The next day, Caleb Maxwell recovered and he was able to go home, but he hadn't forgotten the words Panther said.

Past Caleb Maxwell: (Thinking) That guy who caught me and punched Drake in the jaw, he's right, I need to fight back. I'm done dealing with you, Drake, same with you, Dad. I need to get Mom and Allie away from you two, the same with myself. If this continues on anymore, I'm gonna die.

After Caleb Maxwell was home, he got dressed and got ready for school, but we saw him take out a necklace and it had a wolf and panther for the pendants and he put it in his pocket, and then, he'd placed it where Panther would find it, and when he did, he saw the note from Caleb thanking him and Carla for taking down Drake and getting him to the hospital.

FLASHBACK ENDS

Me: So, Caleb was the one who made that necklace and gave it to you.

Carla Claw: As a thank you for saving him from Drake. But, I was rather hurt I didn't get one from him.

Allie Maxwell: Hey, he wasn't able to do so because he had to get away from my brother as soon as possible. But, I was horrified Drake did this to Caleb once again, this is worse than the time you had to go to the hospital because of that concussion.

Claw Dane Drake: Sadly, it would be two more years until your brother decided to fight back.

Marcus Mackenzie: Yes, Caleb had to wait two more years for that day, but what no one hadn't seen was that he'd been busy with getting help from others who fell victim to his brother's wrath, and he started building his network of informants at his high school and because of it, he'd heard all of the twisted and horrific tales of what Drake's done, and the more he dug, the deeper and black Drake's sins truly are.

James Blunt: So, that explained it.

Jazz Jackson: So, Caleb built his information network when he was sixteen and this was to put down Drake for good along with his dad.

Jack Howard: Back when I was a recruiter for the Police Academy, I'd seen Caleb bring together many of Drake's victims and he was really serious about taking his stupid brother down and when he was eighteen and about to graduate, I gave him some papers about the Police Academy, and he accepted.

Roxy Drake: He told me and Jack about his goal and why he wants to join the NYPD, and we saw in his eyes that determination.

Cage Blunt: But, that was only a cover, his eyes actually had the very things we'd seen for ourselves even before his return from the dead and transformation: he wanted vengeance, blood, and justice.

Casey Antonio: That fooled even the most seasoned and hardened detectives.

Buffy Blain: That it did, and ultimately, that was how he was able to get into The Police Academy and he kept his desire for revenge under control.

Captain Whitten: But, by the time he died and after his return from the dead and transformation, that cover was broken forever.

Caleb Maxwell: And when that cover was broken, that led to the thugs falling victim to my revenge.

Nico: That's true, but of course, with the NYPD Nightshift and The Big Claw Gang into the mix, that'd led to you trying to keep this discreet.

Lincoln: But, that of course, wasn't easy, right?

Allie Maxwell: It wasn't, Caleb always wound up getting the bottoms of his boots stained with blood and he winds up getting some blood on his face.

Marlene Maxwell: And on the days when it was raining, the blood he spilled always washes away, and he also made sure to get the shell casings of the bullets and get out of there before the cops came.

Captain Whitten: But, that didn't keep him safe for long, not with Blunt always going after him.

Cage Blunt: That's right, I knew Caleb would return to New York to finally get revenge, and I knew he still had that mark on his heart when he killed one of The Big Claw Gang's foot soldiers in Chinatown, and the madness of Drake made him desire only revenge, and I had to keep an eye on him.

Travis Tackett: That way, he wouldn't do anything else, but of course, that's not an easy task though, not only with The Big Claw Gang, but also, The Syndicate and Drake and his thugs.

Cronus Chase: Despite the fact The Syndicate fell from power, they still had some holding of power, but not as much, that belonged to The Big Claw Gang, and last year, Caleb dealt the death blow that spelled the end of The Syndicate.

Peace Salyers: And his dad wanted that organization to end, even if it meant Caleb would kill him as well.

Leela Salyers: But, he got his wish.

Caleb Maxwell: That he did, he got his wish, and Dad got his eternal slumber after we killed his evil relatives and Drake months ago.

We got a shower, and then, Lincoln, Manda (Monsterverse Transformers Titan Wars), Rosalind Sterling, Pinku Bubblemelon, Midori Emeraldkiwi, and Preecha are heading to Lake Lamode.

Lincoln snapped his fingers, and the 9'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Manda (Monsterverse Transformers Titan Wars), Rosalind Sterling, Pinku Bubblemelon, Midori Emeraldkiwi, and Preecha are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Manda (Monsterverse Transformers Titan Wars), Rosalind Sterling, Pinku Bubblemelon, Midori Emeraldkiwi, and Preecha all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and life energy and he killed them all.

Rosalind Sterling: Wow, we're here in Lake Lamode, it sure is beautiful.

Lincoln: It sure is, Rosalind, and it's perfect for our first date, shall we?

Lincoln, Manda (Monsterverse Transformers Titan Wars), Rosalind Sterling, Pinku Bubblemelon, Midori Emeraldkiwi, and Preecha dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Manda (Monsterverse Transformers Titan Wars), Rosalind Sterling, Pinku Bubblemelon, Midori Emeraldkiwi, and Preecha got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Rosalind Sterling: (Swooning) Cordelia was so right about him, Lincoln's such a handsome and manly wolf hunk!

Then, they had some lunch, and then, as the sun was about to set,

Lincoln made clones of himself and he and his clones went up to Manda (Monsterverse Transformers Titan Wars), Rosalind Sterling, Pinku Bubblemelon, Midori Emeraldkiwi, and Preecha and hugged them in their abnormally massive and powerful muscular arms, and Manda (Monsterverse Transformers Titan Wars), Rosalind Sterling, Pinku Bubblemelon, Midori Emeraldkiwi, and Preecha placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Manda (Monsterverse Transformers Titan Wars), Rosalind Sterling, Pinku Bubblemelon, Midori Emeraldkiwi, and Preecha and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Manda (Monsterverse Transformers Titan Wars), Rosalind Sterling, Pinku Bubblemelon, Midori Emeraldkiwi, and Preecha on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Manda (Monsterverse Transformers Titan Wars), Rosalind Sterling, Pinku Bubblemelon, Midori Emeraldkiwi, and Preecha are now in your harem, Linky.

Manda (Monsterverse Transformers Titan Wars), Rosalind Sterling, Pinku Bubblemelon, Midori Emeraldkiwi, and Preecha showed the marks Lincoln made on the right sides of their necks.

Cordelia Sterling: I knew it was a good idea introducing Rosalind to Lincoln.

Jenna: You girls had no trouble at all.

Rosalind Sterling: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later the mascots were getting ready.

Jaden: You're not going to Tatooine without proper supervision!

Me: That's for sure!

Nico: As long as all of us are going.

We were off.

We later arrived.

Me: Here we are.

Nico: Wow!

Then we heard TUSKAN RAIDER WAR CRIES!

Me: Tuskan Raiders coming!

We blasted them.

Nico: They aren't that much of a threat.

One Tuskan Raider tied Horsea up and brought her over to a boiling pot

Horsea: Nice try jerks!

She blasted them all over and slipped out of their ropes.

Maria punched their faces in.

Bianca: Are you okay, Horsea?

Horsea nodded.

Me: Good.

Qin: Cool.

We walked around Mos Eisley.

Nico: Wow Mos Eisley.

Qin: Awesome place.

Laney: Uh oh!

We saw Stormtroopers!

Trooper: BLAST THEM!

We ignited our lightsabers and deflected the blasts back at them and fired energy blasts. Then Jabba's men and the Rancor came!

Me: WHOA!

We blasted them all over.

Camie: Some scum just can't learn.

Poromon: Nope.

The Mascots blasted many of Jabba's men and more.

Meowth: (to Manaphy and Horsea) You girls okay?

They nodded.

Me: Good.

Qin: Awesome.

Laney: Wait look!

We saw a Gigantamax Articuno in the sky!

Me: WHOA! Gigantamax Articuno!

Nico: What's that doing here?!

Qin: No idea.

Me: Must be one of Dark Gale's work.

Camie: Let me see.

She used her telepathy and gasped!

Camie: (GASP) That's my sister Yukiko!

Me: Oh man! We got to help her.

Me and Camie flew up to her.

Camie: Yukiko it's me Camie!

All she did was fire a huge ice beam at us and we dodged it and it hit Jabba's palace and enveloped it in ice!

Me: WHOA! That is cold! Looks like we do this the hard way!

Me and Camie fired waves of fire and blasted her. Then I snapped my fingers and she reverted back and was a girl with aqua blue hair and blue eyes and had pink angel wings and had Gigantamax Articuno in the middle of her forehead and her cutie mark was a rainbow ring with an angel behind a mountain with the Aurora.

We wrapped her in a blanket and brought her over.

Me: Oh yeah!

Nico: That was fun!

She woke up.

Yukiko: (GROANS) What happened?

Camie: Yukiko are you okay?

Yukiko: (GASP) Camie!

She hugged her.

Yukiko: Thank goodness you're okay.

Camie: I am too.

Me: You were turned into a Gigantamax Articuno by Dark Gale.

Yukiko: (GASP) I remember!

She was in an aqua blue suit and was injected and then everything flash froze and she busted out and in a vortex of ice she turned into a Gigantamax Articuno and flew out.

FLASHBACK ENDS

Yukiko: It was awful.

Me: Well Dark Gale has been destroyed.

Yukiko: Good.

Nico: What's your role in Sonya's Team?

Yukiko: I'm the Aurora Master and it's my Quirk. I have aurora powers. Also I use the Aurora to destroy our enemies. Outside the team I help and train my sister to battle our enemies.

Me: That's cool! Well all your enemies have been dealt with.

Nanette: And All For One is gone too.

Yukiko: Thank goodness.

Me: Yep.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her awesome blue and dark blue clothes and an aurora sword.

Yukiko: Wow! I look great!

Nico: You sure do.

We went back to Earth.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the next mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Me: Yep.

Nico: How did you guys like Tatooine?

Poromon: Awesome and fun!

Eli: Cool cool!

Camie: Nice

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was our old enemy, Kagemaru, the leader of The Shadow Riders, he's returned and he's been fully restored to his youth. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was our old enemy, Kagemaru, the leader of The Shadow Riders, he's returned and he's been fully restored to his youth and he's causing havoc.

EVERYONE GASPED!

May: Are you kidding me?!

Maria: I can't believe it. So, Kagemaru has returned?! (GROWLS) He's gonna pay for this!

Me: That he will.

Lincoln: That's right, we're going to battle Kagemaru and we're going to make him pay for all of the atrocities he did when he unleashed The Shadow Riders to find The Sacred Beasts and we're going to place him into the servitude of the M.O.E., and we're going to unleash the ultimate power of an army of Duel Monsters on him.

Nico: Just like on Luan's big day. This is going to be awesome! Lincoln, where's Kagemaru at?

Lincoln: He's at Duel Academy.

Me: Where it all began long ago.

Nico: And where it'll end. Alright, team, let's go, this will be our final battle against Kagemaru.

Lincoln: We're going to unleash the fury of The Duel Monsters on Kagemaru, and he will pay for all of his crimes and atrocities.

Then the previous group came.

Metal Man: Nico, which Gene Slammer do you think you'll meet next!

Nico: Hyozanryu next.

Me: Ooh a diamond of a dragon.

Qin: Nice.

Lola: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and eleven sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Belzei Gertrude from Pretty Cure, and he's come back for revenge on us. When we saw it, we knew it meant trouble.

Lincoln: Are you kidding me?!

Me: Lincoln, was that...?!

Lincoln: Yep, the figure we saw in the vision orb was none other than Belzei Gertrude from Pretty Cure, and she's come back for revenge on us.

Arabella Anndrasden: (Scottish Accent) Well, in that case, this is where she meets her end here and now.

Lincoln: After we deal with Kagemaru, Arabella. We'll be sure to unleash the true power of Scotland on her and on Kagemaru as well.

Nico: Oh, now that should be something to see. Alright, team, let's go, we're heading down to Duel Academy to take down Kagemaru.

Lincoln: And send him to The Masters of Evil, and once we get done with him, you're next, Belzei Gertrude.

Arabella Anndrasden: (Scottish Accent) The suffering you've caused to so many innocent souls can never be forgiven, you will pay for everything you've done, Belzei Gertrude.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Duel Academy to take down Kagemaru and send him to The Masters of Evil, and once we get done with him, Lincoln and Arabella Anndrasden are going to destroy Belzei Gertrude and send her to The Black Abyss.

We were off to Duel Academy.

* * *

We arrived at Duel Academy.

Me: Duel Academy is looking more awesome than ever thanks to us.

Xenia: It sure is.

Mumbo: Let's call Speed Demon

Me: Good idea.

Speed Demon came.

Speed Demon: I'm here guys.

Me: Awesome.

Cloud Man: Wanna get some grub first?

Jaden: Sure! I could go for some egg sandwiches.

Me: Awesome and we added many more items to the menu after we were here last time to discuss our expansion ideas and security measures here.

Nico: Cool!

We went to the cafeteria and saw that it was not just a cafeteria but also an all you can eat buffet and more.

Nico: WHOA! What an improvement.

Me: Yep.

Professor XXXL: You guys can have snow cones too!

Me: Cool!

We got some food. And got to eating.

Jaden: (Eating) MMM! So good!

?: Well well well, look who we have here.

We saw a version of Chazz that had red eyes and was in an Obelisk Blue Uniform!

Chazz: What the!? Is that me?

Dark Chazz: Isn't it obvious? I'm you when you were once an Obelisk.

Me: I forgot how much of a grade A Asshole you were back then Chazz.

Chazz: Yeah I forgot how much of a jerk I was back then.

Me: Blame your brothers for that.

Qin: Yeah no kidding.

Beekeeper: Who the fuck sent you?

Dark Chazz: No one did. I just came to catch up on old times and make fun of your Slifer Slackers.

Me: Well for your information, Jaden and friends are not Slackers! If anyone is a slacker here it's you! Bastian told me how Crowler helped you on several occasions to try and get Jaden expelled. Remember?

Nico: Did he really?

Me: Yeah you're forgetting that I have a spy network here.

Nico: Oh yeah.

Dark Chazz: Well you Slifer Slackers are not welcome here!

POW!

I punched him in his face!

Me: Oops my punch slipped.

Nico: Nice one.

Chazz: I can't believe I was like that back then.

Me: Well like I said, Blame your brothers for that.

Qin: I can't believe that Chazz was like that back then.

Camie: Who were his brothers?

Me: Their names are Jagger and Slade Princeton and THEY HATED Chazz.

Ojama Yellow: It's true. The Boss was not liked among his family.

Chazz: Yeah my brothers have always hated me.

Me: We brought them to justice a long time ago.

Nico: I remember that.

Salami Swami: Anyone want salami?

Me: Sure.

I had some put on my sandwiches.

?: I'll have some too.

A little cat came and it was a grey cat with blue eyes and had Indian jewelry on.

Me: Aww aren't you so cute.

Lincoln: Aww! That's your Akuma Mindy! Her name is Beauty Rescue Cat.

Mindy squealed and Lincoln and Mindy hugged her and pet her.

Mindy (GX): I look so adorable as this!

Me: (LAUGHS) You sure do.

Mindy and Lincoln pet her and gave her salmon.

Me: Boy this one was easy to beat.

Lola: (LAUGHS) Yeah just give her salmon and pet her.

Nico: (LAUGHS) Cute and fun.

Mndy (GX): Yeah.

Teresa: Where's Julie?

Me: Oh she's over there. Look.

We saw her challenging Harrington Rosewood to Tennis.

Me: Oh right we did promise to have Julie face Harrington here one day.

Alexis: I remember that.

Me: It was during the days leading up to when the Dino Fury Rangers were done with their adventures.

Camie: Oh wow.

Nico: That's right!

Me: I got to admit though, Julie is doing really well.

Nico: She sure is.

Riley: I wonder if they do hockey here at Duel Academy.

Jaden: Street Hockey maybe but not ice hockey.

Riley: Any kind of hockey works for me.

Me: Cool cool.

Selma: I see some bullies coming our way.

Me: Hmm. Probably no one that we know but lets see who they are and what they want.

They came up to us and sure enough it was Taiyou and Raizou!

Chazz: Taiyou and Raizou!

Taiyou: Long time no see boss! Give us your money!

Me: No dice chumps!

Eli: You jerks need to get lost!

Me: Especially after that stunt you pulled leading up to the battle with Sartorius 3 years ago!

Camie: Yeah!

Raizou: We'll see!

I threw a card and it flew passed them and it came back to me and I caught it with my fingers! They saw that their cheeks were cut! Blood dripped down from their faces!

Me: Little trick I learned from Seto here. Duel Cards can have a volatile cut to them if thrown properly. So unless you want your necks slashed then you better run.

They ran.

Me: What a couple of wusses.

Poromon went near Julie pretending to be a tennis ball.

Julie: Huh? Poromon nice try.

Poromon pouted

Me: Poromon you silly guy.

Nico grabbed him.

But then we felt a MASSIVE Energy signal.

Me: WHOA! Feel that?

Lincoln: WHOA! And I know what that signal is coming from. It's Jaden's Akuma and his name is Evil HERO Hades Neos! The Hypothetical Akuma of Jaden Yuki and he is the polar opposite of Elemental HERO Divine Neos and is a deadly force of evil. He was made because of Nightshroud killing everyone he loves and vowed revenge on the world!

WE GASPED IN SHOCK!

Lincoln showed a sketch of him and he was a dark version of Elemental HERO Divine Neos but had bat wings and blue fire on him.

Me: WHOA! That is a scary one!

Bonnie Terrez: WHOA! No kidding! Dark Jaden would be amazed seeing that one!

Kickback: Here's an Akuma we're gonna fight!

Me: That is for sure! And this one is gonna be tough!

Eli: I sense him outside!

Nico: Lets go guys!

We went outside and we saw blue fire coming and then out came EVIL HERO HADES NEOS!

WE GASPED!

Me: WHOA MAN!

Evil HERO Hades Neos: (Echoing Demonic Voice) So you all came to die.

Me: This is gonna be a brutal battle!

Machinedramon: Jaden? Is that you?

Evil HERO Hades Neos: Not anymore. Now I want revenge. Where is Nightshroud?

Me: Dead and gone. Soon you will be too.

Jaden: I can't believe that this is what Nightshroud would turn me into!

Me: Except without a doubt you get stronger by gaining the powers and abilities of other Evil HERO Monsters.

Speed Demon: You need to calm down!

Evil HERO Hades Neos: NEVER!

Me: Then face our power!

I fired a wave of energy and blasted him all over!

Speed Demon ran fast and bashed him down.

Evil HERO Hades Neos: My turn!

He fired a massive blast of darkness and we dodged it.

I fired massive waves of energy and blasted him and knocked him out!

Lemmy: Reminds you of the Supreme King, doesn't he?

Jaden: Yeah he does.

Lola: That was terrible back then for him.

Qin: It was.

Me: Jaden did all kinds of horrible atrocities because of the Supreme King's power back then.

Nico: Yikes.

Toad: That's the second Akuma today

Me: One was cute and the other was vicious.

Lola: Yep.

Mindy (GX): I like my Akuma. She is so adorable.

Beauty Rescue Cat: I sure am.

Me: You sure are.

Lincoln: This is an Akuma that will be with us and in the M.O.E.

Lola: Yep.

She then looked at Mevya.

Taylor: Oh no.

Gatomon: Beauty don't eat Mevya. Mevya does not taste good.

Me: (Facepalms) Oh fuck not this again.

Beauty Rescue Cat: Don't worry I won't eat Mevya.

Kevin Levin: Good.

But then we felt a massive rumble and then 6 MASSIVE RAINBOW PILLARS OF ENERGY EXPLODED OUT OF THE OCEAN AROUND THE ISLAND! Then the sky darkened with storm clouds!

Me: Uh oh! Looks like Kagemaru is coming! I sense him!

Skulker: You should summon Neos for this!

Nico: We're going to summon all our monsters for this!

Eli: Lets go face him! He's in that clearing over there!

We saw the clearing.

Me: Lets go.

Nico: Entrance time!

We went at the clearing.

Kagemaru was younger and smirking.

But then the spirits of duel monsters came and swirled around him and then converged and then...

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a Phoenix Cry was heard and we came out.

Me: Hello Kagemaru! Long time no punch!

KRABLAM!

Tuddrussel punched him in the face and knocked him down.

Me: Still haven't forgotten how much Tuddrussel smashed your face in.

Burner Man: You didn't think your light show would go unnoticed, did you?

Me: That's right! You've got some nerve coming back from the dead, Kagemaru.

Nico: I honestly thought we were finally done with you, especially after all the atrocities and crimes you've committed when you unleashed The Shadow Riders to get The Sacred Beasts, but this is where it ends!

In swirls of fire, lightning and darkness came said monsters and KAGEMARU WAS SHOCKED BEYOND WORDS!

Hannah Fairchild: The Sacred Beast Cards chose me as their master and I promised to show them respect and love. Because they are like all of us and deserve love.

Nico: Ironic isn't it? The very monsters you wanted are now being used by Hannah.

Kagemaru: NO! Those monsters serve me!

Me: Sorry Kagemaru, but all Duel Monsters deserve love and respect.

Zane: That's right! Take it from me. I learned that the hard way when I disrespected the Cyberdark Monsters! I died because of my heart dying.

Cillia Cyberdark: That's right! The Cyberdark Monsters are very prideful and loathe disrespect. They kill anyone very slowly and excruciatingly painfully to anyone that doesn't give them the respect they deserve.

Me: That is for sure! Also kind of fitting that you are facing all the monsters we have here.

Golden Glider: And this time, no monsters fading.

Nico: Yep.

Kagemaru: We'll see how long you last!

Me: Well this time we're going to unleash the divine judgement of God on you!

I fired waves of energy and blasted him.

Kagemaru: I see you have bested my minions and made them good.

Me: Well to tell you the truth, Atticus was possessed by an EVEN GREATER Evil than you. Nightshroud was the embodiment of absolute darkness and he was going to blow the entire planet to smithereens.

They fired waves of energy and elements and blasted Kagemaru all over the place.

Suddenly, the full moon showed itself, and then, we heard the sounds of loud howls in the air, and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 werewolves coming out of nowhere and they were heading for us, but Lincoln charged at them and he morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of werewolves, and one by one, he began absorbing them into his body and he assimilated their Superhuman strength, Enhanced senses, Super speed, Healing, Super Senses, Healing factor, Shapeshifting, Superhuman speed, Superhuman stamina, Superhuman durability, Massive muscle mass, virility, testosterone, Infectious bite and scratch, Disease immunity, Enhanced Speed, Immortality, Lie Detection, Empathy, Pain Transference, Memory Transference, Animal communication, Superhuman reflexes, Eolas, Ansin, Invulnerability, Lycanthrope enhancement, and Telepathy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln let out a loud and massive howl of dominance and power.

Lincoln: (Smirks) Nice try, Kagemaru. (Cracks Knuckles) Now, you're really going to get it big time.

Yukiko was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with the Hagakure Sisters!

Yukiko: NO! We control the power! It doesn't control us!

They concentrated and reigned in the powers of the Sawsbuck and Gigantamax Articuno and transformed and blasted Kagemaru all over.

---

Toiletnator was first.

Toiletnator (to Layla): Nico's rescue was in the Life Sensei Realm. He battled Ra's Al Ghul in Talia's body

Layla: He sure did and man was it a tough one. J.D. had 500 years of swordskills to use on him too. Also it was powerful retribution to make Ra's pay for his crimes against the world. And for all the times that he cheated death.

Palmon: If there's one thing the Grim Reaper never likes above all else it's being cheated! Oh I'm Layla's Palmon.

Toiletnator: Oh pleasure and wow! Mimi has one and now you do too.

Layla: I sure do. Also Future J.D. separated Talia from Ra's and repaired the heartbreak they got from back in 2019 when we first met Earth.

Squidward: That was a really crazy adventure back then. We were shocked that Ra's of that time did that.

Lucy Mann: Ra's always did find ways to cheat death. But this time he answered for his crimes when we killed him. J.D. tried to get through to him by reminding him of how he gave his life for Talia when Supergiant killed him.

Ranamon: That was a really amazing deed he did back then y'all.

Rarity: It sure was darlings. Too bad J.D. couldn't get through to him. I guess this was one version of Ra's that was unreformable.

Sapphire Ocean: That is true.

Rarity (G5): Yeah that is true darlings.

Dioptase Angel Belle: Ra's did say that he was grateful for what happened on that day so that shows how much he loved his daughter. And we found out who it was that gave Talia her powers. It was the Aurora Phoenix of Artemis.

Sweetie Belle: That was so cool!

Gill Grunt: It sure was.

Toiletnator: That is amazing! And I'm glad that Ra's of this world learned big. But I'm glad the Future Ra's still loved his daughter. Lets do it!

Starshine Sparkle: I'm more for Blair's Akuma to be a Dark Maiden in Love Akuma. Axel's gonna be for a Volcanic monster, Adrien for Cloudian, Jesse for Rainbow Dragon and Jim for a Fossil. And Tyranno will be a Dark Dinosaur. But who knows.

Spyro: Those are all very good guesses though.

Xigbar: They sure are and it will be interesting to see. Lets do it!

Sinduramon: That is amazing. Oh I am the servant of one of the sovereign, Sinduramon.

Pyros: Oh pleasure and that's right I remember the Devas served under the Sovereign Digimon. That is fitting too.

Mercurymon: Pleasure and now he has a Veemon and you too.

Aldamon: He sure does.

Nyarla Noodle: Yeah this gonna be awesome and amazing too.

Then, Lincoln tied Kagemaru up in a rainbow energy straitjacket and Neutronium Chains lined with rainbow energy and he lifted him up as he grabbed him by the neck with his left hand and he formed a portal that led to The M.O.E. and he tossed Kagemaru into it and he wound up in The M.O.E.

We cheered wildly as we holstered our weapons and powered down.

Nico: That'll teach you, Kagemaru!

Me: Serves you right!

We were amazed by Arabella Anndrasden's transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was really gushing out blood. But, when Belzei Gertrude saw it, he went ballistic and was about to attack her, but Arabella Anndrasden fired a massive barrage of emerald green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, nature, plants, leaves, Celtic symbols, sheep, Celtic creatures, phoenixes, and angels that hit Belzei Gertrude and sent him flying into a wall, he got back out, and he was really enraged!

Lincoln, Arabella Anndrasden, Nico, and I went after Belzei Gertrude, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, emerald green, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Arabella Anndrasden did the same by firing emerald green, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Arabella Anndrasden, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Belzei Gertrude even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Belzei Gertrude, and we found ourselves in Heaven.

We cheered wildly as we holstered our weapons and powered down and Arabella Anndrasden's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long emerald green wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large emerald green planets orbiting around her legs, twenty-five smaller emerald green planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized emerald green planets orbiting around her wrists and ankles, and massive emerald green angel wings and eleven sets of large emerald green angel wings underneath her massive emerald green angel wings are permanent.

Arabella Anndrasden: (Scottish Accent) It's over for you, Belzei Gertrude, now rot in The Black Abyss forever. Thanks for helping me get rid of that monster, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Arabella.

Me and Nico: Our pleasure, Arabella.

Suddenly, Arabella Anndrasden wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Arabella Anndrasden's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Celtic animals and sheep flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Arabella Anndrasden sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Nicole: That was an awesome job you did siphoning Belzei Gertrude's energy and powers and making all of his powers yours, Lincoln.

Lincoln: That monster paid the price for his desire for power.

Me: That's for sure, and she paid the price for her hunger for power. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the full moon turn blue and the symbol of The Wolf Moon appeared in the moon as we heard a wolf howl.

Lincoln: The Wolf Moon, it's time.

Me: What is it?

Lincoln: We're in for an awesome series of rescues tomorrow and the eleven days to come, we're going to meet The Wolf Moon Night Pack.

Me: Whoa, who are they?

Winter Werewolf: The Wolf Moon Night Pack, they're a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and Lincoln had turned them into werewolves when he bit them and he injected his excessively potent lycanthropy and vampirism into their veins in order to save their lives after being brutally attacked by Lori, Lynn, Lola, Lisa, Luan, Chandler, and Killjoy Huggins.

WE GASPED!

Nico: Oh man!

Me: I'd remembered seeing the different Wolf Moons appearing and I also heard werewolf howls as well during those nights.

Eli: So, who's the first one we're meeting tomorrow.

Lincoln: Judging by the appearance of the symbol of The Wolf Moon, I know who we're going to meet tomorrow: Selina Ice Moon, Werewolf Angel of The Ice Moon.

Winter Werewolf: I knew it was her, and you guys are going to love meeting her, Selina Ice Moon, Werewolf Angel of The Ice Moon, is Lincoln's Guardian Angel from Michigan and she's an incredibly powerful werewolf of The Wolf Moon or The Ice Moon. Selina is a powerful master of the powers of blue wolf fire, darkness, ice, The Wolf Moon, and the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Selina is the leader of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she got brutally attacked by Lori. Selina trained Lincoln in mastering the powers of blue wolf fire, darkness, ice, The Wolf Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful darkness greatsword and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lori with a blazing passion and she wants nothing more than to tear her to shreds underneath The Wolf Moon.

Me: Oh man! That's so awesome!

Nico: Twelve days of rescues and on those twelve days, we're meeting the twelve Werewolf Angels of The Twelve Elemental Wolf Moons, that's awesome, and what's Lincoln's moniker, what's he known as?

Winter Werewolf: Lincoln's moniker? He's known as The Werewolf Angel of The Twelve Elemental Wolf Moons because he has all of the powers of the twelve Elemental Wolf Moons, and with him being a True Alpha Vampire-Werewolf Hybrid, that made him even more powerful than the average werewolf.

Me: Oh man...! That really is incredible!

Luna: Oh, I remember that moniker all too well. When the twelve

Elemental Wolf Moons appear in the skies, that's the proof The Werewolf Angel of The Twelve Elemental Wolf Moons has arrived.

Laney: Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and all of Lincoln's enemies went way too far in attacking them, but in doing so, Lincoln turned them into a group of twelve warriors of the Twelve Elemental Wolf Moons and they became even more powerful than ever.

Nico: They sure did go too far, and Lincoln retaliated big time.

Speed Demon: Wanna see it again?

Leonard: I think that's enough.

Xigbar: Another one in our ranks.

Me: Yep and we saved the world again.

Jaden: That was awesome and fun!

Mercurymon: This calls for a celebration.

Condiment King: I got the condiments.

Gramma Stuffum: I'll cook the food.

Nico: Yep! Great job everyone!

Jaden: (To the viewers) This was a great day to get my game on!

Alexis: You got that right!

Jaden and Alexis kissed.

We had a great meal to celebrate.

We returned home, and hours later, night fell on the city, and Lincoln headed to Lake Michigan and the full moon was out and he had his weapons holstered in case of trouble.

Lincoln: Ah, Lake Michigan sure is peaceful even at night.

?: (Beastly Voice) That it is, and you've made it just in time.

Suddenly, Lincoln caught the scent of a werewolf and as he turned around, he saw just who it was that sent him the letter, it was Winter Werewolf, but she was in her werewolf form.

Lincoln: Winter.

Winter Werewolf: (Beastly Voice) Yep. It's been years since we've had a moonlit date here in any of the lakes in Michigan.

Lincoln: That's true, it's been years since we had a moonlit date in any of the lakes in Michigan.

Then, Winter Werewolf approached Lincoln and she placed her hands on Lincoln's massive pecs.

Winter Werewolf: (Beastly Voice) (Rubs Lincoln's massive pecs) Well, shall we rekindle that experience once again?

Lincoln: Who am I to refuse? Shall we?

Lincoln snapped his fingers, and the 9'11" handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and Winter Werewolf still enjoyed the sight even to this very day.

Then, Lincoln snapped his fingers and Winter Werewolf was in a two-piece dark blue bikini with the symbol of the werewolf and Wolf Moon symbol The Musiqidandi Sisters and Zoey Tsukino made for her.

Lincoln and Winter Werewolf dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, and then, as soon as they got back to the beach, Winter Werewolf gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but she had also released some tension he'd been carrying.

Then, he did the same thing giving Winter Werewolf a deep tissue massage, and when he was done, she was literally relaxed. Then, they had an awesome volleyball game, and they went into a workout area Lincoln created, and Winter Werewolf got an extremely massive and deep atomic red blush on her face when she saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Winter Werewolf: (Beastly Voice) (Swooning) You're still the same tall, powerful, courageous, brave, and very strong warrior, True Alpha Vampire-Werewolf Hybrid, true gentleman, charismatic, rugged, manly, seductive, and handsome, and the same impressive satisfier of women and master of sex and lovemaking and you're still the same ladies man.

Then, Lincoln went up to Winter Werewolf and he hugged her in his abnormally massive and powerful muscular arms, and Winter Werewolf placed her hands on Lincoln's massive pecs as her breasts pressed against Lincoln's chest and her stomach pressed against his twelve-pack abs.

And then, they shared a deep, passionate, and romantic kiss, and then, Lincoln pinned Inner Moka to the sand as they continued their deep, passionate, and romantic kiss as she also wrapped her legs around his waist, and then, they separated.

Winter Werewolf: (Beastly Voice) (Rubs Lincoln's massive pecs) And you're still the same romantic and passionate kisser. (Smirks) You ready for another intense and passionate lovemaking session once more, you hulking wolf stud?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and we felt Lincoln gain another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force.

Lincoln lifted Winter Werewolf up bridal style and they came back home to The World Tree Estate and he placed her on his really extra large expanding bed with him on top of her, but she also saw his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Lincoln: (Seductive Voice)(Smirks) Oh, you bet.

Lincoln used one of his eleven massive and long brown wolf tails to push the door shut and the barrier activated, but it also turned a deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Selina is a powerful master of the powers of blue wolf fire, darkness, ice, The Wolf Moon, and the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Selina is the leader of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she got brutally attacked by Lori. Selina trained Lincoln in mastering the powers of blue wolf fire, darkness, ice, The Wolf Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful darkness greatsword and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lori with a blazing passion and she wants nothing more than to tear her to shreds underneath The Wolf Moon.

Next is the anniversary party for the April 12th, 2021 War in Loud House Revamped 1.

See you all next time.

ANNIVERSARY OF APRIL 12TH, 2021

This is for the Anniversary of The Great War of Friendship

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem. Suddenly, he sensed an ungodly evil presence coming from our statue garden, and he got dressed and had his weapons holstered. Suddenly, Nico and I and the rest of us came out dressed as well.

Me: Did you feel that?

Lincoln: I did, it's coming from our statue garden.

Nico: I don't like it, come on.

We then headed for our statue garden, but then, we found out where the evil presence was coming from, it was coming from the statue of Sebastian.

Poromon: Sebastian's still alive?! Oh, that's it, I'll smash it into pieces.

Suddenly, we saw the stone covered eyes shatter, and when they opened up, they revealed bright red eyes and dark red sclera full of madness and evil. Then, we saw cracks forming on the statue, and then, all of a sudden, the statue shattered and a tornado of infernal darkness formed around it. When the tornado faded, what stood in its place was Sebastian freed from his statue prison, and then, he felt a pain on his back, and then, massive demonic black wings grew and sprouted out of his back with a wingspan of 6,666'0", he has black claws on his fingertips, his long black trenchcoat had a red inlay and red collar, he now had on a black long-sleeved dress shirt, black pants, black knee-high boots, his skin turned from peach colored back to deathly pale, and he had the symbol of Apophis on his forehead.

Sebastian Mendez: (Echoing Demonic Voice) I AM REBORN!

Me, Nico, Lincoln, and all of us: Sebastian!

Drakus: Shit! Sebastian's been freed! GET HIM!

The X-Squad went at Sebastian, but he fired blasts of infernal darkness at them, but they dodged all of them, and he took to the air and he fled while laughing demonically and insanely.

Lincoln: He's been freed.

Me: Now, we're in big trouble.

Nico: That we are, but what did we just see? How did he finally break free?

We went back inside and Lincoln and his harem went back to sleep, but we hadn't forgotten what we just saw this night, Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

Suddenly, The Undead Symbol on Crash Bandicoot's True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Justice started glowing.

Chopscotch: Ooh, The Undead Symbol's glowing.

Crash Bandicoot: It's time.

Me: Hey, what's up?

Crash Bandicoot: J.D., everyone, listen up, after breakfast, we're going to The Sensei Undead Realm to find The Sword of The Undead Skylanders.

Nico: Awesome.

Poliwag: I can't believe this, I can't believe Sebastian escaped!

Suddenly, a portal opened and Anubis, The Egyptian God of The Dead, came out, and then, a tornado of Divine Darkness appeared and when the tornado vanished, there stood Nyx, The Greek Goddess of The Night.

Lincoln: Lord Anubis, Lady Nyx? What brings you here?

Anubis: Our apologies, Lincoln, but we saw what happened last night. Please, follow us.

Anubis and Nyx teleported all of us to a massive building made of marble where the other Egyptian Gods and Goddesses appeared along with the other Greek Gods and Goddesses and the many Gods and Goddesses of the pantheons around the world appeared to us along with God, The Archangels, and Angels.

Lincoln: The appearance of the other Egyptian Gods and Goddesses and the other Greek Gods and Goddesses and the many Gods and Goddesses of the pantheons around the world, and Our Lord, The Archangels, and Angels of Heaven, this means that we have a dire situation.

Anubis: Yes, that is correct.

Nyx: It's true that after Sebastian was defeated and I stripped him of his powers of Divine Darkness and all the powers he'd gained from the training he had with you and gave them to you, Lincoln.

Qin: And he'd turned to stone.

Lincoln: I thought that'd be the end of it.

Nyx: I'm afraid not, he's going to return one day to get revenge, and there's something else: he's also the leader of an evil Satanic group called The Order of The Dark Universe.

Me: The Order of The Dark Universe, I can tell they're just as evil as The Church of Necrom.

Anubis: They are actually far worse than them, they are an evil Satanic group whose goal is to imbue Sebastian with the powers of Apophis, the evil Egyptian God of Chaos and destroy the entire universe and remake it in their own image into an evil universe where only evil reigns supreme.

WE GASPED IN HORROR!

Me: That explains why we saw the appearance of The Mark of Apophis on his forehead after he was freed.

Lincoln: And that's why he had that much darkness inside him and why he's that evil! Oh no! This is bad.

Suddenly, the symbol of The Nightflame Sun appeared.

Lincoln: (GASPS) The Nightflame Sun, this means The Hunters of The Nightflame Sun are going to return.

Zeus: Correct.

Me: Who are they, Lincoln?

Lincoln: The Hunters of The Nightflame Sun are a group of bounty hunters that go after the most dangerous dark magic users in the world, and their goal is to bring down Selena's brother, Sebastian, and make him pay for all his crimes. Nyx, The Greek Goddess of the Night called on her and gave her and her team the powers of Divine Darkness and their mission is to bring down Sebastian and the most dangerous dark magic users ever.

Qin: I remember them all too well, they fought against Sebastian and those Order of The Dark Universe assholes!

Nico: Same here.

Anubis: Now that Sebastian has been freed and there's no doubt he's heading to Transylvania to free the other members of The Order of The Dark Universe, which means they are going to return as well. Now then, it's time we proceeded with this second part of our plan.

Suddenly, rows of massive magic circles from cultures around the world and time periods appeared underneath Lincoln's feet and all of us and The Egyptian Gods and Goddesses stood around one of the magic circles followed by The Greek Gods and Goddesses, The Chinese Gods and Goddesses, The Japanese Gods and Goddesses, The Aztec Gods and Goddesses, The Mayan Gods and Goddesses, The Incan Gods and Goddesses, The Roman Gods and Goddesses, The Norse Gods and Goddesses, The Celtic Gods and Goddesses, The Hindu Gods and Goddesses, The Mesopotamian Gods and Goddesses, The Buddhist Gods and Goddesses, The Proto-Indo-European Gods and Goddesses, The Slavic Gods and Goddesses, The Native American Gods and Goddesses, The Philippine Gods and Goddesses, The Hawaiian Gods and Goddesses, The Polynesian Gods and Goddesses, and The Australian Gods and Goddesses.

Me: My Lord, what's happening?

God: (Divine Heavenly Voice) They already knew of your spiritual connection to me, The Archangels, and Angels and that also led to him getting a Divine Blessing from Heaven and the gifts I gave to you and all of you were Divine Blessings from Heaven and you also now have spiritual connections to me, The Archangels, and Angels of Heaven, and now, The Gods and Goddesses of the cultures all over the world are going to create and forge spiritual connections to Lincoln and all of you as well and give you their powers as well.

Suddenly, the circles began glowing and our rainbow energy auras flared up, and we felt something very powerful flowing into us: it was the powers of all The Gods and Goddesses of the cultures all over the world, and we felt a powerful spiritual connection to them being forged and it was added to our spiritual connection to God, The Archangels, and Angels of Heaven.

When it was done, the circles vanished and The Gods and

Goddesses of the cultures all over the world returned to their thrones, and we were incredibly stronger than ever.

Maria: Whoa! I feel even more powerful than ever!

Me: Same here!

Nico: Now, we have a connection not only to Heaven, but also, to The Gods and Goddesses of the cultures all over the world.

Anubis: And we also have a guest joining us.

Suddenly, the symbol of The Nightflame Sun, the black flame sun, appeared, and a tornado of black fire and Divine Darkness appeared, and when it faded, there stood a girl with long black hair, purple eyes, black clothes, massive black angel wings, the symbol of The Black Flame Sun on her stomach, forehead, and right arm, and she has a staff in her hand.

Lincoln: (GASPS) Selena Mendez, Leader of The Hunters of The Nightflame Sun and Master of The Black Flame Sun and Divine Darkness.

Qin: I knew she'd be here, I just knew it.

Nico: It's awesome to see you again, Selena.

Me: Lincoln, you, Nico, Qin, and their friends know her?

Lincoln: Indeed we do, J.D.

Nico: Yep, everyone, this is Selena Mendez, Leader of The Hunters of The Nightflame Sun and Master of The Nightflame Sun and Divine Darkness, she's Lincoln's Guardian Angel from Michigan, and she's a very powerful Guardian Angel of Darkness, but what's shocking is that she's the little sister of Sebastian Mendez, but she's not like him at all. In fact, she's the leader of a new group of Guardian Angels called The Hunters of The Nightflame Sun, they are a group of bounty hunters that go after the most dangerous dark magic users in the world, and their goal is to bring down Selena's brother, Sebastian, and make him pay for all his crimes. Nyx, The Greek Goddess of the Night called on her and gave her and her team the powers of Divine Darkness and their mission is to bring down Sebastian and the most dangerous dark magic users ever. Selena is the leader of the team and she's the little sister of Sebastian, but she hates her demonic insane brother, and her mother and father also feared Sebastian, and they cut off all ties to him after he was sent to a maximum security insane asylum. But, when news about him breaking out thanks to an evil satanic cult got out, she and her team were immediately assembled by Nyx to bring him down and end his reign of terror. He and his followers better beware because the Hunters of The Nightflame Sun are coming for them! She met Lincoln and she also helped him master the powers of Divine Darkness, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she and her group also hate Lincoln's enemies with a vengeance and vowed to kill them all.

WE GASPED!

Eli: Thank God she's nothing like her murderous insane older brother.

Qin: No, she's not. Plus, she and her friends saved me, Nico, our friends, and everyone from our high school in New Jersey and all over the world many times from the murderous actions of her insane evil older brother.

Selena Mendez: That I have, and when I found out that my insane brother had been freed from his stone prison when the powers of Apophis kicked in, I knew it was time.

Lincoln: Your brother caused far too much trouble for the last time, and he's gonna free the rest of The Order of The Dark Universe from their prison in Transylvania and come after us.

Selena Mendez: I know. Which means, the rest of The Hunters of The Nightflame Sun are also going to join us like in my case.

Lincoln: Which means, the next one we're meeting tomorrow is Camie Elextor, the 2nd in Command of The Hunters of The Nightflame Sun. Now, let's finish breakfast and head out to The Sensei Undead Realm and hunt down not only the next villain we're going after.

Nico: But also, Sergio's thugs.

We then finished our breakfast, and we set out to The Sensei Undead Realm, so Starlight Glimmer can remove The Sword of The Undead Skylanders, and there, we hunt down the next villain there and take him down and send Sergio's thugs to The Black Abyss.

Fu: It's creepy but it's fun and cool.

Poliwag: I like it though.

Nico: Poliwag, I want to thank you, Gazimon, and your teams for coming

Poliwag: No problem. It's awesome that I get to lead a team now.

Nico: It sure is.

Suzumebachi: I'm ready for some fun and action.

Me: Me too. Oh guys I got a message from King Kai. He told me that we have an unexpected and shocking surprise here that needs our attention.

Lincoln: I wonder what it is?

Me: We'll find out soon.

Suzumebachi: Yeah.

Me: Suzume, you remember when we first met right?

Suzumebachi: I sure do. Me and my brothers were father the treasure of my grandfather the 1st Tsuchikage.

Me: I remember. You were trying to get the Bikochu Beetle to get it.

Nico: What happened?

Me: Well in 150,000 years the Hidden Rock and the Leaf still had a lot bitter grudges for quite a period of time. The Hidden Rock's Kamizuru Clan and the Aburame Clan of the Leaf have had a lot of rivalries and competition with one another.

Nico: Yeah I know all about that.

Me: Yep. During the Bikochu Mission we went to find the Bikochu to find a bunch of Rogue Ninjas to hunt down for the Hunter ANBU. But as luck would have it we ran into Suzumebachi and her brothers.

Suzumebachi: The Knights of the New Fire told us that the Rock and the Leaf put aside all their differences and decided to bury the hatchet. We formed the United Shinobi Federation after Sasuke's Execution and formed a huge alliance. We became good friends.

Naruto: It's true.

Nico: WOW! That is amazing!

Fu: It sure was. The Kamizuru and Aburame clans became one back then too.

Me: Yep.

Nico: I wasn't with you guys back then

Me: No this was too far in the future. Also I had had no idea here you were.

Camie: Wow.

Lola: Yeah that was crazy.

Suzumebachi: It sure was.

Varie: Yeah.

Me: Thank goodness no ninja villages are fighting.

Poliwag: Thank goodness for that

Me: No kidding there.

May: (Tired) I agree. (YAWNS)

Me: May are you alright? You look really tired.

May: (YAWNS) Just a really horrible night sleep.

Lincoln: Uh oh. It wasn't because of me was it?

May: No I just had a really horrible nightmare.

Nico: Please tell us, babe

May: I... I can't! (Crying)

Natilee: This is what she saw.

She showed a picture of May being chased by Beedrill and they ripped her clothes off and left her naked and then stabbed her all over and skewered her and killed her!

WE GASPED!

Me: WHOA MAN!

Nico hugged May.

Nico: It's okay babe. It was just a dream. It wasn't real.

Manaphy hugged May.

Manaphy: Mama it'll be okay.

May: (CRYING) I'M SO SCARED!

Nico: I know May. I know.

Me: Poor May.

Eli: Yeah.

Me: Nico you comfort your wife okay.

Nico: Will do. Man Jaden you did really well.

Jaden: Yeah that was awesome!

Qin: It sure was cool!

Me: The Shadow Riders will think twice before messing with us.

Tania: Ahem!

Me: Sorry Tania. I meant the Leader of the Shadow Riders.

Tania: Oh that's better.

Me: But we had a good battle.

Alexis: We sure did. That's one of Duel Academy's students of the Core 310 done for their missions.

Nico: And two to go

Me: Alexis and Chazz.

Qin: Yeah.

Nico: Yep. Jaden's Akuma was awesome though.

Bonnie Terrez: He sure was.

Jaden: I agree there. That was awesome too.

Me: Yep.

Shaggy and Scooby were whimpering in fear as we walked through the Undead Sensei Realm.

Shaggy: (Cowardly Whimpering) Like can we go home now?

Erica Haddock was dragging them.

Erica: You chickens aren't getting out of this that easily.

Shaggy and Scooby clucked like chickens.

Me: UCH! You guys are the biggest cowards ever.

Laney: Yeah.

Nico: We summoned a lot of monsters

Me: We sure did. What was even ironic is the fact that Hannah Fairchild turned the very monsters he coveted against him.

Eli: She sure did. That was awesome.

Laney: That was so awesome.

Me: Yeah.

Manaphy was on May's head

May was crying hard.

Lily: You know something has me wondering.

Me: What is it Lily?

Lily: I wonder if there are Land versions of Puffy Fluffy?

Me: I... I don't know. I don't think there are land versions of Nudibranches like Puffy Fluffy.

Qin: That would be interesting to look into. And deal with it.

Manaphy: We need to cheer Mama up!

Nico: Manaphy calm down. But yeah.

We sat May down.

Me: How about this?

I Pulled down Nico's pants!

POP!

Nico: HEY!

Poromon: You did that to some of us!

Nico: Sorry!

Me: Guys focus!

Nico: But how about this too?

Then...

WHAM WHAM WHAM WHAM WHAM WHAM WHAM!

NICO BASHED ME ON MY BUTT WITH A METAL PADDLE!

Me: (SCREAMS) OUCH! HEY WHAT'S THE BIG IDEA!?

MY BUTT WAS GLOWING NEON RED!

Me: Ouch.

Donald Duck: I got something. BILLY YOU SHUT THE FUCK UP!

Billy: NO YOU SHUT UP YOU STUPID DUCK!

Donald Duck: NO YOU SHUT UP YOU BIG NOSED BUTTFACE!

Billy: NO YOU SHUT YOUR BEAK UP!

Donald Duck: NO YOU SHUT THE FUCK UP YOU UGLY STUPID JERK!

Billy: WHY YOU LITTLE!

Donald Duck THEN EXPLODED IN ONE OF HIS TRADEMARK OUTBURSTS AND PULVERIZED BILLY ALL OVER!

Then May laughed hysterically!

Manaphy: It's working!

Donald Duck: YOU SHUT UP! YOU SHUT THE FUCK UP YOU STUPID BIG NOSED SON OF A BITCH!

DONALD DUCK MERCILESSLY THRASHED BILLY!

MAY LAUGHED EVEN MORE HYSTERICALLY!

May: (LAUGHS) THAT IS FUNNY AND AWESOME! Thanks guys!

Eli: Anytime. Now to stop these two.

Eli grabbed them.

Eli: Pardon me you two but I must Discipline the nannygoats!

KRABLANG!

HE BASHED THEIR HEADS TOGETHER!

They had stars spinning around their heads

Manaphy: Yay!

Me: All it took was one of Donald Duck's outbursts.

Donald Duck: Aww it was nothing.

Billy: I hate that duck!

KRABLAM!

Mandy punched Billy and knocked him out.

Me: Nice.

Manaphy hugged May.

Me: Awesome. Nico if you spank my butt again I'm gonna tear your hands off!

Nico: Sorry.

Me: No worries.

We continued walking around.

We then heard crying.

Nico: Crying?

Me: Not May. But I sense a really tragic energy.

We went down a hall and heard crying getting louder

We then saw a girl with blond hair and had a white dress.

Me: (GASP) Oh my god. Ymir Fritz!

Ymir Fritz (ユミル・フリッツ Yumiru Furittsu?) was the first person to obtain the power of the Titans. She was a slave of the Eldian king, who abused her power to bring prosperity to Eldia while devastating Marley and the rest of the world. Thirteen years after awakening her power, she died protecting the king; her corpse was then forcibly cannibalized by their daughters, Maria, Rose, and Sheena. Her powers then split into what eventually became known as the Nine Titans.

Upon her death, Ymir was transported to the Coordinate, where she molded Titans out of the sands and obeyed the royal family whenever they sought the Founder's power.

Around 2,000 years ago, Ymir's village was attacked and enslaved by the Eldians, who also murdered her parents and cut out the tongues of the survivors.

One night, Ymir opened the gate to a pen, allowing for some pigs to escape. Later, the tribe's ruler, Fritz, questioned the slaves on the culprit. The slaves pointed to Ymir, who was released only to be hunted down for sport.

Wounded and desperate, Ymir found an unusually large tree with a chasm at its base. Seeking shelter, she stepped inside and, not knowing of the sinkhole beneath, fell down into a pool of liquid. There, a mysterious spine-like creature fused with her and turned her into the first Titan.

With her newfound power, Ymir returned to serve Fritz and used her Titan to cultivate the land, build bridges, and amass wealth for the Eldians. Under his command, she also vanquished the armies of Eldia's rival, Marley. To "reward" Ymir for her service, Fritz took her as his concubine and together, they had three children: Maria, Rose, and Sheena. It was speculated that during this time, Ymir grew to genuinely love and care for Fritz despite his behavior and attitude towards her.

Thirteen years after acquiring the power of the Titans, Ymir died while thwarting an assassination attempt on Fritz, but then found herself in a mysterious, barren land. King Fritz then forced his daughters to eat their mother's corpse in an attempt to preserve the power of the Titans. He commanded his daughters to continuously reproduce, to have their children eat their spines upon their deaths and perpetuate this ritual from child to child so that Ymir's blood would not die out and Eldia could rule forever with its Titans.

Ymir's power was divided into the Nine Titans; and she continued to serve her descendants, building them Titans whenever they invoked the power of the Titans.

By the Eldians, Ymir's existence is hailed as a god-given miracle. The Restorationists claimed that she and all Subjects of Ymir are "the chosen children of God" and that any atrocities Marley claims Eldia had committed could not have been possible because Ymir would not have allowed it. There was even an Eldian cult that worshiped Ymir as a goddess.

On the other hand, the Marleyans believe she received her powers from a deal with the "Devil of All Earth" and used this to ostracize the Eldians.

There are also those who believe that Ymir contacted the "source of all living matter" to gain her power. This theory is relatively unheard of, as Grisha Yeager was unaware of it until Eren Kruger told him.

Many centuries later, Frieda Reiss would visit her half-sister Historia Reiss on the farm where she was raised. During some of her visits, Frieda told Historia the story of Ymir's deal with the Devil; however, in the book she showed her, Ymir is named "Krista". Frieda advised Historia that she must be lady-like, as "Krista" was. She spoke of "Krista" as being an altruistic girl and urged Historia to be loving and beloved like her when she is grown. However, Historia did not remember these visits since Frieda used the Founding Titan's power to erase her memories after every visit. Historia would only recall vague images of "Krista" in the years to come.

Ymir: Get away!

Nico: Ymir it's okay.

Horsea: And she is?

Nico: A girl with a very TRAGIC and terrible story.

Lincoln told us all about her.

Lincoln: She is the victim of a life of abuse at the hands of King Fritz, and then an eternity of abuse and torture at the hands of the Source of all Life. The Power of the Titans and Curse of Ymir were very much truly a curse. All the power she had was used to inflict her suffering onto everyone around her. The phrase "making a deal with the devil" is incredibly on point and ironically so since that's how Marley framed her. The supernatural gifts she was given were her curse. All the benefits and prosperity that her people and descendants enjoyed were created with her blood, sweat and tears.

Every gift the Power of the Titans created was created by her with her own hands. There is nothing magical, mystical, heavenly or angelic about it. She isn't some cosmic being weaving life out of nothing by waving her arms across the sky or something like that. She isn't a magical genie who snaps her fingers and makes wishes come true spontaneously. She can't just click her heels together and poof magical sparkles turn into all of your greatest desires. She was a victim. She was a slave. She was bound to a duty, constructing hundreds of millions of titanic monstrosities from the dirt beneath her feet with only her hands and a bucket. Every second of her existence would stretch out infinitely to give her enough time to complete her task when it was requested of her. 2000 years where any single moment could be stretched out to last decades or centuries. She was given no rest, no peace, no comfort, no support, no happiness. All she ever had was the task demanded of her and the cruel twist of feeling all the people who came after her. The connections, love and family she always wanted were her eternal tormentors as she was forced to experience their pain and suffering along side each and every one of them. Her descendants committed countless crimes in her name, and their enemies turned around and inflicted the same horrific abuse onto her descendants while cursing her name. All of the pain and suffering of the world from the moment she fell into that tree is contextualized around her existence. Everything was because of her or in response to her. The guilt and despair she felt because of it was truly incomprehensible. Eren, Armin, Zeke and Mikasa were able to reach her and allow her to finally rest; and they will be treated as some of the worst people in history by people on both sides of the conflict until the end of life itself.

EVERYONE WAS SHOCKED AND HORRIFIED.

I went over and enveloped her in a hug.

Me: Ymir it's okay. I killed all the Titans on the world of Paradis Island back in 2022. You don't have to go through all that anymore Ymir. I will protect you Ymir. You are not going to suffer anymore because of those monsters.

Ymir: You would?

Me: I sure would Ymir.

Ymir then hugged me and cried hard into my chest and I comforted her.

Me: It's okay Ymir. It's okay.

Horsea cuddled up to her.

Me: It'll be okay Ymir.

We got her up and I helped cheered her up.

Camie: You'll be fine Ymir. We'll make sure those monsters pay.

Me: They will pay for their crimes.

Qin: Yeah.

Ymir: (Sniffles) Thank you all. Thank you.

Nico: You're welcome.

Lincoln: Okay, guys, we're in for a brutal battle, we're here in The Sensei Undead Realm in The Skylands, and we're here to get The Sword of The Undead Skylanders for Starlight Glimmer, but here's the villain we're going after: the villain we're going after is none other than our old enemy, Einon from the movie, Dragonheart.

Me: WHAT THE?! (GROWLS)

Nico: Seriously?! That asshole just doesn't know when to quit, does he?!

Carol: That's the last straw, now he's really gonna get it!

Me: He's not worth killing anymore.

Lincoln: That's for sure, we're sending him to The M.O.E., but not before we beat him down for all of his crimes.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio has sent some hired thugs to kill us.

Lincoln: Sergio, why you little...!

Nico: Sergio again?

Lincoln: Yep, he's sent his hired thugs after us.

Me: I thought they...!

Sly Cooper: Afraid not, the thugs were completely stupid and they forgot that Sergio was going to backstab them, and they went back to being his hired thugs.

Nico: Unbelievable. Well, when we run into Ra's from from Neo Gotham City, we'll run into Sergio's thugs and another of your cousins, Sly.

Ed Cowart: Right.

Lori: That bird is literally getting on our nerves.

Ronnie Anne: Now, you know what Bobby and the rest of us had to deal with from Sergio.

Lincoln: Tell us about it. Now, get The Sword of The Undead Skylanders and hunt down Einon.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy,

but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and

sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Einon) AHA! There you are, you powerhungry bastard! I found Einon, he's 20 yards away. (Sensed many other energy signals) And he also has his men with him.

Nico: Let's get The Sword of The Undead Skylanders and unleash the wrath of the dragons and The Middle Ages on him.

We took off into the air to help Starlight Glimmer get The Sword of The Undead Skylanders and take down Einon and send him to The M.O.E. and send Sergio's thugs to The Black Abyss.

We were flying in the air, and we saw our target: The Sword of The Undead Skylanders, it's a dark purple sword with the symbol of The Undead Skylanders embedded in the crossguard and a blade with reflecting skulls on it.

Lincoln: There it is.

We landed, and Starlight Glimmer removed The Sword of The Undead Skylanders from its pedestal, and dark purple light shot out of the sword and it landed, and what stood in its place was a girl with purple hair, purple eyes, massive black bat wings, purple clothes, she has the Undead Skylander symbol on her forehead, right arm, and green skirt, an Undead Elemental Necklace and an Undead Elemental Sword with the symbol of The Undead Skylanders embedded in the crossguard and a blade with reflecting skulls on it.

Lincoln: (GASPS) Hex Starlight, Avatar of The Undead Skylanders.

Crash Bandicoot: The Undead Master of The Avatar of The Skyland Elements and Governor of The Undead, I knew that was her.

Me: Awesome! Care to introduce us?

Anna Anyanova: Sure. This is Hex Starlight, Avatar of The Undead Skylanders, she's Lincoln's Guardian Angels from The Undead Sensei Realm and she's the Avatar and Embodiment of all the Undead Skylanders and a master of ghosts, spirits, skulls, blood, bones and the forces of Hell and the spirits of the underworld. She's the Undead Master of The Avatars of The Skylander Elements, they are the masters of each of the 10 Elements of The Skylanders and they defend all of Skylands and the universe from the evils that threaten Skylands, and she's also a close friend of Lucy Loud and her friends. She came to Royal Woods long ago, and she taught Lincoln how to use the powers of ghosts, spirits, skulls, blood, bones and the forces of Hell and the spirits of the underworld, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful undead greatsword and necklace, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's and Lucy's enemies with a vengeance and vowed to send them to the fires of Hell.

Me: Wow.

Crash Bandicoot: I've seen her use the powers of ghosts, spirits, skulls, blood, bones, and the forces of Hell and the spirits of The

Underworld, and The Goths of Darkness were truly impressed by what she can do, and she not only trained Lincoln, but she also trained Lucy as well and her powers grew even stronger as well.

Lincoln: Yep, and watch this.

Lincoln fired ghosts, spirits, skulls, blood, bones, hellfire, and the spirits of The Underworld right at an incoming group of Undead Spell Punks, and then...!

KRABOOM!

The fruit exploded and The Undead Spell Punks got hit and their power was sucked out of them and went into Lincoln and they vanished.

Nico: (WHISTLES)

Lincoln: And for me being an Alpha Vampire-Werewolf Hybrid, that came naturally to me as well. For example, I can pick up on spectral traces left by the spirits of the dead and find out where they're at.

Eli: Is that even possible?

Lucy Loud: It is.

Brittney: She's right, Lincoln can sense and pick up on spectral traces left by the spirits of the dead and he's used it many times over when helping out the police with murder cases and helping the dead rest in peace.

Lincoln: And watch this.

Lincoln formed a black and purple glowing energy ball with Egyptian hieroglyphics orbiting around it like a ring and he summoned a serial killer he busted long ago. Then, as he threw it, the energy ball exploded as it hit the serial killer, but then, we saw the serial killer's life force being sucked out of his body and it went into Lincoln who grew even stronger. Then, when that was done, the serial killer was left as a dead husk who crumbled to dust and was sent to The Black Abyss.

Maria: What in the?!

Lincoln: I did tell you guys yesterday that I also use the powers of The Skylanders along with the powers of Magic, Fire, Water, Air, Tech, Earth, Life, Light, Dark, and Undead, and even use their attacks as well, and combine the powers of The Skylanders with the powers of the heroes we've met, the villains we've faced and imprisoned, killed, or destroyed, the Duel Monster Cards, the Magic The Gathering Cards, Pokemon, Digimon, the Mega Man Robot Masters and Mavericks, Ben 10 Aliens, and all the mythical beasts, creatures, legendary gods and goddesses of the pantheons of the different parts of the world, the Angels, Archangels, and God, the ruler of Heaven, the Demons, Devils, and Satan, the ruler of Hell, and the cosmos and the planets and stars of the universe and beyond.

Me: Yes, you did, and that was no doubt an Egyptian-based attack, right?

Lincoln: Yep, that's known as The Eye of The Moon, an attack I learned from the Gods and Goddesses of Egypt. When used on a target, this sucks the target's life force out of the target and into the caster making him stronger than ever, and I've also learned and mastered many attacks with the powers of the legendary gods and goddesses of the pantheons of the world, and that blessing that we got from them this morning, that gave us a strong connection to them as well.

Me: So, we'll not communicate with Our Lord in Heaven, but also, the legendary gods and goddesses of the pantheons of the world.

Lincoln: That's exactly correct. Now, let's go find Einon and take him down along with his army.

Nico: And when Sergio's thugs show up, we'll be meeting another of Sly's cousins.

Sly Cooper: That's for sure.

Ace: I can't believe Ymir went through all that.

Me: Well blame the Eldians for that. The Eldians were doomed from the start and she only doomed them further with the Founding Titan ability.

Nico: YIKES!

Me: Well we'll get justice of the highest caliber for her.

Lola: Yeah.

Nico: Maybe on J.D.'s birthday this year we can go after King Fritz.

Me: Good idea!

Ymir: I would like that.

Qin: Awesome.

Gi heard a Pokémon cry

Gi: Look guys.

We saw an Oshawott!

Me: Cool an Oshawott!

Nico: Neat.

Oshawott: This place is creepy.

Me: I know.

Gi: You hungry?

She gave her food.

Oshawott: Thank you!

She ate it.

Gi: You're welcome. Wanna come with?

Oshawott: Sure!

Me: Cool!

Nico: Sweet!

Me: Yeah!

Eli: Yep.

But then we saw a Tangrowth!

Me: Whoa a Tangrowth!

Nico: How'd that get there?

Me: It must be one of Dark Gale's handiwork.

Ibara: I think it might be. Let me see.

She used Telepathy and gasped!

Ibara: That's my sister Eden! She is the one who got me into the Christian Religion!

Fiona Hernandez: Wow! So she is who made you like one of us.

Ibara: Yes. I got this. Let me handle this.

Me: Okay.

Ibara went over to her.

Ibara: Eden its me Ibara!

All she did was use Solar Beam

She dodged it and we ducked and it hit a bunch of Undead Spell Punks and exploded!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

Me: WHOA! That was intense!

Camie: YEAH!

Ibara: I will free you with the Healing light of Metatron!

She did the Holy Trinity Hand Sign.

Ibara: Our Father, who art thou in heaven,

hallowed be thy name;

thy kingdom come;

thy will be done;

on earth as it is in heaven.

Give us this day our daily bread.

And forgive us our trespasses,

as we forgive those who trespass

against us.

And lead us not into temptation;

but deliver us from evil.

For thine is the kingdom,

the power and the glory,

for ever and ever.

AMEN!

She glowed and then the divine light came down and shined onto her and she fired it and Eden reverted back and was a girl with green hair and green eyes and had green angel wings and had a green blue dress and had Tangrowth on her forehead, skirt and shirt and had a cutie mark in the shape of the tree of life with the Garden of Eden on it and she had a plant sword in her hand.

We brought her over.

Me: Wow! That was amazing Ibara!

Qin: Well done!

Ibara: Thank you.

Ymir: Wow it sure was.

Camie: I agree.

She woke up.

Eden: (GROANS) What happened?

Ibara: Eden? Are you alright?

Eden: Ibara? Ibara it is you!

She hugged her.

Eden: I'm glad you're here.

Ibara: Same here. You're in the Undead Sensei Realm.

Me: You were turned into a Tangrowth by Dark Gale.

Eden: (GASP) That explains what that dart was for!

Me: Dart? You aren't affiliated with Sonya's Team?

Eden: No. I was working in the church teaching about the Book of John.

Sonya: Not all the gene-slammers affected by Dark Gale are with me and my team.

Me: I see.

Eden: Yeah. I work as a minister in the world with U.A. Academy. I helped Ibara get into Christianity.

Me: I can see that.

Bakugo: Huh. Wasn't expecting this actually.

Me: Yeah.

Eden: I heard about how you guys killed All For One.

Nanette: Yeah he had it coming.

Me: Yep. Also Eden your sister has come a long way. You should be proud of her.

Eden: I am. She has become an amazing hero.

Ibara: All my friends in U.A. Academy and in Team Loud Phoenix Storm helped me big time.

Me: Yeah.

Eden: I can see that.

Me: Yep.

Horsea: You're the first Gene Slammer Dark Gale affected that's not in Sonya's team

Eden: I know.

Me: Well Dark Gale was destroyed by us. So you don't have to worry about them anymore.

Eden: Thank goodness.

Me: Yeah. Now we have to defeat a tyrant that has it out for me.

We then took off to find and take down Einon and send him to The M.O.E. and kill his army and Sergio's thugs and send them to The Black Abyss.

We were flying in the air, and when we got up to a nearby hill, we saw our target: the arrogant and powerhungry bastard, Einon, and he has a massive army of soldiers and mercenaries, and he was still out for my blood.

Me: I knew it. Einon's still out for my blood again.

Suddenly, Lincoln's rainbow iris of his Third Eye turned dark blue, same with the irises of our Third Eyes.

Anubis: (Through Lincoln's Third Eye and our Third Eyes) And it's not just that, J.D., it turns out he made a deal with Sebastian.

Me: (GASPS) Lord Anubis.

Eli: So, that's what Lincoln meant, we have a connection with not just God in Heaven, but also, all the gods and goddesses of myth from around the globe.

Cody (OC): This is really bad. Lord Anubis, this deal Einon made with Sebastian, please tell me this wasn't...The Dark Pact of Apophis?

Anubis: (Through Lincoln's Third Eye and our Third Eyes) I'm afraid it is, Cody.

Me: The Dark Pact of Apophis? Lord Anubis, Cody, can you tell us what it is?

Cody (OC): You're gonna wish you hadn't heard about it, J.D., The Dark Pact of Apophis is one of the many forms of black magic Apophis has used, and it was against those who want revenge, and there was a form of payment that's needed for the pact to be sealed.

Mathayus: I believe I know what that form of payment is: their soul.

Anubis: (Through Lincoln's Third Eye and our Third Eyes) That is correct, and once the task was done, Apophis takes their soul and then he forces that person to serve him for all eternity. We need to undo The Dark Pact of Apophis before it's too late.

Nico: But, how do we break this pact?

Lincoln: Leave that to me, I've done some reading from The Golden Book of Amun-Ra and from many other Egyptian spellbooks I have in my library, and through it, I found the spell that'll break The Dark Pact of Apophis for good. But, first, we got to take care of Einon's massive army of soldiers and hired mercenaries.

Anubis: (Through Lincoln's Third Eye and our Third Eyes) Right. Now, Lincoln, hold still, you're gonna feel a slight discomfort.

The dark blue irises of our Third Eyes changed back to their original colors. Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye turned golden yellow and Cody's eyes turned golden yellow and we felt an incredible and powerful divine force coming from them and we saw hieroglyphs form under their feet in a circular formation. Then, Lincoln flew at Einon's massive army of soldiers and hired mercenaries and were hovering above them.

I landed.

Einon: Well well well, what a pleasant surprise. I expected you J.D. but with everyone here I find that expected too. And where's my bride to be?

Me: Someplace where you'll never find her.

Einon: Uh huh. And you have a priest with you to wed us.

Nico: No to Bury you!

Me: AFTER we kill you!

Einon: Well to bury one of us...

He went at me and I clashed my sword with his.

CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

Anubis: (Through Lincoln and Cody's bodies) (Divine Voice) Soldiers of the disgraced King Einon, your time of judgement has come at last.

Einon: KILL THEM!

Einon ordered his massive army of soldiers and hired mercenaries to attack as they charged, but Lincoln and Cody used telekinesis and held them in place.

Anubis: (Through Lincoln and Cody's bodies) (Divine Voice) How pathetic. Now, this is where all of you shall meet your end. EYE OF THE MOON!

Anubis through Lincoln and Cody's bodies formed a massive barrage of black energy balls surrounded by a glowing purple aura with Egyptian hieroglyphs surrounding the black energy balls like rings and fired them at Einon's massive army of soldiers and hired mercenaries, and as they got hit, their life forces were sucked out of them and they went into Lincoln and Cody as they grew even stronger and as soon as they were done, Einon's massive army of soldiers and hired mercenaries were left as dead husks.

Then, we also saw what happened: their souls were sent to The Egyptian Underworld to be judged by Ma'at and Anubis, and when their hearts were weighed on the right side of The Scale of Truth with The Feather of Ma'at on the left side, their hearts were heavy and they were found guilty, and their hearts were devoured by Ammit the Devourer and they were sent to The Black Abyss.

Me: Unreal!

Nico: So, whenever one of the gods and goddesses takes control of Lincoln, any minion who gets killed by him, they are sent to the place where they live and once they face their judgement, they wind up getting punished and sent to The Black Abyss.

Suddenly, Anubis relinquished control of Cody's body back to him, but he still remained in control of Lincoln's body.

Anubis: (Through Lincoln's body) (Divine Voice) Yes, that is correct, Nico.

Cody (OC): This was the first time you spoke through me, Lord Anubis.

Anubis: (Through Lincoln's body) (Divine Voice) Indeed. Normally, I would speak to you through my emblazoned mark on your forehead or appear to you through prayer, but this was the first time that I speak through you. (To Einon) Now, then, I believe it's time we administer your punishment for your tyranny, Einon.

Einon: NEVER! I WILL KILL J.D. KNUDSON AND EVERYONE THAT HE LOVES FOR DESTROYING ME!

We saw that he has a snake tattoo on his left arm: the sign of his deal with Sebastian: the physical manifestation of The Dark Pact of Apophis.

Anubis: (Through Lincoln's body) (Divine Voice) You did this to yourself, Einon. You were nothing but a powerhungry bloodthirsty tyrant, and you went too far making a deal with Sebastian, even if you fulfill the deal you made with him through The Dark Pact of Apophis, you're still going to end up dead and your soul will be enslaved to serve Apophis for eternity.

Einon: DIE!

Einon tried to attack, but Anubis through Lincoln's body snapped his fingers and chains of gold then appeared and shackled Einon by his wrists and ankles, and then, we saw something form in Lincoln's left hand: it's a blue energy orb with an Ankh inside it. Then, he fired the orb as it went into Einon's body, and then, it got to work by removing and cleansing the dark magic of The Dark Pact of Apophis and the snake tattoo on his left arm vanished.

Anubis: (Through Lincoln's body) (Divine Voice) It's done, Einon's been cleansed of The Dark Pact of Apophis. Now, we can take him down and send him to Vypra.

Me: Understood, Lord Anubis.

Nico: You shouldn't have returned, you bastard. Now, you're really going to get it!

I clashed more with Einon!

I kicked him in his face and slashed him across his chest!

I punched him and slashed him across his cheek on his face!

Einon: FOOL! I'm immortal!

Me: What a coincidence! So am I!

Horsea: What do you mean by priest?!

Nico: He means Eden!

Eden: He's right on that

I punched Einon in his stomach!

Me: How can you betray Sir Bowen like that Einon! He was your teacher and he taught you the Old Code!

Einon: THE KING IS ABOVE THE CODE!

Ace: Old Code?

Nico: The Old Code of King Arthur. It was his Code of Knighthood when he was Starting the Knights of The Round Table.

Catherine Arthur: (British Accent) It was something that my father was proud of back in those days.

Eli: That was an amazing code too.

Catherine Arthur: (Holds her Sword) A Knght is Sworn to Valor, His Heart Knows Only Virtue! His Blade Defends the Helpless, His Might Upholds the Weak, His Word Speaks only Truth, HIS WRATH UNDOES THE WICKED!

Oshawott charged at him and blasted him with Scalding water!

Gi: Take this! WATER!

She fired waves of energy and water and blasted him all over.

Horsea: Eden isn't gonna make any marriage official!

Eden: I would never make that happen!

I kicked Einon and slashed his shirt and revealed the scar where he had his heart pierced!

Ace: WHOA! That is a nasty scar!

Nico: Kara left her mark on him. She accidentally impaled him in his chest on a post and mortally wounded him.

Draco: Yes and I gave half my heart to help cure him. But I made him worse than ever.

Me: But Lori used her magic and helped give Draco back his soul.

Draco: That's right.

Lori: I literally remember that.

Carol: That was back when I got my powers.

Nico: Whoa!

Me: Nice to see that Kara's mark is still on you. May it be an eternal reminder of the pain she dealt you when you killed her father!

Einon: He deserved it!

POW!

I punched him! He went at me and he jumped and slashed my sword and his sword broke on mine into a thousand pieces!

SMASH!

Einon: WHAT THE!?

Me: My sword is magic and it can't be destroyed by anything on the mortal plane!

I kicked him down.

Draco then roared and bit his arm!

CRUNCH!

Einon screamed in pain and dropped his sword!

Me: OOH! That must've hurt!

Nico: Draco's pain that he inflicts on himself is still connected to Einon!

Me: Yikes!

Einon then pulled out a dagger and went at me!

Me: Okay if you're truly immortal lets prove it!

Winx Club Layla got out her Gashat!

Winx Club Layla: Bring it on!

She activated it.

Hex (Skylanders): FEAR THE DARK!

Winx Club Layla and Hex: SKULL WATER BASHER!

They fired waves of skulls and water and bashed him all over!

Then he jumped and then...

SHEEEN!

I STABBED HIM ALL THE WAY THROUGH HIS BLACK HEART!

Sure enough he was immortal but was bleeding bad! He dropped the dagger!

Me: Seems you ARE Immortal! But you will NEVER Live as long as I have!

I pulled out my sword and kicked him down and he crashed into a pile of skulls!

I picked up his dagger and pocketed it.

I found another sword and gave it to Einon.

Me: I was taught the ways of honor. And any knight without a sword is only half a knight. Consider this as my only act of mercy. Next time there will be none

He went at me and we clashed more.

SPARKS FLEW ALL OVER THE PLACE!

I got in his face.

Me: No wonder your Father lost to a bunch of Rebels. They easily overpowered him. But you got overpowered by me, Lori and Carol because of our power!

I punched him and kicked him down.

Einon: MY FATHER WAS WEAK!

Me: Just like you. Because you took Bowen's teachings and spit them back in his fucking face!

I kicked him and had my blade against his back.

Me: You remember this? You never learned this one did you. Only expose your back to a corpse!

Einon: YOU ARE A CORPSE!

Me: An immortal one!

Einon: YOU JUST DON'T KNOW IT!

We resumed clashing!

Cynder: VOLTS AND LIGHTNING!

Layla and Cynder: ANDROS LIGHTNING BLAST!

They fired waves of lightning and water and blasted him.

Einon: YOU ARE THE SORRY SCRAP OF DEAD WORLDS AND

DEAD BELIEFS!

Me: LOOK WHO's TALKING!

I kicked him in his face!

Me: Those Beliefs will always live on even after 1,500 years!

Catherine Arthur: Through me!

She slashed Einon in his back with the mighty Sword Excalibur!

SLASH!

He screamed!

Catherine Arthur: Seems you CAN BLEED after all!

Me: And for the record, I will NEVER Die! You on the other hand, YOU WILL! If you piss off Vypra!

Piper got out her Gashat

Piper: One thing we learned is NEVER MAKE VYPRA MAD!

She activated it.

Chop Chop: SLICE AND DICE!

Piper and Chop Chop: FIRE BRAMBLE FURY STORM!

They fired waves of fire and bramble and blasted Einon!

Nico: YEAH!

Me: It's remarkable isn't it Einon? Your entire kingdom fell because of the combined power of rebels, knights, dragons and angels working together. Including the combined strength of friends of all kinds united as one! As well as the love and support of family. Something you destroyed when you killed your own mother!

Eli: YEAH! You jerk!

Qin: You are a monster!

I kicked him and leg swept him and kicked him in his back and punched him down.

Me: What's the matter Einon? You were tough talk before? Cat got your tongue?

Ulrich got out his Gashat.

Ulrich: Or maybe I cut it out!

He activated it.

Ghost Roaster: NO CHAIN, NO GAIN!

Ulrich and Ghost Roaster: GHOST MAYHEM BLAST!

They fired waves of energy and skulls and blasted Einon all over!

Me: Too bad you don't have your knights and men with you. I was expecting more of a challenge from them and you.

Qin: YEAH!

I punched Einon and kicked him.

CatDog got out their Gashat

Cat: Time to show this jerk some Cat and Dog Power!

Dog: HI HO DIGGETTY!

They activated it.

Eye Brawl: (Transylvanian Accent) I'VE GOT MY EYE ON YOU!

CatDog and Eye Brawl: EYES OF FURY BLAST!

They fired laser and eye blasts and blasted Einon all over the place.

Lori got out her Gashat.

Lori: You literally disgust me!

She activated it.

J.D. 2: You know what's coincidental, Hinata from my universe had the same thing happen with her because of Neji and she had a Mermaid Heal her. Mermaidheart Healing.

Lori and J.D. 2: LIGHTNING WIND FURY SHOT!

They fired waves of lightning and wind and blasted him all over.

Nico: Did that really happen?

J.D. 2: It sure did.

Qin: That's amazing.

Rattle Shake: GO AHEAD! SSSNAKE MY DAY!

Lori: Lets do it!

Lori and Rattle Shake: SNAKE WIND FURY BLAST!

They fired waves of wind and snake skeletons and blasted him all over.

Leif got out his Gashat.

Leif: Time to punch your lights out!

He activated it.

Night Shift: ROLL WITH THE PUNCHES!

Leif and Night Shift: PUNCHING SKULL BASHERS!

They punched and smashed and pulverized him.

Luster Dawn got out her Gashat.

Luster Dawn: I am the Sun!

She activated it!

Fright Rider: FEAR THE SPEAR!

Luster Dawn and Fright Rider: SPEAR OF THE SUN BLAST!

They fired spears and sunlight and blasted Einon all over!

Roller Brawl: LETS ROLL!

Stacy Bolton: Lets shred and jam!

Roller Brawl and Stacy: SKATE AND SKULL BASHER!

They skated and smashed Einon all over.

Erza got out her Gashat.

Erza: The wrath of Titania will come!

She activated it!

Grim Creeper: YOUR TIME IS UP!

Erza and Grim Creeper: SLASHING UNDEAD SCYTHE BLADES!

They slashed him and cut Einon all over the place!

Zhuqiaomon got out his Gashat

Zhuqiaomon: As sovereign you are dethroned!

He activated it!

Bat Spin: (Transylvanian Accent) NO REST FOR THE WICKED!

Zhuqiaomon and Bat Spin: VAMPIRE FIRESTORM BATSTORM!

They fired waves of fire and bats and blasted Einon all over!

Davis got out his Gashat

Davis: Time for some metal power!

He activated it!

Krypt King: I'VE GOT THE EDGE!

Davis and Krypt King: SWORD OF UNDEAD STORMS!

They fired waves of energy and blasted Einon.

Me: Take that!

Eden: Shall we do it like old times Ibara?

Ibara: You know it!

Eden and Ibara: HOLY LEAF STORM OF EDEN!

They fired waves of leaves and blasted him all over.

Poromon pecked him.

POINK POINK POINK POINK POINK!

Poromon: Take that you jerk!

Poliwag slapped him with his tail!

WHAP WHAP WHAP WHAP WHAP WHAP!

Hippowdon: CANNONBALL!

Hippowdon smashed onto Einon's back with a sickening crunch!

Horsea squirted ink and blinded him.

Einon drew his sword.

Einon: You have humiliated me for the very last time, J.D., and I will never stop until you are finally dead!

Anubis: (Through Lincoln's body) (Divine Voice) That's enough!

The authority of Anubis' voice absolutely stopped Einon dead in his tracks.

Anubis: (Through Lincoln's body) (Divine Voice) Your desire for revenge against J.D. ends here and now, Einon. This is where you must pay the price for your crimes. (Sensed Sergio's thugs) And it appears we have some uninvited guests.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings and they forced out Sergio's hired thugs and they're screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Whoa, what the?!

Selene Arcangela: Lincoln exposed them in the blink of an eye with that attack, incredible.

Kali Timestream: Just like when Our Lord takes control, that attack happens before you can blink your eyes.

Sergio Thug: Damn it! The boss isn't going to like this!

Anubis: (Through Lincoln's body) (Divine Voice) I wouldn't worry, you won't be able to report back to your boss. Nor will the rest of your friends for you will not live much longer.

But then...

WHOOSH!

A figure swooped in a swiped their loot!

Sergio Thug: WHAT THE!? OUR LOOT!

?: Not anymore guys!

We saw Slovakia's Cooper Clan member.

Lincoln: Alena Zlochova Cooper!

Alena Zlochova Cooper: (Slovakian Accent) Good to see you Lincoln.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Alena Zlochova Cooper, The Breaker of Prisons of The International Clan of The Coopers, she's Lincoln's Guardian Angel from Slovakia and she's one of the most amazing and skilled thieves in all of the land and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from Slovakia and she helped him on lots of dangerous jobs. She's known as The Breaker of Prisons because she swoops into the toughest known maximum security prisons in the world completely unseen and undetected with amazing speed and she swoops in and steals from all the criminals there. She steals from inmates, corrupt guards, wardens, nobleman, policeman and more, and she's really good at it too. She even stole from some of Interpol's most dangerous criminals that they already caught. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Alena came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of treasure hunters and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Alena Zlochova Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Me: Wow! Awesome to meet you.

Alena Zlochova Cooper: Same here.

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive muscle mass, massive physical strength, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Anubis: (Through Lincoln's body) (Divine Voice) (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss, and when Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: NO! NO! (GROWLS) This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Eli: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Nico: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us, and as he snapped his fingers, orbs of blue energy with a gold Ankh appeared surrounding Sergio, and then...!

LINCOLN SENT THE ORBS AT SERGIO, AND THEY EXPLODED WITH INCREDIBLE POWER AS THEY HIT THAT STUPID BIRD, AND WHEN IT WAS DONE, SERGIO WAS AN ABSOLUTE WRECK AND HE GOT HURT BAD!

Sergio: (Groans) Ouch!

We were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT BEAK WITH HOT PEPPERS AND HOT SAUCE! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

Lincoln, Red Savarin, Robin Hood, Skippy the Bush Kangaroo, Von Lycaon, and Rayman went after Einon, and they fired extremely powerful blasts of rainbow, green, purple and red, red and yellow, red, white and black, white, golden yellow, and blue energy, elemental forces, mythological animals, and mythical beasts, and they exploded with incredible power as they hit him, and they slashed and punched at him with their massive greatswords and gauntlets and greaves leaving scars on him.

Einon went at Lincoln and I and we clashed with our greatswords and sword, but we had gained the advantage and disarmed him, and Lincoln and I punched Einon so hard in the stomach with his left fist, he wound up belching out blood, and he held his stomach in pain!

Einon: YOU! YOU! I WILL KILL YOU FOR THIS!

Me: You can't kill us anyways, we're immortal and invincible, Einon!

Anubis: (Through Lincoln's body) (Divine Voice) Those were the very words you said to Einon and to many like him in the past, J.D. But, he doesn't learn, and he never will. I believe it's time we taught him a lesson he will never forget.

Lincoln and I blasted Einon with energy blasts, and that made him even angrier than ever.

Roxy Drake: Let's make this even more painful for him. Alright, boys, get him!

We were amazed by Starlight Glimmer's transformation, and when Lincoln saw her, he had an atomic red blush on his face and snout and muzzle, hearts in his eyes, and his nose was really gushing out blood at full force which hit Einon and he got burned bad by the acidic blood, and that suddenly let Lincoln retake control of his body as his golden yellow eyes changed back to deep sapphire blue, but the golden yellow iris of his Third Eye remained as Anubis still remained in control.

Lincoln: Oops. Sorry you had to see that, Starlight Glimmer.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Fluttershy, Talia Al Ghul, Nora Fries, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Starlight Glimmer, Maria Nightingale, Rhonda Ryut, Lori Yami Kage, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this made Einon even angrier than ever.

Suddenly, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and eleven sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Einon, and we found ourselves in Heaven.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into Einon's stomach, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, GO TO HELL!

Lincoln, Nico, and I did one final powerful energy slash that hit Einon hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Einon was on his last legs and he was really really mangled.

Then, Lincoln tied Einon up with a rainbow energy straitjacket and Neutronium chains lined with rainbow energy and gagged him and he lifted him up with his left hand and threw him into a portal that led to The M.O.E.

Nico: And that's Undead down.

Lincoln: And Light and Dark left to go.

Me: Yep. I had no idea that Einon would come back again, what a bastard.

Cody (OC): And he made a deal with Sebastian through The Dark Pact of Apophis.

Anubis: (Through Lincoln's Third Eye) (Divine Voice) We're gonna keep an eye on Sebastian along with The Order of The Dark Universe. Until we meet again.

Anubis left as the golden yellow iris of Lincoln's Third Eye changed back to rainbow colors.

Lincoln: We've taken down Einon and broke The Dark Pact of

Apophis that he made with Sebastian, but this won't be the last time Sebastian tries that.

Selena Mendez: Nor the rest of The Order of The Dark Universe.

Me: You know who the other members are?

Selena Mendez: Got it right here.

She got out a list and pictures of nine other males with black hair, red eyes, and dressed in the same black clothes as her insane brother.

Selena Mendez: They are Michael Ondrushko - 2nd in Command and Black Magic Spellcaster of Darkness, Quentin Hargreaves - Demon Summoner of Darkness, Reagen Lestranfe - Dark Magic Spellcaster of Darkness, Owen Thatcher - Satanic Ritual Master of Darkness, Alex Creighton - Hellfire Master of Darkness, Windsor Grimm - Hell's Winter Mage of Darkness, Ryan McCabe - Demon Wind Master of Darkness, Aragon Cochran - Demon Earth Master of Darkness, and Nergal Glaphyra - Demon Lightning Master of Darkness.

Qin: I remember them all too well.

Selena Mendez: That's right. Plus, we've had our fights with Astaroth Voldemorte, Master of Darkness and the former founder and leader of The Order of The Dark Universe. He made a mistake of imbuing my brother with the powers of Apophis not realizing how cruel and insane Sebastian truly is, and that led to him killing Astaroth in a cold-blooded act of cruelty and he stole all his powers of darkness and sent his soul to Hell.

Lincoln: Your brother's going to get his just desserts along with those other bastards, but that'll be for after we meet with Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora.

Suddenly, Lincoln pinned Hex Starlight to the ground, and he kissed her deeply on the lips which she returned, then, with his massive muscular arms still wrapped around her waist, Lincoln leaned his head down to the right side of Hex Starlight's trapezius, and he slowly bit her and then fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Dahlia Fluttershy with dark purple gems on the gold lightning bolts and dark purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Hex Starlight: Well, I got to say that was one way of saying it's good to see you again.

Lily: That's one of his ways of conveying that message.

Lincoln: Lily.

Nico: Nice job, Oshawott.

Oshawott: Thanks Nico. Got any beer?

Poromon: YAY! Here you go.

He gave her one.

Oshawott: Oh boy!

She drank it.

Camie: Yeah I agree.

Ed: Pull my finger Nico! (LOUD FART!)

Eddy: Nice one Lumpy!

Nico: Bring Eden and the MOE cannon with you

Maria: Okay.

Horsea: You got it!

Lincoln: (Sensed Anothers) Uh oh, guys, heads up, there are Anothers heading our way.

Eli: (Sensed Anothers) Lincoln's right, we got Anothers heading our way. Whoa, and one of them is The Keyblade Knight of The Skylands.

Spyro: Wow.

Lincoln: Plus, today's the April 12th Anniversary of The War Against The Doomsday 23.

Me: Yep.

Nico: Which means we've got to get ready for the party for that day, and as always, no stupid party animals like Sergio are allowed.

Me: Well, he's already in prison, so we don't have to worry.

Lincoln: And with tight security, he's not getting out anytime soon.

Me: For sure.

Eli: We got Another Gazimon, Noof, Barry the Poison Dart Frog, Robo-Peach, Frogbot and Lawrence.

Poliwag: So me and my team up! YEAH!

Nico: There they are!

We saw Another Noof, Barry the Poison Dart Frog, Robo-Peach, Frogbot and Lawrence!

Me: Whoa!

Qin: This will be fun!

Another Noof: (In a girls voice) It sure will be.

They merged and reverted back and were the Lightsworn Gene-slammers, Terrorking Salmon and Space Mambo gene-slammers and the Keyblade Knight of Skylands!

Nico: WHOA! The Lightsworn Sisters, Lori Raynor and Natasa Kohoutek!

We were introduced to Jaina Jane, Aura Aurkus, Callie Celestia, Ellie Ehren, Gabrielle Garoth, Gaia Gragonith, Rika Rinyan, Leia Lyla, Sheila Shire, Miranda Minerva, Lyra Lumina, Rhonda Ryko, Raya Raiden, Jenna Jenis, Winona Wulf and Faye Felis Lightsworn.

Me: WHOA! Awesome to meet you girls.

Rhonda Ryko: Same here.

Lincoln: And Eleanor Eon! Awesome to see you again.

Eleanor Eon: You too and good to see you Cousin Aurora.

Aurora (Skylanders): Same here cousin.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Eleanor Eon, Keyblade Knight of Skylands, she's Lincoln's Guardian Angel and a powerful force of epic power to be reckoned with. She's the daughter of Master Eon and a powerful and deadly warrior of good and the Immortal Master of the 10 Skylands Elements of Undead, Life, Air, Fire, Water, Magic, Tech, Earth, Dark and Light and she is also the most powerful force of good there is. She is a friend of all the forces of Skylands. She's a legend in the world of Skylands and she's also the very force that brought Earth and Skylands together, and she also hates the forces of The Darkness of Skylands with a passion. She battled the Forces of Kaos and won EVERY TIME! She has all the powers of the Skylanders and also has all their abilities times 1,000,000, and she Has all the powers of the Skylanders: Giants, Swap Force, Trap Team, Superchargers, Imaginators, etc. She can do it all. She vowed to make sure that all the forces of Kaos pay big time for their crimes against her father and to Skylands in general. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him in the powers of the forces of Skylands and the elemental forces of

Undead, Life, Air, Fire, Water, Magic, Tech, Earth, Dark and Light and more which he mastered and gained along with omnipotent power, and she hates all of Lincoln's Enemies with a vengeance and vowed to lock them in Traptanium forever and have them turned to the side of good by force.

WE GASPED!

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

Gi: I sure did.

Lola: Boy that's right around the corner.

Earth: So excited for it!

Lincoln: Me too!

Me: Yep.

Lorelai Atlandia: No he didn't because I fired a bunch of arrows and stuck him to the wall.

Sakura Knudson: That explains why he was pinned like that.

Camie: Funny

Ymir: Yeah.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor.

Lincoln: Lets separate you first.

We did so.

Me: If this were a battle with Etemon it would be awesome.

Nico: Yep.

Me: Lets do it.

Nico: (gets out Gazimon's Ridewatch) Shocking, isn't it? (Echoing) ELECTRIC STUN BLAST!

May: (Gets out Barry's ridewatch) Don't touch my skin, I'm poisonous!

Maria: (Gets out Frogbot's Ridwatch) This frog is a machine!

Suzumebachi: (Gets out Noof's ridewatch) This bear means business eh!

They used the powers of Gazimon, Noof, Barry the Poison Dart Frog, Robo-Peach, Frogbot and Lawrence and blasted Another Gazimon.

Then TIE Bomber, Nathan Garrett, Shaiapouf (X-Squad Universe), Menthuthuyoupi (X-Squad Universe), Neferpitou (X-Squad Universe) and Gustlovs came!

Me: WHOA!

Nico: Awesome team pilot!

TIE Bomber Pilot: Thanks Nico. It's cool.

Storm Eagle: So my team next! Awesome!

Gazimon (laughs): We pay the Tie pilots a generous amount of money!

Nico: That is awesome and cool!

Storm Eagle: This is awesome!

?: It sure will be fun!

Hyozanryu came!

Me: WHOA! Hyozanryu!

Nico: Spakly!

Hyozanryu: (In a girls voice) It sure is!

Nico: Dianna Diamond! Wow!

She reverted back and was a girl with aqua blue hair, blue eyes, blue clothes, blue wings and had Hyozanryu on her arm, forehead, skirt and shirt and had a diamond sword in her hand.

Dianna Diamond: Awesome to see you Nico. I got this. DIAMOND FLARE BLAST!

She fired a diamond fire blast and it hit the Another and blasted it and I caught the ridewatch and purified it!

Me: YEAH!

Nico: Great job!

Dianna Diamond: Thanks Nico. So fun.

Qin: It sure was!

Suzumebachi: Do you have a good memory of Nico?

Dianna Diamond: I sure do. When me and Nico found a massive cave of diamonds in my house backyard and it made us rich.

Lola: Wow!

Camie: Cool!

Nico: Yep.

They hugged.

Nico: I've missed you.

Dianna Diamond: Same here.

We went back home.

Lincoln: Ah, we're here in Canterlot, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we got bad news: an army of werewolves have been sighted and are planning to attack the castle, and we're going to find out the villain responsible for organizing this army of werewolves is none other than Adolphus Bardawulf, the 5,000-year-old werewolf who killed the parents of Ursula Truaigheaingeal and the rest of The Ghostrick Guardian Angels.

WE GASPED!

Ursula Truaigheaingeal: (Scottish Accent) What the?!

Tiana Masina: (Scottish Accent) I can't believe this! I thought we were rid of him forever.

Qin: This has Sebastian written all over it.

Lincoln: (Sensed it) No, it wasn't him, Qin. He was brought back by Morgana Midnight Sparkle, yes, but after that, that monster escaped from her and ran off to somewhere, and he'd been pretty busy during the past few months by gathering together and also creating an extremely massive army of 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 werewolves by infecting them with his claws and fangs.

WE GASPED!

Nico: Of all the...! (GROWLS) Lincoln, I hope you absorb him and those werewolves like you did when we went after Kagemaru yesterday.

Me: And I've been thinking, those werewolves you absorbed yesterday, he must've been the one who sent them after us!

Lincoln: That could be the case, J.D., and I can only think of only one werewolf who could do this.

Poliwag: We should get rid of them first before we go after Adolphus.

Suddenly, we heard loud howls, and we saw the werewolves heading for Canterlot Castle.

Lincoln: No time to lose, we need to get to the castle.

We teleported to the castle and Lincoln formed a massive barrier that kept the werewolves out of trying to get into Canterlot and the castle.

Princess Celestia: You came just in time, everyone.

Princess Luna: Adolphus' return and the howls of his army alerted all of us and we got everyone to safety.

Princess Cadence: This is just like what happened yesterday.

Lincoln: It'll end with me absorbing him and his army of werewolves.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, short dark blue hair and dark blue wolf ears and tail, blue eyes, massive black angel wings, white short-sleeved blouse, dark blue sleeveless top, white gloves, the symbol of The Wolf Moon on her forehead and right arm, dark blue skirt, dark blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, ice, snow, snowflakes, ice crystals, werewolves, phoenixes, and angels on the coattails, and on the back is the symbol of The Wolf Moon, she has a darkness greatsword in her right hand, and with her are the eight girls.

Lincoln: (GASPS) Selina Wolf Moon, Werewolf Angel of The Wolf Moon.

Selina Wolf Moon: That's right, and I got the girls away from Adolphus Bardawulf and his massive army of werewolves. Let's take care of the werewolf army and fast, and then, we take down Adolphus Bardawulf.

Lincoln: My thoughts exactly, Selina. Let's go.

We then headed out to confront Adolphus Bardawulf and his massive army of werewolves, so Lincoln can absorb them and send them all to The Black Abyss.

We then got to the location, and suddenly, the full moon shined down, and we heard the sounds of 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 howls in the air, and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9 werewolves coming out of nowhere and they were heading for us, but Lincoln charged at them and he morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of werewolves, and one by one, he began absorbing them into his body and he assimilated their Superhuman strength, Enhanced senses, Super speed, Healing, Super Senses, Healing factor, Shapeshifting, Superhuman speed, Superhuman stamina, Superhuman durability, Massive muscle mass, virility, testosterone, Infectious bite and scratch, Disease immunity, Enhanced Speed, Immortality, Lie Detection, Empathy, Pain Transference, Memory Transference, Animal communication, Superhuman reflexes, Eolas, Ansin, Invulnerability, Lycanthrope enhancement, and Telepathy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln let out a loud and massive howl of dominance and power.

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln let out a loud and massive howl of dominance and power.

Lincoln: We're done playing games, Adolphus. Now get out here and face me like a real werewolf or are you too afraid to come out and face me!

Suddenly, we heard a loud roar of pure rage, and our target came out: it was Adolphus Bardawulf, the 5,000-year-old Mesopotamian aggressive bloodthirsty cannibalistic warrior turned werewolf.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Adolphus Bardawulf, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON ADOLPHUS BARDAWULF! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!
